

## A\$1.75 MILLION STRATEGIC INSTITUTIONAL PLACEMENT TO ADVANCE FINLAND GOLD PROJECTS

### HIGHLIGHTS

- **Commitments secured to raise A\$1.75 million via a placement with two prominent Australian resource specialist funds.**
- **The funds raised will allow the Company to expand the ongoing exploration workstreams at its gold projects in Finland and fast track the Company's near-term regional gold production strategy.**
- **The placement was conducted at a premium to the NNL's 15 day VWAP and includes an associated short-dated option issuance.**
- **The Company's gold projects host a resource inventory of 34.3Mt @ 1.11g/t AuEq for 1.23Moz AuEq<sup>1,2,3,4</sup> across three neighbouring deposits:**
  - **1.04Moz contained gold and 38kt contained copper.**
  - **66% of the AuEq resource ozs are in the Measured & Indicated categories.**
  - **All three resources start from surface, potentially amenable to open pit mining<sup>5</sup>.**
  - **Kopsa is the largest single resource with 814,800oz AuEq @ 1.09g/t AuEq with 90% of the resource lying between 0-150m below surface.**
  - **Results to date suggest all three projects have meaningful exploration upside<sup>5</sup>.**
  - **Two nearby mills offer potential near-term production optionality<sup>5</sup>.**

Nordic Resources Limited (ASX: **NNL**; **Nordic**, or **the Company**) is pleased to announce the successful completion of a A\$1.75 million (before costs) institutional placement.

### Use of Funds – Expanded Exploration & Kopsa Project Development

The funds raised will be used to upscale its planned drilling and exploration activities at the Kopsa, Kiimala and Hirsikangas gold projects in Finland, accelerate various important pre-production project development requirements at Kopsa and to complete the ongoing processing options and engineering studies on the regional gold strategy in the Middle Ostrobothnia Gold Belt (**MOGB**).

<sup>1</sup> Kopsa - 23.2Mt @ 0.85g/t Au and 0.17% Cu (1.09g/t AuEq) for 631,100oz Au and 38,360t Cu (814,800oz AuEq) in Total Resources:

- 7.44Mt @ 0.95g/t Au and 0.16% Cu (1.18g/t AuEq) for 226,800oz Au and 11,780t Cu (283,200oz AuEq) in Measured category.
- 8.96Mt @ 0.73g/t Au and 0.16% Cu (0.97g/t AuEq) for 211,100oz Au and 14,060t Cu (278,400oz AuEq) in Indicated category.
- 6.75Mt @ 0.89g/t Au and 0.19% Cu (1.17g/t AuEq) for 193,200oz Au and 12,520t Cu (253,200oz AuEq) in Inferred category.

AuEq figures for Kopsa calculated using US\$1,500/oz gold price and US\$7,166/t copper price. Recovery factor of 80% is applied for both Au and Cu based on 2013 Kopsa PEA. Resultant formula applied is AuEq (g/t) = Au (g/t) + 1.49\*Cu (%). In the Company's opinion, the metals included in the equivalent calculation (Au,Cu) have reasonable potential to be both recovered and sold.

<sup>2</sup> Kiimala Trend - 3.85Mt @ 1.19g/t Au for 147,000oz Au in Indicated category at the Angesneva deposit.

<sup>3</sup> Hirsikangas - 7.29Mt @ 1.13g/t Au for 264,000oz Au:

- 2.69Mt @ 1.17g/t Au for 101,000oz Au in Indicated category and 4.60Mt @ 1.10g/t Au for 163,00oz Au in Inferred category.

<sup>4</sup> NNL confirms all material assumptions and technical parameters underpinning the Resource Estimates continue to apply and have not materially changed as per Listing Rule 5.23.2.

## Placement Details

The Company has accepted firm commitments to raise A\$1.75 million through the issuance of 10,937,500 new shares at A\$0.16 per share (**Placing Shares**), representing a 4.2% premium to the 15-day VWAP, plus 3,645,834 new options with a strike price of A\$0.25 and an expiry date of 27 December 2025 (**Placing Options**).

The placement has been made with two large and well-known Melbourne-based institutional investors that specialise in the resource sector.

Powerhouse Advisory Australia Pty Ltd (a subsidiary of Powerhouse Ventures (ASX:PVL)) acted as the Placement Agent and the Company will pay a 6% capital raising fee comprising:

1. 50% payable in cash (A\$52,500); and
2. 50% payable in shares issued at the offer price (328,125 new shares) (**PVL Shares**).

Of the securities to be issued, 10,937,500 Placing Shares will be issued under the Company's ASX Listing Rule 7.1A capacity. In addition, 328,125 PVL Shares and 3,645,834 Placing Options will be issued under the Company's 15% placement capacity pursuant to ASX Listing Rule 7.1.

### **Competent Persons' Statements**

The information in this announcement that relates to Exploration Results and Mineral Resources has been extracted from the Company's ASX announcements and are available to view on the Company's website at [www.nordicresources.com](http://www.nordicresources.com) or through the ASX website at [www.asx.com.au](http://www.asx.com.au) (using ticker code "NNL"). The Company confirms that it is not aware of any new information or data that materially affects the information included in the original market announcements, and in the case of estimates of Mineral Resources, that all material assumptions and technical parameters underpinning the estimates in the original market announcements continue to apply and have not materially changed. The Company confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from the original market announcement.

### **Forward Looking Statements**

This announcement contains forward-looking statements that involve a number of risks and uncertainties. These forward-looking statements are expressed in good faith and believed to have a reasonable basis. These statements reflect current expectations, intentions or strategies regarding the future and assumptions based on currently available information. Should one or more of the risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary from the expectations, intentions and strategies described in this announcement. No obligation is assumed to update forward looking statements if these beliefs, opinions and estimates should change or to reflect other future developments.

### **References to Previous ASX Announcements**

The Company confirms that it is not aware of any new information as at the date of this announcement that materially affects the information included in previous market announcements. The Company confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from the original market announcement.
