archTIS Successfully Completes Placement and Fully Underwritten Institutional Entitlement Offer

archTIS Limited (ASX:AR9, OTCQB:ARHLF) (“archTIS” or the “Company”), a global provider of data-centric software solutions for the secure collaboration of sensitive information, is pleased to announce the successful completion of the Placement (“Placement”) and the institutional component (“Institutional Entitlement Offer”) of the equity raising announced on 27 August 2025 (“Equity Raising”). The Placement and the Institutional Entitlement Offer of its fully underwritten 1 for 3 pro-rata accelerated non-renounceable entitlement offer of new fully paid ordinary shares in archTIS (New Shares) closed on Wednesday, 27 August 2025 (Melbourne, Australia time).

The Institutional Entitlement Offer was fully underwritten by Henslow and Canaccord Genuity and, in combination with the Placement, will raise total proceeds of A\$8.7M (before costs).

Under the Placement, a total of \$3.5M will be raised through the issue of approximately 23.3 million New Shares at an offer price of A\$0.15 (Offer Price) per New Share, and the Institutional Entitlement Offer will raise a total of A\$5.2M through the issue of approximately 34.9 million New Shares at the Offer Price.

The Placement and Institutional Entitlement Offer attracted strong demand from both existing institutional shareholders of archTIS and several new domestic and international institutional investors.

The proceeds from the Placement and Institutional Entitlement Offer will be used to help fund the acquisition of select assets of Spirion LLC (“Spirion Acquisition”), employee retention and incentive schemes, cross-sell opportunities and marketing, technology and product development, integration costs, working capital requirements, and costs of the Acquisition and Offer.

Commenting on the outcome, archTIS Managing Director, Daniel Lai, said: *“We are delighted with the strong support shown by both existing and new institutional investors. This is a clear endorsement of archTIS’ strategy, the Spirion Acquisition, and our growth vision in the U.S. and globally. The proceeds provide the capital required to fund this transformational transaction, retain key talent, and accelerate execution of our growth initiatives.”*

New Shares issued under the Placement and Institutional Entitlement Offer are expected to be settled on Tuesday, 02 September 2025, and issued on Wednesday, 03 September 2025. New Shares issued under the Placement and Institutional Entitlement Offer will rank equally with existing fully paid ordinary shares in archTIS as at the date of their issue.
