30 September 2025

Timing of lodgement of FY25 Financial Statements

Hydrix Limited (ASX: HYD) (**Hydrix** or **Company**) provides the following update in relation to the timing of lodgement of its financial statements for the financial year ended 30 June 2025 (**FY25 Financial Statements**).

The Company is awaiting completion of an independent valuation report to finalise the valuation of shares in Wavewise Analytics Pty Ltd (formerly Cyban Pty Ltd) held by Hydrix's wholly-owned subsidiary, Hydrix Ventures Pty Ltd, for the purposes of Hydrix's FY25 Financial Statements. Hydrix's auditor recently advised the Company that as part of its audit, it will require an independent valuation report, in order for it to obtain sufficient audit evidence to support Hydrix's valuation of the Wavewise shareholding.

Upon receiving this advice, the Company promptly engaged an external valuer, which is currently preparing the valuation report. The Company expects that the valuation report will be completed, and the audit finalised, during the week commencing Monday 6 October 2025.

Other than the audit matter outlined above, there are no other outstanding audit matters, or circumstances the Company is aware of that will impact its ability to finalise and lodge its audited FY25 Financial Statements.

As a result of the circumstances above, the Company will not be in a position to release its audited FY25 Financial Statements on Tuesday 30 September 2025, as required by ASX Listing Rule 4.5.1. Consequently, ASX will automatically suspend the Company's shares from trading, with effect from Wednesday 1 October 2025. Such a suspension will continue until the Company lodges its audited FY25 Financial Statements, which, as above, Hydrix expects to occur during the week commencing Monday 6 October 2025.
