may be submitted no later than 5 business days before the Meeting date to the registered office of Deterra Royalties Limited at Level 16, 140 St Georges Terrace, Perth WA 6000, or by email to investor.relations@deterraroyalties.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1. General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Company or the Directors.

However, if at least 25% of the votes cast are against adoption of the Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second Annual General Meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second Annual General Meeting. All of the Directors who were in office when the applicable Directors' Report was approved, other than

the Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The remuneration report for the financial year ended 30 June 2024 did not receive a vote of more than 25% against its adoption at the Company's last general meeting held on 24 October 2024. Accordingly, if at least 25% of the votes cast on this Resolution are against adoption of the Remuneration Report it will not result in the Company putting a Spill Resolution to Shareholders.

The Company's Remuneration Report on pages 54 to 73 of the Company's 2025 Annual Report sets out the Company's remuneration arrangements for the Directors and Key Management Personnel (**KMP**) of the Company for the financial period ended 30 June 2025.

In summary, the remuneration awarded to executives in respect of the financial year ended 30 June 2025 included fixed remuneration, a scorecard based short-term incentive (**STI**), a long-term incentive (**LTI**) (performance based and subject to a three year performance period ending 30 June 2027), and the testing of the first tranche of an Initial Equity Grant of Performance Rights (to the Chief Financial Officer in respect of his appointment in FY24).

Key remuneration outcomes for executive KMP for the financial year ended 30 June 2025 include:

- Fixed pay.
- A scorecard based STI:
 - for Julian Andrews, Managing Director and Chief Executive Officer, being 45% of the maximum STI able to be awarded; and
 - for Jason Clifton, Chief Financial Officer, being 50% of the maximum STI able to be awarded.

The scorecard categories tested were consistent with the disclosure in the 2024 Notice of Meeting. The basis for the assessments detailed above are detailed in the Remuneration Report. In line with the STI conditions, one-third of the award was paid in cash after the end of the STI performance period (ie after 30 June 2025) with the remaining two thirds delivered as share rights deferred for one year (one third) and two years (one third).

- The LTI granted in FY23 to Julian Andrews, based on the three-year performance period ended 30 June 2025, lapsed in full.

With effect from 1 January 2025 following a review of external benchmarking, the Board determined to increase:

- non-executive director fees from \$150,000 to \$165,000 to ensure non-executive director fees remained competitive with the market and that the Company would be able to attract and retain high quality Directors to the Board; and
- the Chair of the Company's fees from \$225,000 to \$250,000 to ensure that the Chair's remuneration remained competitive with the market.

For the avoidance of doubt, no remuneration is paid to the non-executive director nominated to the Board by Iluka Resources Limited.

Further details in relation to the Remuneration Report (including details regarding the vesting of the incentives above and actual pay received by KMP during FY25) are set out in the Company's 2025 Annual Report to Shareholders which is available on its website at www.deterraroyalties.com.

The Chair of the Meeting will allow a reasonable opportunity for Shareholders to ask questions about or make comments on the Remuneration Report at the Meeting. If you wish to ask the Chair a question with regards to the business of the Meeting in advance of the Meeting, please submit your question in writing to the Company at investor.relations@deterraroyalties.com at least 48 hours before the commencement of the Meeting. Shareholders who watch the Meeting by viewing the webcast will not be able to vote, ask questions or make comments via the webcast.

2.2. Recommendation of the Directors

The Directors recommend that Shareholders vote in favour of Resolution 1. The Chair of the Meeting intends to vote undirected proxies in favour of the Resolution.

3. RESOLUTIONS 2, 3 AND 4 – RE-ELECTION AND ELECTION OF DIRECTORS

3.1. General

Rule 8.1 of the Constitution and Listing Rule 14.4 require that:

- A director must retire from office at the third annual general meeting after the director was elected or last re-elected (other than the Managing Director).
- A director appointed as an addition to the Board must not hold office (without re-election) past the next annual general meeting (other than the Managing Director).

In accordance with the Constitution and the Listing Rules:

- Graeme Devlin (who was last elected to office at the 2022 annual general meeting);
- Leanne Heywood (who was appointed to office by the Board effective 16 April 2025); and
- Alexander Morrison (who was appointed to office by the Board effective 16 April 2025),

have elected to each retire by rotation and, being eligible, offer themselves for re-election.

4. RESOLUTION 5 – GRANT OF LTI RIGHTS TO MANAGING DIRECTOR AND CHIEF EXECUTIVE OFFICER

4.1. Background

During FY25, the Board undertook a review of its executive remuneration framework in the context of its strategy, market expectations and growth objectives. Following the review, the Board determined Deterra's overall remuneration framework remains aligned to our current strategy and performance. However, following feedback from stakeholders the Board identified two areas for enhancement and implemented the following changes to the remuneration structure for the Company's Managing Director and Chief Executive Officer for FY26:

- increasing the vesting hurdles for the Royalty TSR measure of the long-term incentive (**LTI**) structure, introduced in FY24, from the 40th percentile to the 50th percentile to preclude vesting below the median; and
- adjusting the FY26 scorecard for the short-term incentive (STI) structure to provide more detail on all metrics and offer increased weighting to financial measures which aligns with market expectations. The broad framework for the STI structure remains unchanged but the weighting to financial measures has increased from 20% to up to 45% in line with feedback received from stakeholders. The financial measures include shareholder returns, growth in portfolio value, market rating and cost control.

Shareholders should note that the Company is not seeking approval for the grant of FY26 STI Rights to Mr Andrews at this Meeting. Instead, the Company will seek shareholder approval for the grant of the STI Rights at its 2026 annual general meeting, following the conclusion of the

FY26 performance period and finalisation of the FY26 financial results when the STI scorecard has been assessed and Mr Andrews' STI outcome determined.

Effective 1 July 2025, the Board determined to increase the fixed remuneration of the Managing Director and Chief Executive Officer by 1%. Otherwise, the Board has not recommended any other significant changes to the remuneration structure for the Company's Managing Director and Chief Executive Officer for FY26.

In summary, the remuneration framework for Mr Andrews for FY26 reflects the following:

- 1% increase to total fixed remuneration (**TFR**) from 1 July 2025;
- other than as noted above, no change to the broad framework / weighting for the scorecard based STI structure. One-third of the STI is deliverable in cash and the other two-thirds is deliverable in shares (subject to retention periods of one year (one-third) and two years (one-third));
- other than as noted above, no change to the LTI structure; and
- continuation of the minimum shareholding requirement (**MSR**) policy to provide alignment with shareholders. A copy of the MSR policy is available on the Deterra website at <https://www.deterraroyalties.com/wp-content/uploads/2025/05/250507-Minimum-Shareholding-Policy-29-April-2025.pdf>

The maximum total remuneration for the Managing Director and Chief Executive Officer for FY26 is set out below:

Remuneration Element	Amount
Total Fixed Remuneration	\$909,000
Short-Term Incentive (maximum 40% of TFR)	\$363,600
Long-Term Incentive (maximum 100% of TFR)	\$909,000
Total Remuneration (maximum)	\$2,181,600

As part of the LTI component of the proposed remuneration for FY26, the Company is proposing to grant LTI Rights to the Managing Director and Chief Executive Officer, Mr Julian Andrews, under the Company's Equity Incentive Plan (the **Issue**) on the basis set out below, subject to Shareholder approval of Resolution 5. The Company is proposing to issue the LTI Rights consistent with the principles and objectives of the Deterra remuneration policy and for the purpose of incentivising Mr Andrews to achieve the relevant performance measures attached to these rights (which are set out in Schedule 1).

4.2. Requirement for Shareholder Approval

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- a director of the company (Listing Rule 10.14.1);
- an associate of a director of the company (Listing Rule 10.14.2); or
- a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (Listing Rule 10.14.3),

unless it obtains the approval of its shareholders.

The Issue falls within Listing Rule 10.14.1 above and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14. The Company may elect to purchase Shares on market to satisfy any incentive payment.

Resolution 5 seeks the required Shareholder approval of the Issue under and for the purposes of Listing Rule 10.14.

If Resolution 5 is passed, the Company will be able to proceed with the issue of the LTI Rights.

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of the LTI Rights and the Company would need to consider alternatives for Mr Andrews' remuneration to incentivise Mr Andrews and align his interest with those of the Shareholders. Alternatives may involve cash arrangements or acquiring Shares on market.

4.4. ASX Listing Rule 10.11

Listing Rule 10.11 provides that a listed company must not issue or agree to issue equity securities to, among other persons, a "related party" of the Company, without prior shareholder approval.

As Managing Director and Chief Executive Officer of the Company, Mr Andrews is a "related party" of the Company pursuant to the ASX Listing Rules definitions. ASX Listing Rule 10.12 (exception 8) provides that a company does not need to obtain prior shareholder approval for an issue or proposed issue of equity securities to a related party if shareholder approval is obtained for the issue or proposed issue under ASX Listing Rule 10.14. Accordingly, the Company is not seeking shareholder approval under ASX Listing Rule 10.11 for the proposed grant of LTI Rights to Mr Andrews.

4.5. Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" to "related parties" by a public company.

For the purposes of Chapter 2E of the Corporations Act, Mr Andrews, being the Managing Director, is a "related party" of the Company and the grant of the LTI Rights will constitute the giving of a "financial benefit" to Mr Andrews. Subject to certain exceptions, the Corporations Act prohibits the giving of financial benefits to a related party of the Company unless Shareholder approval is obtained.

The Board (other than Mr Andrews because of his interest in Resolution 5) considers that the grant of the LTI Rights to Mr Andrews is an appropriate and reasonable part of his remuneration for the period in which he is the Managing Director and Chief Executive Officer, and that the financial benefit represented by the Issue falls within the "reasonable remuneration" exception in section 211 of the Corporations Act.

For this reason, the Company is not seeking Shareholder approval under Resolution 5 for the purposes of Chapter 2E of the Corporations Act.

4.6. Recommendation of the Directors

The Directors (other than Mr Andrews because of his interest in Resolution 5) recommend that Shareholders vote in favour of Resolution 5. The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 5.

5. RESOLUTION 6 – RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS

5.1 Background

The Corporations Act permits a company to include in its constitution provisions (called takeover approval provisions) requiring that a proportional or partial takeover offer (ie an offer for less than 100% of the shares but for the same proportion of each shareholder's shares) be approved by a majority of shareholders, before it may proceed. In effect, the approval of Resolution 6 will enable the Company to refuse to register shares acquired under a proportional takeover bid unless than bid is approved by a majority of shareholders.

The Constitution currently contains provisions dealing with proportional takeover bids.

5.2 Section 648G of the Corporations Act

The following information is provided pursuant to section 648G of the Corporations Act.

- **Operation of the proportional takeover provisions**

If the proportional takeover provisions set out in rule 6 of the Constitution are renewed the registration of a transfer of Shares acquired under a proportional takeover offer will be prohibited unless an approving resolution is passed by Shareholders in the Company in the manner provided in rule 6 of the Constitution.

The proportional takeover provisions do not apply to a full takeover bid for all of the Shares of the Company.

If the Company's existing proportional takeover provisions are renewed and a proportional takeover offer is subsequently made for Shares in the Company, the Directors must seek Shareholder approval by a majority vote to register transfers under the proportional takeover bid. The Shareholder approval can be obtained at a general meeting of Shareholders.

Those Shareholders who are entitled to vote at the general meeting are the Shareholders (other than the bidder and its associates) who are recorded on the register of members at the end of the day on which the first of the takeover offers under the proportional takeover bid is made.

The resolution must be voted on at least 14 days before the last day of the offer period under the proportional takeover bid. The resolution will be passed if more than 50 percent of eligible votes are cast in favour of the approval. If no such resolution has been voted on at least 14 days before the last day of the bid period then a resolution to approve the registration of transfers under the bid is taken to have been passed.

If the resolution is not passed by a majority of the shares voted, then the offer will be deemed to be withdrawn and registration of any transfer of shares resulting from the offer will be prohibited. Acceptances will be returned and any contracts formed by acceptance will be rescinded. If the resolution is approved, transfers of shares to the bidder will be registered provided they comply with the other provisions of the Constitution.

If renewed, rule 6 of the Constitution will have effect for a three year period commencing on the date of the Meeting.

- **Current acquisition proposals**

As at the day on which this Notice and Explanatory Memorandum is prepared, none of the Directors of the Company is aware of a proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

- **Advantages of proportional takeover provisions to Shareholders**

Potential advantages to Shareholders of the renewal of proportional takeover provisions in the Constitution are set out below:

- (i) The takeover approval provisions may enable Shareholders to act together and so avoid the coercion of Shareholders that might otherwise arise where they believe a partial offer is inadequate, but nevertheless accept through concern that a significant number of other Shareholders will accept.
- (ii) The takeover approval provisions may provide Shareholders with protection against being coerced into accepting a partial bid at a high premium where the bidder indicates its intention to mount a subsequent bid for the remaining shares at a much reduced price. This puts pressure on Shareholders to accept the initial bid in order to maximise their returns.
- (iii) If a partial bid is made, the takeover approval provisions may make it more probable that a bidder will set its offer price at a level that will be attractive to at least a majority of Shareholders.
- (iv) The body of Shareholders may more effectively advise and guide the Directors' response to a partial bid, and knowing the view of the majority of Shareholders

may assist individual Shareholders to assess the likely outcome of the proportional bid and decide whether or not to accept an offer under the bid.

- (v) The takeover approval provisions may make it more probable that any takeover offer will be a full bid for the whole shareholding of each Shareholder, so that Shareholders may have the opportunity of disposing of all their Shares rather than only a proportion.

- **Disadvantages of the proportional takeover provisions to Shareholders**

Potential disadvantages to Shareholders of the renewal of proportional takeover provisions in the Constitution are set out below:

- (i) By placing obstacles in the way of partial offers, the proposal may tend to discourage partial offers, thus reducing the opportunity for Shareholders to sell a portion of their holding.
- (ii) It is possible that the existence of the takeover approval provisions might have an adverse effect on the market value of the Company's Shares by making a partial offer less likely thus reducing any takeover speculation element in the Share price.
- (iii) An individual Shareholder who wishes to accept a proportional offer will be unable to sell to the bidder unless a majority of Shareholders favour the proportional takeover scheme (which may be viewed as an additional restriction on the ability of individual Shareholders to deal freely in their Shares).
- (iv) If a proportional takeover offer is made, the Company will incur the cost of calling a meeting of Shareholders.

- **Advantages and disadvantages of the proportional takeover provisions for the Directors**

Potential advantages and disadvantages to the Directors of the renewal of proportional takeover provisions in the Constitution are set out below:

- (i) If the Directors consider that a proportional bid should be opposed, they will be assisted in preventing the bidder from securing control of the Company as the bidder will need a majority of votes to be cast in its favour by the independent Shareholders, before the bidder can succeed.
- (ii) On the other hand, under the takeover approval provisions, if a proportional takeover offer is received, the Directors must call a meeting to seek the Shareholders' views. They must do so even if the Directors believe that the offer should be accepted.
- (iii) At present, it is only the Directors who express any formal view on the adequacy or otherwise of a takeover bid, on behalf of the Company. Under the takeover approval provisions the most effective view on a proportional bid will become the view expressed by the vote of the Shareholders themselves, at the meeting.
- (iv) The takeover approval provisions may make it easier for the Directors to discharge their fiduciary and statutory duties as directors in the event of a proportional takeover bid.

- **Reasons for proposing Resolution 6**

Having considered the advantages and disadvantages to Shareholders and the Directors, the Directors have decided to put Resolution 6 to Shareholders, to give Shareholders an

opportunity to take advantage of the protections which the takeover approval provisions offer, if a proportional takeover offer is made.

Malus	<p>The Deterra Board may apply malus to incentives that have yet to vest where:</p> <ul style="list-style-type: none"> the executive acts fraudulently or dishonestly; or there is material misstatement or omission in the accounts of Deterra; or the award has resulted in an inappropriate benefit being awarded.
Restriction on hedging	Hedging of entitlements by executives is not permitted.
Board discretion	The Board, in its discretion, may vary the level of vesting of LTI Rights in the event the vesting would otherwise result in an inappropriate outcome.
Cessation of employment	The Performance Rights are granted on the basis that they remain on foot on cessation of employment with the Board having the discretion to forfeit some, none or all of the Performance Rights having regard for the facts and circumstances in which the executive's employment ceases.
Change of control	Vesting is subject to Board discretion, taking into account performance to the date of change in control.
Other terms	<p>The LTI Rights:</p> <ul style="list-style-type: none"> are not transferrable (and, consequently, will not be quoted on ASX or any other exchange); do not confer any right to a return of capital, whether in a winding up, upon a reduction of capital or otherwise; do not confer any right to participate in the surplus profit or assets of the Company upon a winding up; and do not confer any right to participate in new issues of securities such as bonus issues or entitlement issues.

ATTACHMENT A – EQUITY INCENTIVE PLAN

- (a) **Board to make invitations:** The Board may, from time to time, in its absolute discretion invite Eligible Employees to participate in a grant of Incentives, which may comprise any one or more of Rights, Options, Restricted Shares and Units (being an **Offer**). Offers will be made on the terms set out in these Rules and/or on any additional or alternative terms as the Board determines, as specified in the terms of an Offer. Where such person is allocated an Incentive or Share under the terms of the Rules, he or she will become a participant under the Equity Incentive Plan (**Participant**).
- (b) **Offer:** Without limiting the Board's discretion, each Eligible Employee should be advised of the following information in connection with an Offer:
- (i) the type and number of Incentives being offered, or the method by which the number will be calculated;
 - (ii) the amount (if any) that will be payable for the grant of the Incentives;
 - (iii) any vesting conditions or other conditions that apply, including any vesting period;
 - (iv) the terms of exercise for an Option or a Right (where exercisable), including the period(s) during which such exercise is permitted;
 - (v) that Rights or Options will only be settled through an allocation of Shares or by making a cash payment (as applicable) where the Board has made a determination pursuant to rules 2.2(g) or 3.2(g) at the time of the Offer;
 - (vi) the circumstances in which Rights, Options and/or Units may lapse, Shares (including Restricted Shares) allocated under the Equity Incentive Plan may be forfeited or a Participant's entitlement to Incentives may be reduced;
 - (vii) how Incentives may be treated if the Eligible Employee ceases employment with a Group company;
 - (viii) any restrictions (including the period of restriction) on Dealing in relation to a Restricted Share or Share allocated under the Equity Incentive Plan; and
 - (ix) that all or part of an Offer is made as a salary sacrifice offer under rule 4.2 or as a tax-exempt offer under rule 4.3 of the Rules.
- (c) **Vesting:** Subject to any express rule to the contrary, an Incentive will only vest (and if applicable, become exercisable) where each vesting condition, and all other relevant conditions advised to the Participant by the Board pursuant to the Offer, have been satisfied or otherwise waived by the Board. The vesting of a Right or Option will be satisfied by the Company allocating Shares to the Participant (or a cash payment in lieu of an allocation of Shares). The vesting of a Unit will be satisfied by the Company making a cash payment. The vesting of a Restricted Share will result in all restrictions on Dealing with the Restricted Share ceasing to apply to the Share.
- (d) **Delayed vesting:** If the vesting of an Incentive would arise in a period where Dealings by a Participant would be prohibited or would otherwise be inappropriate in the circumstances, the Board may determine that vesting will be delayed until such time as Dealings are permitted or appropriate. For the avoidance of doubt,

the Board may determine that vesting will be delayed only in relation to the affected Participant or in relation to some or all of Participants (irrespective of whether they are subject to the Dealing restriction).

- (e) **Exercise of Rights and Options:** Where the Board notifies a Participant that a Right is exercisable, the exercise of any Right or Option under the Equity Incentive Plan will be effected in the form and manner determined by the Board and notified to the Participant. In the case of Options, the exercise of Options must be accompanied by payment of the relevant Exercise Price in cleared funds or by a cashless exercise mechanism.
- (f) **Cashless exercise mechanism:** Unless the Board otherwise determines, the number of Shares the Participant will receive under the cashless exercise mechanism will be calculated in accordance with the following formula (rounded down to the nearest whole number of Shares):

$$\frac{\text{Number of Options being exercised} \times (\text{current market price of Shares as at date of exercise} - \text{exercise price})}{\text{current market price of Shares as at the date of exercise}}$$

Only the number of vested Options that will result in the Participant being allocated the number of Shares calculated by the formula are able to be exercised and the balance of the vested Options that the Participant has requested to exercise will lapse.

- (g) **Lapse of Incentives:** Unless otherwise determined by the Board, an Incentive will lapse:
 - (i) in the case of Incentives, the Board determining in its discretion that some or all of a Participant's unvested Incentives shall lapse as a result of the Participant ceasing to be an employee of the Group;
 - (ii) in the case of Rights or Options, upon the earliest to occur of:
 - (A) 15 years from the date on which the Rights or Options were allocated to the Participant, or any other date nominated as the expiry date in the Offer (other than a vested but unexercised Right which will be automatically exercised on the expiry date, and other than an Option where the Board determines that the Option will be exercised on the expiry date by way of a cashless exercise arrangement);
 - (B) the Right or Option lapsing in accordance with a provision of the Rules (including in accordance with a term of the Offer);
 - (C) failure to meet a vesting condition or other condition applicable, within the vesting period; or
 - (D) the receipt by the Company of a notice in writing from the Participant to the effect that the Participant has elected to surrendered the Right or Option; and
 - (iii) in the case of Units, upon the earliest to occur of:
 - (A) the Unit lapsing in accordance with a provision of the Rules (including in accordance with a term of the Offer);
 - (B) failure to meet a vesting condition or other condition applicable, within the vesting period; or

- (c) the receipt by the Company of a notice from the Participant that the Participant has surrendered the Unit.

(h) **Forfeiture of Restricted Shares:** Restricted Shares allocated to a Participant under rule 4.3 as tax-exempt Restricted Shares cannot be forfeited. Otherwise, a Restricted Share will be forfeited upon the earliest to occur of:

- (i) the Restricted Share being forfeited in accordance with a provision of the Rules (including in accordance with a term of the Offer);
- (ii) failure to meet a vesting condition or other condition applicable, within the vesting period; or
- (iii) the receipt by the Company of a notice in writing from the Participant to the effect that the Participant has elected to surrender the Restricted Share.

(i) **Ceasing employment:** The Board, in its discretion, may determine that some or all of a Participant's unvested Incentives, as applicable:

- (i) lapse;
- (ii) are forfeited;
- (iii) vest (immediately or subject to conditions);
- (iv) are only exercisable for a prescribed period and will otherwise lapse; and/or
- (v) are no longer subject to some of the restrictions (including any vesting condition) that previously applied,

as a result of the Participant ceasing to be an employee of the Group.

(j) **Change of control:** Where there is a Change of Control Event (defined below), the Board may determine that all or a specified number of a Participant's Incentives vest or cease to be subject to restrictions (as applicable). If the Board does not make a determination pursuant to this rule, then all of a Participant's Incentives will remain on foot subject to the original terms of grant. The Board also has the discretion to determine the treatment of all vested Incentives where a Change of Control Event occurs.

Without limiting the above, where there is an actual change in control of the Company, then unless the Board determines otherwise:

- (i) all unvested Incentives will immediately vest or cease to be subject to restrictions (as applicable) on a pro rata basis having regard to the portion of the vesting period that has elapsed;
- (ii) all vested Options and vested Rights (where Rights are exercisable) will be exercisable for 6 months from the actual change in control of the Company and will lapse if not exercised within the specified period; and
- (iii) any restrictions on Dealing on vested Incentives will cease to have effect.

"Change of Control Event" means where there is a:

- (i) takeover bid (as that term is defined in section 9 of the Corporations Act) for Shares; or

(ii) other transaction, event or state of affairs,

that, in the Board's opinion, is likely to result in a change in the control of the Company or should otherwise be treated in accordance with rule 10.

- (k) **Issue of Shares:** The Company will apply for quotation of Shares issued under the Equity Incentive Plan within the period required by the Listing Rules. Unless or until Shares are allocated to a Participant following vesting or exercise of their Rights or Options (as applicable), the Participant has no interest in those Shares in respect of which the Right or Option was granted.
- (l) **Ranking of Shares:** Shares issued under the Equity Incentive Plan will rank equally in all respects with existing Shares, except in relation to any rights attaching to such Shares by reference to a record date prior to the date of their issue or as provided for in the Equity Incentive Plan.
- (m) **Power to adjust Rights, Options and/or Units and the exercise price:** prior to the allocation of Shares (or payment of a cash equivalent) to a Participant upon vesting (and, if applicable, exercise) of Rights, exercise of Options or vesting of Units, the Board may grant additional Rights, Options or Units or make any adjustments it considers appropriate to the terms of a Right, Option or Unit granted to that Participant in order to minimise or eliminate any material advantage or disadvantage to a Participant resulting from a corporate action by, or capital reconstruction in relation to, the Company, including but not limited to any return of capital.

Without limiting the above, if:

- (i) Shares are issued pro rata to the Company's shareholders generally by way of a rights issue, Options will be adjusted in accordance with ASX Listing Rule 6.22.2 (or any replacement rule);
- (ii) Shares are issued pro rata to the Company's shareholders generally by way of a bonus issue (other than an issue in lieu of dividends or by way of a dividend reinvestment) involving capitalisation of reserves or distributable profits, Options and Rights will be adjusted in the manner allowed or required by the ASX Listing Rules; or
- (iii) any reorganisation (including consolidation, subdivision, reduction or return) of the issued capital of the Company is effected, Options and Rights will be adjusted in the manner required by the ASX Listing Rules.
- (n) **Waiver of terms and conditions:** Despite any other provision in the Equity Incentive Plan, the Board may waive in whole or in part any terms and conditions (including any vesting condition) in relation to any Incentives or Shares granted to a Participant.
- (o) **Prohibited Dealings:** Subject to the Group's Securities Dealing Policy, any Dealing in respect of an Incentive prior to vesting is prohibited unless the Board determines otherwise, or the Dealing is required by law and the Participant has provided satisfactory evidence to the Company of that fact. If the Board is of the opinion that a Participant is Dealing with an Incentive in contravention of this rule, then:
- (i) the relevant Right, Option or Unit will immediately lapse; and
- (ii) the relevant Restricted Share is deemed to be immediately forfeited.

(p) **Clawback:** If, in the opinion of the Board:

- (i) a Participant:
 - (A) has acted fraudulently or dishonestly;
 - (B) has engaged in gross misconduct;
 - (C) has engaged in an act which has brought the Company, the Group or any Group company into disrepute;
 - (D) has breached their duties or obligations to the Group (including acting in breach of the terms and conditions of their employment and/or the Group's Code of Conduct); or
 - (E) is convicted of an offence or has a judgement entered against them in connection with the affairs of the Group; or
- (i) a Participant's Incentives vest or may vest as a result of the fraud, dishonesty, negligence or breach of duties or obligations of any other person and, in the opinion of the Board, the Incentives will not or would not have otherwise vested;
- (ii) there has been a material misstatement or omission in the Group's financial statements or any other circumstances which, in the Board's opinion, may require re-statement of the Group's financial accounts;
- (iii) a significant unexpected or unintended consequence or outcome has occurred which impacts the Group or a Group company, including where the original expected performance outcomes which the Incentives were intended to incentivise have not been realised;
- (iv) the Company (or another Group company) is required or entitled to reclaim remuneration from a Participant or reduce a Participant's remuneration outcome under law, regulation (including a direction from a regulator), contract or Group policy; or
- (v) vesting of some or all of the Participant's unvested Incentives is not justified or supportable,

then the Board may determine that any or all of the following occur:

- (i) unvested Rights, Options or Units; vested but unexercised Rights or Options; Restricted Shares and/or Shares allocated under the Equity Incentive Plan, will lapse or deemed to be forfeited;
- (ii) the Participant must pay or repay (as the case may be):
 - (A) all or part of the net proceeds of sale where Shares allocated under the Equity Incentive Plan have been sold;
 - (B) any cash payment received pursuant to the Rules; and/or
 - (C) any dividends or distributions received in respect of the Shares allocated under the Equity Incentive Plan; or

(iii) the restrictions on disposing or otherwise Dealing with a Participant's Restricted Shares are extended.

(q) **Power to make amendments:** The Board may at any time by resolution amend or add to all or any of the provisions under the Equity Incentive Plan, amend the terms of any Incentive granted under the Equity Incentive Plan, or suspend or terminate the operation of the Equity Incentive Plan. However, without the Participant's consent, the Board may not exercise the power in a manner which reduces the rights of a Participant in respect of any Incentive or Share already granted other than an amendment introduced primarily:

(i) for the purpose of complying with or addressing present or future laws or regulatory developments;

(ii) to correct any manifest error or mistake; or

(iii) to take into consideration possible adverse tax implications in respect of the Equity Incentive Plan arising from, amongst others, adverse rulings, changes to tax legislation and/or changes in the interpretation of tax legislation by a court of competent jurisdiction.
