NEXTDC appoints new board member – Mr Jamaludin Ibrahim

NEXTDC Limited (**ASX:NXT**) (“**NEXTDC**” or “**the Company**”) today announces the appointment of Mr Jamaludin Ibrahim to the NEXTDC board as non-executive director, effective 1 November 2025.

Mr Ibrahim has over 40 years of executive experience in the IT and telecommunications sectors, including 27 years as a CEO. Since retiring from executive roles in 2020, he has remained engaged in various industries, including technology, fast food, aviation, and transportation, through multiple non-executive roles. He has served extensively on corporate boards in Malaysia and internationally, including public-listed companies, private enterprises, and government-linked bodies.

Mr Ibrahim holds an MBA from Portland State University (US) specialising in Operations Research & Quantitative Methods. He also holds a BSc, Business Administration, with a minor in Mathematics from California State University, Chico.

He is currently the Chairman of QSR Brands (Fast Food, ASEAN), Chairman of AirAsia Aviation Group Ltd and a Board Member of SEEK Ltd (Australia). Mr Ibrahim was previously Chairman of government owned Prasarana Malaysia Berhad, Malaysia’s public transport owner and operator, and a non-executive director of publicly listed Sunway Berhad. Mr Ibrahim has served the Malaysian government in various roles, including being appointed in 2020 by the former Prime Minister of Malaysia as a member of the Economic Action Council and of the Digital Economy Council. He has been a contributor to numerous national initiatives and policy task forces. In addition, he currently serves as the Pro-Chancellor, Universiti Teknologi Malaysia (UTM).

Mr Ibrahim’s commercial experience includes being the Group CEO, Axiata Group (2008–2020), the CEO of Maxis Communications (1998–2007), the Managing Director, DEC Malaysia (1993–1997) and having acted in a variety of roles at IBM Malaysia (1981–1993) including in systems engineering, sales, and management. He began his career as a Lecturer at California State University, Chico (1980).

Mr Ibrahim’s services to industry have been recognised both in Malaysia and abroad, having received the GSMA (Global Telecom Associations) Chairmans Award (2015) and receiving an Honorary Doctorate in Management, Universiti Sains Malaysia (2024).

NEXTDC’s chairman Douglas Flynn said, *“We are very pleased to welcome Mr Ibrahim to NEXTDC. He has a wealth of business and key sector experience highly relevant to our ambitions, and we look forward to learning from and harnessing his insights and skills as we expand our business into Asia.”*

“I am excited to be joining the NEXTDC Board.” commented Mr Ibrahim. *“The company is at an exciting stage, both in its growth and that of the digital economy. It has built an enviable reputation for its highly connected network of data centres, and I look forward to working with the Board and the NEXTDC team and hope to contribute to its success.”*

About NEXTDC

NEXTDC is an ASX 100-listed technology company and Asia's most innovative Data Centre-as-a-Service provider. We are building the infrastructure platform for the digital economy, delivering the critical power, security and connectivity for global cloud computing providers, enterprise, and Government.

NEXTDC is recognised globally for the design, construction, and operation of Australia's only network of Uptime Institute certified Tier IV facilities, and the only data centre operator in the Southern Hemisphere to achieve Tier IV Gold certification for Operational Sustainability. NEXTDC has a strong focus on sustainability and operational excellence through renewable energy sources and delivering world-class operational efficiency. Our data centres have been engineered to deliver exceptional levels of efficiency and the industry's lowest Total Cost of Operation through NABERS 5-star energy efficiency.

NEXTDC's corporate operations have been certified carbon neutral under the Australian Government's *Climate Active* Carbon Neutral Standard.

Our Cloud Centre partner ecosystem is Australia's most dynamic digital marketplace, comprising carriers, cloud providers and IT service providers, enabling local and international customers to source and connect with cloud platforms, service providers and vendors to build complex hybrid cloud networks and scale their critical IT infrastructure services.

NEXTDC is *where the cloud lives*®.
