EXPLANATORY STATEMENT TO SHAREHOLDERS

INTRODUCTION

This Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be transacted at the Annual General Meeting of the Company to be held at 9.00am (WST) on Tuesday 14 October 2025. The Explanatory Statement should be read in conjunction with the accompanying Notice of Meeting.

FINANCIAL REPORTS

The Corporations Act requires the Company to lay before the Annual General Meeting the financial report, the Directors' report (including the Remuneration Report) and the auditor's report for the last financial year that ended before the Annual General Meeting.

No resolution is required for this item, but Shareholders will be provided with a reasonable opportunity to ask questions or make comments in relation to these reports. The Company's auditor will also be present at the Meeting and Shareholders will be given the opportunity to ask the auditor questions about the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company and the independence of the auditor.

The Company's 2025 Annual Report is available on the ASX website under the Company's code "SXE" and the Company's website at www.scee.com.au.

RESOLUTION 1: ADOPTION OF REMUNERATION REPORT

A resolution for adoption of the Remuneration Report is required to be considered and voted on in accordance with section 250R(2) of the Corporations Act. The Remuneration Report details the Company's policy on the remuneration of non-executive Directors, the Managing Director and senior executives and is set out in the Company's 2025 Annual Report. The vote on the adoption of the Remuneration Report is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

Shareholders will be provided with a reasonable opportunity to ask questions and make comments on the Remuneration Report at the Annual General Meeting.

The Directors recommend that Shareholders vote in favour of Resolution 1.

RESOLUTION 2: ELECTION OF MS LOUISE DAW AS DIRECTOR

Ms Daw was appointed to the Board on 1 September 2025. In accordance with Clause 13.1 of the Company's Constitution, Ms Daw, having been appointed by the Board as a Director of the Company since the last general meeting, must retire but offers herself for election.

The Board has considered Ms Daw's independence and considers that she is an independent Director.

Ms. Daw is an experienced entrepreneur and director, with a background in technology, governance, and strategic transformation. Her professional career includes leadership roles in software development, data analysis, sustainability and innovation. She is a Graduate Member of the Australian Institute of Company Directors ("AICD") and holds a Bachelor of Commerce in IT and E-Commerce.

Ms Daw was the co-founder of MiPlan Consulting, a pioneering data management enterprise serving the mining sector, which was acquired by Hexagon AB in 2017. She currently holds the position of Sustainability Director at Hexagon AB, where she is responsible for overseeing Environmental, Social, and Governance (ESG) strategy within the Autonomous Solutions Division. Ms Daw also served as a Non-Executive Director at INX Software, during which time she contributed significantly to the company's growth, acquisition activities, and eventual successful exit.

Ms Daw was the winner of the Technology category at the EY Entrepreneur of the Year Awards (Western Australia) in 2017.

Directors' recommendation

The Directors (other than Ms Daw) support the election of Ms Daw and recommend that Shareholders vote in favour of Resolution 2. The Directors consider that Ms Daw provides an important contribution to the Board through her extensive experience in the technology sector and in sustainability leadership.

RESOLUTION 3: RE-ELECTION OF MR SIMON BUCHHORN AS DIRECTOR

Mr Buchhorn was last re-elected as a Director of the Company on 31 October 2023. Pursuant to clause 13.3(c)(iii) of the Company Constitution, if no person is standing for election or re-election due to having held office for a period in excess of 3 years or beyond the third annual general meeting following that Director's election, then the Directors who have been in office the longest since their election must retire at an annual general meeting. Accordingly, Mr Buchhorn is required to resign and being eligible, has offered himself for re-election as a Director of the Company.

The Board has considered Mr Buchhorn's independence and considers that he is an independent Director.

Mr Buchhorn has served on the Board since 2015 and brings significant experience in electrical contracting and operational performance both domestically and internationally. He is also a graduate of the Australian Institute of Company Directors.

Mr Buchhorn has a comprehensive understanding of SCEE Group's operations having been employed by the Company for over 30 years prior to retiring in 2014. During this time he worked in a number of key positions across the business including over 6 years as Chief Operating Officer and a period as interim Chief Executive Officer. He was also the General Manager of SCEE Group's LNG focused joint venture KSJV.

Mr Buchhorn is a member of the Audit and Risk Management Committee.

Directors' recommendation

The Directors (other than Mr Buchhorn) support the re-election of Mr Buchhorn and recommend that Shareholders vote in favour of Resolution 3. The Directors consider that Mr Buchhorn provides an important contribution to the Board given his significant industry experience and his role as a member of the Audit and Risk Management Committee.

RESOLUTION 4: INCREASE IN MAXIMUM AGGREGATE REMUNERATION FOR NON-EXECUTIVE DIRECTORS

Listing Rule 10.17 provides that the maximum aggregate amount of the remuneration payable as Directors' fees to Non-executive Directors (**NED Fee Cap**) must not be increased except with the prior approval of Shareholders. Clause 13.4 of the Constitution provides that the maximum aggregate amount of Directors' fees payable to Non-executive Directors is to be determined by Shareholders in a general meeting in accordance with the Listing Rules.

The current NED Fee Cap of \$600,000 was set at the Company's 2008 AGM. The remuneration paid by the Company to Executive Directors is not included in the NED Fee Cap. The Managing Director is currently the only Executive Director. The relevant remuneration is all fees payable to a Non-executive Director for acting as a Director of the Company (including attending and participating in any Board committee meetings) and

includes superannuation contributions for the benefit of a Non-executive Director and any fees which a Non-executive Director agrees to sacrifice for other benefits. However, in accordance with Listing Rule 10.17, the NED Fee Cap does not include the re-imbursement of genuine out-of-pocket expenses, genuine “special exertion” fees payable in accordance with the Company’s Constitution or any equity securities issued to a Non-executive Director with the prior approval of Shareholders pursuant to Listing Rule 10.11 and/or 10.14.

Noting that the current NED Fee Cap has been in place for 17 years, the Directors consider it is reasonable and appropriate at this time to seek Shareholder approval for an increase to the NED Fee Cap (for the purposes of Listing Rule 10.17) in recognition of the need to pay market competitive fees to ensure the Company is able to attract and retain Non-executive Directors of the requisite calibre for the Company’s Board and in recognition of Directors’ expanding roles of oversight given increasing and more onerous governance requirements. The Board believes that the proposed NED Fee Cap is reasonable in comparison with NED Fee Caps of comparable companies. The Board does not currently anticipate utilising the full amount of the NED Fee Cap in the short to medium term.

Technical information required by ASX Listing Rule 14.1A

If Resolution 4 is passed, the NED Fee Cap will increase from \$600,000 to a maximum of \$850,000 (being an increase of \$250,000). This will allow the Company to continue to be able to pay market competitive fees to the Company’s non-executive Directors.

If Resolution 4 is not passed, the NED Fee Cap will stay at \$600,000 which means the Company will not be able to increase the fees paid to its non-executive Directors in the future and may not be able to attract or retain non-executive Directors on remuneration terms commensurate with their skills and expertise and the Company’s size and stage of development. Further the Company will be required to reduce the current fees payable to Non-executive Directors in the 2027 financial year as, following the appointment of Louise Daw on 1 September 2025, the current annualised fees would exceed the NED Fee cap in that year as shown in the table below.

Non-executive Director Remuneration

The Non-executive Directors currently receive annualised Director fees as set out in the table below.

No committee fees are currently payable to Directors in relation to participation in Board committees.

Non-executive Director	Annualised Non-executive Director Fees (inclusive of superannuation)
Karl Paganin (Chairman)	\$175,401
Simon Buchhorn	\$109,626
Paul Chisholm	\$109,626
Michael McNulty	\$109,626
Louise Daw	\$109,626
Total	\$613,905

As noted above, Ms Daw’s appointment was effective 1 September 2025 and as such the pro-rated fees payable to her in respect of the 2026 financial year will be \$91,355 and total fees payable to the Non-executive Directors in respect of the 2026 financial year will be \$595,634.

The remuneration of each Non-executive Director for the year ended 30 June 2025 is detailed in the Remuneration Report.

No securities have been issued to any Non-executive Director under Listing Rules 10.11 or 10.14 with Shareholder approval within the past three years.

Disclosure of Directors' remuneration will continue to be made to Shareholders in each annual report in accordance with applicable statutory and ASX requirements. If Shareholder approval is obtained, the proposed NED Fee Cap will apply for the financial year ending 30 June 2026.

Directors' recommendation

Given the interest of the Board in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

RESOLUTION 5: ISSUE OF PERFORMANCE RIGHTS TO THE MANAGING DIRECTOR FOR THE 2025/2026 FINANCIAL YEAR

Background

Resolution 5 seeks Shareholder approval for the grant of 372,159 Performance Rights to Mr Graeme Dunn, a Director of the Company, (or his nominee) under the Plan.

The Company's executive remuneration structure is set out in more detail in the Remuneration Report in the 2025 Annual Report.

Based on the Plan and as set out below, Shareholder approval is being sought to issue to Mr Dunn (or his nominee) 372,159 Performance Rights with respect to the 2025/2026 financial year. These Performance Rights are subject to specific vesting conditions (as set out below) and will not vest until such time as the performance conditions are met.

The Plan

The main features of the Plan that are particular to the issue of Performance Rights are summarised in Schedule 1.

Subject to Shareholder approval of Resolution 5, the Performance Rights to be granted to Mr Dunn for the 2025/2026 financial year will not vest (and the underlying Shares will not be issued and depending on the participant's election the cash will not be paid) unless certain performance conditions have been satisfied. The grant of Performance Rights is designed to reward long term sustainable business performance which is aligned to the long term strategic objectives of the Company.

It is proposed that 50% of Mr Dunn's performance conditions for the 2025/2026 financial year will be performance tested against total shareholder return (**TSR**) performance, and the other 50% be tested against earning per share (**EPS**) performance over a 3 year period from a Start Date of 30 June 2025 to a Test Date of 30 June 2028.

Absolute TSR

TSR measures the return received by shareholders from holding shares in a company over a particular period. TSR is calculated by taking into account the growth in a company's share price over the period as well as the dividends received during that period. The formula for calculating TSR is:

$$\frac{(\text{Share Price at Test Date} - \text{Share Price at Start Date}) + (\text{Dividends Received})}{\text{Share Price at Start Date}}$$

A volume weighted average share price (**VWAP**) will be used to determine Share Price at the Start Date and Share Price at the Test Date. The VWAP for the Share Price at Start Date will be based on the VWAP over the five trading days prior to the start of the relevant performance period and the VWAP for the Share Price at

the Test Date will be based on the VWAP over the five trading days prior to the end of the relevant performance period.

Mr Dunn's TSR performance conditions will include:

- a threshold target of 8% per annum (compounded over the period from the Start Date to the Test Date); and
- a stretch performance of 12% per annum (compounded over from the Start Date to the Test Date).

The percentage of Mr Dunn's Performance Rights that are tested against TSR which vest will be determined as follows:

TSR performance over relevant Performance Period	Performance vesting outcomes (applied to 50% of the total Performance Rights granted)
Less than 8% per annum compounded	0% vesting
8% per annum compounded	50% vesting
Between 8% and 12% per annum compounded	Pro-rata vesting between 50% and 100%
At or above 12% per annum compounded	100% vesting

EPS

The Company's EPS performance will be measured in the 2028 financial year. EPS measures the portion of a company's profit allocated to each outstanding ordinary share and serves as an indicator of a company's profitability.

For the purposes of performance testing the Performance Rights, EPS will be the Basic EPS for the year, as prescribed by the accounting standards and set out in the Company's Financial Reports, adjusted by the Board to reflect the Company's underlying profitability by removing from the calculation of profit or loss attributable to ordinary shareholders in the year non-underlying items, which include:

- (a) amortisation of acquired intangibles;
- (b) unwinding of interest on deferred acquisition consideration payments;
- (c) adjustments to the assessment of deferred consideration payable;
- (d) acquisition costs; and
- (e) finance income or expenses arising from fair value accounting adjustments relating to the Plan.

A threshold target and a stretch target will also be used for Mr Dunn's EPS targets. Mr Dunn will only receive Performance Rights that are tested against EPS if he achieves at least the threshold target. The Performance Rights that are tested against EPS will vest as set out in the following table.

EPS performance in 2028 financial year	Performance vesting outcomes (applied to 50% of the total Performance Rights granted)
Less than 8% compound annual growth from EPS in the 2025 financial year	0% vesting
8% compound annual growth from EPS in the 2025 financial year	50% vesting
Between 8% and 12% compound annual growth from EPS in the 2025 financial year	Pro-rata vesting between 50% and 100%
At or above 12% compound annual growth from EPS in the 2025 financial year	100% vesting

Regulatory information

Related party transaction

The grant of the Performance Rights to Mr Dunn, a Director of the Company, is a financial benefit for the purposes of the related party provisions in Chapter 2E of the Corporations Act. However, the Directors (other than Mr Dunn) have determined that the remuneration package for Mr Dunn, including the grant of the Performance Rights, constitutes reasonable remuneration having regard to the circumstances of the Company and Mr Dunn (including the responsibilities involved in his office). Accordingly, and in reliance on this statutory exception to the related party requirements, Shareholder approval under Chapter 2E of the Corporations Act is not being sought in this case.

Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a Director of the Company;
- 10.14.2 an associate of a Director of the Company; or
- 10.14.3 a person whose relationship with the company or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

The grant of Performance Rights to Mr Dunn falls within Listing Rule 10.14.1 and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14.

Resolution 5 seeks the required Shareholder approval to the grant of the Performance Rights to Mr Dunn under and for the purposes of Listing Rule 10.14.

Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, the Company will be able to issue the Performance Rights to Mr Dunn (or his nominee(s)) within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the grant of the Performance Rights (because approval is being obtained under Listing Rule 10.14), the grant of

the Performance Rights to Mr Dunn will not be included in the 15% calculation of the Company's annual placement capacity pursuant to Listing Rule 7.1.

If Resolution 5 is not passed, the Company will not proceed with the issue of the Performance Rights to Mr Dunn under the Plan.

Technical information required by Listing Rule 10.15

In accordance with Listing Rule 10.14, the acquisition of securities by a Director under an employee incentive scheme requires shareholder approval. The following information is provided for the purposes of Listing Rule 10.15:

- (a) The Performance Rights will be granted to Mr Graeme Dunn (or his nominee(s)).
- (b) Mr Dunn falls within the category set out in Listing Rule 10.14.1 by virtue of him being a Director.
- (c) The maximum number of Performance Rights (being the nature of the financial benefit being provided) to be granted to Mr Dunn is 372,159 Performance Rights for the 2025/2026 financial year.
- (d) Under his employment agreement as Managing Director and Chief Executive Officer, Mr Dunn is entitled to receive a current total remuneration package for the financial year ending 30 June 2026 comprising a base salary (inclusive of superannuation) of \$878,791, a variable Short Term Incentive cash bonus of up to 75% of his base salary, being \$659,093, depending on the achievement of certain short term objectives. Subject to the approval of Resolution 5, Mr Dunn will also be entitled to participate in the FY26 Long Term Incentive scheme in the form of Performance Rights in relation to the Company's performance over the period from 30 June 2025 to 30 June 2028 (refer to Schedule 2 for an indicative valuation of these Performance Rights).

Shareholders have previously approved Mr Dunn's participation in the FY24 and FY25 Long Term Incentive Schemes and the Performance Rights which have been granted to Mr Dunn under these schemes are being performance tested over the periods from 30 June 2023 to 30 June 2026 and 30 June 2024 to 30 June 2027 respectively. The maximum value received should all of these Performance Rights vest over their respective performance periods, based on the fair value ascribed to these Performance Rights at grant date, would be \$540,425 in respect of the FY24 Performance Rights and \$380,180 in respect of the FY25 Performance Rights.

The Remuneration Report sets out further details of Mr Dunn's remuneration.

- (e) Since the Plan was last approved by Shareholders at the 2023 AGM, the Company has issued 1,281,532 Performance Rights and no Options to Mr Dunn for nil consideration under the Plan.
- (f) A summary of the material terms of the Performance Rights to be granted to Mr Dunn are set out above and in Schedule 1.
- (g) The Company has agreed to issue the Performance Rights to Mr Dunn, subject to Shareholder approval, for the following reasons:
 - (i) it is appropriate to provide Mr Dunn with a long term incentive element in his remuneration package;
 - (ii) Performance Rights, rather than Options, are viewed as a better alternative to remunerate executives who are tasked with achieving certain specific strategic outcomes;

- For personal use only
- (iii) the grant of Performance Rights is intended to align Mr Dunn's performance with successful Company outcomes for the benefit of Shareholders and also to provide him with an incentive to remain in the Company;
 - (iv) the remuneration for Mr Dunn, including the proposed grant of Performance Rights, is reasonable having regard to the circumstances of the Company, the duties and responsibilities of the Managing Director and Chief Executive Officer of the Company and market levels of remuneration for Managing Directors and Chief Executive Officers of similar companies;
 - (v) the Performance Rights are unquoted securities. Accordingly, the grant of the Performance Rights has no immediate dilutionary impact on Shareholders; and
 - (vi) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Performance Rights on the terms proposed.

Schedule 1 - Summary of the Plan and the terms of issue of the Performance Rights

Participation

As part of the Company's strategy, the Board wishes to be in a position to grant Options and/or Performance Rights (**Incentive Securities**) under the Plan to senior management or an approved nominee to achieve the objectives outlined above.

Common Rules

The main features of the Plan as approved at the Company's 2023 AGM have been summarised below:

1. **Eligible Participants:** All full-time employees and permanent part-time employees (including the Executive Directors and the Managing Director) of the Group whom the Board have determined are in a senior management role, are eligible participants under the Plan. Shareholder approval is required before any Director or related party of the Company can participate in the Plan;
2. **Individual Limits:** The Plan does not set out a maximum number of Shares that may be made issuable to any one person or company.
3. **Amendments to Plan:** The Board may at any time and from time to time by resolution alter the Plan. However, any amendment to the Plan is subject to any restrictions or procedural requirements relating to the amendment or the rules of an employee incentive scheme imposed by the Listing Rules or applicable securities laws. Generally amendments to the Plan will not affect the terms of Incentive Securities that have already been issued under the Plan unless the resolution specifically says otherwise.
4. **Disposal of Incentive Securities:** Without the approval of the Board, no Incentive Securities issued under the Plan may be transferred, be made the subject of an option or a third party right (such as a charge or security), or otherwise be dealt with or disposed of by the eligible participant. If an eligible participant contravenes this requirement of the Plan, the Incentive Securities will lapse.
5. **Forfeiture:** If an eligible participant acts fraudulently, dishonestly or has wilfully breached his or her obligations to the Company Group, the Board will have the discretion to determine that any Incentive Securities granted to the eligible participant will lapse.
6. **Suspension or Termination:** The Board may suspend or terminate the Plan at any time, without notice, but the suspension or termination will not affect any Incentive Securities already granted.
7. **Alteration in Share Capital:** If there is a reorganisation of the share capital of the Company, including consolidation, subdivision, reduction or return of issued capital, the number of or exercise price of an Incentive Security will be adjusted in the way specified by the Listing Rules from time to time.
8. **Bonus Issue:** If there is a bonus issue of Shares to Shareholders:
 - (a) in relation to the Incentive Securities that are to be settled in Shares, the number of shares, to which an eligible participant is entitled to receive upon the exercise of an Incentive Security will be increased by the number of Shares which the eligible participant would have received if the Incentive Security, as applicable, had been exercised before the record date for the bonus issue; and
 - (b) in relation to the Incentive Securities that are to be settled in cash, the cash amount payable by the Company to the participant will be adjusted by adding to the amount payable the value equal to the Market Price less the Exercise Price (if any) multiplied by the number of Shares

which the holder of the Incentive Security would have received if the Incentive Security had been exercised before the record date for the bonus issue.

9. **No Participation Rights:** There are no participation rights or entitlements inherent in the Incentive Securities. An eligible participant will only be entitled to participate in new issues of capital offered to Shareholders to the extent that the Incentive Securities have been exercised and the eligible participant has become a Shareholder.

Rules for granting Incentive Securities

The Board may issue a written invitation to an eligible participant to receive a grant of Incentive Securities (**Invitation**).

The Invitation will set out the terms on which the Incentive Securities will be granted and exercised. Participation in the Plan is subject to the acceptance of the Invitation by the eligible participant (or their nominee) within a specified period. In accordance with the requirements of the Listing Rules, prior Shareholder approval will be required before any Director or related party of the Company can participate in the issue of Incentive Securities under the Plan.

The main features of the Plan (and the terms and conditions to be attached to the Plan) as approved at the Company's 2023 AGM (unless stated otherwise) which are particular to the issue of Incentive Securities are summarised as follows:

1. **Consideration Payable:** the Board will have the discretion to determine if any consideration is payable for the grant of the Incentive Securities. The amount of consideration payable, if any, will be set out in the Invitation.
2. **Exercise of Incentive Securities:** An eligible participant can exercise the Incentive Securities at any time before the date on which they lapse, provided this date is outside of a Closed Period specified under the Company's securities trading policy (unless the Board otherwise approves) by issuing a notice to the Board setting out the number of Incentive Securities to be exercised, paying the exercise price nominated in the Invitation for each Incentive Security that is being exercised. At the election of the participant, up to 50% of vested Incentive Securities held by participants in respect of a given performance period to be settled on exercise by the payment of cash instead of through the issue or transfer of Shares. The Board also has the discretion to impose conditions on the Incentive Securities (other than the payment of an exercise price) which must be satisfied either before the Incentive Securities are exercised or before the Incentive Securities vest. If such conditions are set out in the Invitation they must be met in accordance with the terms of the Invitation.
3. **Exercise Price:** The exercise price for each Incentive Security will be set out in the Invitation. The exercise price in respect of an Incentive Security may be reduced in accordance with the terms of the Plan if a pro rata issue of Shares is made to Shareholders before the Incentive Security is exercised. The Company will only change the exercise price in accordance with the Listing Rules.
4. **Vesting:** Subject to the satisfaction of any conditions attaching to the Incentive Securities, within 10 business days of the exercise of the Incentive Securities, the Company must:
 - (i) to the extent the Incentive Securities are to be settled in Shares, issue Shares to the eligible participant (or, if applicable, their nominee) without any further action being required on the part of the eligible participant; or
 - (ii) to the extent the Incentive Securities are to be settled in cash, the Company must pay the Participant the Market Price less the Exercise Price multiplied by the number of Incentive Securities to be settled in cash as specified in the exercise notice.

5. **Market Price:** The market price used in the calculation of cash to be paid by the Company to the extent Incentive Securities are to be settled in cash is the weighted average sale price of the Shares recorded on the ASX over the 5 consecutive Trading Days immediately preceding, the earlier of:

- (i) the day the participant provides a valid exercise notice; and
- (ii) the date the participant ceases to be a senior manager on the event that Vested Incentive Securities have not been exercised prior to this date; or

in circumstances where there has been no trading in the Shares during 5 consecutive Trading Days immediately preceding the Price Date, the last sale price recorded for Shares on the ASX.

6. **Term and Lapse:** The term of the Incentive Securities is determined by the Board in its absolute discretion and will be specified in the Invitation. Incentive Securities will lapse if they are not exercised by the expiry date set in the Invitation. The Incentive Securities may also lapse if the eligible participant's employment is terminated for cause.

7. **Ceasing to be a Senior Manager:** Under the Plan the eligible participant (or their nominee or legal representative as applicable) may exercise the Incentive Securities prior to the expiry date provided the vesting conditions have been satisfied and the performance period for the Incentive Securities has been served by participant. If an eligible participant ceases to be a senior manager prior to the end of the relevant performance period for the Incentive Securities all Incentive Securities that have not vested will lapse. However, the Board retains a discretion in the event of Redundancy, Retirement, Permanent Disablement or Death to waive the vesting conditions for some or all of the Incentive Securities or allow them to continue to be exercisable until the expiry date upon the satisfaction of the applicable conditions.

8. **Restriction on dealing with Shares:** All Shares issued to a participant under the Plan will be subject to the Company's Securities Trading Policy. In addition, the Board has the discretion to impose further restrictions on Shares issued to a participant under the Plan in the Invitation.

9. **Takeover Bid or Change of Control:** In the event of:

- (a) a Change of Control of the Company; or
- (b) approval by the court of a merger of the Company by way of scheme of arrangement,

all Incentive Securities which have not been exercised by the eligible participant will vest and may be exercised notwithstanding the conditions set out in the Invitation, other than the payment of the Exercise Price.

Other terms of issue for Performance Rights

In addition to the terms contained in the Plan and summarised above the following basic terms of issue apply to the Performance Rights:

1. A Performance Right does not entitle the holder to vote on any resolutions proposed by the Company except as otherwise required by law.
2. A Performance Right does not entitle the holder to any dividends.
3. A Performance Right does not entitle the holder to a return of capital, whether in a winding up, upon a reduction of capital or otherwise.

4. A Performance Right does not entitle the Holder to participate in the surplus profits or assets of the Company upon winding up.
5. The Performance Rights will not be quoted on ASX.

For personal use only

Schedule 2 - Valuation of Performance Rights

The fair value of the Performance Rights proposed to be granted to Mr Graeme Dunn pursuant to Resolution 8 will initially be determined at the date the Performance Rights are granted using the Monte Carlo Simulation (TSR component) and Binomial Tree (EPS component) valuation methodologies. The 50% of performance rights that are available for exercise as cash, at the participants election, are deemed to be cash-settled for accounting purposes regardless of whether they are ultimately settled for cash or equity and will be fair valued at each reporting date during the performance period using the same valuation methodologies.

For the purposes of complying with Listing Rule 10.15 an indicative fair value has been calculated using these methodologies and the assumption that the Performance Rights had been granted on 29 August 2025.

The key inputs used in determining the indicative fair values were as follows:

Variable	Input
Illustrative grant date	29 August 2025
Vesting date	30 June 2028
Share price at illustrative grant date	\$1.960
Expected life	2.8 years
Volatility	34%
Risk free interest rate	3.4%
Dividend yield	4.9%

Based on the above, the Company has calculated an indicative value of all Performance Rights to be granted to Mr Dunn pursuant to Resolution 5 is \$498,693, comprising:

	TSR component	EPS component
Number of Performance Rights	186,080	186,079
Fair value per Performance Right	\$0.975	\$1.705
Total	\$181,428	\$317,265

Any change in the inputs applied in the Monte Carlo Simulation and Binomial Tree valuation methodologies between the date of the indicative valuation (29 August 2025) and the date the Performance Rights are granted would have an impact on their value.
