New Frontier appoints UK Corporate Broker

New Frontier Minerals Limited (“**New Frontier**” or the “**Company**”) (**ASX: NFM**) is pleased to announce the appointment of S.P. Angel Corporate Finance LLP (“**SP Angel**”), a leading UK-based corporate finance firm, as its Corporate Broker with immediate effect.

NFM has appointed SP Angel to enhance its engagement with UK and European institutional investors, broadening the Company’s investor base as it advances its portfolio of critical minerals projects in Australia.

Chairman Gerrard Hall commented:

“We are delighted to appoint SP Angel as our Corporate Broker in the UK. Their extensive expertise in the rare earths and critical minerals sector, combined with their strong network in the UK and European markets, makes them an ideal partner for NFM. This appointment marks a significant step in expanding our investor reach beyond Australia as we continue to progress our high-value exploration projects. The Company looks forward to updating the market on its inaugural drilling program at Harts Range, subject to finalisation of all regulatory approvals, which is expected to occur over the coming weeks.”

About New Frontier Minerals

New Frontier Minerals Limited is an Australian-based focussed explorer, with a strategy to develop multi-commodity assets that demonstrate future potential as an economic mining operation. Through the application of disciplined and structured exploration, New Frontier has identified assets deemed core and is actively progressing these interests up the value curve. Current focus will be on advancing exploration activity at the Harts Range Niobium, Uranium and Heavy Rare Earths Project which is circa 140km north-east from Alice Springs in the Northern Territory. Other interests include the NWQ Copper Project, situated in the copper-belt district circa 150km north of Mt Isa in Queensland and the Broken Hill Project in western New South Wales. New Frontier Minerals is listed on the LSE and ASX under the ticker “NFM”.
