

Treasury Update

5 September 2025

Sydney, 5 September 2025: **Energy and Sustainability software company Simble Solutions Limited (ASX:SIS)** ('Simble' or 'the Company') advises that it has sold all of its Bittensor (TAO), and moving forward, will no longer be acquiring digital assets as part of its treasury strategy. This decision was made following recent consultation with ASX, and in light of [ASX's Compliance Update no. 09/25](#) released on 29 August 2025 which sets out ASX's guidance on listed entities pursuing digital asset treasury strategies.

The Company sold 387.7242 TAO (being all of its TAO holding) at a price of \$490.78 per TAO for total proceeds of ~\$190k (before costs). As announced by the Company on 4 July 2025, the TAO was acquired for a total cost of ~\$200k (before costs). The sale therefore resulted in a loss of ~\$10k (before costs).

Funds raised from the sale of TAO will be used for working capital as previously announced.

About Simble

Simble Solutions Limited (ASX:SIS) is a global Energy and Sustainability provider with integrated solutions across energy efficiency, sustainability and renewable energy development, supporting the global transition to Net Zero.

Simble's operations are built around two core business pillars:

1. Energy and Sustainability Software Solutions & Training

- a. Simble's flagship platforms, *SimbleSense* and *CarbonView* provide real-time energy intelligence, carbon footprint tracking, and enterprise-grade carbon reporting tools to help organisations reduce emissions and optimise energy usage.
- b. *SimbleAcademy* supports these solutions with a professional training and education platform offering industry-relevant programs in carbon accounting, energy management, and ESG. *SimbleAcademy* equips individuals and organisations with the skills required to thrive in the Net Zero era.

2. Renewable Energy Developments

Focused on developing large-scale, clean energy infrastructure including solar, hydrogen, and battery projects, this division supports Australia's transition to a low-carbon economy by delivering bankable, scalable renewable energy assets.

Simble operates across the Commercial & Industrial and Medium Sized Enterprise segments across Australia and the United Kingdom. We distribute our solutions directly via B2B sales, as well as through multiple channel partners. Simble has an international presence with teams in Australia, the United Kingdom and Vietnam.
