SkyCity Completes Retail Entitlement Offer

SkyCity Entertainment Group Limited ("**SkyCity**") announces that it has completed the retail entitlement offer component ("**Retail Entitlement Offer**") of its NZ\$159 million fully underwritten 1 for 3.35 pro-rata accelerated non-renounceable entitlement offer ("**Entitlement Offer**") of new fully paid ordinary shares ("**New Shares**").

SkyCity has raised a total of NZ\$240 million under the fully underwritten institutional placement ("**Placement**") and Entitlement Offer announced on Thursday, 21 August 2025. This includes gross proceeds of approximately NZ\$195 million received under the institutional component of the Entitlement Offer and Placement, and approximately NZ\$45 million in gross proceeds under the Retail Entitlement Offer.

Eligible retail shareholders subscribed for approximately NZ\$15 million in New Shares, including approximately NZ\$3 million of oversubscriptions.

Eligible retail shareholders who took up their entitlement in full and applied for additional New Shares in excess of their entitlement received all of the additional New Shares for which they applied, up to a maximum of 60% of their entitlement, meaning they could, at a minimum, maintain their existing percentage shareholding through the Placement and Entitlement Offer. The effective take up rate by eligible retail shareholders was approximately 33%.

The approximately NZ\$30 million in New Shares not taken up under the Retail Entitlement Offer have been allocated to the underwriters and/or sub-underwriters procured by the underwriters, including to existing institutional shareholders.

The New Shares to be issued under the Retail Entitlement Offer are expected to commence trading on the NZX Main Board on Thursday, 11 September 2025 and the ASX on Friday, 12 September 2025 and will rank equally with SkyCity's existing ordinary shares.

SkyCity wishes to thank all shareholders who participated in the equity raise for their continued support.
