Notice of Proposed Share Consolidation

Prodigy Gold NL (ASX: PRX) (**Prodigy Gold**) is pleased to advise that it intends to undertake a consolidation of its capital on a 1 for 20 basis (**Share Consolidation**), subject to receiving shareholder approval at Prodigy Gold's Annual General Meeting to be held on 21 October 2025.

The Share Consolidation is being proposed for the following reasons:

- (a) Prodigy Gold's current capital structure of approximately 6.7 billion shares and 964 million options represents a relatively large number when compared to its ASX-listed peer group; and
- (b) the Share Consolidation will result in a more appropriate and effective capital structure for Prodigy Gold and a share price more appealing to a wider range of investors.

All options currently on issue will be consolidated in the same ratio as shares in accordance with ASX Listing Rule 7.22.1. The exercise price of these options will also be amended in accordance with the ASX Listing Rules.

Fractions of shares or options resulting from the Share Consolidation will be rounded up to the nearest whole number.
