8common Limited (ASX: 8CO), a leading provider of travel expense management software and card application management, is pleased to advise that the contract between its wholly-owned subsidiary Expense8 and NSW Department of Education (DoE) has been renewed with a 2 year fixed term and the option for 2 annual extensions till 1 September 2029.

Chief Executive Officer of 8common, Andrew Bond said, "We are very grateful as we cross the 10 year milestone in what has been a highly collaborative relationship with NSW DoE. With a clear focus on championing the Travel & Expense Management sector, we have partnered with DoE on innovative solutions which include one of the largest corporate credit card application and management programs in Australia. As one of the largest public sector agencies in Australia, NSW DoE's long-standing adoption of Expense8 continues to reinforce our credibility across state and federal government, making us the trusted benchmark solution. Expense8 processes more than a million transactions annually across 36,000 staff and 20,000 corporate cards within the Department, making the platform deeply embedded in daily financial operations and mission-critical to staff productivity. Our management software enables large Australian enterprises and government agencies to seamlessly audit, procure, reconcile and manage their entire travel and card expense system in an easy-to-use application."

8Common provides Travel and Expense Management (TEM) and card services for over 190 entities across the Federal, New South Wales and Northern Territory governments, with over 155,000 active users within State and Federal Government.

This announcement has been authorised for release by the Board.
