**Takeover offer for Eildon Capital Group (ASX: EDC) at A\$0.80 cash per stapled security**

Samuel Terry Asset Management Pty Ltd (ACN 108 611 785) as trustee for Samuel Terry Absolute Return Active Fund (ABN 67 302 926 069) (the **Bidder**) is pleased to announce an off-market takeover offer of A\$0.80 cash per stapled security (**Offer Price**) to acquire all of the fully paid ordinary stapled securities on issue (**EDC Stapled Securities**) in Eildon Capital Group (comprised of Eildon Capital Limited (ABN 11 059 092 198) and Eildon Capital Trust (ARSN 635 077 753)) (ASX: EDC) (**EDC**) (the **Offer**).

The Bidder believes the Offer delivers a premium relative to recent trading prices in EDC Stapled Securities, and provides certain value in the form of cash consideration and an additional source of liquidity for EDC securityholders, without the need to incur brokerage costs that would otherwise be payable for on-market sales.

In addition, the Bidder is EDC's largest securityholder and currently owns approximately 63.08% of the EDC Stapled Securities on issue, making the emergence of another offer unlikely.

The Offer Price of A\$0.80 cash per EDC Stapled Security represents:

- a 13.4% premium to the last close price on 29 August 2025 of A\$0.705 per EDC Stapled Security;<sup>1</sup> and
- a 5.4% premium to the one month volume weighted average price of A\$0.759 per EDC Stapled Security.<sup>2</sup>

The Offer is subject only to:

- the Bidder (together with its Associates), during or at the end of the Offer Period, acquiring a Relevant Interest in at least 90.80% of the EDC Stapled Securities; and
- no "prescribed occurrences" (being the occurrences as listed in section 652C of the *Corporations Act 2001* (Cth)) occurring in relation to EDC before the end of the Offer Period.

Further detail in relation to the Offer is set out in the Bidder's Statement for the Offer released today. The Bidder has appointed Allens as its legal adviser in respect of the Offer.

Fred Woollard, Founder and Managing Director of Samuel Terry Asset Management, noted that the Bidder was pleased to present EDC securityholders with a cash offer to acquire their EDC Stapled Securities which delivers certain and immediate value.

Capitalised terms used in this announcement have the same meaning as in the Bidder's Statement, unless otherwise defined.

## Why You Should Accept the Offer

Bidder is offering to acquire up to 100% of EDC Group Stapled Securities for A\$0.80 cash per Stapled Security. The reasons why you should accept the Offer are set out below.

### 1. The Offer Price represents a 13.4% premium

The Offer Price represents a premium of 13.4% relative to the last closing price of EDC Group Stapled Securities on the ASX prior to the Announcement Date of A\$0.705 per Stapled Security.<sup>3</sup>

### 2. The Offer provides cash certainty

The consideration offered to Securityholders is 100% cash. The Offer provides an opportunity for Securityholders to realise their investment for a certain value.

Subject to section 7.9 and the Corporations Act, if you accept the Offer in accordance with the instructions contained in the Offer and the Acceptance Form and the Offer is declared or becomes unconditional, subject to the terms of the Offer, you will be sent payment by the earlier of:

- while the Offer is subject to the Conditions, 10 Business Days after the Offer is declared to be or becomes unconditional; or
- if the Offer is declared to be or becomes unconditional, 10 Business Days after the date that you accept the Offer,

but in any case not later than 21 calendar days after the end of the Offer Period.

### 3. If you do not accept, you may be exposed to a variety of risks

If you do not accept the Offer, there are potential risks associated with continuing to hold Stapled Securities, including as follows:

#### ***Risks of remaining a minority Securityholder***

If you do not accept the Offer and Bidder does not achieve the threshold for compulsory acquisition:

- you will remain a minority Securityholder in a company controlled by Bidder;
- the number or distribution (based on the value of their holdings) of Securityholders after the Offer is completed may be less than required under the ASX Listing Rules; and
- the ASX may choose to suspend or delist EDC Group in which case, the liquidity in EDC Group Stapled Securities may be severely impacted.

#### ***Liquidity risk***

Depending on the level of acceptances Bidder receives under the Offer, the market for Stapled Securities may become significantly less liquid than at present. This could make it more difficult for you to sell your Stapled Securities at an attractive price in the future.

#### ***If Bidder becomes entitled to compulsorily acquire your securities***

If Bidder becomes entitled to compulsorily acquire your Stapled Securities, it intends to exercise those rights. If your Stapled Securities are compulsorily acquired, you will receive the consideration offered under the Offer, but at a later time than you would have received it if you had accepted the Offer.

---

<sup>3</sup> 29 August 2025 is the last date prior to the Announcement Date on which EDC Stapled Securities were traded on the ASX.

**4. The Offer is the only takeover offer presently available for your EDC Group Stapled Securities**

As at the date of this Bidder's Statement, Bidder is not aware of any other party intending to make a takeover offer for Stapled Securities. The Offer is the only takeover offer presently available for all Stapled Securities as at the date of this Bidder's Statement. The Offer represents a liquidity opportunity for Securityholders to sell all their Stapled Securities for the Offer Price.

Bidder is EDC Group's largest Securityholder with a Relevant Interest and Voting Power of 63.08%, making the emergence of another offer unlikely.

If no other offers are made for the Stapled Securities, the price of Stapled Securities may fall below the Offer Price after the Offer closes.

**5. No stamp duty or brokerage fees in accepting the Offer**

You will not be obliged to pay stamp duty if you accept the Offer.

If your Stapled Securities are registered in an Issuer Sponsored Holding in your name and you deliver them directly to Bidder, you will not incur any brokerage in connection with your acceptance of the Offer.

If your Stapled Securities are registered in a CHESS Holding, or if you are a beneficial owner whose Stapled Securities are registered in the name of a broker, bank, custodian or other nominee, you should ask your Controlling Participant (usually your broker) or that nominee whether it will charge any transaction fees or service charges in connection with acceptance of the Offer.

**6. EDC Group's Stapled Security price may fall if the Offer does not proceed**

Prior to the Announcement Date, the volume weighted average price of EDC Group's Stapled Securities over the last month was A\$0.759 per Stapled Security.<sup>4</sup> If the Offer does not proceed, EDC Group's Stapled Security price may trade at a substantial discount to the Offer Price.

---

<sup>4</sup> The volume weighted average price (**VWAP**) is calculated based on the cumulative volume of EDC Stapled Securities traded on the ASX. The one month VWAP is calculated from 5 August 2025 to 5 September 2025 (inclusive). Source: Bloomberg.

### **3 Bidder's Intentions**

#### **3.1 Introduction**

This section 3 sets out Bidder's intentions in relation to:

- (a) the continuation of the business of the EDC Group;
- (b) any major changes to the business of the EDC Group and any redeployment of the fixed assets of the EDC Group; and
- (c) the future employment of the present employees of the EDC Group.

These intentions are based on the information concerning the EDC Group, its business and the general business environment which is known to Bidder at the time of preparation of this Bidder's Statement.

Final decisions regarding these matters will only be made by Bidder in light of material information and circumstances at the relevant time. Accordingly, the statements set out in this section 3 are statements of current intention only, which may change as new information becomes available to Bidder or as circumstances change.

#### **3.2 Post Offer review**

After the Offer Period, Bidder intends to undertake a general review of the EDC Group covering current strategy, financials, distribution policy and operating matters.

Consequently, the statements set out in this section 3 are statements of Bidder's current intentions only and may vary as circumstances and further information arise. The statements and intentions set out in this section should be read in that context.

#### **3.3 Intentions upon Bidder acquiring a Relevant Interest in 90.80% or more of the EDC Stapled Securities**

This section 3.3 sets out the intentions of Bidder if, by the end of the Offer Period, Bidder has obtained a Relevant Interest in at least 90.80% of the EDC Stapled Securities on issue.

In those circumstances, in addition to the intentions described below in section 3.4, the current intentions of Bidder are as follows:

##### **(a) Corporate matters**

- (i) Bidder will proceed with compulsory acquisition of the outstanding Stapled Securities in accordance with the provisions of Chapter 6A of the Corporations Act;
- (ii) if a compulsory acquisition process is initiated, Bidder will procure the removal of EDC from the official list of the ASX; and
- (iii) Bidder will review the holding structure of EDC Group and EDC's assets with a view to determining the optimal structure for the EDC Group under the 100% ownership of Bidder.

##### **(b) General strategic and operational review**

Bidder intends to conduct a general review of EDC's operations on both a strategic and operational level to evaluate EDC's performance, prospects and profitability in relation to the business. This review will apply quantitative and qualitative factors to measure performance and areas for improvement.

##### **(c) Management and employees**

Bidder recognises EDC management and employees to be an integral part of the EDC business and its success. Bidder looks forward to working constructively with all employees in an open and transparent manner. As noted in section 3.2, following the conclusion of the Offer, Bidder will undertake a general review of EDC's operations. Part of that review will include an assessment of whether existing management and employee staffing arrangements are appropriate taking into account the future needs of EDC and any outcomes of the general strategic and operational review, which may result in changes to the existing workforce.

### **3.4 Intentions upon Bidder acquiring a Relevant Interest in less than 90.80% of the EDC Stapled Securities**

This section 3.4 sets out Bidder's intentions if, by the end of the Offer Period, Bidder has acquired a Relevant Interest in less than 90.80% of EDC Stapled Securities on issue.

In those circumstances, the current intentions of Bidder are as follows:

(a) **Corporate matters**

Bidder intends to have EDC Group removed from the official list of the ASX as soon as it is able to do so (subject to the level of acceptances of the Offer, compliance with requirements of the ASX Listing Rules and legal, tax and other considerations at the relevant time).

If EDC Group maintains its listing on the ASX, Securityholders should be aware that the liquidity of EDC Stapled Securities on the ASX may still be materially diminished.

Bidder has not yet formed any intentions in respect of potential changes to the EDC Board.

(b) **General strategic and operational review and review of management and employees**

Bidder intends to endeavour to procure that the EDC Board acts consistently with the intentions of Bidder set out in sections 3.3(b) and 3.3(c) above.

(c) **Further acquisition of EDC Stapled Securities**

Bidder may, at some later time, acquire further EDC Stapled Securities in a manner consistent with the Corporations Act.

### **3.5 Limitations on intentions**

The intentions and statements of future conduct set out in this section 3 must be read as being subject to:

- (a) the law (including the Corporations Act) and the ASX Listing Rules, including in particular the requirements of the Corporations Act and the ASX Listing Rules in relation to conflicts of interest and 'related party' transactions, given that if Bidder obtains control of EDC but does not acquire all of the EDC Stapled Securities, it will be treated as a related party of EDC for these purposes;
- (b) the legal obligation of the directors of EDC at the time, including any nominees of Bidder, to act in good faith and in the best interests of EDC for proper purposes and to have regard to the interests of all EDC Securityholders; and
- (c) the outcome of the reviews referred to in this section 3.

## 4 Sources of Consideration

### 4.1 Total cash consideration

The consideration for the acquisition of the Stapled Securities to which the Offer relates will be satisfied by the payment of cash (in Australian dollars).

According to the ASIC records for Eildon Co, EDC Group had a total of 44,429,247 Stapled Securities on issue as at 6 September 2025.

In the event that acceptances are received for all Stapled Securities on issue (or that may be converted into Stapled Securities), as at the date of this Bidder's Statement (other than those Stapled Securities which Bidder already owns, being 28,026,734 Stapled Securities), the aggregate amount of cash consideration that Bidder would be required to pay would be A\$13,122,010.40 (the **Offer Amount**) plus all associated transaction costs.

### 4.2 Bidder's funding arrangements

As at the date of this Bidder's Statement, the Fund has cash deposits at bank of approximately A\$100 million, which will be available to Bidder to satisfy its obligation to pay the Offer Amount and associated transaction costs.

The Offer is not subject to any financing conditions.

### 4.3 Provision of consideration

On the basis of the arrangements described in this section 4, Bidder believes that it has reasonable grounds for holding the view, and does hold the view, that it will be able to provide the consideration offered under the Offer, as well as meet the associated transaction costs.

## 5 Australian Tax Considerations

### 5.1 Introduction

The following is a general description of the Australian income tax (including CGT), GST and stamp duty consequences for EDC Securityholders on disposal of their Stapled Securities (through acceptance of the Offer) in return for cash consideration. The Australian taxation consequences for EDC Securityholders will depend on their individual circumstances. EDC Securityholders should make their own enquiries and seek independent professional advice on their circumstances.

This summary is based upon the provisions of the *Income Tax Assessment Act 1936* (Cth), the *Income Tax Assessment Act 1997* (Cth) (**ITAA 1997**) and the *Taxation Administration Act 1953* (Cth) (**TAA**), and other applicable Australian tax laws and practice in effect as at the date of this Bidder's Statement. It is not intended to be an authoritative or complete statement or analysis of the tax laws applicable to the particular circumstances of every EDC Securityholder. EDC Securityholders should seek independent professional advice regarding the taxation consequences of disposing of Stapled Securities in the light of their own particular circumstances.

This summary is not applicable to all EDC Securityholders. It is relevant to EDC Securityholders who are individuals, companies (other than life insurance companies), trusts and complying superannuation funds that hold their Stapled Securities on capital account for Australian tax purposes. This summary does not apply to EDC Securityholders who:

- (a) hold their Stapled Securities on revenue account (such as securities trading entities or entities who acquired their Stapled Securities for the purposes of resale at a profit) or as trading stock;
- (b) hold their Stapled Securities under an employee share scheme offered by EDC where those Stapled Securities remain subject to deferred taxation under Division 83A of the ITAA 1997;
- (c) may be subject to special tax rules, such as partnerships, tax exempt organisations, entities subject to the investment manager regime under Subdivision 842-I of the ITAA 1997 in relation to their Stapled Securities, insurance companies, dealers in securities or securityholders who change their tax residency while holding their Stapled Securities;
- (d) have a functional currency for Australian tax purposes other than an Australian functional currency; or
- (e) are subject to the taxation of financial arrangements rules in Division 230 of the ITAA 1997 in relation to gains and losses on their Stapled Securities.

EDC Securityholders who are not resident in Australia for tax purposes should also take into account the tax consequences under the laws of their country of residence, as well as under Australian law, of the disposal of Stapled Securities under the Offer.

### 5.2 Australian resident EDC Securityholders

#### (a) CGT event A1

Acceptance of the Offer, if it becomes unconditional, will involve the disposal by EDC Securityholders of their Stapled Securities, by way of transfer to Bidder. The disposal of Stapled Securities by EDC Security holders acquired, or deemed to have been acquired, and which are held on capital account, will generally have CGT implications. Such disposal will constitute a CGT event (CGT event A1).

Although the Stapled Securities are stapled and traded as such (i.e. cannot be traded separately), for Australian income tax purposes each Eildon Co share and Eildon Trust unit is a separate CGT

asset. An Australian resident investor will need to undertake a separate CGT calculation for each of the assets in the Stapled Security.

**(b) Time of the CGT event**

The disposal of Stapled Securities will trigger CGT event A1. The date of the CGT event should be the date when the Offer is accepted by the EDC Securityholder.

If the Stapled Securities are not disposed under the Offer and are instead compulsorily acquired in accordance with Part 6A.1 of the Corporations Act, the disposal under the compulsory acquisition will also trigger a CGT event A1. The date of the CGT event should be the date when the EDC Securityholder ceases to be the owner of those Stapled Securities.

**(c) Capital gain or loss**

Australian resident EDC Securityholders may make a capital gain or capital loss on the disposal of their Stapled Securities under the Offer. Broadly, an EDC Securityholder will make a 'capital gain' if the capital proceeds from the disposal of their Eildon Co shares and Eildon Trust units exceed the cost base of their Eildon Co shares and Eildon Trust units (respectively), while an EDC Securityholder will make a 'capital loss' if the capital proceeds from the disposal of their Eildon Co shares and Eildon Trust units are less than the reduced cost base of their Eildon Co shares and Eildon Trust units (respectively).

Capital gains and capital losses in a year of income are, broadly, aggregated to determine whether there is a net capital gain. If so, that net capital gain is included in assessable income and is subject to income tax. However, a 'CGT discount' may be available to reduce the taxable gain for certain EDC Securityholders (see further below).

Capital losses may not be deducted against other income for income tax purposes, but may reduce capital gains realised in the same income year or be carried forward to be applied against future capital gains (subject to certain loss recoupment rules). EDC Securityholders should obtain their own independent tax advice in relation to the operation of these rules.

**(i) Capital proceeds**

The capital proceeds from a CGT event A1 include the money received, or entitled to be received, in respect of the event happening. Accordingly, capital proceeds arising from the disposal of Stapled Securities by EDC Securityholders should include the consideration under the Offer (being A\$0.80 per Stapled Security) that each EDC Securityholder will receive by accepting the Offer (assuming it becomes unconditional).

The Offer consideration received by an EDC Securityholder in respect of the disposal of their Stapled Securities will need to be apportioned on a reasonable basis between the EDC Securityholder's shares in Eildon Co and units in Eildon Trust that are disposed of to determine the respective amounts of capital proceeds.

**(ii) Cost base and reduced cost base**

The cost base of the Stapled Securities is broadly the cost of acquisition or deemed cost of acquisition plus certain other amounts associated with acquisition, holding and disposal of the Stapled Securities, such as brokerage fees or stamp duty. The reduced cost base is typically determined in a similar, but not identical manner (for example, it excludes certain amounts such as non-deductible interest). The capital loss will be calculated on the basis of the difference between the capital proceeds and the reduced cost base of the share. EDC Securityholders should consider whether the cost base of the Stapled Securities has previously been reduced by any tax-deferred distributions (on the Eildon Trust units) or returns of capital (on the Eildon Co shares).

If an Eildon Co share was acquired (or deemed to be acquired) at or before 11:45am on 21 September 1999, the cost base may be indexed for inflation, by reference to changes in the Consumer Price Index from the calendar quarter in which the Stapled Security was acquired (or deemed to be acquired) until the calendar quarter ended 30 September 1999. EDC Securityholders who are individuals, complying superannuation entities or trustees of a trust must make an election if they wish to rely on indexation. Companies will generally be entitled to include the indexation without making an election. Indexation adjustments are taken into account only for the purposes of calculating a capital gain, and not a capital loss. Whether it is better for any given EDC Securityholder to make the indexation election or not will depend upon the particular EDC Securityholder's individual circumstances, including the cost base of the relevant Stapled Securities and whether the EDC Securityholder has any available losses.

Similarly to the capital proceeds, the cost base and reduced cost base of each Stapled Security will need to be apportioned on a reasonable basis between each Eildon Co share and Eildon Trust unit that are disposed of to determine their respective cost bases and reduced cost bases.

(iii) **CGT discount**

If a capital gain arises on the disposal of an asset, a 'CGT discount' may be available to reduce the capital gain for certain EDC Securityholders. An EDC Securityholder who is an individual, complying superannuation entity or trust may be entitled to a 'CGT discount' where they have held the relevant Stapled Securities for more than 12 months at the time of CGT event. The discount generally involves the capital gain being reduced, or discounted, by 50% for individuals and trusts and 33.33% for complying superannuation entities. Companies are not entitled to a CGT discount. The methodology for trustees can be complex, and such EDC Securityholders should obtain specific advice in this regard, including in relation to the tax consequences of distributions attributable to discounted capital gains.

### 5.3 Non-Australian resident EDC Securityholders

Broadly, an EDC Securityholder who is not a resident of Australia for taxation purposes (a **Foreign Resident**), or who is the trustee of a foreign trust for CGT purposes, should only be subject to the Australian CGT provisions where the Stapled Securities constitute 'taxable Australian property'.

The Stapled Securities will only constitute taxable Australian property where:

- (a) the Stapled Securities have been used by the non-resident EDC Securityholder in carrying on a business through a permanent establishment in Australia; or
- (b) the Stapled Securities are an 'indirect Australian real property interest'. The Eildon Co share or the Eildon Trust unit (as appropriate) will be an 'indirect Australian real property interest' where both the following conditions are satisfied:
  - (i) the non-resident EDC Securityholder, together with its associates (as defined in section 318 of the *Income Tax Assessment Act 1936* (Cth)), held an interest of 10% or more in Eildon Co or Eildon Trust at the time of disposal, or at any time in a 12-month period during the 24 months preceding the time of disposal (**non-portfolio interest test**); and
  - (ii) at the time of disposal, more than 50% of the market value of Eildon Co or Eildon Trust's assets comprise 'taxable Australian real property' (as defined in the tax law) (**principal asset test**); or
- (c) the Foreign Resident was previously an Australian tax resident and chose to disregard a capital gain or loss in respect of their Stapled Securities from CGT Event I1 on ceasing to be an Australian tax resident.

Non-Australian resident EDC Securityholders should seek their own independent tax advice as to the tax implications of the Offer, including tax implications in their country of residence.

#### 5.4 Foreign resident capital gains withholding

Broadly, under the 'foreign resident capital gains withholding' regime, Bidder may have an obligation to withhold and pay to the Australian Tax Office (**ATO**) an amount of up to 15% of the purchase price for each Stapled Security under section 14-200 of Schedule 1 of the TAA. Bidder may be required to withhold under the foreign resident capital gains withholding regime if either or both of a EDC Securityholder's Eildon Co shares and Eildon Trust units are 'indirect Australian real property interests' (as discussed above) and Bidder:

- (a) knows or reasonably believes that the EDC Securityholder is a foreign resident securityholder; or
- (b) does not reasonably believe that the EDC Securityholder is an Australian resident, and either:
  - (i) the relevant EDC Securityholder has an address outside Australia; or
  - (ii) Bidder is authorised to make payment of the Offer consideration to a place outside Australia (whether to the EDC Securityholder or to anyone else).

An EDC Securityholder may complete a 'foreign resident capital gains withholding declaration – vendor declaration' form (**Declaration Form**) to declare that it is an Australian tax resident or that its Eildon Co shares or Eildon Trust units (or both) are not 'indirect Australian real property interests' (see section 5.3 above). The Declaration Form may be obtained on the Australian Taxation Office website. Bidder will not be required to withhold 15% of the Offer Price if the EDC Securityholder provides a valid declaration to Bidder by the relevant time and Bidder does not know the declaration to be false at the time it is given.

As explained above, based on available information, it is not currently expected that the Stapled Securities Shares will qualify as 'indirect Australian real property interests'.

Despite any other provision of this section or the terms or Conditions of the Offer contained in this Bidder's Statement, if the EDC Securityholder does not provide an appropriately completed Declaration Form by the relevant time or if Bidder reasonably believes that the information in the Declaration Form is false, and if Bidder otherwise reasonably believes that there is, or is reasonably likely to be, a liability to withhold and pay an amount to the ATO in respect of the disposal of the Stapled Securities by a EDC Securityholder, Bidder may withhold the CGT withholding tax from the Offer Price payable to the EDC Securityholder. In this case, the EDC Securityholder will receive the net proceeds after deduction of this withheld amount and the EDC Securityholder will be taken to receive the full Offer Price for the purposes of the Offer.

Bidder may also seek to collaborate with the ATO about a process for identifying EDC Securityholders who may be covered by the regime.

The foreign resident CGT withholding tax amount deducted from the Offer consideration is not considered to be a final withholding tax. As a result, the relevant EDC Securityholder who has had a foreign resident CGT withholding tax amount deducted from the Offer consideration should be able to claim a tax credit for any withholding tax amount deducted to reduce their income tax liability arising for the relevant income year.

An EDC Securityholder who believes the disposal of their Stapled Securities may trigger a foreign resident CGT withholding tax liability should obtain their own independent advice.

## **5.5 Announced changes to foreign resident CGT withholding**

EDC Securityholders who are Foreign Residents should be aware that these rules are subject to proposed changes which may result in changes to their obligations under the Australian taxation law. The changes are intended to apply from the later of 1 October 2025 or the first 1 January, 1 April, 1 July or 1 October after the amending statute receives Royal Assent. For disposals occurring once the changes are in effect, Foreign Residents should seek independent tax advice in relation to the new CGT rules for Foreign Residents.

## **5.6 Stamp duty and GST**

The receipt of cash consideration and the disposal of the Stapled Securities under the Offer should not give rise to Australian stamp duty for the EDC Securityholders.

EDC Securityholders should not be liable to Australian GST in respect of a disposal of the Stapled Securities, regardless of whether the EDC Securityholder is registered for GST or not. EDC Securityholders may incur GST included in costs (such as adviser fees) that relate to the Offer. EDC Securityholders that are registered for GST may be entitled for input tax credits or reduced input tax credits for such costs. This will depend on each EDC Securityholders' individual circumstances.

Acceptance of the Offer may have implications under your superannuation or pension arrangements or on your social security entitlements. If in any doubt, Securityholders should seek specialist advice before accepting the Offer.

## **6.6 Withholding of consideration**

Bidder is not currently aware of any amounts that are or would be treated as withholding amounts under section 7.9(f). However, it is possible that Bidder may become aware of an obligation in this regard after the date of this Bidder's Statement.

For example, under section 255 of the *Income Tax Assessment Act 1936* (Cth), the Australian Taxation Office may notify Bidder that all or part of the consideration otherwise payable under the Offer to Securityholders who are non-residents of Australia is to be retained by Bidder, or paid to the Australian Taxation Office, instead of being paid to the relevant Securityholders. Similarly, under section 260-5 of Schedule 1 to the *Taxation Administration Act 1953* (Cth), the Australian Taxation Office may require Bidder to pay to the Australian Taxation Office all or part of the consideration otherwise payable under the Offer to Securityholders who owe tax-related debts to the Australian Government. Furthermore, as discussed in section 5.3, under Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953* (Cth), Bidder may be required to pay to the Australian Tax Office an amount in respect of the disposal of your Stapled Securities on account of foreign resident CGT withholding tax.

- (i) **instruct** your Controlling Participant, in accordance with the sponsorship agreement between you and the Controlling Participant, to initiate acceptance of this Offer in accordance with Rule 14.14 of the ASX Settlement Rules, so as to be effective before the end of the Offer Period (if you do this and your Controlling Participant follows those instructions, you do not need to complete and return the Acceptance Form); or

- For personal use only
- (ii) **complete, sign and return** the enclosed Acceptance Form (using the enclosed reply paid envelope if you wish or by email at [corporateactions@boardroomlimited.com.au](mailto:corporateactions@boardroomlimited.com.au)) in accordance with the instructions on the Acceptance Form, together with all other documents required by those instructions, so that they are **received** before the end of the Offer Period at one of the addresses indicated on the Acceptance Form. This will authorise Bidder to initiate, or alternatively to instruct your Controlling Participant to initiate, acceptance of this Offer on your behalf in accordance with Rule 14.14 of the ASX Settlement Rules before the end of the Offer Period. You must ensure that the Acceptance Form (and the other required documents) are received in sufficient time for Bidder to give instructions to your Controlling Participant, and for your Controlling Participant to carry out those instructions, before the end of the Offer Period.

However, if you are the Controlling Participant in respect of your Stapled Securities, to accept this Offer you must yourself initiate acceptance of this Offer in accordance with Rule 14.14 of the ASX Settlement Rules before the end of the Offer Period.

- (iii) However, if the Offer becomes unconditional, then notwithstanding anything else in this Bidder's Statement, Bidder's obligation to provide Offer consideration in respect of your Stapled Securities as described in this section 7.3(c) will be subject to you becoming the registered holder of your Stapled Securities.

(d) **Level of acceptance**

As noted above, you have the option of accepting this Offer for all or some of your Stapled Securities, as chosen by you. Those of your Stapled Securities that are subject to your acceptance will constitute the **Accepted Stapled Securities**, and will comprise:

- (i) if you specify all of your Stapled Securities as being subject to acceptance, all of your Stapled Securities at the date your acceptance is processed (even if the number of Stapled Securities specified on the Acceptance Form differs from the number of your Stapled Securities);
- (ii) if you specify a number of Stapled Securities that is less than the number of your Stapled Securities at the date your acceptance is processed, that number of Stapled Securities;

- For personal use only
- (iii) if you specify a number of Stapled Securities that is greater than the number of your Stapled Securities at the date your acceptance is processed, all of your Stapled Securities at the date your acceptance is processed; or

For this purpose, specification of the number of your Stapled Securities being subject to acceptance must be in the Acceptance Form or in a valid originating message transmitted in accordance with Rule 14.14 of the ASX Settlement Rules.

#### **7.4 Status and effect of the Acceptance Form**

(a) **Status of Acceptance Form**

The Acceptance Form that accompanies this Bidder's Statement forms part of this Offer, and the instructions on the Acceptance Form must be followed in using it to accept this Offer.

(b) **Effect of Acceptance Form**

By signing and returning the Acceptance Form in accordance with section 7.3, you irrevocably authorise Bidder and its nominees:

- (i) to rectify any errors in, or omissions from, the Acceptance Form that are necessary to make it an effective acceptance of this Offer or to enable registration of the transfer of all of your Accepted Stapled Securities to Bidder; and
- (ii) (in respect of any of your Accepted Stapled Securities in a CHES Holding) to:
  - (A) initiate, or alternatively instruct your Controlling Participant to initiate, acceptance of this Offer in respect of all such Accepted Stapled Securities in accordance with Rule 14.14 of the ASX Settlement Rules; and
  - (B) give any other instructions concerning those Accepted Stapled Securities to your Controlling Participant on your behalf under the sponsorship agreement between you and the Controlling Participant, as determined by Bidder (or its nominee) acting in its own interests as a beneficial owner and intended registered holder of your Accepted Stapled Securities, and acknowledge that:
    - (C) with respect to sub-paragraph (A) above, Bidder (or its agents or nominees) will merely forward your Acceptance Form to your Controlling Participant (being the only person who can accept this Offer on your behalf) and that it is your responsibility to allow sufficient time for your Controlling Participant to initiate acceptance of this Offer;
    - (D) Bidder (or its agents or nominees) is not responsible for any delays incurred by the process described in sub-paragraph (B) above or any losses whatsoever you incur by the fact that your acceptance is not processed before the end of the Offer Period; and

- (E) you must promptly give any further instructions or take any further actions necessary concerning your Accepted Stapled Securities to your Controlling Participant to initiate acceptance of this Offer on your behalf in accordance with Rule 14.14 of the ASX Settlement Rules prior to the end of the Offer Period.

(c) **Validation of Acceptance Form**

Notwithstanding sections 7.3(a) and 7.3(b)(ii), Bidder may (except in relation to Stapled Securities in a CHESS Holding) treat the receipt by it of a signed Acceptance Form either:

- (i) before the end of the Offer Period; or
- (ii) after the end of the Offer Period but where the Acceptance Form is sent by post and the envelope in which it is posted is post-marked before the end of the Offer Period,

as valid even though it does not receive the other documents required by the instructions on the Acceptance Form or there is not compliance with any one or more of the other requirements for acceptance.

If Bidder does treat such an Acceptance Form as valid, subject to section 7.6, Bidder will not be obliged to give the consideration to you until Bidder receives all those documents and all of the requirements for acceptance referred to in section 7.3 and in the Acceptance Form have been met (other than the requirement of your Acceptance Form to be received before the end of the Offer Period).

(d) **Risk in Acceptance Form**

The transmission by you of the Acceptance Form and any other documents in accordance with section 7.3 is at your own risk. No acknowledgement of receipt of any such documents will be given to you by or on behalf of Bidder.

(e) **Revocation of acceptance**

Once you have accepted this Offer, you will be unable to revoke or withdraw your acceptance of this Offer or otherwise dispose of your Accepted Stapled Securities, except as follows:

- (i) if a Condition, as set out in section 7.6, is not fulfilled or waived, then this Offer will automatically terminate and your Accepted Stapled Securities will be returned to you; or
- (ii) if the Offer Period is extended for more than one month and, at the time, this Offer is subject to one or more Conditions, as set out in section 7.6, then you may be able to withdraw your acceptance in accordance with section 650E of the Corporations Act.

(f) **Power of attorney or deceased estate**

When accepting this Offer, you should forward for inspection:

- (i) if the Acceptance Form is executed by an attorney, a certified copy of the power of attorney; or
- (ii) if the Acceptance Form is executed by the executor of a will or the administrator of the estate of a deceased Securityholder, the relevant grant of probate or letters of administration.

## 7.5 Agreement resulting from acceptance

By signing and returning the Acceptance Form or initiating or causing acceptance of this Offer under the ASX Settlement Rules in accordance with section 7.3:

- (b) subject to the Conditions being fulfilled or waived, you transfer, and consent to the transfer in accordance with the ASX Settlement Rules of, all of your Accepted Stapled Securities to Bidder in accordance with this Offer and subject to the conditions of the constitution of EDC on which they were held immediately before your acceptance of this Offer (and Bidder agrees to take those Accepted Stapled Securities subject to those conditions);
- (c) you represent and warrant to Bidder that, at the time of your acceptance and at the time the transfer of your Accepted Stapled Securities to Bidder is registered:
  - (i) all of your Accepted Stapled Securities are and will be fully paid;

  - (iv) you have paid to EDC all amounts which at the time of acceptance have fallen due for payment to EDC in respect of your Accepted Stapled Securities;
- (d) if and when the contract resulting from your acceptance of the Offer becomes unconditional, you irrevocably appoint Bidder and each of its directors and nominees severally as your attorney to exercise all powers and rights that you have as the registered holder of your Accepted Stapled Securities, including:

- (e) you agree that, in exercising the powers and rights conferred by the power of attorney in section 7.5(d), each attorney may act in the interests of Bidder as the intended registered holder and beneficial owner of your Accepted Stapled Securities;

- (g) you irrevocably authorise and direct EDC to pay to Bidder, or to account to Bidder for, all Rights in respect of your Accepted Stapled Securities (except to the extent that Bidder elects to waive its entitlement to those Rights), subject to any such Rights received by Bidder being accounted for by Bidder to you if any contract resulting from your acceptance of this Offer is rescinded or rendered void;
- (h) if and when the contract resulting from your acceptance of this Offer becomes unconditional, you irrevocably authorise Bidder and its nominees to do all things necessary to transfer your Accepted Stapled Securities to Bidder (including to cause a message to be transmitted in accordance with ASX Settlement Rule 14.17.1 so as to transfer your Accepted Stapled Securities, if held in a CHESS Holding, to the Takeover Transferee Holding), even if Bidder has not at that time paid or provided the consideration due to you under this Offer; and
- (i) you agree to indemnify Bidder and each of its agents in respect of any claim or action against it or any loss, damage or liability whatsoever incurred by it as a result of you not producing your Holder Identification Number or your Securityholder Reference Number or in consequence of the transfer of your Accepted Stapled Securities to Bidder being registered by EDC without production of your Holder Identification Number or your Securityholder Reference Number.

The representations, warranties, authorities and indemnity referred to in this section 7.5 will (unless otherwise stated) remain in force after you receive the Offer consideration for your Accepted Stapled Securities and after Bidder becomes the registered holder of them.

## 7.6 Conditions

Subject to section 7.7, this Offer and any contract resulting from your acceptance of this Offer are subject to the fulfilment of the following Conditions:

(a) **90.80% minimum Relevant Interest**

During, or at the end of, the Offer Period, Bidder (together with its Associates) acquires a Relevant Interest in at least 90.80% of the Stapled Securities.

(b) **No Prescribed Occurrences**

During the period from the Announcement Date to the end of the Offer Period (each inclusive), none of the following occurrences (each a **Prescribed Occurrence**, being the occurrences listed in section 652C of the Corporations Act) happen:

- (i) EDC converts all or any of the Stapled Securities into a larger or smaller number of securities;

Bidder may choose to waive the Conditions in accordance with the Offer.

## **7.7 Nature and operation of the Conditions**

- (a) The Offer is subject to the Conditions, which are set out in full in section 7.6 above. Under the terms of the Offer and the Corporations Act, the Conditions may be waived by Bidder. If an event occurs which results (or would result) in the breach or non-fulfilment of a Condition, Bidder might not make a decision as to whether it will either rely on that occurrence, or instead waive the relevant Condition in respect of that occurrence, until the date for giving notice as to the status of the Conditions of the Offer under section 630(3) of the Corporations Act (see section 7.7(c) below). If Bidder decides that it will waive a Condition, it will announce that decision to ASX in accordance with section 650F of the Corporations Act. If a Condition is breached or not fulfilled, and Bidder decides to rely on that breach or non-fulfilment, then any contract resulting from acceptance of the Offer will become void at (or, in some cases, shortly after) the end of the Offer Period, and the relevant EDC Stapled Securities will be returned to the holder.
- (b) Subject to the Corporations Act, Bidder may free this Offer and any contract resulting from your acceptance of this Offer from the Conditions by giving written notice to EDC and to ASX not later than three Business Days after the end of the Offer Period.
- (c) The date for giving the notice on the status of the Conditions as required by section 630(1) of the Corporations Act is [\*] 2025 (subject to extension in accordance with the Corporations Act if the Offer Period is extended).
- (d) Your acceptance of this Offer, and any contract resulting from your acceptance of this Offer, will be automatically void if:
  - (i) at the end of the third Business Day after the end of the Offer Period, the Conditions are not fulfilled; and
  - (ii) Bidder has not declared this Offer and any contract resulting from your acceptance of it free from the Conditions in accordance with section 7.7(b).

## **7.8 Status of the Conditions**

This Section 7.8 describes the status of the Conditions of the Offer. As at the date of this Bidder's Statement, Bidder is not aware of any events or circumstances which would result in the non-fulfilment of the Conditions.

## 7.9 Payment of consideration

### (a) When you will generally be paid

Subject to this section 7.9 and the Corporations Act, if you accept the Offer in accordance with the instructions contained in the Offer and the Acceptance Form and the Offer is declared or becomes unconditional, subject to the terms of the Offer, you will be sent payment by the earlier of:

- (i) while the Offer is subject to the Conditions, 10 Business Days after the Offer is declared to be or becomes unconditional; or
- (ii) if the Offer is declared to be or becomes unconditional, 10 Business Days after the date that you accept the Offer,

but in any case not later than 21 calendar days after the end of the Offer Period.

### (b) Payment where additional documents required

Where additional documents are required, either by the Acceptance Form or otherwise, to be given to Bidder with your acceptance to enable Bidder to become the holder of your Accepted Stapled Securities (such as a power of attorney) then, subject to sections 7.9(c) to 7.9(f) and the Corporations Act:

- (i) if those documents are given to Bidder with your acceptance, Bidder will pay you the consideration for your Accepted Stapled Securities in accordance with section 7.9(a);
- (ii) if those documents are given to Bidder after your acceptance and before the end of the Offer Period, while the Offer is subject to the Conditions, Bidder will pay you the consideration for your Accepted Stapled Securities by 21 calendar days after the end of the Offer Period;
- (iii) if those documents are given to Bidder after your acceptance and before the end of the Offer Period, while the Offer is no longer subject to the Conditions, Bidder will pay you the consideration for your Accepted Stapled Securities by 10 Business Days after Bidder is given those documents, and in any event not later than 21 calendar days after the end of the Offer Period; or
- (iv) if those documents are given to Bidder after the end of the Offer Period, Bidder will pay you the consideration for your Accepted Stapled Securities within 10 Business Days after those documents are given. However, if at the time those documents are given to Bidder, the contract resulting from your acceptance of this Offer is still subject to the Conditions, Bidder will pay you the consideration for your EDC Stapled Securities within 21 calendar days after the contract becomes unconditional.

### (c) Delivery of consideration

Payment of any cash amount to which you are entitled will be made:

- (i) if you have previously nominated bank account details to EDC or nominate those details to EDC prior to accepting the Offer and these details are provided to Bidder, or if you nominate bank account details on your duly completed Acceptance Form, by electronic funds transfer in Australian currency to that nominated account; or
- (ii) if you do not nominate bank account details to EDC prior to accepting the Offer or such details are not provided by EDC to Bidder, and you do not nominate bank account details on your duly completed Acceptance Form, by cheque drawn in

Australian currency in your favour. The cheque will be sent to you, at your risk, by ordinary mail (or, in the case of Securityholders with addresses outside Australia, by airmail) to your address shown on the Acceptance Form or as recorded in the register of Securityholders of EDC on the Register Date. Payment will be deemed to have been made at the time the cheque is delivered to the relevant postal service provider for delivery or placed in an Australia Post postal box.

(d) **Rights**

If Bidder becomes entitled to any Rights as a result of your acceptance of this Offer, it may require you to give to Bidder all documents necessary to vest title to those Rights in Bidder, or otherwise to give Bidder the benefit or value of those Rights. If you do not do so, or if you have received or are entitled to receive (or any previous holder of your Accepted Stapled Securities has received or is entitled to receive) the benefit of those Rights, Bidder will be entitled to deduct the amount (or an amount equal to the value, as reasonably assessed by Bidder) of those Rights from any consideration otherwise payable to you under this Offer. If Bidder does not, or cannot, make such a deduction, you must pay that amount to Bidder, except to the extent that Bidder elects to waive its entitlement to those Rights.

(e) **Non-Australian residents**

If, at the time of acceptance of this Offer, any authority or clearance of a Public Authority is required for you to receive any consideration under this Offer or you are resident in or a resident of a place to which, or you are a person to whom any law of Australia or regulation under the Charter of the United Nations that would make it unlawful for Bidder to provide consideration for your Accepted Stapled Securities applies then acceptance of this Offer will not create or transfer to you any right (contractual or contingent) to receive the consideration specified in this Offer unless and until all requisite authorities or clearances have been obtained by Bidder.

(f) **Withholding of consideration by Bidder**

If any amount (the **withholding amount**) is required, under any Australian law or by any Public Authority, to be:

- (i) withheld from any consideration otherwise payable to you under this Offer and paid to a Public Authority; or
- (ii) retained by Bidder out of any consideration otherwise payable to you under this Offer,

the payment or retention by Bidder of the withholding amount (as applicable) will constitute full discharge of Bidder's obligation to pay the consideration to you to the extent of the withholding amount.

## 7.10 Offerees

(a) **Registered holders**

Bidder is making an offer in the form of this Offer to each person registered as the holder of Stapled Securities in the register of members of EDC as at the Register Date.

(b) **Transferees**

- (i) If at any time during the Offer Period another person is able to give good title to some or all of your Stapled Securities, and that person has not already accepted an offer in the form of this Offer for those Stapled Securities, then that person

may accept as if an offer in the form of this Offer had been made to them in respect of those Stapled Securities.

- (ii) For the purpose of section 7.10(b)(i) and the definition of "your Stapled Securities", "good title" in respect of any particular Stapled Security includes where a person:
  - (A) is registered as the holder of the Stapled Security; or
  - (B) is entitled to be registered as the holder of the Stapled Security as a result of having purchased the Stapled Security on-market.

(c) **Trustees and nominees**

If at any time during the Offer Period and before you accept this Offer your Stapled Securities consist of two or more separate parcels within the meaning of section 653B of the Corporations Act (for example, because you hold your Stapled Securities as trustee or nominee for, or otherwise on account of, several distinct beneficial owners), then you may accept as if a separate offer in the form of this Offer had been made in relation to each of those parcels (including any parcel you hold in your own right). Acceptance for any parcel of Stapled Securities (including any parcel consisting of two or more parcels) is ineffective unless:

- (i) you give Bidder notice stating that the Stapled Securities consist of a separate parcel, such notice being:
  - (A) in the case of Stapled Securities not in a CHES Holding, in writing; or
  - (B) in the case of Stapled Securities in a CHES Holding, in an electronic form approved by the ASX Settlement Rules for the purposes of Part 6.8 of the Corporations Act; and
- (ii) your acceptance specifies the number of Stapled Securities in the parcel.

(d) **Stapled Securities subject to EDC transfer restrictions**

If at any time during the Offer Period some of your Stapled Securities are subject to transfer restrictions imposed by EDC (for example, because you hold some of your Stapled Securities under an employee incentive plan), then you may accept as if a separate offer in the form of this Offer had been made in relation to the balance of your Stapled Securities. Acceptance for the balance of your Stapled Securities is ineffective unless you give Bidder notice stating the number of your Stapled Securities that are subject to a transfer restriction and explaining the nature of the restriction, and your acceptance specifies the balance of your Stapled Securities.

## 7.11 Additional copies of Offer documents

If, for the purpose of accepting the Offer, you require additional copies of this Bidder's Statement or the Acceptance Form, please call Boardroom on 1300 737 760 (within Australia) or + 61 2 9290 9600 (outside Australia) to request those additional copies.

## 7.12 Variation and withdrawal of Offer

(a) **Variation**

Bidder may vary this Offer in accordance with the Corporations Act.

(b) **Withdrawal**

This Offer may be withdrawn with the written consent of ASIC, which consent may be subject to conditions. If so, Bidder will give notice of the withdrawal to ASX and to EDC and will comply with any other conditions imposed by ASIC.

**7.13 Costs and stamp duty**

Bidder will pay all costs and expenses of the preparation and circulation of this Offer and any Australian stamp duty payable on the transfer of any Stapled Securities to Bidder under this Offer.

**7.14 Governing law and jurisdiction**

This Offer and any contract resulting from your acceptance of this Offer are governed by the laws of New South Wales. In relation to them and related non-contractual matters, each party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there, and waives any right to object to the venue on any ground.
