The market was fully informed that if the Term Sheet was not extended prior to 30 June 2025, then it would lapse. Accordingly, when ATV did not announce that the Term Sheet had been extended, the market was aware that it had therefore lapsed. On that basis the Company does not consider that it was required to make an announcement to that effect.

ATV notes that the license distribution contract for the Middle East with Radian Arc announced 31st January 2024, remains on foot, with Radian Arc continuing to make payments to ATV under this agreement.
