Our cover

As NRMA Insurance heads into its 100th year, we've repositioned the business as A Help Company™ - a declaration of how we will deliver for our customers through the insurance we provide and the ways we help create safer communities. HELP is at the heart of NRMA Insurance and IAG's businesses.

The new positioning highlights the ways NRMA Insurance helps its customers through its core products and services as well as its education, social impact and advocacy initiatives to create more resilient communities in the face of increased extreme weather events.

Dear Shareholder

On behalf of the Board of Insurance Australia Group Limited (**IAG** or **Company**), I am pleased to invite you to attend our 2025 Annual General Meeting (**AGM** or **Meeting**), which will be held on Thursday, 23 October 2025, commencing at 9.30am (Sydney time).

Attached is our Notice of Meeting that sets out the business of the AGM.

This year, we will be hosting our AGM in a hybrid format, with Shareholders welcome to attend in person or online. Similar to previous years, we will also livestream the AGM from the physical venue of the Meeting.

The Notice of Meeting details the items of business, as well as voting procedures and Explanatory Notes. The items of business at this year's AGM are:

1. consideration of the FY25 Financial Report, Directors' Report and Auditor's Report, which is a non-voting item;
2. the re-election of Independent Non-Executive Directors Helen Nugent, Scott Pickering, George Savvides and myself and the election of Independent Non-Executive Director JoAnne Stephenson;
3. the adoption of the Remuneration Report for the financial year ended 30 June 2025 (**2025 Remuneration Report**);
4. the allocation of rights to Nick Hawkins, Managing Director and Chief Executive Officer, under IAG's STI and LTI plans; and
5. an increase in the Independent Non-Executive Director Fee Pool.

A detailed guide on how to participate at the AGM (**Online Meeting Guide**) has been lodged with the Australian Securities Exchange (**ASX**) and is also available on our website at <https://www.iag.com.au/investor-centre/annual-meetings>. In the event it is necessary for IAG to provide updates in relation to how the AGM will be held or conducted, we will provide this information on IAG's website and also via lodgements with the ASX.

If you are unable to attend the AGM in person or online, you may lodge a direct vote in advance of the AGM or appoint a proxy to act on your behalf. Even if you plan to attend the AGM, we encourage you to submit your votes in advance of the Meeting, so your votes are still counted if for any reason you are unable to attend on the day. There is further information attached on direct voting, appointing a proxy and submitting written questions ahead of the AGM. While time may not permit me to address all of the questions submitted, I will try to address the more frequently raised Shareholder questions during the course of the Meeting.

You will be able to view an archived video of the AGM webcast on the IAG website after the Meeting.

Thank you for your continued support of IAG during the year. I look forward to welcoming you to our AGM, either in person or online.

Yours sincerely

Voting

1. Entitlement to vote

Registered holders of fully paid ordinary shares in the Company as at 7.00pm (Sydney time) on Tuesday, 21 October 2025 will be entitled to attend and vote at the AGM as Shareholders.

2. All resolutions will be by poll

Voting on each resolution set out in this Notice of Meeting will be conducted by a poll. On a poll, Shareholders (or their proxy, representative or attorney) have one vote for every fully paid ordinary share held (subject to the restrictions on voting referred to below).

3. Voting Methods

Shareholders have various voting options as outlined below.

Voting in person during the AGM

Shareholders (or their appointed proxy, representative or attorney) may vote on the poll in person during the Meeting.

Voting online during the AGM

Shareholders (or their appointed proxy, representative or attorney) may vote live online during the AGM. More information on how to use the online platform (including how to vote and ask questions during the AGM) is available in the Online Meeting Guide. Please note that if you plan to use the teleconference facility to ask a question or make a comment, you will still need to log in to the online platform if you wish to vote (i.e. you cannot vote by telephone). Alternatively, you can submit a direct or proxy vote in advance of the Meeting as described below.

Direct voting prior to the AGM

A direct vote allows Shareholders to vote on the items of business before the AGM. To do this, Shareholders should mark either "For", "Against" or "Abstain" for each resolution on the Voting Form. See section 4 below for further details on how to lodge a direct vote.

Please note that a Shareholder who casts a direct vote in advance of the AGM can still attend and participate in the AGM, either in person or via the online platform. However, where a Shareholder attends or participates in the AGM after validly lodging a direct vote, their direct vote will be cancelled (unless they instruct the Company or its share registry otherwise) and they will need to vote again during the AGM if they want their vote to count.

Voting by proxy

A Shareholder is entitled to appoint a proxy to vote on their behalf during the AGM. The proxy need not be a Shareholder and may be a corporation.

A Shareholder who is entitled to cast two or more votes may appoint two proxies and may specify the proportion, or number, of votes which each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise up to half of the Shareholder's votes (and fractions of votes will be disregarded).

Shareholders can direct their proxy how to vote by following the instructions on the Voting Form and are encouraged to do so. Any directed proxies that are not voted on a poll at the Meeting will automatically default to the Chair of the Meeting, who will vote those proxies as directed.

Please note that a Shareholder who appoints a proxy in advance of the AGM can still attend and participate in the AGM, either in person or via the online platform. However, where a Shareholder attends or participates in the AGM after appointing a proxy, their proxy will be suspended and they will need to vote during the AGM if they want their vote to count.

See section 4 below for further details on how to appoint a proxy.

Corporate Representative

A corporate Shareholder or proxy which is a body corporate may appoint a person as its corporate representative. The appointment must comply with section 250D of the Corporations Act 2001 (Cth) (**Corporations Act**). The form to make this appointment can be downloaded from the Computershare website at www.investorcentre.com under the information tab "Printable Forms". The representative should submit this form to Computershare prior to the AGM or bring to the AGM evidence of their appointment.

Corporate Shareholders may participate during the Meeting via a corporate representative by using the online platform at meetnow.global/IAG2025. Only one login per body corporate with voting rights will be permitted and any other representatives from the body corporate who wish to watch the proceedings should view the webcast only and attend as guests. By joining the Meeting, a corporate representative will be taken to have certified to IAG pursuant to section 250D of the Corporations Act that they have been validly appointed as the body corporate's representative to exercise all or any of the powers the body corporate may exercise at the Meeting.

Appointing the Chair of the Meeting as proxy

A Shareholder may appoint the Chair of the Meeting as their proxy.

If a Shareholder directs the Chair of the Meeting how to vote on an item of business, the Chair of the Meeting must vote in accordance with the direction.

If a Shareholder appoints the Chair of the Meeting as proxy (or the Chair of the Meeting becomes a proxy by default) and the Shareholder does not direct them how to vote, by submitting a Voting Form, the Shareholder will be expressly authorising the Chair of the Meeting to exercise the proxy vote as they consider fit on the relevant resolutions, even though the resolutions may relate to the remuneration of a member of the Company's Key Management Personnel (**KMP**).

The Chair of the Meeting intends to vote all available proxies in favour of Resolutions 2 to 5.

Power of attorney

If a Shareholder has appointed an attorney for the purposes of the AGM, or if the Voting Form is signed by an attorney, the power of attorney (or a certified copy of the power of attorney) must be received by Computershare by the Voting Deadline (defined below), unless this document has been previously lodged with Computershare for notation. Powers of attorney may be submitted by post or by hand delivery to Computershare at the address and by the time shown below.

4. Voting Form Deadline

To be valid, Voting Forms (to lodge a direct vote or appoint a proxy) must be received by **9.30am (Sydney time)** on **Tuesday, 21 October 2025** (the **Voting Deadline**).

Voting Forms may be submitted:

- online at www.investorvote.com.au. You will need information shown on your Voting Form or AGM Access Notice to vote directly or submit proxy instructions this way;
- by mail to GPO Box 242, Melbourne VIC 3001; or
- by facsimile to Computershare on (03) 9473 2555 (within Australia) or +61 3 9473 2555 (outside Australia).

Intermediaries with access to Intermediary Online through Computershare should lodge their votes through www.intermediaryonline.com

5. Technical difficulties

Technical difficulties may arise during the course of the AGM. The Chair of the Meeting has discretion as to whether and how the AGM should proceed if a technical difficulty arises. In exercising their discretion, the Chair of the Meeting will consider the number of Shareholders affected and the extent to which participation in the business of the AGM is affected. Where the Chair of the Meeting considers it appropriate, the Chair of the Meeting may continue to hold the AGM and transact business, including conducting a poll and voting in accordance with valid proxy instructions and direct votes. Accordingly, Shareholders are encouraged to lodge a directed proxy or direct vote in advance of the Meeting even if they plan to participate in the AGM.

6. Asking questions during the Meeting

Shareholders as a whole will have a reasonable opportunity to ask questions during the AGM, including an opportunity to ask questions of the Company's external auditor, KPMG, relating to the audit (see the Explanatory Notes for more information). The protocols for asking questions during the AGM will be explained at the start of the Meeting.

7. Livestream

The AGM will be livestreamed. To view the livestream enter meetnow.global/IAG2025 into your browser on your desktop, mobile or tablet device and join the Meeting.

Explanatory Notes

1. Receipt of Financial Statements and Reports

The Financial Report, Directors' Report and Auditor's Report for the Company and its controlled entities for the financial year ended 30 June 2025 (collectively, the **Reports**) will be put before the AGM. The Reports are contained in the Company's Annual Report for the financial year ended 30 June 2025 (**2025 Annual Report**), which is available on IAG's website at <https://www.iag.com.au/investor-centre/financial-results>.

This item does not require a formal resolution to be put to the AGM. Shareholders as a whole will be given a reasonable opportunity to ask questions about, or make comments on, the Reports and the management and business of the Company more generally. The Company's external auditor, KPMG, will also attend the AGM, and Shareholders as a whole will be given a reasonable opportunity to ask them questions in relation to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company and the independence of the auditor in relation to the conduct of the audit.

If you wish to submit written questions to the Company or written questions relating to the conduct of the audit or the content of the Auditor's Report to the Company's external auditor in advance of the AGM, you may do so online at www.investorvote.com.au or by mail to GPO Box 242, Melbourne VIC 3001. Questions must be received **no later than 5.00pm (Sydney time) on Thursday, 16 October 2025**. We will endeavour to address as many of the more frequently raised relevant topics as possible during the course of the Meeting. However, there may not be sufficient time available at the Meeting to address all of the questions raised. Please note that individual responses will not be sent to Shareholders.

2. Re-election & Election of Directors

The ASX Listing Rules and Article 12.3 of the Company's Constitution provide that no Director (other than the Managing Director who is exempt) may hold office without re-election beyond the third annual general meeting following the meeting at which the Director was last elected or re-elected.

Accordingly, Tom Pockett, Helen Nugent, Scott Pickering and George Savvides will retire and seek re-election at this Meeting.

Further, the ASX Listing Rules and Article 12.10 of the Company's Constitution provide that a Director appointed either to fill a casual vacancy or as an addition to the existing Directors will hold office until the conclusion of the next annual general meeting of the Company but is eligible for election.

Following a recommendation from the Nomination Committee, the Board appointed JoAnne Stephenson as a Director effective 12 May 2025. JoAnne Stephenson is standing for election at the first Annual General Meeting since she was appointed.

The Board has considered the skills and expertise that these Directors bring to the Board and recommends that the Shareholders vote in favour of each Director standing for re-election & election (with the relevant Director abstaining in relation to their own re-election/election recommendations).

- b) as proxy by a person who is a member of the Company's KMP at the date of the Meeting (or their closely related parties),

unless the vote is cast as proxy for a person entitled to vote on Resolution 3:

- in accordance with a direction on the Voting Form; or
- by the Chair of the Meeting, as the Chair has received express authorisation to exercise the proxy as the Chair of the Meeting decides, even though Resolution 3 is connected with the remuneration of the Company's KMP.

For the purpose of these voting exclusions, **closely related party** is defined in the Corporations Act and includes a spouse, dependant, and certain other close family members, as well as any companies controlled by a member, of the Company's KMP.

4. Allocation of rights to Nick Hawkins, Managing Director and Chief Executive Officer

The Company proposes to allocate deferred award rights (**DARs**) and executive performance rights (**EPRs**) to the Managing Director and Chief Executive Officer (**CEO**), Nick Hawkins, on the terms outlined below.

Why is Shareholder approval being sought?

Under ASX Listing Rule 10.14, Shareholder approval is required for the issue of equity securities under an employee incentive scheme to Directors. Where the underlying shares to satisfy the vesting of those securities are required by the terms of the scheme to be purchased on market Shareholder approval is not required. The terms of the DARs and EPRs will require that any shares allocated to Nick Hawkins on vesting and exercise of his DARs and EPRs must be acquired on market, so Shareholder approval is not required under the ASX Listing Rules. However, the Board is voluntarily seeking Shareholder approval as a matter of good governance. If Shareholder approval is not obtained, the Board may consider alternative arrangements to appropriately remunerate and incentivise Nick Hawkins in his role as CEO.

Background

Nick Hawkins' current remuneration package includes:

- fixed pay (base salary plus superannuation) of \$1,966,000;
- a maximum short term incentive (**STI**) opportunity of 150% of his fixed pay, provided in the form of cash and DARs; and
- a maximum long term incentive (**LTI**) opportunity of 150% of his fixed pay, provided in the form of EPRs.

The cash STI, DARs and EPRs are "at risk". DARs are only awarded if the CEO meets the targets necessary to earn an STI. Similarly, EPRs only vest if the applicable LTI performance hurdles are met. Both DARs and EPRs are designed to align the CEO's interests with those of Shareholders. The number of DARs and EPRs granted and the number that vest are subject to adjustment at the discretion of the Board (for further details see Other key discretions on page 12).

Proposed deferred STI arrangements – DARs

For FY25, the Board set Nick Hawkins' maximum annual STI opportunity at 150% of his fixed pay (consistent with the approach taken for the previous financial year). Nick Hawkins' actual STI outcome for FY25 was \$2,387,743 and was determined by the Board based on achievement of a mix of financial and non-financial targets and an overall assessment of performance by the Board.

50% of that FY25 STI outcome will be paid as cash and the remaining 50% will be deferred for up to five (5) years. The deferred amount is proposed to be provided as a grant of DARs. Each DAR is a right to acquire an ordinary share in the Company, granted at no cost to Nick Hawkins.

No dividend will be paid on any unvested, or vested and unexercised DARs. The DARs will be subject to dealing restrictions prior to vesting, unless the Board determines otherwise, or the dealing is required by law.

DARs will expire seven (7) years from the grant date, or on any other date determined by the Board. Vested DARs that are not exercised before the expiry date will be automatically exercised on the expiry date.

Explanatory Notes

Deferring a portion of STI into DARs is designed to provide a retention incentive and align the CEO's interests with those of Shareholders.

The Board has determined that the FY25 DARs proposed to be granted to Nick Hawkins will be divided into four (4) tranches that will vest as follows, subject to continued service and forfeiture conditions (see Cessation of employment and potential adjustments section on page 11 for more information):

- Tranche 1: 73% on the second trading day after the release of the Company's 2026 annual results;
- Tranche 2: 9% on the second trading day after the release of the Company's 2028 annual results;
- Tranche 3: 9% on the second trading day after the release of the Company's 2029 annual results; and
- Tranche 4: 9% on the second trading day after the release of the Company's 2030 annual results.

How many DARs will be granted to Nick Hawkins?

Nick Hawkins is proposed to be granted 135,410 DARs, provided in one (1) tranche of 98,840 DARs and three (3) tranches of 12,190 DARs each.

The number of DARs in each tranche was calculated using the following formula:

$$D = (STI / 2 \times Z) / S$$

Where:

D = the number of DARs in each tranche proposed to be granted, rounded up to the nearest 10;

STI = the dollar amount of Nick Hawkins' STI award for the financial year ended 30 June 2025 as determined by the Board, being \$2,387,743;

Z = the proportion of the deferred STI in each tranche (currently 73% for Tranche 1 and 9% for Tranches 2, 3 and 4); and

S = the volume weighted average share price of IAG shares over the 30 trading days up to 30 June 2025, being \$8.81832.

If Resolution 4 is approved, the DARs will be granted to Nick Hawkins as soon as practicable on or after 29 October 2025 but, in any event, within 12 months of the Meeting.

Proposed LTI arrangements – EPRs

It is proposed that Nick Hawkins be provided an LTI award for FY26 in the form of EPRs (**October 2025 LTI grant**), which will be divided into three (3) equal tranches. Each EPR is a right to acquire an ordinary share in the Company (or a cash amount equivalent to the value of an ordinary share in the Company, as determined by the Board), subject to meeting applicable performance hurdles. EPRs will be granted at no cost to Nick Hawkins and may be exercised at no cost if the performance hurdles are met. The Board retains discretion to adjust the number of any unvested EPRs downwards or upwards if it decides it is appropriate to do so (for further details see Other key discretions on page 12).

The performance hurdles that must be met before EPRs become exercisable create a direct link between the remuneration paid to executives and IAG's key strategic financial and non-financial objectives. In the Board's view, this supports IAG's economic sustainability and is in the long-term interests of Shareholders.

Performance and deferral period

Each tranche of EPRs will have a four (4) year performance period commencing 1 July 2025 and ending on 30 June 2029. EPRs in each tranche that remain eligible to vest following testing of the performance hurdles at the end of the performance period will have staggered vesting as follows – 1/3 will vest immediately (i.e. four (4) years after grant), 1/3 will vest five (5) years after grant and the remaining 1/3 will vest six (6) years after grant.

No dividend will be paid on any unvested, or vested and unexercised EPRs. The EPRs will be subject to dealing restrictions prior to vesting, unless the Board determines otherwise, or the dealing is required by law.

EPRs will expire seven (7) years from the grant date, or on any other date determined by the Board. Vested EPRs that are not exercised before the expiry date will be automatically exercised on the expiry date.

Total Shareholder Return (TSR) performance hurdle – Tranche 1

One tranche of EPRs will be subject to a TSR performance hurdle.

Under the TSR performance hurdle, IAG's TSR will be measured against the TSR of the top 50 industrial companies within the S&P/ASX 100 Index (**Peer Group**) as at 30 June 2025. Industrial companies are defined by Standard & Poor's as being all companies excluding those defined as being in the Energy sector (Global Industry Classification Standard (**GICS**) Tier 1) and the Metals & Mining industry (GICS Tier 3). Companies which are no longer part of the index at the end of the performance period (e.g. due to acquisition or delisting) may be removed from the Peer Group.

The proportion of EPRs in this tranche that may vest will be determined in accordance with the following table (subject to the discretion of the Board):

IAG TSR Ranking relative to Peer Group	Percentage of EPRs in this tranche eligible to vest
Less than the 50.1th percentile	0%
At the 50.1th percentile	50%
Between the 50.1th and 75th percentile	Pro rata vesting on a straight-line basis between 50% and 100%
75th percentile or greater	100%

There will be no retesting and any EPRs in this tranche that do not remain eligible to vest following testing will lapse.

Reported Return on Equity (ROE) performance hurdle – Tranche 2

One tranche of EPRs will be subject to a Reported ROE performance hurdle.

The Reported ROE performance hurdle measures IAG's average Reported ROE over the four 12-month periods that make up the performance period. Reported ROE will be calculated by dividing IAG's Net Profit After Tax by average equity attributable to shareholders of the Company.

The proportion of EPRs in this tranche that may vest will be determined in accordance with the following table (subject to the discretion of the Board):

Reported ROE performance	Percentage of EPRs in this tranche eligible to vest
Below 11%	0%
At 11%	20%
Between 11% and 15%	Pro-rata vesting on a straight-line basis between 20% and 100%
At or above 15%	100%

There will be no retesting and any EPRs in this tranche that do not remain eligible to vest following testing will lapse.

Customer Experience performance hurdle – Tranche 3

One tranche of EPRs will be subject to a Customer Experience performance hurdle. The Customer Experience component of LTI will be measured by Transactional Net Promoter Score (tNPS) performance. tNPS is a measure used internally within IAG which provides a quantitative, simple and well understood measure of customer experience.

The Customer Experience performance targets have been set with reference to global benchmarks, considering IAG's historic tNPS performance as well as factors that will influence tNPS over the four-year performance period of the LTI award.

The proportion of EPRs in this tranche that may vest will be determined in accordance with the following table (subject to the discretion of the Board):

Customer Experience (tNPS) performance	Percentage of EPRs in this tranche eligible to vest
Below 47	0%
At 47	20%
Between 47 and 55	Pro-rata vesting on a straight-line basis between 20% and 100%
At or above 55	100%

There will be no retesting and any EPRs in this tranche that do not remain eligible to vest following testing will lapse.

How many EPRs will be granted to Nick Hawkins?

Nick Hawkins is proposed to be granted 334,440 EPRs, provided in three (3) tranches of 111,480 EPRs each.

The number of EPRs in each tranche was calculated using the following formula:

$$E = (1.50 \times F / 3) / S$$

Where:

E = the number of EPRs in each tranche proposed to be granted, rounded up to the nearest 10;

1.50 = the proportion of fixed pay that is constituted by the LTI award, being 150%;

F = the dollar value of Nick Hawkins' fixed pay at the time of grant, being \$1,966,000;

3 = the number of EPR tranches; and

S = the volume weighted average share price of IAG shares on the 30 trading days up to 30 June 2025, being \$8.81832.

If Resolution 4 is approved, the EPRs will be granted to Nick Hawkins as soon as practicable on or after 29 October 2025 but, in any event, within 12 months of the Meeting.

Cessation of employment and potential adjustments

If the CEO ceases employment with the Company due to retirement, redundancy, death, or total and permanent disablement or with the approval of the Board, unless the Board determines otherwise:

- any unvested DARs will remain on foot and continue to become exercisable on their scheduled vesting dates;
- any unvested EPRs will remain on foot and continue to be subject to the same performance hurdles, deferral periods and scheduled vesting dates; and
- any vested DARs and EPRs not exercised by Nick Hawkins will be automatically exercised at the next trading window at least 60 days after cessation of employment (unless exercised earlier).

If the CEO ceases employment for any other reason (excluding termination in circumstances of serious misconduct), unless the Board determines otherwise:

- any unvested DARs and EPRs will lapse; and
- any vested DARs and EPRs not exercised by Nick Hawkins will be automatically exercised at the next trading window at least 60 days after cessation of employment (unless exercised earlier).

If the CEO's employment is terminated in circumstances of serious misconduct, both his unvested and vested DARs and EPRs will lapse on cessation of employment (irrespective of whether they have become exercisable).

Explanatory Notes

Other key discretions

- The Board may delay the date on which DARs and/or EPRs vest or are exercised including in circumstances where:
 - dealings would be prohibited; or
 - the Board has determined that vesting or exercise would be inappropriate; or
 - where the holder is under investigation.
- If there is a change of control event, such as a takeover, the Board has absolute discretion to determine how DARs and/or EPRs may be dealt with, including whether all or some of the outstanding DARs and/or EPRs on issue will vest, lapse or cease to be subject to restrictions, any applicable laws and regulations.
- The Board has broad clawback (for a period of up to two (2) years from the vesting or payment date) and malus powers under the award terms. These powers enable the Board to:
 - lapse unvested DARs and EPRs;
 - lapse vested but unexercised DARs and EPRs;
 - forfeit shares allocated on vesting of DARs and EPRs; and/or
 - require payment / repayment of cash amounts received in connection with the DAR and EPR plans.

These provisions may be applied in the event of a broad range of circumstances, including:

- where the participant has acted fraudulently or dishonestly;
- has engaged in gross misconduct or has breached their duties or obligations to the Group;
- where there has been misconduct leading to significant adverse outcomes, significant failure or breach of accountability, fitness and propriety or compliance obligations or significant unexpected or unintended consequences; or
- a financial misstatement circumstance.

In some of these circumstances, the Board will be required to take reasonable steps to reduce the incentive outcome in a proportionate way to the severity of the risk and conduct outcome. The Board has discretion to adjust upwards and downwards DARs and EPRs vesting outcomes, including to ensure the performance of the Group and individual are aligned to Shareholder outcomes and expectations.

Additional information

- Nick Hawkins is the only Executive Director and therefore is the only Director eligible to receive DARs and EPRs.
- Since Nick Hawkins' appointment as CEO on 2 November 2020, a total of 452,810 DARs and 2,465,640 EPRs have been granted to him. These awards were granted under STI or LTI arrangements for no cost.
- No loan has been, or is intended to be, given by the Company to the CEO in relation to the proposed grants of DARs or EPRs.
- Details of the remuneration arrangements of the CEO and the securities issued to the CEO under the DARs and EPRs plans is published in the 2025 Annual Report.

Voting exclusion statement

The Company will disregard any votes cast:

- a) in favour of Resolution 4 by or on behalf of Nick Hawkins or any of his associates, regardless of the capacity in which the vote is cast; or
- b) on Resolution 4 as a proxy by a person who is a member of the Company's KMP at the date of the AGM (and their closely related parties),

unless the vote is cast:

- as a proxy or attorney for a person entitled to vote on Resolution 4 in accordance with a direction given to the proxy or attorney to vote in that way;
- by the Chair of the Meeting, as the Chair has received express authorisation to exercise the proxy as the Chair of the Meeting decides, even though Resolution 4 is connected with the remuneration of the Company's KMP; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with the directions given by the beneficiary to the holder to vote in that way.

Board recommendation

The Directors (other than Nick Hawkins) recommend that Shareholders vote in favour of Resolution 4.

5. Increase in the Independent Non-Executive Director Fee Pool

In accordance with Article 12.12 of the Company's Constitution and ASX Listing Rule 10.17, Shareholder approval is sought to increase the maximum aggregate amount available to be paid to the Independent Non-Executive Directors as remuneration in any financial year (**Fee Pool**). ASX Listing Rule 10.17 provides that a listed entity must not increase the Fee Pool without Shareholder approval. A similar requirement is included in Article 12.12 of the Company's Constitution.

The current Fee Pool of A\$4,000,000 per annum was approved by Shareholders at the 2023 AGM and has not been increased since.

It is proposed that the Fee Pool be increased by A\$700,000 to A\$4,700,000 per annum, to apply with effect from 1 July 2025. The fee pool is inclusive of statutory entitlements (including superannuation payments).

Details of the fees paid to Independent Non-Executive Directors are included in the 2025 Remuneration Report at pages 91 to 92 and 98 of the Annual Report.

The reasons for the proposed increase in the Fee Pool include to:

- i. remain competitive, keep pace with market conditions and allow IAG to continue to attract and retain high quality and suitability qualified Independent Non-Executive Directors;
- ii. reflect increased regulatory demands;
- iii. manage any future appointments and renewals to the IAG Board and to the IAG subsidiary boards, noting that under ASX Listing Rule 10.17, any fees paid to IAG's Independent Non-Executive Directors on subsidiary boards must be included in the Fee Pool. Since the 2023 AGM, the number IAG Independent Non-Executive Directors being appointed to IAG prudentially regulated subsidiary boards has increased following: (a) the transfer of the intermediated insurance business by Insurance Australia Limited to CGU Australia Pty Ltd, and (b) the acquisition of RACQ Insurance Limited and the planned acquisition of RAC Insurance.* The appointment of IAG Independent Non-Executive Directors to these prudentially regulated entities, amongst others, helps in managing group oversight of key prudentially regulated subsidiaries and responds to APRA's expectations to have Independent Non-Executive Directors appointed to boards of key prudentially regulated subsidiaries.

If this Resolution 5 is approved by Shareholders, the Fee Pool will increase to A\$4,700,000. If this Resolution 5 is not approved, the Fee Pool will remain at A\$4,000,000. This will mean that the Board will not have the flexibility described above, and any future Independent Non-Executive Directors appointments and fees will need to be assessed within the current Fee Pool.

The Company will continue to set the actual level of remuneration of its Independent Non-Executive Directors within the Fee Pool after having regard to independent external advice, market practice, Board performance and other appropriate factors. It is not intended to distribute all of the proposed increased Fee Pool, if approved, in FY26.

No securities in the Company have been issued to any Independent Non-Executive Directors under ASX Listing Rules 10.11 or 10.14 with the approval of Shareholders at any time within the three years before the date of this Notice of Meeting.

Voting exclusion statement

The Company will disregard any votes cast:

- a) in favour of Resolution 5 by a Director of the Company or any of their associates, regardless of the capacity in which the vote is cast; or
- b) on Resolution 5 as a proxy by a person who is a member of the Company's KMP at the date of the AGM (and their closely related parties),

unless the vote is cast:

- as a proxy or attorney for a person entitled to vote in accordance with a direction given to the proxy or attorney to vote in that way;
- by the Chair of the Meeting, as the Chair has received express authorisation to exercise the proxy as the Chair of the Meeting decides, even though Resolution 5 is connected with the remuneration of the Company's KMP; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with the directions given by the beneficiary to the holder to vote in that way.

Board recommendation

Noting that each Independent Non-Executive Director has a personal interest in Resolution 5, the Board does not (believe it is appropriate to) make a recommendation to Shareholders in relation to voting on this resolution.

If you do not vote on any item, or if you mark both Box 1 and Box 2 in Step 1, you will be taken to have appointed the Chair of the Meeting as your proxy.

If neither Box 1 nor Box 2 is marked in Step 1, you will be taken to have appointed the person named in the form as your proxy and if no person is named, the Chair of the Meeting as your proxy.

Your direct vote will be cast for all of your shares unless you indicate only a portion of your shares are to be voted on any item by inserting the percentage or number of shares beside the relevant item of business.

If you lodge a direct vote and then attend or participate in the AGM, you will cancel your direct vote unless you instruct the Company or Computershare otherwise.

2. APPOINTING A PROXY

If you mark Box 2 in Step 1, you are indicating that you wish to appoint a proxy to act and vote on your behalf at the Meeting. Your proxy may vote or abstain on an item of business, to the extent permitted by law, as they choose, if you do not mark a box on the item of business in Step 2.

If your named proxy does not attend the Meeting or does not vote on a poll on your behalf as directed, the Chair of the Meeting will become your proxy.

You are entitled to appoint up to two proxies to attend the Meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of shares for each proxy, otherwise each proxy may exercise half of the votes (and fractions of votes will be disregarded). When appointing two proxies, write both names and the percentage of votes or number of shares for each overleaf.

A proxy may be an individual or a body corporate, and need not be a Shareholder of the Company.
