In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at <https://connexionltd.com/investors/>.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2026 Annual General Meeting (**2026 AGM**), the Company will be required to put to the vote a resolution (**Spill Resolution**) at the 2026 AGM to approve the calling of a further meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2026 AGM. All of the Directors who were in office when the 2026

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

Shareholders will recall that at the 2024 AGM, holders of more than 75% of the Shares present and eligible to vote accepted the Remuneration Report Resolution and therefore, there will be no requirement for a Spill Resolution at this AGM.

Chair's Intention

The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolution 4 - ASX Listing Rule 7.1A Approval of Future Issue of Securities (Additional 10% Placement Capacity)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity. An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As at 3 September 2025, the Company has a market capitalisation of approximately \$20.8 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) to further develop the Company's business;
- (b) to be applied to the Company's working capital requirements;
- (c) to acquire assets, in which circumstances the issue of the ordinary shares may be made in substitution for the Company making a cash payment for the assets; and
- (d) to pay service providers or consultants of the Company.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.0135 50% decrease in issue price	\$0.027 issue price ^(b)	\$0.054 100% increase in issue price
"A" is the number of shares on issue, ^(a) being 801,266,645 Shares	10% voting dilution ^(c)	80,126,664	80,126,664	80,126,664
	Funds raised	\$1,081,710	\$2,163,420	\$4,326,840
"A" is a 50% increase in shares on issue, being 1,201,899,968 Shares	10% voting dilution ^(c)	120,189,996	120,189,996	120,189,996
	Funds raised	\$1,622,565	\$3,245,130	\$6,490,260
"A" is a 100% increase in shares on issue, being 1,602,533,290 Shares	10% voting dilution ^(c)	160,253,329	160,253,329	160,253,329
	Funds raised	\$2,163,420	\$4,326,840	\$8,653,680

Notes:

- (a) Based on the total number of fully paid ordinary Shares on issue as at 8 August 2025.
- (b) Based on the closing price of the Company's Shares on ASX as at 8 August 2025.

- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on several factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

When and if the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to the AGM

The Company previously obtained shareholder approval under Listing Rule 7.1A at the 2024 AGM. However, the Company has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Voting Exclusion

A voting exclusion applies to this Resolution and is set out in the *Voting Exclusion and Prohibition Statements*.

Directors' Recommendation

The Directors recommend a vote in favour of this Resolution.

Chair's Intention

The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolution 5 - Renewal of Proportional Takeover Provisions

The Company wishes to renew the proportional takeovers provisions in its current Constitution. Further details in relation to this renewal are set out as follows:

Renewal of proportional takeover provisions

The Company's Constitution contains provisions concerning Takeover approval provisions in Clause 3.11 of the Constitution (**Proportional Takeover Provisions**). The Proportional Takeover Provisions provide that the Company can refuse to register Shares acquired under a proportional takeover bid unless an approving resolution is passed by Shareholders.

Section 648G(1) of the Corporations Act provides that a company's proportional takeover provisions will cease to have effect at the end of three years from the date of adoption (or renewal, as the case may be). Clause 3.11 of the Company's Constitution was last adopted on 17 November 2022. The Company accordingly seeks the Shareholder approval of this Resolution for the renewal of the Proportional Takeover Provisions, which, for the purposes of the Corporations Act, requires the same process to amend or adopt a new constitution for the purposes of 136(2) of the Corporations Act. Shareholder approval will not result in a change to the wording of Clause 3.11 of the Company's current Constitution.

The following information is provided for the purposes of Section 648G of the Corporations Act.

Proportional Takeover Bid

A proportional takeover bid is a takeover bid where the offer made to each Shareholder is only for a proportion of the Shareholder's Shares. If a Shareholder accepts, in full, an offer under a proportional takeover bid, the Shareholder will only dispose of a specified portion of their Shares in the Company and retain the balance of the Shares.

The Proportional Takeover Provisions are designed to assist Shareholders to receive proper value for their Shares if a proportional takeover bid is made for the Company by providing, in the Constitution, that:

- (a) in the event of a proportional takeover bid being made for Shares in the Company, Shareholders are required to vote and collectively decide whether to accept or reject the offer; and
- (b) the majority decision of the Company's members will be binding on all Shareholders.

Effect of the Proposed Provisions

Where offers have been made under a proportional takeover bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional takeover bid is prohibited unless and until a resolution to approve the proportional takeover bid is passed by Shareholders or otherwise, as pursuant to the terms of the Proportional Takeover Provisions.

In more detail, the effect of the Proportional Takeover Provisions is as follows:

- (a) if a proportional takeover bid is made for Securities of the Company, the Directors must ensure that a meeting of Shareholders is convened to vote on a resolution to approve that bid;
- (b) the bidder and persons associated with the bidder may not vote;
- (c) approval of the bid will require a simple majority of the votes cast;
- (d) the meeting must take place more than 14 days before the last day of the bid period (**Resolution Deadline**);
- (e) if the resolution is rejected before the Resolution Deadline, the bid cannot proceed and any transfers giving effect to takeover contracts for the bid will not be registered;
- (f) the bid will be taken to have been approved if, as at the end of the day before the Resolution Deadline, the resolution has not been voted on;
- (g) if the resolution is approved, the transfers must be registered (subject to other provisions of the Corporations Act and the Constitution); and
- (h) the Directors will breach the Corporations Act if they fail to ensure the resolution is voted on. However, the bid will still be taken to have been approved if it is not voted on within the Resolution Deadline.

The Proportional Takeover Provisions do not apply to full takeover bids. If the Proportional Takeover Provisions are renewed, they will cease to apply at the end of three years after renewal unless renewed by a Special Resolution of Shareholders.

Reasons for the Proposed Provisions

In the absence of the Proportional Takeover Provisions, a proportional takeover bid may result in control of the Company changing without Shareholders having an opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders could be exposed to the risks of passing control to the bidder without payment of an adequate control premium for all their Shares and being left with a minority interest in the Company. Such Shareholders could suffer potential further loss if the takeover bid were to cause a decrease in the Share price or otherwise make the Shares less attractive and, therefore, more difficult to sell.

Knowledge of Any Acquisition Proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal to acquire, or to increase the extent of, a substantial interest in the Company.

Advantages and Disadvantages During the Period in Which They Have Been in Effect

The Directors consider that the Proportional Takeover Provisions had no advantages or disadvantages for them during the period in which they have been in effect.

The advantages and disadvantages of the Proportional Takeover Provisions for Shareholders include those set out below, which were applicable during the period in which they have been in effect.

Potential Advantages and Disadvantages

The renewal of the Proportional Takeover Provisions will enable the Directors to formally ascertain the views of the Shareholders in respect of a proportional takeover bid. Without such provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that the Proportional Takeover Provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the Proportional Takeover Provisions for Shareholders include:

- (a) providing the right to discuss, in a meeting called specifically for that purpose, and then decide, by majority vote, whether an offer under a proportional takeover bid should proceed;
- (b) assisting the prevention of Shareholders being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced;
- (d) potentially increasing the likelihood of a full takeover bid rather than a proportional takeover bid; and/or
- (e) enabling individual Shareholders to better assess the likely outcome of the proportional takeover bid, by knowing the view of the majority of Shareholders, which may assist in deciding whether to accept or reject an offer under the bid;

The potential disadvantages of the Proportional Takeover Provisions for Shareholders include:

- (a) imposing a hurdle to, and potentially discouraging the making of, provisional takeover bids which, in turn, may reduce any takeover speculation element in the price of Shares;
- (b) potentially reducing the likelihood of success of a proportional takeover bid;
- (c) possible reduction or loss of opportunities for Shareholders sell some or all of their Shares at a premium; and/or
- (d) potentially causing some Shareholders to form the view that the Proportional Takeover Provisions impose an unreasonable restriction on their ability to freely deal with their Shares.

Accordingly, the Company has prepared an updated Constitution (**New Constitution**) which renews Clause 3.11 of the Constitution which prescribes the procedure to be followed when a proportional off-market bid is made.

Prior to the Meeting, a copy of the New Constitution is available for review by Shareholders at the Company's registered office during normal business hours. A copy of the New Constitution can also be sent to Shareholders of

the Company upon a request being made to the Company Secretary at meetings@confidantpartners.com.au. A complete signed copy of the New Constitution will be tabled at the Meeting.

Pursuant to section 136(2) of the Corporations Act, a modification to the Company's Constitution (which includes renewal of the Proportional Takeover Provisions) can only be affected by way of a Special Resolution passed by its Shareholders. Therefore, this Resolution is a Special Resolution that can only be passed if at least 75% of the total votes cast by Shareholders entitled to vote on this Resolution are voted in its favour.

If you have any doubt or do not understand this Resolution, it is strongly recommended that you seek advice from a solicitor or other professional advisor.

Directors' Recommendation

The Directors recommend a vote in favour of this Resolution.

Chair's Intention

The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolution 6 - Approval to Exceed 10/12 On-Market Share Buy-Back Limit

On 8 June 2022, the Company announced that it would conduct an on-market buy-back program. Each year since the 2022 AGM shareholders have approved the Company to exceed 10/12 On-Market Share Buy-Back Limit. Most recently shareholders approved at the AGM held on 17 October 2024 (2024 AGM) for the buy-back of up to 20% of the total Shares on issue in the Company over the twelve months following the date of the 2024 AGM.

Given the Company's performance this year, it has decided to continue its Buy-Back Program which it considers to be an efficient way of returning capital to Shareholders.

Under the Corporations Act, Shareholder approval is required for an on-market buy-back if all of the voting shares bought back during the last 12 months, and the voting shares proposed to be bought back, exceed 10% of the smallest number of voting shares on issue in the Company at any time during the last 12 months (the **10/12 Limit**).

As the buy-back proposed under the Buy-Back Program would exceed the 10/12 Limit, Shareholder approval by way of an ordinary resolution is required.

If this Resolution is approved, the Company will be able to buy back up to 160,253,329 Shares under the Buy-Back Program over a period up to 12 months from the date of approval of Shareholders at the Meeting. If this Resolution is not approved, the Company will be prohibited from buying back Shares in excess of the 10/12 Limit.

Shareholders should note that this is a permissive Resolution, and therefore, does not require the Company to buy back Shares under the Buy-Back Program. There is no guarantee that the Company will buy back the maximum number of Shares permitted under the Buy-Back Program if this Resolution is passed.

The Company reserves the right to suspend or terminate the Buy-Back Program at any time, and the size and timing of any Share buy-backs will be determined by the Board.

A copy of this Notice (including the Explanatory Statement) has been lodged with ASIC.

Material information relating to the Buy-Back Program.

Under section 257C(2) of the Corporations Act, the Company must include with the Notice a statement setting out all information known to the Company that is material to the decision how to vote on the Resolution. However, the Company does not have to disclose information if it would be unreasonable to require the Company to do so because the Company had previously disclosed the information to the Shareholders.

The material information relating to the Buy-Back Program are as follows:

(a) Process and period

The Buy-Back Program is an on-market buy-back on the terms announced to Shareholders on 8 June 2022 and contained in this Notice.

If Shareholder approval for the Resolution is obtained, offers that are in excess of the 10/12 Limit can be made under the Buy-Back Program after the Meeting. If the Resolution is approved, any buy-backs under the Buy-Back Program will be completed within 12 months from the date of the Meeting (that being 16 October 2025).

(b) Number of Shares on issue

The Company has 801,266,645 Shares on issue as at 3 September 2025.

(c) Maximum number of Shares to be bought back

Under the Buy-Back Program, the maximum number of Shares to be bought back on-market is 160,253,329 Shares, which represents approximately 20% of the issued capital of the Company. The number and percentage of Shares to be bought back will be determined based on the Share price and market conditions over the period of the Buy-Back Program.

(d) Particulars of the terms of the Buy-Back Program

The usual ASX rules for settlement of on-market transactions will apply to the Shares acquired under the Buy-Back Program. All Shares that are bought back under the Buy-Back Program will be immediately cancelled upon settlement of the trade.

(e) Offer price

The price under the Buy-Back Program will be the prevailing marketing price for Shares and will be subject to ASX Listing Rule requirements.

ASX Listing Rule 7.33 provides that a company may only buy back Shares under an on-market buy-back at a price which is not more than 5% above the volume weighted average market price for Shares in that class, calculated over the last 5 days on which sales in the Shares were recorded before the day on which the purchase under the buy-back was made.

To provide an indication of the recent market prices, the closing Share price on 2 September 2025, being the last practicable date before the finalisation of this Notice, was \$0.026. The lowest and highest market sale prices for the Company's Shares on the ASX during the previous 3 months were \$0.024 and \$0.028, respectively.

(f) Reasons for the Buy-Back Program

The Board considers that the Company's current Share price does not accurately reflect the underlying value of the Company's assets and growth prospects, and the Buy-Back Program offer several advantages, as described below.

(g) Interests of participating Directors

The Directors (and their Related Parties) have confirmed that they will not participate in the Buy-Back Program.

(h) Financial effect of the Buy-Back Program on the Company

Shareholders should be aware that any Shares bought back by the Company under the Buy-Back Program would result in a reduction in the number of Shares on issue. As at 3 September 2025, the Company had 801,266,645 Shares on issue. Given the maximum number of Shares that could be bought back under the Buy-Back Program, it is not anticipated that the Buy-Back Program will result in a material change in the liquidity or control of the Company's Shares.

The Board does not believe that the Buy-Back Program will materially prejudice the Company's ability to pay its creditors. No adverse tax consequences are expected to arise for the Company from the Buy-Back Program.

(i) Source of funds

The Buy-Back Program will be funded by the Company's excess cash reserve and will reduce the Company's cash balance by the aggregate amount paid to buy back Shares on market under the Buy-Back Program

(j) Advantages of the Buy-Back Program

The advantages of the Company's Buy-Back Program include the following:

- a. efficient and flexible means of returning excess capital to Shareholders;
- b. reducing excess cash holdings;
- c. Increasing the liquidity of the Shares;

- d. Shareholders that do not participate in the Buy-Back Program will increase their ownership interest in the Company; and
- e. with fewer Shares on issue, improvement to the return on equity and earnings per Share.

(k) Disadvantages of the Buy-Back Program The disadvantages of the Company's Buy Back Program include the following:

- a. artificially supporting the Share price;
- b. the possibility of paying too high a price for the Shares; and
- c. the Buy-Back Program reduces the cash balances of the Company, which may adversely impact its ability to generate return on capital, including for example, organic growth beyond internal forecasts or acquisition opportunities.

(l) Additional information for Shareholders

A copy of the Company's latest audited financial statements is available in the FY2025 Annual Report.

Although the Board recommends that Shareholders vote in favour of and approve the Buy-Back Program, they make no recommendation to Shareholders as to whether they should accept an offer to buy-back their Shares at the time a buy-back is executed, Such a decision is a matter for each Shareholder to determine having regard to their own individual circumstances and if appropriate or required, after taking into account professional and financial advice and the contents of this Explanatory Statement.

Directors' Recommendation

The Directors recommend a vote in favour of this Resolution.

Chair's Intention

The Chair intends to vote all undirected proxies in favour of this Resolution.
