

Scout Security (ASX: SCT) is a white label security-as-a-service platform and product suite powering recurring revenue for some of the largest security, internet service and telco providers in the world.

ASX RELEASE
11 September 2025

Completion of Capital Raise

Home security provider **Scout Security Ltd (ASX: SCT) ("Scout" or "the Company")** is pleased to announce it has received \$600,000 (before costs) in connection with a placement of 1,500,000 fully paid ordinary shares in the capital of the Company ("**Shares**") at an issue price of \$0.40 per Share ("**Placement**"), which forms the first tranche of a planned broader equity capital raising. The Shares under the Placement will be issued out of the Company's placement capacity under ASX Listing Rule 7.1.

The Company intends to apply the funds raised under the Placement toward satisfaction of existing creditors, completion of outstanding periodic reports and other administrative and working capital requirements.

The Company is in ongoing discussions with respect to potential corporate and capital raising proposals, which the Board will assess and seek to implement with a view to the Company being reinstated to trading as soon as possible. Any potential corporate transaction or reinstatement proposal will be subject to prior discussion with ASX, including with respect to the application of Chapters 11 and 12 to the proposal, and completion of all outstanding periodic reports.

The Company's securities are currently suspended from trading and the Board is committed to having the Company's securities reinstated to trading on the ASX as soon as practicable.

The Company will continue to keep shareholders updated on its progress towards relisting.
