ASX: CXO Announcement

Not for release to US wire services or distribution in the United States

Core Lithium Opens Share Purchase Plan

Core Lithium Ltd (ACN 146 287 809) (**Core** or the **Company**) announced on 28 August 2025 that it would be conducting a share purchase plan (**SPP**) to provide eligible shareholders with the opportunity to acquire up to A\$30,000 worth of ordinary shares in Core (**Shares**) without paying any brokerage costs, commission or other transaction costs. The SPP supplements the recently completed A\$50 million institutional placement conducted at A\$0.105 per Share, as initially announced to the market on 28 August 2025 (**Placement**). The Shares issued under the Placement will be issued via two-tranches with the first tranche utilising the Company's placement capacity pursuant to ASX Listing Rule 7.1 and the second tranche being subject to shareholder approval, which will be sought at a general meeting of the Company's shareholders (**General Meeting**).

Eligible shareholders participating in the SPP will be able to purchase new Shares (**New Shares**) at an issue price of A\$0.105 per New Share, being the same price per Share paid by institutional and sophisticated investors under the Placement.

Core is targeting to raise up to approximately \$10 million under the SPP. However, the Company may decide to accept applications (in whole or in part) that result in the SPP raising (subject to the maximum permitted under the ASX Listing Rules) more or less than that target amount in its absolute discretion.

As previously announced, proceeds from the Placement will fund the start of development at BP33, including the box cut and decline works essential for underground readiness, as well as long-lead items, other operational readiness activities, and general working capital and offer costs. These allocations aim to de-risk and accelerate the Finnis Project toward a Final Investment Decision (**FID**), while strengthening the Company's balance sheet and preserving flexibility for future strategic funding options. Funds raised via the SPP will be used for working capital purposes. For more information see ASX announcement "Successful Completion of \$50 million Placement and SPP" dated 28 August 2025. The SPP will not be underwritten.

The SPP offer opens at 9:00am (Sydney time) on 4 September 2025 and is expected to close at 5:00pm (Sydney time) on 24 September 2025. To participate in the SPP, you may apply to acquire A\$2,500, A\$5,000, A\$10,000, A\$15,000, A\$20,000, A\$25,000 or A\$30,000 worth of New Shares.

All New Shares issued under the SPP will rank equally with existing Shares.

Participation in the SPP is optional and is open to eligible shareholders who are holders of Shares as at 7:00pm (Sydney time) on 27 August 2025 (**Record Date**) with a registered address on the register in Australia or New Zealand (**Eligible Shareholders**). Certain Eligible Shareholders who are custodians holding Shares on behalf of certain beneficiaries are also invited to participate in the SPP on the terms and conditions set out in the SPP Booklet. Further details are set out in the SPP Terms and Conditions contained in the SPP Booklet, available on Core's website at www.corelithium.com.au.

Shareholders in the United States are not eligible to participate in the SPP. Similarly, Shareholders (including trustees, custodians and nominees) who hold Shares on behalf of persons in the United States, or elsewhere outside Australia and New Zealand, are not eligible to participate in the SPP on behalf of those persons.

Shareholders who may be eligible to participate in the SPP will today be e-mailed the attached SPP booklet (**SPP Booklet**) containing the SPP Terms and Conditions and a personalised application form (where e-mail an address has been provided to the share registry) and all eligible Shareholders (not receiving e-mail communications) will be sent a letter inviting them to participate in the SPP, a copy of which is attached. Shareholders are encouraged to read the SPP Terms and Conditions carefully and, if you have any questions, please call your stockbroker, accountant or other professional adviser. For information regarding details of the Offer, you can contact the Offer Information Line on 1300 816 156 (within Australia) or +61 2 8072 1416 (outside Australia) between 8:30am and 7:00pm (Sydney time), Monday to Friday.

Letter from the Chair

4 September 2025

Dear Shareholder

Core Lithium Ltd Share Purchase Plan

On behalf of the board of directors (Board) of Core Lithium Ltd (ACN 146 287 809) (Core or Company), I am pleased to offer eligible shareholders with the opportunity to participate in the Core Share Purchase Plan (SPP or Plan) which was announced on 28 August 2025.

The SPP provides you with an opportunity to acquire up to A\$30,000 worth of new ordinary shares in Core (New Shares) and a minimum of \$2,500 of New Shares, at an issue price of \$0.105 per New Share (Issue Price), without paying any brokerage costs, commissions or other transaction costs.

Core is targeting to raise up to A\$10 million under the SPP. However, the Company may decide to accept applications (in whole or in part) that result in the SPP raising more or less than that target amount, close the SPP early and/or scale-back applications or increase the amount raised under the SPP if the total demand for the SPP exceeds the target amount (subject to the maximum permitted under the ASX Listing Rules) in its absolute discretion.

Core recently conducted an institutional placement which raised A\$50 million (Placement), the proceeds of which will be applied towards the start of development at BP33, including the box cut and decline works essential for underground readiness, as well as long-lead items, operational readiness activities, and general working capital and offer costs.

Details of the SPP

The SPP allows you to acquire up to an aggregate maximum of A\$30,000 worth of New Shares.

Participation in the SPP is optional and is open to shareholders who are registered holders of Core ordinary shares (Shares) as at 7:00pm (Sydney time) on 27 August 2025 (Record Date) with a registered address on the register in Australia or New Zealand (Eligible Shareholders). Certain Eligible Shareholders who are custodians holding Shares on behalf of certain beneficiaries are also invited to participate in the SPP on the terms and conditions set out in this booklet (SPP Booklet).

Eligible Shareholders will also be able to access their personalised SPP Application Form online from today at <https://investor.automic.com.au/#/loginsah>.

If you decide to participate in the SPP, you will have the opportunity to increase your Core shareholding at an Issue Price of A\$0.105 per New Share, being the same issue price under the Placement and representing a 12.5% discount to the closing price of A\$0.12 for Shares on the last trading day prior to the announcement of the SPP.

All New Shares issued under the SPP will rank equally with existing Shares.

Shareholders in the United States are not eligible to participate in the SPP. Similarly, shareholders (including trustees, custodians and nominees) who hold Shares on behalf of persons in the United States are not eligible to participate in the SPP on behalf of those persons.

Core will not issue New Shares to an applicant if those New Shares, either alone or in conjunction with the issue of New Shares under other applications received by Core, would contravene any law or the ASX Listing Rules.

For personal use only

Important information regarding potential scale-back in the SPP

Core is targeting to raise up to approximately \$10 million under the SPP. However, the Company may decide to accept applications (in whole or in part) that result in the SPP raising more or less than that target amount, close the SPP early and/or scale-back applications or increase the amount raised under the SPP if the total demand for the SPP exceeds the target amount (subject to the maximum permitted under the ASX Listing Rules) at its absolute discretion.

In the event of a scale-back, it is Core's intention that each applicant will be treated equally and will be scaled-back pro-rata based on the number of New Shares for which they have applied (subject to any minimum dollar allocation determined by Core at its absolute discretion). When determining the amount (if any) by which to scale-back an application, Core may take into account a number of factors, including the size of an applicant's shareholding, the extent to which Eligible Shareholders have sold or bought additional shares after the Record Date and the date an application was made.

In the event of a scale-back, you may be allocated New Shares to a value which is significantly less than the parcel for which you applied. Should this happen, the balance of any application monies not applied to acquire New Shares under the SPP will be refunded to you, without interest. Core will make an announcement to the ASX on the outcome of the SPP and the number of New Shares issued on or around 29 September 2025. New Shares will be issued on or around 29 September 2025.

What do I do next?

The SPP offer opens at 9:00am (Sydney time) on 4 September 2025. If you are an Eligible Shareholder and wish to participate in the offer, you may apply for Shares in the amount of A\$2,500, A\$5,000, A\$10,000, A\$15,000, A\$20,000, A\$25,000 or A\$30,000.

You can apply by either:

- making a payment directly by BPAY® (by following the steps outlined in the SPP Frequently Asked Questions); or
- making a payment via EFT (for New Zealand eligible Shareholders only),

making sure that Core receives your application and payment **by 5:00pm (Sydney time) on 24 September 2025**. Making your application by BPAY® or EFT, does not require you to return the Application Form. Payments must be made in Australian dollars.

I encourage you to read this SPP Booklet carefully and in its entirety before making a decision on whether to participate in the SPP. You should be aware that the future market price of the New Shares is uncertain and may rise or fall. This means the price you pay for New Shares under the SPP may be either higher or lower than the Share price trading on the ASX at the time New Shares are issued to you under the SPP.

What if I have more questions?

Shareholders who have any questions regarding the SPP should call Core's SPP Information Line on 1300 816 156 (within Australia) or +61 2 8072 1416 (outside Australia) at any time from 8:30am to 7:00pm (Sydney time), Monday to Friday.

On behalf of the Board of Core, I thank you for your continued support.

Yours sincerely

Greg English
Non-Executive Chair

Eligible Shareholders who receive more than one Application Form under the SPP, for example, because they hold Shares in more than one capacity, may apply on different Application Forms for New Shares but may not apply for New Shares with an aggregate dollar amount exceeding A\$30,000.

7 What is the issue price?

The issue price under the SPP is A\$0.105 per New Share (**Issue Price**), being the same price per Share paid by the institutional and sophisticated investors under the Placement.

The Issue Price represents:

- the same price as Shares issued under the Placement;
- a 12.5% discount to the closing price of Shares on the last trading day prior to the announcement of the SPP, being A\$0.12; and
- a discount of approximately 17.2% to the volume weighted average price of Shares traded on the ASX during the 5 days on which sales for Shares were recorded immediately prior to the day the SPP was announced, being A\$0.127.

12 How are refunds paid?

Refunds pursuant to the SPP may be paid under various circumstances. For example, if applications are made incorrectly the entire payment may be refunded, or if allocations are scaled back a partial refund may be made.

If a refund is made, payment will be made by direct deposit to your nominated bank account. SPP Terms and Conditions

IMPORTANT NOTICES: The offer to purchase New Shares under the SPP is not a recommendation to acquire New Shares. If you are in any doubt about this SPP, you should consider obtaining professional financial and/or taxation advice to assist you in determining whether or not, and the extent to which, you wish to participate in the SPP (taking into account your own financial situation, needs and objectives). Nothing in these terms and conditions ("SPP Terms and Conditions"), the SPP application form ("Application Form") or any other accompanying documentation constitutes investment or financial product advice or is intended to influence your decision whether or not to participate in the SPP.

If you apply to participate in the SPP, by making a BPAY® or EFT (for New Zealand eligible Shareholders only) payment, you are accepting the risk that the market price of Shares may change. This means it is possible that, between the time you make your application and up to or after the Issue Date, you may be able to buy Shares on market at a lower price than the Issue Price of New Shares.

No cooling-off regime applies in relation to the acquisition of New Shares under the SPP.

1 Eligible Shareholders

- (a) Subject to sections 1(c) to 1(j), all persons registered as holders of fully paid ordinary Shares in Core, at 7:00pm (Sydney time) on 27 August 2025 (**Record Date**), whose registered address in the register of Core is in Australia or New Zealand may participate in the SPP (**Eligible Shareholders**).
- (b) Directors and employees of Core who hold Shares may be Eligible Shareholders.

Accordingly, shareholders who are located in the United States or are acting for the account or benefit of a person in the United States are not Eligible Shareholders and are not entitled to participate in the SPP. A trustee, nominee or custodian must not participate in the SPP on behalf of any person in the United States or elsewhere outside of Australia and New Zealand and may not, distribute this SPP Booklet or any other document relating to the SPP to, any person in the United States or elsewhere outside of Australia and New Zealand.
- (e) Consistent with the representations, warranties and acknowledgements contained in section 3 and the Application Form included with these SPP Terms and Conditions, you may not submit any completed Application Forms for any person in the United States. In this case, the rules in section 2(b) apply.
- (i) Custodians wishing to participate on behalf of a beneficiary or beneficiaries must provide the certifications required by *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547* and should contact the Core's Share Registry, Automatic, on Core's SPP Information Line to request a Custodian Certificate that contains these certifications and other details required to be provided by the Custodian.
- (j) If you are an Eligible Shareholder, your rights under this offer are personal to you and are non-renounceable, which means you cannot transfer your rights to another person.

If Core receives an amount that is not equal to A\$2,500, A\$5,000, A\$10,000, A\$15,000, A\$20,000, A\$25,000 or A\$30,000, Core will round down the dollar amount of New Shares that you are applying for to the next lowest parcel or, if Core receives less than A\$2,500, reject your application and refund your application monies that are not used to purchase New Shares, without interest, as soon as practicable following the issue of New Shares.

If you make an Electronic Application, in applying for New Shares, you represent to Core that the total of the application price for the following does not exceed A\$30,000:

 - (iv) you are a Custodian and you have not provided the required Custodian Certificate;
 - (v) your Application BPAY® or EFT (for New Zealand eligible Shareholders only) payment is received after the SPP Closing Date. Late payments will be refunded, without interest, as soon as practicable following the issue of New Shares; or
 - (vi) Core believes you are not an Eligible Shareholder (subject to compliance with any applicable ASIC requirements).
- (d) If the value of the parcel of New Shares you have applied for cannot be divided by the Issue Price to give a whole number of New Shares, there will be a rounding up of the number of New Shares.

- (xiii) you acknowledge that this SPP Booklet is not a prospectus, has not been and will not be lodged with ASIC, does not contain all of the information that you may require in order to assess an investment in Core and is given in the context of Core's past and ongoing continuous disclosure announcements to ASX;
- (xiv) you acknowledge that none of Core or its respective related bodies corporate and affiliates and their respective directors, officers, partners, employees, representatives, agents, consultants or advisers guarantees the performance of Core, nor do they guarantee the repayment of capital, nor have they provided you with any financial product or investment advice or taxation advice in relation to the SPP, or has any obligation to provide such advice;

4 Issue price of Shares under the SPP

- (a) The Issue Price is A\$0.105 per New Share, being the same price per Share paid by the institutional and sophisticated investors under the Placement.
- (b) The Issue Price represents a 12.5% discount to the closing price of Shares on the last trading day prior to the announcement of the SPP, being A\$0.12.
- (c) You agree to pay the Issue Price per New Share for the number of New Shares calculated under section 2(a) or, if there is a scale-back, the number of New Shares calculated under section 6.
- (d) You acknowledge the risk that the market price of Shares may change (i.e., rise or fall) between the date of this SPP Booklet and the date the New Shares are issued to you under the SPP, which may mean that the Issue Price you pay for the New Shares may exceed or be less than the market price of Shares on the Issue Date.

5 The Shares

New Shares issued under the SPP will rank equally in all respects with existing Shares quoted on the ASX, with the same voting rights, dividend rights and other entitlements.

6 Scale-back

- (a) Core may in its absolute discretion allocate to you less than the number of Shares you have applied for. If there is a scale-back, it is Core's intention that each applicant will be treated equally and will be scaled-back pro-rata based on the number of New Shares for which they have applied (subject to any minimum dollar allocation determined by Core at its absolute discretion).

- (b) When determining the amount (if any) by which to scale-back an application, Core may take into account a number of factors, including the size of an applicant's shareholding, the extent to which Eligible Shareholders have sold or bought additional Shares after the Record Date and the date an application was made.
- (c) If there is a scale-back, you may receive less than the parcel of Shares for which you have applied. If a scale-back produces a fractional number of Shares when applied to your parcel, the number of New Shares you will be allocated will be rounded down to the nearest whole number of New Shares.
- (d) In the event of a scale-back the difference between the application monies received, and the number of New Shares allocated to you multiplied by the Issue Price, will be refunded to you without interest by direct deposit (to your nominated account as recorded on the register of Core), without interest, as soon as practicable following the issue of the New Shares.

7 Costs of Participation

No brokerage, commissions or other transaction costs will be payable by Eligible Shareholders in respect of the application for, and the issue of, New Shares under the SPP.
