Dear Mahnoosh

REQUEST FOR VOLUNTARY SUSPENSION

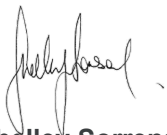

We refer to the trading halt granted to Corporate Travel Management Limited (the **Company**) on 22 August 2025.

The Company requests a voluntary suspension be implemented for its ordinary shares (**ASX: CTD**) under ASX Listing Rule 17.2 prior to the commencement of trading 26 August 2025.

The Company provides the following information for the purposes of Listing Rule 17.2:

1. The voluntary suspension is requested as the Company is not yet in a position to make an announcement regarding a potential rectification and restatement of the Company's previous financial statements. In addition, as a result of these issues the Company also does not expect to be in a position to finalise and announce its FY25 accounts by the end of August 2025.
2. The Company requests the voluntary suspension to remain in place until the Company releases an announcement to the market of the FY25 accounts and a definitive position on any restated accounts. The Company is targeting release of the FY25 accounts by 25 September 2025.
3. The Company is not aware of any reasons why the request for voluntary suspension should not be granted or of any further information necessary to inform the market about the voluntary suspension.

Signed for and on behalf of the Board.
