General Meeting overview

Section 1

BRICKWORKS

As previously mentioned, at this General Meeting we will ask shareholders to approve the grant of performance rights to the proposed Managing Director and CEO of Topco.

Overview of this General Meeting

- Upon implementation of the Share Schemes to give effect to the Combination of Brickworks and Soul Patts, Topco will adopt a remuneration framework and Rights Plan for its Executive KMPs that is consistent with Soul Patts ("**Topco Rights Plan**").
- Following Implementation of the Combination, it is proposed that Mr Todd Barlow (the current Managing Director and CEO ("**MD & CEO**") of Soul Patts) will be appointed as the MD & CEO of Topco.
- Brickworks Shareholders are being asked to vote at this General Meeting on an ordinary resolution to approve the grant of 121,884 performance rights under the Topco Rights Plan, being the FY26 Long Term Incentive ("**FY26 LTI**"), to Mr Barlow ("**Resolution**").
- If approved, the FY26 LTI is expected to be granted to Mr Barlow on or before 31 December 2025 and in any event no later than 3 years after the date of this General Meeting.
- Shareholder approval of the FY26 LTI is conditional upon the Share Schemes becoming Effective. However, the Share Schemes are not conditional upon the FY26 LTI resolution being passed. The grant of the FY26 LTI is also subject to approval by shareholders of Soul Patts.

Brickworks Share Scheme Meeting

10.09.2025

Topco will adopt a remuneration framework and Rights Plan for its Executive KMPs that is consistent with that of Soul Patts, with the proposed Topco Rights Plan taking effect on Implementation of the Share Schemes. Following Implementation, as set out in the Notice of General Meeting, it is proposed that Mr Todd Barlow, the current Managing Director and CEO of Soul Patts will be appointed the Managing Director and CEO of Topco.

Brickworks Shareholder approval is being sought at this General Meeting in relation to the proposed grant to Mr Barlow of 121,884 performance rights under the Topco Rights Plan. Going forward, I will refer to this as the FY26 LTI. If approved, the FY26 LTI is expected to be granted to Mr Barlow on or before 31 December 2025 and in any event no later than 3 years after the date of this General Meeting. Further details of the FY26 LTI and the Topco Rights Plan are set out in the Notice of General Meeting which you would have received prior to this General Meeting.

The reason you are being asked to vote on the grant of the FY26 LTI today is because, as a consequence of the proposed Combination of Brickworks and Soul Patts, no public annual general meeting of Topco is expected to be held in 2025 if the Combination is implemented. In addition, the first public annual general meeting of Topco is not expected to be held until November 2026. In light of this, and in the context of the establishment of Topco as a newly listed entity, we wanted to give shareholders the opportunity to vote in relation to director incentive outcomes.

Shareholder approval of the grant of the FY26 LTI is conditional upon the Share Schemes becoming Effective. However, the Share Schemes are not conditional upon the Resolution being passed at this General Meeting. The FY26 LTI is also subject to approval by Soul Patts shareholders.

Independent Board Committee recommendation

- The Soul Patts Board considers that the proposed grant of the FY26 LTI is appropriate, and (with Mr Barlow abstaining) has recommended that Soul Patts shareholders vote in favour of the Resolution.
- Having considered and assessed the recommendation of Soul Patts directors in respect of the corresponding resolution being proposed to Soul Patts shareholders, **the Independent Board Committee recommends that Brickworks Shareholders vote in favour of the Resolution.**

The Soul Patts Board considers that the proposed grant of the FY26 LTI is appropriate, and (with Mr Barlow abstaining) has recommended that Soul Patts shareholders vote in favour of the Resolution.

Having considered and assessed the recommendation of Soul Patts directors in respect of the corresponding resolution being proposed to Soul Patts shareholders, the Brickworks Independent Board Committee unanimously recommends that Brickworks Shareholders vote in favour of the Resolution.

We have one item of business to be considered today, namely the Resolution, as set out in the Notice of General Meeting and shown on the current slide:

“Subject to and conditional upon the BKW Share Scheme becoming Effective, to approve for the purposes of Listing Rule 10.14 (if applicable) and all other purposes, the grant to the proposed Managing Director & CEO of First Services Company Ltd (ACN 687 534 023), Mr Todd Barlow, of 121,884 performance rights over the ordinary shares in Topco under the Topco Rights Plan on the terms set out in the Explanatory Notes to this Notice of Meeting.”

For the Resolution to be binding, the Resolution must be approved by a simple majority (being more than 50%) of votes cast by Brickworks Shareholders entitled to vote on the Resolution.

As this is proposed to be the last general meeting of Brickworks as a listed public company, before I close the meeting, I will now hand over to Robert Millner, the Chairman of Brickworks and Soul Patts, and the proposed Chairman of Topco, to say a few words.

Chairman's address

Section 5

PRESENTED BY

BRICKWORKS

Robert Millner

Chairman of Brickworks

Thank you, Deborah. I am extremely proud to be part of this historic day and it's wonderful to have so many shareholders in the room.

Brickworks and Soul Patts' cross shareholding has been in place for 56 years and is unique. It promoted long-term decision making, free from short-term market pressures, achieved diversified earnings and, importantly, created significant long-term value for shareholders.

While the cross-shareholding has served an important purpose over the years, both companies have evolved significantly since the cross shareholding was put in place in 1969 and the time is right to combine Brickworks and Soul Patts under one investment company, creating a leading \$16.9 billion ASX-listed company.

As you have heard this morning, bringing Brickworks and Soul Patts together and removing the cross shareholding will result in a business with a simplified and well-capitalised balance sheet and significantly increased scale, putting it in an even stronger position to deliver enduring value for all shareholders.

I would like to thank Deborah for her leadership of the Independent Board Committee and managing the complexities of this transaction, as well as the other members of the Independent Board Committee - Malcolm Bunday, Robyn Stubbs and Joel Fitzgibbon - for their support.

I would like to thank our shareholders for trusting us with your money. We are passionate about growing the wealth of our shareholders and this is something we intend to continue doing for many more years to come.

Finally, I would like to take this opportunity to thank our people. I have been Chairman of Brickworks for 26 years and I have said before that without good people, you don't have the kind of success we have enjoyed, and I am very grateful to them, including members of our executive team and employees right across the business, thank you very much.

As the proposed Chairman of Topco, I look forward to a bright future for the combined business.

For personal use only

Closure of the General Meeting

Section 6

BRICKWORKS

Thank you Robert.

I would like to take this opportunity to thank all our shareholders who have invested in Brickworks over the years and we thank you for your support.

I now declare the Brickworks General Meeting closed, subject to the conduct and conclusion of the poll.

Thank you
