4. Control gained over entities

West Coast Lining Systems

On 1 August 2024, Tasmea Limited acquired the assets of West Coast Lining Systems ("WCLS"). WCLS is a specialist supplier and installer of geomembrane liners, specifically High Density Polyethylene and Linear Low Density Polyethylene liners. The acquisition of WCLS provides a strategic opportunity for the Group to gain greater exposure to the Western Australian geomembrane lining market.

Future Engineering Group

On 2 September 2024, Tasmea Limited acquired 100% of Future Engineering & Communication Pty Ltd and associated entities Future Power WA Pty Ltd, Rollwell Engineering Pty Ltd and Westplant Pty Ltd (collectively "Future Engineering Group"). Future Engineering Group specialises in design, supply and installation of powerline infrastructure, lattice towers, steel monopoles, guyed masts and custom designed structures, customised rolling, pressing, welding and heavy steel fabrication solutions and provides maintenance services.

The acquisition positions Tasmea to capitalise on the rapidly growing electrification demand in Australia, supporting the integration of critical renewable energy sources into existing grids to ensure stability, reliability and a more sustainable supply that aligns with our customers focus to reduce their carbon emissions.

Flanco Civil

On 1 April 2025, Tasmea Limited acquired 100% of Flanco Pty Ltd and Flanco Kalgoorlie Pty Ltd (collectively "Flanco Group"), a specialist provider of civil services to the mining and infrastructure sectors. Flanco Group's core capabilities include precast concrete, structural remediation, earthworks, formwork, reinforcement, and project management. The acquisition strengthens Tasmea's footprint in Western Australia, particularly in the Kalgoorlie Boulder Goldfields region, and supports the Group's strategy to partner with high-performing, regionally focused businesses to expand its national presence and service offering.

Vertex Group

On 1 June 2025, Tasmea Limited acquired 100% of Vertex Power & Process Pty Ltd and VTX Group Services Pty Ltd (together "Vertex Group"), expanding Tasmea's capabilities in high voltage electrical services and portable power solutions. Operating across regional NSW, South Australia and Victoria, Vertex Group services the mining, utilities, renewables, and local government sectors with strong recurring revenue and long-standing customer relationships. The acquisition strengthens Tasmea's Electrical Services segment and supports the Group's strategic focus on the electrification of infrastructure and regional energy resilience.

Further details regarding the acquisitions can be found in Note 39 of the FY25 Annual Financial Report.

5. Audit qualification or review
