If you have not yet completed this certification, please do so by visiting Computershare's self-certification website [Tax Residency Self-Certification | Investor Centre](#), and follow the prompts.

If you hold your securities via a broker sponsored Holder Identification Number (HIN) you can certify across your applicable portfolio by following the following steps:

- Log into your Investor Centre member portal via <https://www-au.computershare.com/investor/>
- Go through My Profile > Tax Residency Certification
- Apply your certification across all applicable holdings for the same HIN

If you hold your securities via an issuer sponsored Security Reference Number (SRN) you will need to certify for each SRN individually.

Please note failure to certify may result in your information being reported to the Australian Taxation Office and potentially shared with foreign tax authorities. If you are unsure about your certification obligations, please seek advice from your financial adviser.
