MCA receives firm commitments for ~A\$17 million institutional placement

HIGHLIGHTS

- Firm commitments received to raise approximately A\$17 million (before costs)
- Strong support for the Placement from both existing shareholders as well as new, high-quality offshore and domestic institutional investors
- Funds raised will support MCA as it proceeds into its FY26 sales inflection point (harvest volumes YTD up +69% over previous year) and underpin future growth through expanded production capacity and development of in-house sales and marketing capabilities

The Board of Murray Cod Australia Ltd ('MCA' or 'the Company') is pleased to announce that it has received firm commitments from domestic and offshore institutional, sophisticated and professional investors to raise approximately A\$17 million via an institutional placement of approximately 17.9 million fully paid ordinary shares ('New Shares') at an issue price of A\$0.95 per New Share ('Placement' or 'Offer').

Proceeds from the Placement will be applied towards:

- Balance sheet strength and flexibility as MCA proceeds into FY26 sales inflection point;
- Completion of Stanbridge development and provision for construction of 24 future ponds at Gogeldrie;
- Processing plant upgrades and strengthening of sales & marketing capabilities; and
- General working capital and Offer costs.

MCA Non-Executive Chairman, Brett Paton, commented:

"We are pleased to announce the successful completion of our recent capital raising. The funds raised will be instrumental in accelerating Murray Cod Australia's growth strategy — enabling us to expand production capacity, invest in sustainable farming technologies, and strengthen our distribution footprint. Equally, these resources will support prudent long term capital management to ensure financial resilience and enhance shareholder value over the coming years."
