Dear Ms Lim,

Future Metals NL ('FME'): Price – Query

Future Metals NL ("FME" or the "Company") refers to your price query letter dated 26 September 2025 and provides the following responses:

- 1. *Is FME aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?***

The Company is not aware of any information concerning it that has not been announced, and which could be an explanation the increase in the price or increase in the volume of securities traded.

- 2. *If the answer to question 1 is "yes".***

(a) *Is FME relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in FME's securities would suggest to ASX that such information may have ceased to be confidential and therefore FME may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.*

Not applicable as the answer to Question 1 is negative.

(b) *Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).*

N/A

(c) *If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?*

N/A

3. If the answer to question 1 is “no”, is there any other explanation that FME may have for the recent trading in its securities?

As mentioned in the Quarterly Activities Report for the period ending 30 June 2025 (released to ASX 30 July 2025), the Company is currently in a process for the appointment of a CEO. This process is in an advanced stage.

4. Please confirm that FME is complying with the Listing Rules and, in particular, Listing Rule 3.1.

The Company confirms that it is in compliance with the Listing Rules and, in particular, Listing Rule 3.1

5. Please confirm that FME’s responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of FME with delegated authority from the board to respond to ASX on disclosure matters.

The Company confirms that the responses to the above questions have been authorised and approved by the Board.

This announcement has been approved for release by the Board of Future Metals NL.
