Snow Lake And Global Uranium Agree Combination

Global Uranium and Enrichment Limited (ASX: GUE; OTCQB: GUELF) (**Global Uranium** or **GUE**) is pleased to announce that it has entered into a binding Scheme Implementation Deed (**SID**) with Snow Lake Resources Ltd (NASDAQ: LITM) (**Snow Lake**) pursuant to which they have agreed to a merger to be conducted by way of schemes of arrangement under the Corporations Act 2001 (Cth) (**Corporations Act**). Under the SID, Snow Lake will acquire 100% of the fully paid ordinary shares of Global Uranium (**GUE Shares**) that it does not already own (**Share Scheme**) and 100% of the unlisted Global Uranium options (ASX: GUEAR) (**GUE Options**) for new Snow Lake warrants (**Option Scheme**), subject to the satisfaction of various conditions (together, the **Schemes**).

Transaction Highlights:

- Snow Lake and Global Uranium have entered into a SID under which NASDAQ-listed Snow Lake proposes to acquire 100% of GUE Shares that it does not already own, by the Share Scheme
- Global Uranium shareholders will receive A\$0.0968 in Snow Lake shares for each GUE Share held. The number of new Snow Lake shares will be based on a formula and adjusted for the USD/AUD exchange rate, subject to a maximum of 0.083878 new Snow Lake shares for each GUE Share held (**Consideration**), which represents an attractive premium of:
 - 40.3% to Global Uranium's last closing price of A\$0.069 on 3 October 2025, being the day prior to announcement;
 - 54.8% to Global Uranium's 30-day volume weighted average price (**VWAP**) of A\$0.063¹.
- The Consideration implies an equity value for Global Uranium of A\$44.5 million²
 - GUE shareholders (excluding Snow Lake, which has an existing 19.7% shareholding in Global Uranium) to own ~33% of pro-forma shares outstanding³ of the enlarged Snow Lake (**Combined Group**) if the Schemes are implemented.
 - The combination will establish a leading U.S. focused uranium developer, underpinned by a multi-project portfolio located within some of the world's leading uranium districts, including the Powder River Basin (USA) and Athabasca Basin (Canada).

¹Based on 30 trading days of Global Uranium shares on the ASX up to and including 3 October 2025.

²Based on 454,754,673 GUE Shares, 2,040,000 performance rights outstanding, 2,500,000 performance rights to be issued subject to shareholder approval and 814,306 GUE Shares to be issued in relation to the acquisition of the Maybell Uranium Project.

³Based on 454,754,673 Global Uranium ordinary shares, 2,040,000 Global Uranium performance rights outstanding, 2,500,000 performance rights to be issued subject to shareholder approval, 814,306 Global Uranium shares to be issued in relation to the acquisition of the Maybell Uranium Project and 10,363,450 Snow Lake shares outstanding as of 3 October 2025. Note, Global Uranium ownership % is subject to change as the final Exchange Ratio is dependent on Scheme VWAP.

- Unique opportunity to consolidate the existing 50/50 Pine Ridge joint venture with Global Uranium to simplify ownership, remove cost duplication and accelerate exploration
 - The combination provides GUE shareholders with exposure to a diversified portfolio of uranium and critical minerals, evolving into a full-spectrum energy fuels company
 - A stronger capital markets profile with an enhanced market capitalisation and combined US\$18.5M in cash provides flexibility to aggressively advance exploration programs across the combined portfolio
 - The Combined Group will have a JORC Mineral Resource Estimate of ~58 Mlbs of U₃O₈⁴
 - Strategic investments provide enhanced upside to accelerating the clean energy thematic and additional exposure to the nuclear fuel value chain, particularly through ownership in Ubaryon Pty Ltd, a private Australian company developing next-generation uranium enrichment technology
- The Independent GUE Board⁵ has unanimously recommended that GUE securityholders vote in favour of the Schemes at the Scheme meetings, in the absence of a superior proposal and subject to the independent expert concluding (and continuing to conclude) that the Schemes are in the best interests of GUE securityholders. Subject to those same qualifications, the Independent GUE Board intends to vote, or procure the voting of, all GUE securities held or controlled by them in favour of the Schemes at the Scheme meetings.
 - GUE shareholders who collectively hold 11.2% of GUE Shares on issue have confirmed they intend to vote in favour of the Share Scheme, subject to no superior proposal emerging and the independent expert concluding (and continuing to conclude) that the Share Scheme is in the best interests of GUE shareholders.
 - Global Uranium has received an unsecured A\$2.5 million loan in the form of convertible notes to assist with costs associated with the Schemes and to ensure the previously announced 125,000ft drill program at Pine Ridge can continue uninterrupted for the benefit of all shareholders during the Schemes.
 - The Schemes are subject to a number of conditions, including GUE securityholders approving the Schemes and certain regulatory and Court approvals, including approval by the Foreign Investment Review Board (**FIRB**), which is outlined below and detailed in the SID, a copy of which is attached to this announcement.

Commenting on the transaction, Snow Lake's Chief Executive Officer, Frank Wheatley, said:

"The acquisition of Global Uranium is another step in Snow Lake's strategy to create a U.S. focused nuclear fuel cycle company. Combining our assets with those of Global Uranium is a natural fit for our strategy, as it consolidates our joint venture with Global Uranium on the Pine Ridge uranium project in the prolific Powder River Basin in Wyoming, allowing for an expedited pathway to development and eventual production. This transaction will also enhance our footprint across the nuclear fuel cycle through our exposure to uranium enrichment technology being developed by Ubaryon, as well as our partnership with Exodys Energy to develop small modular reactors.

⁴Refer to GUE's ASX announcements dated 5 September 2024 "Tallahassee Uranium Project JORC Resource increased to 52.2Mlb U₃O₈" and 30 July 2025 "Maiden High Grade JORC Resource at Maybell Uranium Project".

⁵The Independent GUE Board comprises each GUE director who is not a Snow Lake nominee director of GUE. As defined in the SID, the Snow Lake nominee director means Frank Wheatley, or any other GUE director from time to time who was nominated to serve as a director of GUE by Snow Lake. Frank Wheatley is a Non-Executive Director of both Snow Lake and Global Uranium and has excluded himself from discussions about the Schemes, and abstains from making a recommendation in relation to the Schemes.

Both sets of shareholders are expected to benefit from the increased scale of Snow Lake, by establishing a significant presence in the Powder River Basin in Wyoming, with additional uranium assets in Colorado, Utah, Canada and Namibia, together with increased exposure to the U.S. nuclear fuel cycle, all against the backdrop of highly attractive long term uranium fundamentals and U.S. Administration policies on nuclear energy.”

Global Uranium’s Managing Director, Andrew Ferrier, added:

“The Schemes announced today provide an opportunity for Snow Lake and Global Uranium shareholders to create a significant uranium exploration business. It also provides Global Uranium shareholders and holders of Global Uranium Options with an exciting opportunity to become part of an emerging uranium explorer, particularly with the logical consolidation of Pine Ridge.”

Overview of the Schemes

- Under the Share Scheme, each GUE shareholder will receive A\$0.0968 in Snow Lake shares for each GUE Share held on the record date.
- The number of new Snow Lake shares to be issued for each GUE Share will be calculated by dividing A\$0.0968 by the VWAP of Snow Lake shares (converted to A\$ by using the average US\$ to A\$ exchange rate as posted by the Reserve Bank of Australia for the 10 business days included in the Scheme VWAP) over the 10-business day period ending on (and including) the day which is two business days before the date of the Scheme meeting (**Scheme VWAP**), subject to a maximum of 0.083878 new Snow Lake shares for each GUE Share held (**Exchange Ratio**).
- Under the Option Scheme, each holder of GUE Options will receive new Snow Lake warrants, in exchange for the cancellation of their GUE Options on issue as at the record date.
- The number of new Snow Lake warrants to be issued will be equal to the number of new Snow Lake shares to be issued as Consideration pursuant to the Share Scheme.

Based on the implied Exchange Ratio as at 6 October 2025, Snow Lake will own 67% of the Combined Group, while GUE shareholders (excluding Snow Lake’s existing 19.7%) will own 33% of the Combined Group.³

On implementation of the proposed Schemes, the Combined Group will create a focused U.S. uranium business with multi-project exposure in some of the world’s leading uranium districts. The Combined Group will have a global JORC Mineral Resource of ~58 Mlbs of U₃O₈⁶ and four highly strategic uranium assets based in the United States, being the Pine Ridge, Tallahassee, Maybell and Rattler uranium projects. The Combined Group will have a significant cash balance to fund aggressive exploration programs across the combined portfolio and further exploration upside in its portfolio of critical minerals assets and equity interests.

⁶Refer to GUE’s ASX announcements dated 5 September 2024 “Tallahassee Uranium Project JORC Resource increased to 52.2Mlb U₃O₈” and 30 July 2025 “Maiden High Grade JORC Resource at Maybell Uranium Project”.

Pine Ridge is currently subject to a 50/50 joint venture between Snow Lake and Global Uranium, which is located in the world-class Powder River Basin in Wyoming, a prolific uranium district. Pine Ridge remains a highly prospective project with ~39 k acres of attractive exploration tenure and an existing Exploration Target range of 24.4 – 51.3 Mlbs U₃O₈ at an average grade of 0.031% - 0.040% U₃O₈ (100% basis).⁷ The consolidation of Pine Ridge is anticipated to unlock value for the Combined Group with a reduction in duplication and complexity associated with the joint venture arrangement, allowing for an improved allocation of capital and enhanced focus on exploration.

The potential quantity and grade expressed in Pine Ridge's Exploration Target Range is conceptual in nature. There has been insufficient modern exploration to estimate a JORC compliant Mineral Resource and it is uncertain whether further exploration will result in the estimation of a Mineral Resource in the defined areas.

The Combined Group will be pursuing its growth strategy from a position of greater market scale, underpinned by a higher cash balance and a lower consolidated cost base. Following the implementation of the Schemes, Global Uranium will be delisted from the ASX and become a subsidiary of Snow Lake, and the Combined Group will continue to trade as Snow Lake under the ticker NASDAQ: LITM.

Completion of the Schemes is targeted for Q1 2026. The Schemes remain subject to various customary closing conditions, including the approval of GUE securityholders and the Court, which are summarised below.

Transaction Rationale

The combination of Snow Lake and Global Uranium will create a U.S. focused nuclear fuel cycle company with enhanced exposure to the nuclear fuel cycle, through its assets and investments.

- Creates a U.S. focused uranium developer, underpinned by a multi-project portfolio located within some of the world's leading uranium districts
 - A synergistic merger that brings together complementary assets under a single, NASDAQ-listed vehicle with an existing JORC Mineral Resource of 58 Mlbs U₃O₈⁸
 - The combination provides GUE shareholders with exposure to a diversified portfolio of uranium and critical minerals, evolving into a full-spectrum energy fuels company
 - Multi-asset exposure across Wyoming, Colorado and Utah world-class uranium districts with significant historical production
 - Creates a leading vehicle for uranium exploration during a critical point in the uranium cycle with a multi-asset portfolio providing exceptional leverage to the clean energy thematic
- Consolidates and accelerates the Pine Ridge uranium project
 - Combines the Pine Ridge 50/50 joint venture between Snow Lake and Global Uranium into a simplified ownership structure, removing complexity and allowing exploration activity to be accelerated
 - Consolidated ownership provides the opportunity to optimise the Pine Ridge uranium project through improved scale, cost synergies and capital structure for funding and future financing

⁷Refer to GUE's ASX announcement dated 12 March 2025 entitled "Acquisition of the Advanced Pine Ridge Uranium Project in Wyoming through strategic partnership with Snow Lake Energy".

⁸Refer to GUE's ASX announcements dated 5 September 2024 "Tallahassee Uranium Project JORC Resource increased to 52.2Mlb U₃O₈" and 30 July 2025 "Maiden High Grade JORC Resource at Maybell Uranium Project".

- The combination provides enhanced exposure to the nuclear fuel cycle value chain
 - The Combined Group has enhanced exposure to the nuclear fuel cycle value chain, through a cornerstone interest in Ubaryon Pty Ltd and a strategic partnership with Exodys Energy, both highly innovative companies with world-leading technologies
 - Recent investment in Ubaryon by Urenco, a global uranium enrichment company with enrichment services and fuel cycle products to more than 50 customers in 20 countries, provides a strong validation of Ubaryon's potential
- Proven Board and management teams, with complementary skill sets
 - Strong understanding of the Combined Group's asset portfolio and key industry/sector relationships to assist in delivering value through exploration
- Materially enhanced market position with the Combined Group to become a larger, more liquid and more investable critical metals exploration company
 - Estimated combined market capitalisation of US\$76.7 million
 - Robust balance sheet with over US\$18.5 million estimated combined cash⁹ to continue advancing exploration and development activities across the enlarged asset portfolio

Transaction Summary

Pursuant to the terms of the SID, Snow Lake will, by means of court-sanctioned schemes of arrangement under Part 5.1 of the Corporations Act, subject to the satisfaction of various conditions:

- acquire 100% of the GUE Shares that it does not already own, and GUE shareholders will receive A\$0.0968 in Snow Lake shares for each GUE Share held on the record date, with the number of new Snow Lake shares to be based on the Exchange Ratio, subject to a maximum of 0.083878 new Snow Lake shares for each GUE Share held; and
- effect an exchange of the GUE Options, and GUE optionholders will receive new Snow Lake warrants for every GUE Option, equal to the number of new Snow Lake shares to be issued as Consideration pursuant to the Share Scheme.

The Schemes are subject to customary closing conditions for a transaction of this nature, as well as certain regulatory conditions, including:

- approval of the Share Scheme by a majority in number of GUE shareholders who vote at the Share Scheme meeting and at least 75% of all votes cast at the Share Scheme meeting;
- approval of the Option Scheme by a majority in number of GUE optionholders who vote at the Option Scheme meeting and at least 75% of all votes cast at the Option Scheme meeting;
- the independent expert concluding (and continuing to conclude) that the Schemes are in the best interests of GUE securityholders;
- FIRB approval;
- no material adverse change, prescribed occurrence, or regulated event occurring in respect of either Snow Lake or Global Uranium; and
- the requisite Court approvals.

⁹Pro-forma cash based on Global Uranium's cash and equivalents as at 30 June 2025 adjusted for convertible notes net proceeds of A\$2.5m and Snow Lake's unaudited cash balance as at 3 October 2025 and excludes transaction costs.

The SID contains customary exclusivity obligations for Snow Lake's benefit, including "no shop", "no talk" and "no due diligence" restrictions (subject to customary exceptions to enable the Global Uranium Board to comply with its fiduciary and statutory duties), notification obligations and a matching right for Snow Lake in the event any Superior Proposal (as defined in the SID) emerges for Global Uranium.

The SID also details the circumstances under which a break fee may be required to be paid by Global Uranium and a reverse break fee may be required to be paid by Snow Lake.

Full details of the terms and conditions of the Schemes are set out in the SID, a copy of which is attached as Appendix C to this announcement.

Global Uranium Board Recommendation

The Independent GUE Board¹⁰ has unanimously recommended that GUE shareholders and GUE optionholders vote in favour of the Schemes, in the absence of a Superior Proposal (as defined in the SID) and subject to the independent expert concluding (and continuing to conclude) that the Schemes are in the best interests of GUE shareholders and GUE optionholders, respectively. Subject to the same qualifications, each member of the Independent GUE Board¹⁰ intends to vote, or cause to be voted, all GUE Shares held or controlled by them (representing 5,270,594 GUE Shares and 1.16% of the GUE Shares on issue as at the date of this announcement) in favour of the Share Scheme and all GUE Options they hold or control (representing 750,000 GUE Options and 1.48% of the GUE Options on issue as at the date of this announcement) in favour of the Option Scheme.

Global Uranium Shareholder Intention Statements

Eight (8) of Global Uranium's top shareholders (other than Snow Lake), which together currently hold, and/or can control the votes in relation to 51,013,007 GUE Shares (representing approximately 11.2% of the GUE Shares on issue), have also indicated their intention to vote their GUE Shares in favour of the Share Scheme at the Share Scheme meeting, in the absence of a Superior Proposal (as defined in the SID) and subject to the independent expert concluding (and continuing to conclude) that the Share Scheme is in the best interests of GUE shareholders.

The shareholders have reserved the right to dispose of those GUE Shares if the Share Scheme meeting has not occurred on or before 15 January 2026.

Global Uranium's other securities

The GUE performance rights (to the extent they remain on issue) will either be cancelled in consideration for the issue of new GUE Shares or vest in accordance with their terms and be exercised (if applicable) and the resulting GUE Shares are issued, in each case with those GUE Shares to be subject to the Share Scheme.

In addition, Snow Lake intends to enter into private treaty arrangements with the holders of private treaty options in GUE to cancel their options in consideration for the issue of new warrants to acquire Snow Lake shares, calculated on the same basis as the Option Scheme consideration.

¹⁰The Independent GUE Board comprises each GUE director who is not a Snow Lake nominee director of GUE. As defined in the SID, the Snow Lake nominee director means Frank Wheatley, or any other GUE director from time to time who was nominated to serve as a director of GUE by Snow Lake. Frank Wheatley is a Non-Executive Director of both Snow Lake and Global Uranium and has excluded himself from discussions about the Schemes, and abstains from making a recommendation in relation to the Schemes.

- Tim Brown – U.S. Country Manager at Powder River Basin LLC (the incorporated joint venture vehicle for Pine Ridge)

Appendix A – Exploration Target Information – Pine Ridge Uranium Project

(Refer to ASX announcement dated 12 March 2025)

An Exploration Target range of 24.4 – 51.3 Mlbs U₃O₈ at a grade range of 310-400ppm U₃O₈ for the Pine Ridge Uranium Project was established. The Exploration Target was defined following an extensive data review including 765 historical holes drilled by Conoco and 449 holes drilled by Stakeholder Energy LLC. Further data reviewed includes the lithological and geophysical logs for all drill holes, 204 cross sections that correlate stratigraphy through the Stakeholder drill holes, 22 cross sections with geologic interpretations of uranium roll fronts, Stakeholder Arc GIS database, maps and digitised historical data.

The deposits are epigenetic uranium roll-fronts. Project is located on the western flank of the Powder River structural basin. The uranium deposits are hosted in the Eocene aged Wasatch Formation and the Paleocene aged Fort Union Formation. The host sandstones generally dip shallowly toward the east-northeast towards the synclinal axis of the basin.

Global Uranium's Exploration Target Range is conceptual in nature. Insufficient modern exploration has been conducted to estimate a JORC compliant Mineral Resource and it is uncertain whether future exploration will lead to the estimation of a Mineral Resource in the defined areas.

The Exploration Target Range is an estimate only, in accordance with JORC 2012, and has been estimated based on following parameters assumptions:

- Exploration Target Range is based only on Stakeholder drilling data with formation characteristics being uniform across the Project
- There are 140 miles of redox trend on the Project with an average mineralised width of 300-ft applied to the redox trends. This width is an assumption, and the true width will need to be determined with additional exploration and delineation drilling
- The bulk density of the Project is 16.6 ft³/ton based on public data from the neighbouring Reynolds Ranch Project
- Grade and thickness cut offs of 0.02% U₃O₈ and 2 feet were applied to mineral intercepts
- The 25th percentile (1st quartile) intercept thickness and grade were 2.9 feet and 0.031% respectively
- An average intercept grade was found to be 0.037%, with an intercept thickness of 4.4 feet

Data Verification and QA/QC efforts include:

- Verified calibration records for the geophysical logging tools used during Stakeholder's three phases of drilling. No calibration data are available for previous exploration efforts
- Spot-checked 10% of the mineral intercept table against the geophysical logs
- Cross-checked geophysical logs against the cross sections
- Reviewed the interpretation of the stratigraphic units in correlation cross sections

Next Steps: Several steps will be taken to test the validity of the Exploration Target and rapidly advance the Project. These steps include:

- Prioritize exploration areas and generate drill targets based on completed data evaluation
- Acquire necessary permits from regulatory agencies
- Initial exploration drilling program this year to generate a resource model targeting up to eight highly prospective areas which historical and recent drilling has indicated substantial potential to develop a significant resource in the near term
- Evaluation of results and maiden Mineral Resource Estimates (MRE) followed by a Scoping Study

Estimation Method

The upper estimate of Exploration potential was calculated as shown in Equation 1 and the lower estimate was calculated as shown in Equation 2.

Equation 1.

$$\text{Tonnes} = \frac{5280 \frac{ft}{mile} * 140 \text{ miles} * 4.8 \text{ ft} * 300 \text{ ft} * 120.5 \frac{lbs}{ft^3}}{2204.6 \frac{lbs}{tonne}}$$

Tonnes =	58.2 million tonnes
5,280 ft/mile =	Mile to feet conversion factor
140 miles =	Redox trend length
4.8 feet =	75 th percentile intercept thickness
300 feet =	Redox trend width
120.5 lbs/ft ³ =	Bulk density
2204.6 lbs/tonne =	Pounds to metric tonne conversion factor

Equation 2.

$$\text{Tonnes} = \frac{5280 \frac{ft}{mile} * 140 \text{ miles} * 2.9 \text{ ft} * 300 \text{ ft} * 120.5 \frac{lbs}{ft^3}}{2204.6 \frac{lbs}{tonne}}$$

Tonnes =	35.2 million tonnes
5,280 ft/mile =	Mile to feet conversion factor
140 miles =	Redox trend length
2.9 feet =	25 th percentile intercept thickness
300 feet =	Redox trend width
120.5 lbs/ft ³ =	Bulk density
2204.6 lbs/tonne =	Pounds to metric tonne conversion factor

A percentile-based analysis of the Stakeholder drilling data was used to estimate the exploration potential to reduce the influence of outliers on the average intercept thickness and grade. Using the 25th and 75th percentile brackets the average and provides a conservative lower estimate that is below the average of drilling data and an upper estimate that accounts for the limited objectives of the drilling programs and the higher GT values found when drilling intercepted the noses of roll fronts.

These estimates are preliminary in nature, rely heavily on assumptions and it is uncertain if further exploration will result in the estimation of a mineral resource.

Table 1 presents the 10 highest grade x thickness (GT) mineral intercepts from the Stakeholder drilling programs.

Appendix B – Material Terms of the Convertible Notes

The material terms of the Convertible Notes are detailed below.

Noteholder	Summit Strategies LLC (Noteholder)
Number and Face Value:	2,666,000 Convertible Notes (Notes) each with a face value of A\$1.00 per Note (Face Value).
Subscription Amount	A\$2,500,000
Security:	The Notes are unsecured.
Transferability:	If an Event of Default (as defined below) occurs prior to the effective date of the Scheme, the Notes may be assigned or transferred to another party subject to the Noteholder delivering (or procuring the delivery) to Global Uranium and Enrichment Limited (Company), a deed of accession executed by the acceding party in respect of those Notes.
Maturity Date:	The earlier to occur of: (a) the date which is nine months after the date of issue of the Notes; and (b) the tenth day after the date by which the Company has issued sufficient Shares pursuant to the Capital Raising such that the aggregate funds raised upfront by, or for, the Company as consideration was at least A\$2,700,000, (Maturity Date) . Capital Raising means the first capital raising by the Company which the Company (at its sole discretion) announces to the ASX after the date of issue of the Notes, by way of one or more private placements or pro rata issues (or a combination of the two) comprising the issue of fully paid ordinary shares in the Company (Shares).
Interest rate:	12% per annum on the Face Value of the Notes.
Note Balance:	In respect of each Note, the note balance will be the sum of the Face Value plus any accrued but unpaid interest on the Face Value which interest has not been capitalised) to the extent not already converted or redeemed or otherwise paid (Note Balance).
Conversion:	Subject to the Noteholder obtaining the approval of the Foreign Investment Review Board (FIRB) (if required), conversion of the Notes into Shares may occur in the following circumstances: (a) if prior to the Maturity Date, it is anticipated that a Change of Control Event will occur, then the Notes will convert in their entirety into Shares on the first business day after the first Change of Control Event that occurs (such business day being a Change of Control Conversion Date) (Change of Control Conversion); and (b) the Noteholder may elect to convert some (subject to a minimum conversion amount of A\$250,000, unless the Note Balance is less than A\$250,000) or all of the Notes into Shares by issuing the Company a conversion notice in writing, following which those Notes will convert into Shares within 10 business days

<p>Conversion Price:</p>	<p>The conversion price for the Notes will be as follows:</p> <p>(a) Change of Control Conversion – A\$0.06 per Share; and</p> <p>(b) Voluntary Conversion – the higher amount of:</p> <p>(i) A\$0.05 per Share (Floor Price); and</p> <p>(ii) whichever of the following alternatives is lowest:</p> <p>(A) 90% of the VWAP of Shares calculated over the 10 consecutive trading days immediately preceding the date the conversion notice was received by the Company; or</p> <p>(B) if a Capital Raising has been completed by the Company, the issue price per Share which was issued pursuant to the Capital Raising,</p>

Redemption rights:	<p>The Company must redeem the Notes held by the Noteholder by paying the Note Balance to the Noteholder in immediately available funds, within five business days after the following:</p> <ul style="list-style-type: none"> (a) on the Maturity Date, if the Notes have not otherwise been redeemed or converted; or (b) after the occurrence of an Event of Default (unless otherwise waived in accordance with the deed), the earlier of: <ul style="list-style-type: none"> (i) the Maturity Date; or (ii) the date the Noteholder provides written notice to the Company declaring the Note Balance to be due and payable).

Participation Rights:	<p>The Noteholder is not entitled to vote at a meeting of the Company's shareholders, receive any dividends declared by the Company or participate in any new issues of securities offered to the Company's shareholders during the term of the Notes, unless and until the Notes are converted and the Noteholder holds Shares.</p>
Bonus Issue:	<p>The Notes carry the right to participate in any bonus issue of securities in Company as if they had converted into Shares.</p>

- (d) Snow Lake will take any reasonable action as required to facilitate the application of the rollover (as applicable) under Subdivision 124-M of the ITAA 1997, in respect of the sale of Scheme Shares by a Scheme Shareholder pursuant to the Scheme, including but not limited to Snow Lake and / or BidCo evidencing any election if required under section 124-780(3)(d) of the ITAA 1997.

2.3 No amendment to Scheme without Snow Lake's consent

- (v) Snow Lake covenants in favour of GUE (in GUE's own right and in its capacity as trustee and nominee for each Scheme Optionholder) to execute and deliver to GUE the Option Scheme Deed Poll by no later than the fifth Business Day before the First Court Date.

(b) **Option Scheme conditions:** The Option Scheme will not become Effective and the obligations of GUE and Snow Lake to implement the Option Scheme do not become binding unless and until each of the following conditions precedent has been satisfied by the earlier of the End Date or by the relevant date and time (if any) specified in the relevant condition precedent:

- (ii) As soon as reasonably practicable after the date of this deed, GUE must apply to the ASX for the grant of a waiver from a relevant subrule of ASX Listing Rule 6.23 in respect of the Option Scheme, as necessary to enable it to be implemented without breaching ASX Listing Rule 6.23.

- (d) **No amendment to Option Scheme without Snow Lake's consent:** GUE must not consent to any modification of, or amendment to, the Option Scheme, or the making or imposition by the Court or any Government Agency of any condition to the Option Scheme, without Snow Lake's prior written consent, such consent not to be unreasonably withheld.
- (e) **Application of this deed to Option Scheme:** To the extent that the parties have obligations in respect of the Scheme under this deed which are also applicable to the Option Scheme, the parties will have the equivalent obligations in respect of the Option Scheme applied *mutatis mutandis* to the Option Scheme (to the extent

3.2 Satisfaction of Conditions

- (a) In respect of each Condition (other than those Conditions in clauses 3.1(b), 3.1(c), 3.1(d) and 3.1(h)):
- (i) each party specified in the second column of the table in clause 3.1 opposite that Condition must use all reasonable endeavours to procure that the Condition is satisfied as soon as reasonably practicable after the date of this deed and continues to be satisfied at all times until the last time that the relevant Condition provides that it is to be satisfied;
 - (ii) if a party is not specified in the second column, then that party, must promptly provide all information and other assistance reasonably required by the party that is specified in that second column for the purposes of procuring the satisfaction of the Condition; and
 - (iii) each party must not take any action that will or is reasonably likely to hinder or prevent the satisfaction of the Condition.

For personal use only

- (b) For the avoidance of doubt, GUE will not be in breach of its obligations under clause 3.2(a) to the extent that (without limitation) it takes an action or omits to take an action:
- (i) as required or expressly permitted or permitted not to be done, by this deed (including without limitation taking an action or omitting to take an action in connection with an actual, proposed or potential Competing Proposal as permitted or contemplated by clause 9), the Scheme, the Option Scheme, the Deed Poll, the Option Scheme Deed Poll, the Convertible Note Documents, the Schumann Appointment Letter or the transactions contemplated under any of them; or
 - (ii) which has been consented to in writing by Snow Lake (such consent not to be unreasonably withheld, conditioned or delayed).

3.3 Information in relation to status of Conditions

Each party specified in the second column of the table in clause 3.1 opposite a Condition must promptly:

- (a) provide to the other party on request reasonable information about the steps it has taken towards satisfaction of the Condition;
- (b) after becoming aware that the Condition is satisfied, give notice to the other party that the Condition is satisfied including reasonable evidence of how it was satisfied; and
- (c) after becoming aware of any matter or circumstance that may result in the Condition not being satisfied, give notice to the other party of that matter or circumstance.

3.4 Waiver of Conditions

- (a) Where the third column of the table in clause 3.1 opposite a Condition states 'none', any breach or non-satisfaction of the Condition may not be waived.
- (b) Each other Condition is only for the benefit of, and any breach or non-satisfaction of the Condition may only be waived by:
 - (i) if one party is specified in the third column of the table in clause 3.1 opposite that Condition, that party; or
 - (ii) if both parties are specified in the third column of the table in clause 3.1 opposite that Condition, the parties jointly.
- (c) A party entitled to waive, or to join in the waiver of, a breach or non-satisfaction of a Condition may do so in its absolute discretion.
- (d) Where a breach or non-satisfaction of a Condition may:
 - (i) be waived by one party, that party may only waive the breach or non-satisfaction by giving notice in writing to the other party; and
 - (ii) only be waived by both parties jointly, the parties may only waive the breach or non-satisfaction by agreeing in writing to do so.
- (e) If a party waives, or joins in the waiver of, the breach or non-satisfaction of a Condition in accordance with this clause 3.4, then that waiver precludes that party which granted the waiver from bringing a Claim against the other party for (and

(without expanding the circumstances under this deed when a Break Fee or Reverse Break Fee is payable) that other party is released from any obligation to (if that other party is GUE) pay a Break Fee or (if that other party is Snow Lake) pay a Reverse Break Fee arising (if applicable) from) any breach by that other party of this deed that resulted in the breach or non-satisfaction of the Condition. However, if the waiver of the Condition is itself conditional and that other party:

- (i) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with, the waiver of the breach of or non-satisfaction of the Condition; or
 - (ii) does not accept the condition, the relevant Condition or a portion thereof has not been waived.
- (f) If a party waives, or joins in the waiver of, a breach or non-satisfaction of a Condition in accordance with this clause 3.4, then that waiver does not:
- (i) constitute a waiver of a breach or non-satisfaction of any other Condition resulting from the same fact, matter or circumstance; or
 - (ii) constitute a waiver of a breach or non-satisfaction of that Condition resulting from any other fact, matter or circumstance.

3.5 Failure of a Condition

- (a) If:
- (i) any fact, matter or circumstance arises which prevents a Condition being satisfied and that Condition is not waived by GUE or Snow Lake or both (as applicable) in accordance with clause 3.4 (or that Condition cannot be waived); or
 - (ii) any fact, matter or circumstance arises which will prevent a Condition being satisfied by the time and date specified in this deed for the satisfaction of that Condition (or by the End Date, if no such time and date is specified) and that Condition is not waived by GUE or Snow Lake or both (as applicable) in accordance with clause 3.4 (or that Condition cannot be waived),

either party may serve a written notice on the other party to commence a period of consultation, and the parties must consult in good faith with a view to determining whether (but without being obliged to agree to the same):

- (iii) the Transaction or a transaction which results in the Snow Lake Group having beneficial ownership of all the GUE Shares may proceed by way of alternative means or methods;
- (iv) to extend the End Date or the relevant time or date for satisfaction of the Condition; or
- (v) to change the date of the application to be made to the Court for an order under section 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed by the parties and, if required, approved by the Court.

- (b) If Snow Lake and GUE are unable to reach agreement under clause 3.5(a) within the Consultation Period then, unless:
- (i) the relevant Condition has been waived in accordance with clause 3.4(b); or
 - (ii) each party entitled to waive the relevant Condition in accordance with clause 3.4(b) confirms in writing to the other party that it will not rely on the fact, matter or circumstance that would or does prevent the relevant Condition from being satisfied,
- then, subject to clause 3.5(c):
- (iii) in the case of a fact, matter or circumstance which has prevented, or will prevent, a Condition being satisfied for which the third column of the table in clause 3.1 notes both parties are entitled to waive or notes no party can waive, either GUE or Snow Lake may terminate this deed by written notice to the other party; or
 - (iv) in the case of a fact, matter or circumstance which has prevented, or will prevent, a Condition being satisfied for which the third column of the table in clause 3.1 notes there is only one party entitled to waive, only that party may waive that Condition or terminate this deed by written notice to the other party.
- (c) A party will not be entitled to terminate this deed under this clause 3.5 if the relevant Condition has not been, or will not be (as applicable), satisfied as a result of a breach of this deed by that party.

3.6 Termination

Notwithstanding any rights of termination implied by applicable law, this deed may only be terminated in accordance with clause 3.5 or clause 12.

4. GUE Board Support

4.1 Recommendation and Voting Intention

- (a) GUE must use reasonable endeavours to procure that, except to the extent that any one or more of the circumstances in clause 4.2(a)(iii), clause 4.2(a)(iv), clause 4.2(a)(v) or clause 4.2(a)(vi) applies, during the Exclusivity Period each GUE Director who is not a Snow Lake Nominee Director:
- (i) **Recommendation:** recommends that GUE Shareholders vote in favour of the Scheme at the Scheme Meeting, in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report (and in any update of, or revision, replacement, amendment or addendum to that report (if applicable)), and continuing to conclude, that the Scheme is in the best interests of GUE Shareholders (other than Excluded Shareholders); and
 - (ii) **Voting Intention:** (if they hold or Control any Shares) states that he or she intends to vote, or procure the voting of, all Shares held or Controlled by him or her in favour of the Scheme at the Scheme Meeting, in each case in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report (and in any update of, or

revision, replacement, amendment or addendum to that report (if applicable)), and continuing to conclude, that the Scheme is in the best interests of GUE Shareholders (other than Excluded Shareholders).

- (b) GUE represents and warrants to Snow Lake that, as at the date of this deed, each GUE Director who is not a Snow Lake Nominee Director has confirmed to GUE that he or she will make the Recommendation and (to the extent applicable) consents to the public disclosure of the Voting Intention.

4.2 Change to Recommendation or Voting Intention

- (a) GUE must use reasonable endeavours to procure that during the Exclusivity Period no GUE Director who is not a Snow Lake Nominee Director:
 - (i) adversely changes, adversely qualifies or withdraws their Recommendation or Voting Intention; or
 - (ii) makes any statement inconsistent with their Recommendation or Voting Intention,
 unless:
 - (iii) the Independent Expert concludes, for example in the Independent Expert's Report (or in any update of, or revision, replacement, amendment or addendum to that report), that the Scheme is not in the best interests of GUE Shareholders (other than Excluded Shareholders);
 - (iv) GUE has received a Competing Proposal, and the GUE Board has determined that the Competing Proposal is, or could reasonably be expected to become or lead to, a Superior Proposal (including after completion of the matching right process set out in clause 9.6 (if applicable));
 - (v) GUE is entitled to terminate this deed and has given a valid termination notice to Snow Lake under and in accordance with this deed; or
 - (vi) an Abstain Requirement applies.
- (b) A statement by a GUE Director who is not a Snow Lake Nominee Director, during the Exclusivity Period, to the effect that a specific alternative transaction will be pursued by GUE if the Scheme does not proceed will be regarded as a failure to make a recommendation to vote in favour of the Scheme and, if made at a subsequent time during the Exclusivity Period, will be regarded as a modification of a recommendation to vote in favour, unless Snow Lake agrees to the making of such statement.
- (c) Without limiting clause 9, if a GUE Director who is not a Snow Lake Nominee Director proposes to adversely change, adversely qualify or withdraw his or her Recommendation or Voting Intention for any reason other than where one or more of the circumstances in clause 4.2(a)(iii), clause 4.2(a)(iv), clause 4.2(a)(v) or clause 4.2(a)(vi) applies:
 - (i) GUE must notify Snow Lake as soon as reasonably practicable and in any event within 24 hours; and
 - (ii) the parties must consult in good faith for two Business Days after the date on which the notification in clause 4.2(c)(i) is given to consider and determine whether the Recommendation can be maintained.

- (d) Despite anything to the contrary in this clause 4.2, a statement made by GUE, the GUE Board or any GUE Director, to the effect that a Competing Proposal is or may be a Superior Proposal or to the effect that no action should be taken by GUE Shareholders pending the assessment of a Competing Proposal by the GUE Board or the completion of the matching right process set out in clause 9.6 will not contravene any provision of this deed.

4.3 Promoting the Scheme

Except where any one or more of the circumstances in clause 4.2(a)(iii), clause 4.2(a)(iv), clause 4.2(a)(v) or clause 4.2(a)(vi) applies, GUE must provide all reasonable co-operation with Snow Lake in promoting the merits of the Scheme to GUE Shareholders during the Exclusivity Period by at Snow Lake's cost (but subject to compliance with applicable law):

- (a) using reasonable endeavours to procure that the GUE Board and senior executives of the GUE Group as may be reasonably available, meet with key GUE Shareholders if reasonably requested to do so by Snow Lake; and
- (b) where requested by Snow Lake, undertaking reasonable GUE Shareholder engagement and proxy solicitation actions,

and keep Snow Lake up-to-date on, and reasonably consider Snow Lake's views in relation to, any significant discussions and correspondence with GUE Shareholders.

5. Transaction Steps

Each party must do everything reasonably necessary, including by procuring that its Representatives work in good faith and in a timely and co-operative manner with the other party and its Representatives, to implement the Scheme in accordance with this deed and all applicable law to the Scheme.

5.2 Timetable

- (a) Subject to clause 5.2(b), each party must use all reasonable endeavours to ensure that the Scheme is implemented by the timeframes in the Timetable.
- (b) Without expanding the circumstances where a breach of this deed occurs, failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of clause 5.2(a) to the extent that such failure is due to:
 - (i) circumstances and matters outside of the party's control, including any action or omission by a Government Agency or the Independent Expert; or
 - (ii) GUE, the GUE Board, any GUE Director or another person taking or omitting to take any action in connection with, or due to any other matter relating to, an actual, proposed or potential Competing Proposal, any GUE Funding Event or any Supplementary Disclosure.
- (c) Each party must keep the other informed about their progress against the Timetable and notify the other party if it believes that any of the dates in the Timetable are not achievable due to delay.
- (d) If any date in the Timetable is not able to be achieved due to events outside the control of the parties causing delay, the parties must consult in good faith with a view

to identifying whether they can agree to amending the Timetable to the extent required to permit the Scheme to be implemented as soon as reasonably practicable and in any event before the End Date.

5.3 GUE's obligations

Subject to any adverse change, withdrawal or adverse modification of the Recommendation by the GUE Board (or by all or a majority of the GUE Directors who are not Snow Lake Nominee Directors) if any one or more of the circumstances in clause 4.2(a)(iii), clause 4.2(a)(iv), clause 4.2(a)(v) or clause 4.2(a)(vi) applies, GUE must during the Exclusivity Period (without limiting clauses 3.2 and 5.1):

 - (ii) contains the responsibility statements referred to in clause 5.5(a);
 - (iii) contains a statement by the GUE Directors who are not Snow Lake Nominee Directors, reflecting the Recommendation and (to the extent applicable) Voting Intention (except to the extent that any one or more of the circumstances in clause 4.2(a)(iii), clause 4.2(a)(iv), clause 4.2(a)(v) or clause 4.2(a)(vi) applies); and
 - (iv) is not misleading or deceptive in any material respect (whether by omission or otherwise);

- (e) communicate any intention, willingness or decision to do or otherwise become obliged to do any of the things referred to in clauses 9.2(a) to 9.2(d).

9.3 No talk restriction

Subject to clause 9.7, during the Exclusivity Period, GUE must not, and must ensure that its Representatives do not, directly or indirectly:

- (a) facilitate, participate, enter into, continue or participate in negotiations or discussions with any Third Party in relation to a Competing Proposal, or that could reasonably be expected to encourage or lead to a Competing Proposal;
- (b) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding any actual, proposed or potential Competing Proposal, or that could reasonably be expected to encourage or lead to an actual, proposed or potential Competing Proposal;
- (c) assist, encourage, procure or induce any person to do any of the things referred to in clause 9.3(a) on its behalf; or
- (d) communicate to any person an intention, willingness or decision to do or otherwise become obliged to do any of the things referred to in clauses 9.3(a) to 9.3(c),

even if the Competing Proposal or potential Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by GUE or any of its Representatives or has been publicly announced.

9.4 No due diligence restriction

Subject to clause 9.7, during the Exclusivity Period, GUE must not, and must ensure that its Representatives do not, directly or indirectly:

- (a) solicit, encourage, facilitate, initiate, invite or permit any person (other than any Snow Lake Group Member or any of its Representatives) to undertake or continue any due diligence investigation in respect of GUE or any GUE Group Member, or its businesses, assets, operations or affairs of GUE or any GUE Group Member, in each case in connection with or with a view to obtaining an actual, proposed or potential Competing Proposal;
- (b) disclose or make available to any Third Party, or cause or permit any Third Party (other than Representatives of any Snow Lake Group Member or Representatives of any Associate of any Snow Lake Group Member) to receive, any non-public information relating to GUE Group for the purpose of assisting, and that may reasonably be expected to assist, such Third Party in formulating, developing, finalising, submitting or announcing a Competing Proposal;
- (c) assist, encourage, procure or induce any person to do any of the things referred to in clause 9.4(a) on its behalf; or
- (d) announce or communicate to any person any intention, willingness or decision to do or otherwise become obliged to do any of the things referred to in clause 9.4(a) to 9.4(c).

9.5 Notification obligations

- (a) During the Exclusivity Period, GUE must promptly (and in any event within two Business Days after GUE becomes aware of the relevant fact) notify Snow Lake in writing if GUE or, to its knowledge, any of its Representatives receives from a Third Party during the Exclusivity Period:
 - (i) any approach, enquiry, expression of interest, offer or proposal, or any discussion, negotiation, communication or other contact, in connection with, or which may reasonably be expected to lead to an actual, proposed or potential Competing Proposal; and
 - (ii) any request for GUE to provide any non-public information relating to the GUE Group, or any of their assets and operations, in connection with such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, or which may reasonably be expected to lead to, any actual, proposed or potential Competing Proposal,

whether direct or indirect, solicited or unsolicited, oral or in writing.

- (b) Subject to clause 9.7, a notice given under clause 9.5(a) must be accompanied by the material terms and conditions (including the price and form of consideration, conditions precedent, timetable, details of any break fee, cost recovery or cost sharing arrangement, and the identity of the person or persons who were involved in such discussion, negotiation, communication or other contact who made such

approach, request, enquiry, expression of interest, offer or proposal of any Competing Proposal (to the extent then known to GUE).

- (c) During the Exclusivity Period, GUE must promptly provide Snow Lake with, in the case of written materials, a copy of, or in any other case, a written statement of, any material non-public information regarding the assets or operations of the GUE Group made available by GUE to any person in connection with such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Proposal and which has not previously been provided to Snow Lake.

9.6 Response to Competing Proposal and Counterproposal

- (a) If GUE is permitted by clause 9.7 to engage in activity that would otherwise breach clauses 9.3 or 9.4 and the Competing Proposal is confidential, GUE must use reasonable endeavours to enter into a confidentiality agreement with the person who has made the applicable Competing Proposal on customary terms.
- (b) During the Exclusivity Period, GUE may only enter into an agreement, commitment, arrangement or understanding relating to an actual, proposed or potential Competing Proposal (other than a confidentiality agreement) if:
 - (i) the GUE Board has made the determination contemplated by clause 9.7(a) in respect of that actual, proposed or potential Competing Proposal;
 - (ii) GUE has given Snow Lake all information (to the extent applicable) required to be given to Snow Lake by clause 9.5(b) in relation to that actual, proposed or potential Competing Proposal; and
 - (iii) either:
 - (A) Snow Lake has not provided a Counterproposal to GUE within the Matching Period; or
 - (B) Snow Lake has provided a Counterproposal to GUE within the Matching Period, but:
 - (1) the GUE Board determines that the Counterproposal would be less favourable to GUE Shareholders (other than the Excluded Shareholders) than the Competing Proposal; or
 - (2) the GUE Board determines that the Counterproposal would be more favourable, or at least no less favourable, to GUE Shareholders (other than the Excluded Shareholders) than the Competing Proposal, but GUE and Snow Lake have not agreed the amendments to this deed and, if applicable, the Scheme and Deed Poll pursuant to clause 9.6(d)(ii)(A) within three Business Days after GUE receives the Counterproposal,

and in any such cases any one or more GUE Group Members may (without GUE being deemed to have breached any provision of this deed) enter into any such agreement, commitment, arrangement or understanding and the GUE Board (and each GUE Director) may make any public statement they wish, including in relation to the actual, proposed or potential Competing Proposal (including recommendations to GUE Shareholders and any adverse change, adverse qualification or withdrawal of

any Recommendation or Voting Intention), without GUE being deemed to have breached any provision of this deed.

- (c) If GUE gives Snow Lake a notice under clause 9.6(b)(ii), Snow Lake will have the right, but not the obligation, at any time during the period of five Business Days after the day on which Snow Lake receives the notice (**Matching Period**), to formally provide to GUE a Counterproposal.
- (d) If Snow Lake provides a Counterproposal to GUE within the Matching Period in accordance with clause 9.6(c):
 - (i) the GUE Board must, within two Business Days of receiving the Counterproposal, consider and review the Counterproposal in good faith; and
 - (ii) if the GUE Board determines that the Counterproposal would be more favourable, or at least no less favourable, to GUE Shareholders (other than the Excluded Shareholders) than the Competing Proposal, then:
 - (A) GUE and Snow Lake must use reasonable endeavours to agree the amendments to this deed and, if applicable, the Scheme and Deed Poll that are reasonably necessary to reflect the Counterproposal and to implement the Counterproposal; and
 - (B) in that case, provided such agreement is reached, GUE must (except to the extent that any one or more of the circumstances in clause 4.2(a)(iii), clause 4.2(a)(iv), clause 4.2(a)(v) or clause 4.2(a)(vi) applies) use its reasonable endeavours to procure that during the Exclusivity Period each GUE Director who is not a Snow Lake Nominee Director continues to recommend to the GUE Shareholders the Scheme (as modified by the agreed Counterproposal) to GUE Shareholders other than Excluded Shareholders (in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report (and in any update of, or revision, replacement, amendment or addendum to that report (if applicable)), and continuing to conclude, that the Scheme (as modified by the Counterproposal) is in the best interests of GUE Shareholders), and not recommend the applicable Competing Proposal.
- (e) Any material modification or variation to the terms of any Competing Proposal will constitute a new Competing Proposal for the purpose of clauses 9.5 and 9.6, in respect of which GUE must separately comply with its obligations under clauses 9.5 and 9.6.
- (f) For the avoidance of doubt, clause 9.6(e) applies to modifications or variations in relation to a Competing Proposal subsequent to Snow Lake providing a Counterproposal to GUE during the Matching Period.

9.7 Fiduciary exceptions

- (a) Clauses 9.3 and 9.4 do not apply to the extent that they restrict GUE, the GUE Board, any GUE Director or any other Representative of GUE (or any other person) from taking or refusing to take any action with respect to an actual, proposed or potential Competing Proposal if the GUE Board determines:

- (i) after consultation with its external financial advisers, that the actual, proposed or potential Competing Proposal is, or may reasonably be expected to become or lead to, a Superior Proposal; and
- (ii) after receiving written legal advice from an external legal adviser, that failing to respond to the actual, proposed or potential Competing Proposal would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of any GUE Director,

provided that the Competing Proposal was not directly or indirectly brought about by, or facilitated by, a contravention of clause 9.2 by GUE.

- (b) The obligations in clause 9.5(b) do not apply to the extent that the GUE Board determines, after receiving written legal advice from an external legal adviser, that complying with one or more such obligations in respect of the actual, proposed or potential Competing Proposal would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of any GUE Director.

9.8 Permitted conduct

Nothing in this clause 9 (nor in any other clause of this deed) prevents GUE from:

- (a) responding to a Third Party in respect of an inquiry, offer or proposal from that Third Party in relation to, or which could reasonably be expected to lead to the making of, a Competing Proposal to merely acknowledge receipt and advise that Third Party that GUE is bound by the provisions of this clause 9 and is only able to engage in negotiations, discussions or other communications if the fiduciary exception in clause 9.7(a) applies;
- (b) publicly releasing a statement to the effect that:
 - (i) the GUE Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in clause 9.6; or
 - (ii) GUE Shareholders should take no action pending the completion of the matching right process set out in clause 9.6;
- (c) providing information to its Representatives, its Related Entities and Representatives of its Related Entities;
- (d) providing information to any Government Agency;
- (e) providing information required to be provided by applicable law, any court of competent jurisdiction, any Government Agency or the ASX Listing Rules;
- (f) providing any information to its auditors, customers, financiers, joint venturers, suppliers and other persons, in the ordinary course of business;
- (g) providing information to its auditors, customers, financiers, potential financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (h) providing information required to be provided by law, including to satisfy its obligations of disclosure under the rules or policies of an applicable securities exchange or to any Government Agency; or

- (i) making presentations to, and responding to bona fide enquiries from, brokers, portfolio investors, analysts and other third parties in relation to the Scheme or in the ordinary course of business,

nor will any such activity give rise to any contravention of this deed, an obligation to pay the Break Fee nor any right to terminate any of this deed, the Scheme, the Option Scheme, the Deed Poll or the Option Scheme Deed Poll.

9.9 Compliance with law

If it is finally determined by a court, or the Takeovers Panel, that the agreement by the parties under this clause 9 or any part of it:

- (a) constituted, or constitutes, or would constitute, a breach of the fiduciary or statutory duties of the GUE Board;
- (b) constituted, or constitutes, or would constitute, 'unacceptable circumstances' within the meaning of the Corporations Act; or
- (c) was, or is, or would be, unlawful for any other reason,

then, only to the extent determined by the court or Takeovers Panel, GUE will not be obliged to comply with that part of the provision of this clause 9, and such non-compliance will not give rise to any contravention of this deed, will not give rise to an obligation to pay the Break Fee and will not give rise to any right to terminate any of this deed, the Scheme, the Option Scheme, the Deed Poll or the Option Scheme Deed Poll.

10. Break Fee

10.1 Acknowledgement and agreement

- (a) Each party acknowledges and agrees that if it enters into this deed and the Transaction is subsequently not implemented, Snow Lake will have incurred significant costs, including significant opportunity costs.
- (b) Snow Lake represents and warrants to GUE that it would not have entered into this deed or otherwise agreed to implement the Scheme without the benefit of this clause 10 and it would not have entered into and continued the negotiations unless Snow Lake had a reasonable expectation that GUE would agree to enter into a clause of this kind.
- (c) GUE acknowledges and agrees that:
 - (i) the Snow Lake Group incurred and will continue to incur significant costs and expenses in pursuing the Transaction including:
 - (A) legal, financial and other professional advisory costs in planning and implementing the Transaction (excluding success fees);
 - (B) costs of management and directors' time in planning and implementing the Transaction;
 - (C) out of pocket expenses incurred by Snow Lake and Snow Lake's employees, advisers and agents in planning and implementing the Transaction; and

- (D) reasonable opportunity costs of pursuing the Transaction or in not pursuing alternative transactions or business opportunities;
- (ii) the costs and expenses actually incurred by the Snow Lake Group are of such nature that they cannot accurately be ascertained;
- (iii) the Break Fee is Snow Lake's genuine and reasonable estimate of the costs and expenses that have been or will be actually incurred by the Snow Lake Group in pursuing the Transaction;
- (iv) Snow Lake has negotiated the inclusion of this clause 10 in this deed and would not have entered into this deed without it; and
- (v) the GUE Board has received external legal and financial advice in relation to this clause 10 and has concluded that it is reasonable and appropriate for GUE to agree to the terms of this clause 10 in order to secure Snow Lake's entry into this deed.

10.2 Break Fee triggers

Subject to clauses 10.4, 10.5 and 10.6 and the other provisions of this deed, GUE must pay the Break Fee to Snow Lake without withholding or set off if:

- (a) **failure or adverse change to Recommendation:** during the Exclusivity Period Snow Lake validly terminates this deed in accordance with its terms and, during the part of the Exclusivity Period which occurred prior to such termination, any GUE Director who is not a Snow Lake Nominee Director:
 - (i) by public announcement adversely changes, adversely qualifies or withdraws his or her Recommendation;
 - (ii) fails to make the Recommendation in accordance with clause 4.1(a)(i) (except to the extent that any one or more of the circumstances in clause 4.2(a)(iii), clause 4.2(a)(iv), clause 4.2(a)(v) or clause 4.2(a)(vi) applies); or
 - (iii) makes a public statement:
 - (A) supporting, endorsing or recommending any Competing Proposal of any kind that is publicly announced during the Exclusivity Period (whether or not such proposal is stated to be subject to any pre-conditions); or
 - (B) recommending that GUE Shareholders accept or vote in favour of a Competing Proposal of any kind that is announced during the Exclusivity Period (whether or not such proposal is stated to be subject to any pre-conditions),

but excluding a statement that a Competing Proposal is or may be a Superior Proposal, a statement that no action should be taken by GUE Shareholders pending the assessment of a Competing Proposal by the GUE Board, or a statement that no action should be taken by GUE Shareholders pending the completion of the matching right process set out in clause 9.6 in accordance with this deed,

except that no such Break Fee is or will be payable to Snow Lake (and GUE does not agree to pay such Break Fee) if:

- (iv) the Independent Expert concludes in the Independent Expert's Report (or in any update of, or revision, replacement, amendment or addendum to that report) that the Scheme is not in the best interests of GUE Shareholders (other than Excluded Shareholders), prior to 8:00am on the Second Court Date, other than where the conclusion is due wholly or primarily to the existence of a Competing Proposal;
 - (v) if the GUE Director abstains from making a Recommendation to GUE Shareholders (or publicly withdraws, adversely changes or adversely modifies a Recommendation) in accordance with an Abstain Requirement that relates to that GUE Director; or
 - (vi) GUE is entitled to terminate, or has terminated, this deed under clause 12.1(b) (other than due to clause 12.1(b)(ii));
- (b) **completion of Competing Proposal:** during the Exclusivity Period a Competing Proposal is publicly announced (whether or not such proposal is stated to be subject to any pre-conditions) and, within 6 months after it is publicly announced, the Third Party proponent of the Competing Proposal (either alone or together with any Associate of that Third Party) completes that Competing Proposal and as a result solely of completion of that Competing Proposal the Third Party proponent of the Competing Proposal (either alone or together with any Associate of that Third Party):
- (i) directly or indirectly acquires a Relevant Interest in 50% or more of the GUE Shares;
 - (ii) directly or indirectly acquires control (as defined in section 50AA of the Corporations Act) of GUE; or
 - (iii) directly or indirectly acquires the whole of the business and assets of the GUE Group or any part of the business and assets of the GUE Group that represents 50% or more of the total consolidated assets of the GUE Group; or
- (c) **Snow Lake termination:** Snow Lake terminates this deed under clause 12.1(a)(i) following a material and wilful breach of this deed by GUE and the Transaction does not complete.

10.3 Payment of Break Fee

If the Break Fee becomes payable under this deed, GUE must pay it without withholding or set-off, unless required by applicable law, within 10 Business Days after receipt by GUE of a written demand for payment from Snow Lake, which may only be issued after the occurrence of the relevant event giving rise to the Break Fee becoming payable under this clause 10 and must:

- (a) set out in reasonable detail the circumstances which give rise to payment of the Break Fee; and
- (b) nominate a bank account into which GUE is to pay the Break Fee.

10.4 Break Fee not payable

Notwithstanding anything else in this deed, if:

- (a) the Scheme becomes Effective;
- (b) (at any time or times) one or more transactions are completed pursuant to which any Snow Lake Group Member acquires a Relevant Interest (or voting power, as defined in the Corporations Act) in 100% of the issued GUE Shares; or
- (c) prior to or at the time the Break Fee becomes (otherwise) payable under clause 10.2, GUE was entitled to terminate, or has terminated, this deed under clause 12.1(b) (other than due to clause 12.1(b)(ii)),

then the Break Fee is not payable by GUE to Snow Lake, and, if the Break Fee has been paid in whole or part to Snow Lake, it must be refunded by Snow Lake to GUE within five Business Days after receiving a written demand for payment from GUE setting out the basis upon which the amount must be refunded. Notwithstanding anything else in this deed, no Break Fee is payable by GUE merely by reason of the GUE Shareholders not approving the Scheme at the Scheme Meeting.

10.5 Extent of liability

- (a) The Break Fee is payable by GUE to Snow Lake only once and, if the Break Fee is actually paid to Snow Lake, Snow Lake cannot make any Claim against GUE for any further payment of the Break Fee.
- (b) Notwithstanding any other provision of this deed (but subject to clause 10.5(c)), and without expanding the circumstances in which the Break Fee or any other amount is payable under this deed:
 - (i) the maximum aggregate liability of GUE to Snow Lake, and to all other persons (if applicable), under or in connection with this deed including in respect of any breach of this deed and any other Claim will be the amount of the Break Fee;
 - (ii) a payment by GUE of the Break Fee in accordance with this clause 10 represents the maximum liability of GUE under or in connection with this deed and no further damages, fees, expenses or reimbursements of any kind will be payable by GUE under or in connection with this deed; and
 - (iii) the amount of the Break Fee payable to Snow Lake under this clause 10 shall be reduced by the amount of any Loss or damage recovered by Snow Lake in relation to a breach of this deed.
- (c) Clause 10.5(b) does not limit the liability of GUE under this deed in respect of any fraud or wilful material breach of this deed by GUE.

10.6 Compliance with law

- (a) This clause 10 does not impose an obligation on GUE to pay the Break Fee (and Snow Lake must promptly refund to GUE the Break Fee, if it has already been paid) to the extent (and only to the extent) that the obligation to pay the Break Fee:
 - (i) is declared by the Takeovers Panel to constitute 'unacceptable circumstances';
 - (ii) is determined to be unenforceable or unlawful by a court; or
 - (iii) is determined by a court to involve a breach of any fiduciary or statutory duty of GUE Directors,

provided that all proper avenues of appeal and review, judicial and otherwise, have been exhausted.

- (b) For the avoidance of doubt, any part of the Break Fee that would not constitute unacceptable circumstances, that is not unenforceable or unlawful and that does not involve a breach of any fiduciary or statutory duty of GUE Directors (as applicable) must be paid by GUE if applicable under this clause 10.
- (c) The parties must not make or cause or permit to be made on their behalf, any application to a court or the Takeovers Panel for or in relation to a declaration or determination referred to in clause 10.6(a).

11. Reverse Break Fee

11.1 Acknowledgement and agreement

- (a) Each party acknowledges and agrees that if it enters into this deed and the Transaction is subsequently not implemented, GUE will have incurred significant costs, including significant opportunity costs.
- (b) GUE represents and warrants to Snow Lake that it would not have entered into this deed or otherwise agreed to implement the Scheme without the benefit of this clause 11 and it would not have entered into and continued the negotiations unless GUE had a reasonable expectation that Snow Lake would agree to enter into a clause of this kind.
- (c) Snow Lake acknowledges and agrees that:
 - (i) the GUE Group incurred and will continue to incur significant costs and expenses in pursuing the Transaction including:
 - (A) legal, financial and other professional advisory costs in planning and implementing the Transaction;
 - (B) costs of management and directors' time in planning and implementing the Transaction;
 - (C) out of pocket expenses incurred by GUE and GUE's employees, advisers and agents in planning and implementing the Transaction; and
 - (D) reasonable opportunity costs of pursuing the Transaction or in not pursuing alternative transactions or business opportunities;
 - (ii) the costs and expenses actually incurred by the GUE Group are of such nature that they cannot accurately be ascertained;
 - (iii) the Reverse Break Fee is GUE's genuine and reasonable estimate of the minimum costs and expenses that have been or will be actually incurred by the GUE Group in pursuing the Transaction;
 - (iv) GUE has negotiated the inclusion of this clause 11 in this deed and would not have entered into this deed without it; and
 - (v) the Snow Lake Board has received external legal and financial advice in relation to this clause 11 and has concluded that it is reasonable and

appropriate for Snow Lake to agree to the terms of this clause 11 in order to secure GUE's entry into this deed.

11.2 Reverse Break Fee trigger

- (a) Subject to clause 11.4, Snow Lake must pay the Reverse Break Fee to GUE without withholding or set off if GUE terminates this deed under clause 12.1(b)(i) following a material and wilful breach of this deed by Snow Lake and the Transaction does not complete.
- (b) The Reverse Break Fee is payable by Snow Lake to GUE only once and, if the Reverse Break Fee is actually paid to GUE, GUE cannot make any Claim against Snow Lake for any further payment of the Reverse Break Fee.

11.3 Payment of Reverse Break Fee

If the Reverse Break Fee becomes payable under this deed, Snow Lake must pay it without withholding or set-off, unless required by applicable law, within 10 Business Days after receipt by Snow Lake of a written demand for payment from GUE, which may only be issued after the occurrence of the relevant event giving rise to the Reverse Break Fee becoming payable under this clause 11 and must:

- (a) set out in reasonable detail the circumstances which give rise to payment of the Reverse Break Fee; and
- (b) nominate a bank account into which Snow Lake is to pay the Reverse Break Fee.

11.4 Extent of liability

- (a) The Reverse Break Fee is payable by Snow Lake to GUE only once and, if the Reverse Break Fee is actually paid to GUE, GUE cannot make any Claim against Snow Lake for any further payment of the Reverse Break Fee.
- (b) Notwithstanding any other provision of this deed (but subject to clauses 11.4(c) and 11.4(d)), and without expanding the circumstances in which the Reverse Break Fee or any other amount is payable under this deed:
 - (i) the maximum aggregate liability of Snow Lake to GUE, and to all other persons (if applicable), under or in connection with this deed including in respect of any breach of this deed and any other Claim will be the amount of the Reverse Break Fee;
 - (ii) a payment by Snow Lake of the Reverse Break Fee in accordance with this clause 11 represents the maximum liability of Snow Lake under or in connection with this deed and no further damages, fees, expenses or reimbursements of any kind will be payable by Snow Lake under or in connection with this deed; and
 - (iii) the amount of the Reverse Break Fee payable to GUE under this clause 11 shall be reduced by the amount of any Loss or damage recovered by GUE in relation to a breach of this deed.
- (c) Clause 11.4(b) does not limit the liability of Snow Lake under this deed in respect of any fraud or wilful material breach of this deed by Snow Lake.
- (d) Nothing in clause 11.4(a), clause 11.4(b) or otherwise in this deed will limit Snow Lake's liability under or in connection with (and clause 11.4(b) does not apply in

respect of) a breach of clause 2.2 or clause 2.5 of this deed or a breach of the Scheme, the Option Scheme, the Deed Poll or the Option Scheme Deed Poll.

11.5 Compliance with law

- (a) This clause 11 does not impose an obligation on Snow Lake to pay the Reverse Break Fee (and GUE must promptly refund to Snow Lake the Reverse Break Fee, if it has already been paid) to the extent (and only to the extent) that the obligation to pay the Reverse Break Fee:
- (i) is declared by the Takeovers Panel to constitute 'unacceptable circumstances';
 - (ii) is determined to be unenforceable or unlawful by a court; or
 - (iii) is determined by a court to involve a breach of any fiduciary or statutory duty of Snow Lake Directors,
- provided that all proper avenues of appeal and review, judicial and otherwise, have been exhausted.
- (b) For the avoidance of doubt, any part of the Reverse Break Fee that would not constitute unacceptable circumstances, that is not unenforceable or unlawful and that does not involve a breach of any fiduciary or statutory duty of Snow Lake Directors (as applicable) must be paid by Snow Lake if applicable under this clause 11.
- (c) The parties must not make or cause or permit to be made on their behalf, any application to a court or the Takeovers Panel for or in relation to a declaration or determination referred to in clause 11.5(a).

12. Termination

12.1 Termination for material breach

- (a) **Snow Lake termination rights:** Snow Lake may terminate this deed by giving notice in writing to GUE setting out the relevant circumstances at any time before 8.00am on the Second Court Date if:
- (i) **(material breach)** GUE has materially breached this deed, including in respect of a material breach of a GUE Warranty or any event occurs or circumstance arises that would cause any GUE Warranty to be untrue in any material respect as at 8.00am on the Second Court Date (where applicable), and GUE has failed to remedy the breach within ten Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice setting out the relevant circumstances is given by Snow Lake;
 - (ii) **(change in Recommendation or Voting Intention)** for any reason whether or not permitted by this deed, any GUE Director who is not a Snow Lake Nominee Director:
 - (A) fails to make his or her Recommendation or (if he or she holds or Controls any Shares) Voting Intention in accordance with clause 4.1 (regardless of whether or not GUE has used all reasonable endeavours to procure such action);

- (B) withdraws, adversely changes or adversely qualifies his or her Recommendation or Voting Intention (regardless of whether or not GUE has used all reasonable endeavours to procure such action); or
- (C) makes a public statement indicating that they no longer recommend, endorse or support the Transaction or they recommend, endorse or support a Competing Proposal, but excluding a statement that a Competing Proposal is or may be a Superior Proposal, a statement that no action should be taken by GUE Shareholders pending the assessment of a Competing Proposal by the GUE Board or a statement that no action should be taken by GUE Shareholders pending the completion of the matching right process set out in clause 9.6 in accordance with this deed,

except that Snow Lake may not terminate this deed in respect of a failure for a GUE Director to make a Recommendation or a withdrawal, adverse change or adverse qualification of a Recommendation (or in respect of a public statement indicating that a GUE Director no longer recommends, endorses or supports the Transaction) which is due to an Abstain Requirement that relates to that GUE Director; or

- (iii) **(entry into implementation agreement)** in any circumstances, a GUE Group Member enters into a legally binding agreement to undertake or implement a Competing Proposal. For the avoidance of doubt, any such binding agreement does not include a GUE Group Member entering into a confidentiality agreement or like agreement in relation to an actual, proposed or potential Competing Proposal.
- (b) **GUE termination rights:** GUE may terminate this deed by giving notice in writing to Snow Lake setting out the relevant circumstances at any time before 8.00am on the Second Court Date if:
- (i) **(material breach)** Snow Lake has materially breached this deed, including in respect of a material breach of a Snow Lake Warranty or any event occurs or circumstance arises that would cause any Snow Lake Warranty to be untrue in any material respect as at 8.00am on the Second Court Date (where applicable), and Snow Lake has failed to remedy the breach within ten Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice setting out the relevant circumstances is given by GUE;
 - (ii) **(change in Recommendation or Voting Intention)** all or a majority of the GUE Directors who are not Snow Lake Nominee Directors withdraw, change or qualify their Recommendation or Voting Intention, except that GUE may not terminate this deed in respect of such a withdrawal, change or qualification of a Recommendation, or in respect of a public statement indicating that all or a majority of GUE Directors who are not Snow Lake Nominee Directors no longer recommend, endorse or support the Transaction, which is solely due to an Abstain Requirement; or
 - (iii) **(Independent Expert's opinion)** the Independent Expert has concluded in the Independent Expert's Report (or in any update of, or revision, replacement, amendment or addendum to that report (if applicable)) that the Scheme is not in the best interests of GUE Shareholders (other than Excluded Shareholders) and, if this conclusion in the Independent Expert's

Report has been determined by the Independent Expert based on a Competing Proposal, after GUE has complied with the matching right process set out in clause 9.6 (if applicable).

12.2 Termination for specific events

Either party may terminate this deed by giving notice in writing to the other party if:

- (a) **Scheme Resolution not passed:**
 - (i) the Scheme Meeting is held but the Scheme Resolution is not passed and, if the Scheme Resolution is not passed by reason only of non-satisfaction of the Headcount Test, either:
 - (A) the period referred to in clause 5.7 has passed without the parties making the determination that there are grounds on which an application could be made to the Court under section 411(4)(a)(ii)(A) of the Corporations Act for an order to disregard the Headcount Test; or
 - (B) an application is made under section 411(4)(a)(ii)(A) of the Corporations Act but the Court refuses to make an order under that section; and
 - (ii) the terminating party has complied in all material respects with its material obligations under this deed;
- (b) **Court determines not to approve the Scheme:** the Court determines not to approve the Scheme at the Second Court Hearing and the terminating party has complied in all material respects with its obligations under this deed; or
- (c) **End Date:** the Scheme has not become Effective by the End Date.

12.3 Termination by agreement

12.6 Effect of termination

If this deed is terminated under clause 3.5 or under this clause 12:

- (a) except as provided in clause 12.6(c), all the provisions of this deed cease to have effect and each party is released from its obligations to further perform this deed;
- (b) each party retains all rights that it has against the other party in respect of any breach of this deed occurring before termination; and
- (c) the provisions of, and the rights and obligations of each party under, this clause 12 and each of the Surviving Clauses survive termination of this deed.

12.7 No other termination

Neither party may terminate or rescind this deed except as permitted under clause 3.5 or under this clause 12.

13. Announcements

13.1 Initial announcement

As soon as reasonably practicable after execution of this deed by the parties:

13.2 Other announcements

Subject to clauses 13.1 and 13.3, no public announcement or public disclosure of or relating to:

- (a) the Transaction; or
- (b) the Scheme or Option Scheme,

may be made during the Exclusivity Period other than in a form approved by each party in writing (acting reasonably and without delay), provided that:

- (c) each party must use all reasonable endeavours to provide such approval as soon as reasonably practicable;
- (d) neither party will be required to consult with, or obtain the approval of, the other in relation to any public announcement relating to termination of this deed or any actual, proposed or potential Competing Proposal; and
- (e) except for:
 - (i) where otherwise contemplated by or permitted by this deed (such as if any one or more of the circumstances in clause 4.2(a)(iii), clause 4.2(a)(iv), clause 4.2(a)(v) or clause 4.2(a)(vi) applies); or
 - (ii) in the event of an announcement regarding the termination of this deed,

GUE must use reasonable endeavours to ensure that each Recommendation and Voting Intention is (whilst it remains on foot) included in each public announcement referencing the Scheme made by GUE from the date of this deed until the earlier of the End Date and the date on which the Condition in clause 3.1(c) has been satisfied.

13.3 Required disclosure and procedural matters

- (a) Where a party is required by applicable law to make any announcement or to make any disclosure in connection with the Transaction, the Scheme or the Option Scheme, it may do so despite not having complied with clause 13.2 but (except in relation to announcements falling within clause 13.2(d)) must use all reasonable endeavours, to the extent practicable and lawful, to consult with the other party prior to making the relevant disclosure and take account of any reasonable comments received from the other party in relation to the form and content of the announcement

or disclosure (but for the avoidance of doubt, no such consultation is required where it would cause, or contribute to, a breach of applicable law).

- (b) Notwithstanding clause 13.2, a party does not require the other party's approval to issue any public disclosures if the content of those disclosures is limited to procedural matters (or information that has previously been disclosed to GUE Shareholders within the Scheme Booklet or any other ASX announcement), provided that (except in relation to announcements falling within clause 13.2(d)) to the extent permitted by applicable law the disclosing party gives the other party prior notice that it proposes to make a public disclosure in reliance on this clause 13.3(b).

15. Foreign resident capital gains tax withholding

- (a) GUE acknowledges that, as at the date of this deed, none of the Scheme Shares will comprise indirect Australian real property interests as defined in section 855-25 of the ITAA 1997 (on the basis that the 'principal asset test' referred to in paragraph 855-25(1)(b) of the ITAA 1997 should not be satisfied) and therefore Snow Lake should not be required by Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953* (Cth) (Subdivision 14-D) to pay an amount to the Commissioner of Taxation under section 14-200 in Subdivision 14-D in respect of the acquisition of Scheme Shares from Scheme Shareholders (**CGT Withholding Amount**).
- (b) Notwithstanding clause 15(a), if Snow Lake is required by Subdivision 14-D to pay any CGT Withholding Amount to the Commissioner of Taxation in respect of the acquisition of Scheme Shares from certain Scheme Shareholders, then Snow Lake must:
 - (i) notify GUE prior to the intended date of withholding, that it intends to remit any CGT Withholding Amount to the Commissioner of Taxation as referred to in clause 15(b)(ii); and
 - (ii) determine the amount of the CGT Withholding Amount;
 - (iii) treat those Scheme Shareholders as Ineligible Foreign Holders for the purposes of the Scheme (if they are not already treated as such); and
 - (iv) sell, in accordance with the Sale Facility, that number of Scheme Shares that Snow Lake determines is required to fund the CGT Withholding Amount;
 - (v) will remit the relevant CGT Withholding Amount to the Commissioner of Taxation within the time required under Subdivision 14-D (**Required Time**).

- (c) Snow Lake acknowledges and agrees, that it shall not pay any amounts to the Commissioner of Taxation under clause 15(b) with respect to a Scheme Shareholder where it receives an entity declaration from the Scheme Shareholder prior to the Implementation Date, where:
- (i) the entity declaration is made in accordance with the requirements in section 14-225 of Subdivision 14-D and covers the Implementation Date (**Entity Declaration**); and
 - (ii) Snow Lake does not know that the Entity Declaration is false, when Snow Lake is given the Entity Declaration by the Scheme Shareholder.
- (d) The parties agree to consult in good faith as to the application of Subdivision 14-D in respect of the acquisition of Scheme Shares from certain Scheme Shareholders (and the Option Scheme) as applicable.
- (e) Snow Lake represents and warrants that it will pay and deliver the Scheme Consideration without withholding under the United States Internal Revenue Code of 1986, as amended, and the rules and regulations promulgated thereunder.

16. Goods and Services Tax

16.1 Interpretation

Words and expressions that are defined in the GST Law have the same meaning when used in this clause 16 unless the contrary intention appears. For the purposes of this clause 16, references to GST payable and input tax credit entitlements of any entity include GST payable by, and the input tax credit entitlements of, the representative member of the GST group of which the entity is a member.

If GST is payable on any supply made under or in connection with this deed the recipient must pay to the party that has made or will make the supply, in addition to the GST Exclusive Scheme Consideration, an additional amount equal to the GST payable on that supply when the additional amount must be paid without set-off, demand or deduction, at the same time and in the same manner as any GST Exclusive Scheme Consideration for that supply is required to be paid, except that the recipient is not required to pay such additional amount unless and until the supplier has issued a tax invoice under clause 16.4.

16.4 Tax invoice

For any supply to which clause 16.3 applies, the supplier must issue a tax invoice which complies with the GST Law.

16.5 Adjustments

If any adjustment event occurs in respect of a supply to which clause 16.3 applies:

- (a) the additional amount paid or payable by the recipient must be recalculated, taking into account any previous adjustments under this clause 16.5, to reflect the

occurrence of that adjustment event and the supplier or the recipient, as the case requires, must pay to the other the amount required to reflect the recalculation of the additional amount; and

- (b) the supplier must provide an adjustment note to the recipient as soon as practicable after the supplier becomes aware of the occurrence of that adjustment event.

16.6 Input tax credits

Notwithstanding any other provision of this deed, if an amount payable under or in connection with this deed is calculated by reference to any loss, damage, cost, expense, charges or other liability incurred or suffered by a party, then the amount payable must be reduced by the amount of any input tax credit to which that entity is entitled in respect of the acquisition of any supply to which the loss, damage, cost, expense, charge or other liability relates.

but if the notice or other communication would otherwise be taken to be received after 5.00pm or on a Saturday, Sunday or public holiday in the place of receipt then the notice or communication is taken to be received at 9.00am on the next day that is not a Saturday, Sunday or public holiday in the place of receipt.

17.3 Proof of service

In proving service of a notice or other communication, it is sufficient to prove that delivery was made or that the envelope containing the communication was properly addressed and posted

4.2 Transfer of Scheme Shares

Subject to this Scheme becoming Effective, on the Implementation Date:

- (a) subject to the provision of the Scheme Consideration in the manner contemplated by clause 5, the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, must be transferred to Snow Lake, without the need for any further act by any Scheme Shareholder (other than acts performed by GUE or its directors, officers and secretaries as attorney and agent for Scheme Shareholders under clause 8.4), by:
 - (i) GUE delivering to Snow Lake a duly completed Scheme Transfer, executed on behalf of the Scheme Shareholders by GUE, for registration; and
 - (ii) Snow Lake duly executing the Scheme Transfer as transferee, attending to the stamping of the Scheme Transfer (if required) and delivering it to GUE for registration; and
- (b) immediately after receipt of the Scheme Transfer in accordance with clause 4.2(a)(ii) (but subject to the stamping of the Scheme Transfer if required), GUE will procure

that Snow Lake's name is entered in the GUE Share Register as the holder of all the Scheme Shares transferred to Snow Lake in accordance with this Scheme.

4.3 Beneficial entitlement to Scheme Shares

- (a) To the extent permitted by applicable law, the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, transferred under this Scheme to Snow Lake will, at the time of transfer, vest in Snow Lake free from all Encumbrances.
- (b) Immediately upon the provision of the Scheme Consideration on the Implementation Date following the Scheme becoming Effective, Snow Lake will be beneficially entitled to the Scheme Shares transferred to it under this Scheme pending the entry of Snow Lake's name in the GUE Share Register as the holder of the Scheme Shares.

4.4 Entitlement to Scheme Consideration

On the Implementation Date, in consideration for the transfer of the Scheme Shares to Snow Lake, each Scheme Shareholder will be entitled to receive the Scheme Consideration in respect of each of their Scheme Shares held by them on the Record Date in accordance with clause 5 of this Scheme.

5. Scheme Consideration

5.1 Provision of Scheme Consideration

Subject to the remainder of this clause 5, in relation to the Scheme Consideration, Snow Lake must:

- (a) on or before the Implementation Date, issue to each Scheme Shareholder who is not an Ineligible Foreign Holder or an Electing Selling Scheme Shareholder such number of New Snow Lake Shares as that Scheme Shareholder is entitled to receive and procure that the name and address of each Scheme Shareholder is entered in the Snow Lake Share Register in respect of those New Snow Lake Shares; and
- (b) procure that on or before the Implementation Date, a share certificate or holding statement (or equivalent document evidencing title), as applicable, is sent to the Registered Address of each Scheme Shareholder representing the number of New Snow Lake Shares issued to the Scheme Shareholder pursuant to this Scheme.

5.2 Ineligible Foreign Holders and Electing Selling Scheme Shareholder

- (a) Snow Lake will allow the Selling Scheme Shareholders to elect, by providing notice in writing to GUE on or before the Record Date, to be treated as an Electing Selling Scheme Shareholder for the purposes of this clause 5.2.
- (b) Snow Lake will be under no obligation under this Scheme or the Deed Poll to issue, and will not issue, any New Snow Lake Shares to any Ineligible Foreign Holder or Electing Selling Scheme Shareholder, and instead, unless Snow Lake and GUE otherwise agree, Snow Lake must:
 - (i) appoint a Sale Agent acceptable to GUE (acting reasonably) at least two weeks prior to the Scheme Meeting (and if required by ASIC, such nominee is to be approved by ASIC);
 - (ii) on or before the Implementation Date, issue to the Sale Agent the New Snow Lake Shares to which each Ineligible Foreign Holder and each Electing Selling Scheme Shareholder (as applicable) would otherwise have been entitled under this Scheme and the Deed Poll (which in each case shall

include any fraction of a New Snow Lake Share arising from the calculation and disregarding the operation of clauses 5.6 and 5.7);

- (iii) as soon as reasonably practicable and in any event not more than 20 Business Days after the Implementation Date, procure that the Sale Agent:
- (A) sells on Nasdaq all of the New Snow Lake Shares issued to the Sale Agent in accordance with this clause 5.2 in such manner, at such price and on such other terms as the Sale Agent determines in good faith; and
 - (B) remits to Snow Lake the total proceeds of those sales after deduction of any applicable fees, foreign exchange, stamp duty, brokerage and other selling costs, Taxes and charges of the Sale Agent reasonably incurred in connection with the sale of such New Snow Lake Shares (**Sale Proceeds**); and
- (iv) promptly after the last remittance in accordance with clause 5.2(b)(iii)(B), pay to each Ineligible Foreign Holder and each Electing Selling Scheme Shareholder the amount 'A' calculated in accordance with the following formula and rounded down to the nearest cent:

$$A = \left(\frac{B}{C}\right) \times D$$

where:

- A** = the amount in Australian currency which is to be paid to the relevant Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable);
 - B** = the number of New Snow Lake Shares that would otherwise have been issued to that Ineligible Foreign Holder or Electing Selling Scheme Shareholder had they not been an Ineligible Foreign Holder or Electing Selling Scheme Shareholder and which were issued to the Sale Agent;
 - C** = the total number of New Snow Lake Shares which would otherwise have been issued to all Ineligible Foreign Holders and Electing Selling Scheme Shareholders (in aggregate) and which were issued to the Sale Agent; and
 - D** = the Sale Proceeds.
- (c) For the purpose of this clause 5.2, each Ineligible Foreign Holder and each Electing Selling Scheme Shareholder appoints Snow Lake as its agent to receive on its behalf any financial services guide or other notices (including any updates to those documents) that the Sale Agent is required to provide to each Ineligible Foreign Holder and each Electing Selling Scheme Shareholder under the Corporations Act.
- (d) None of Snow Lake, GUE or the Sale Agent gives any assurance as to the price that will be achieved for the sale of New Snow Lake Shares described in clause 5.2(b)(iii)(A).
- (e) Payment of the amount calculated in accordance with clause 5.2(b)(iv) to an Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable) satisfies in full the Ineligible Foreign Holder's or Electing Selling Scheme Shareholder's (as applicable) entitlement to Scheme Consideration.
- (f) Unless otherwise directed by the Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable) before the Record Date, the amounts referred to in

clause 5.2(b)(iv) must be paid by Snow Lake to each Ineligible Foreign Holder and Electing Selling Scheme Shareholder (as applicable):

- (i) by electronic transfer to a bank account nominated by the Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable); or
 - (ii) by sending a cheque drawn on an Australian bank in Australian currency to the Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable) by pre-paid ordinary post (or, if the address of the Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable) in the GUE Share Register is outside Australia, by pre-paid airmail post) to their address recorded in the GUE Share Register as at 5.00pm on the Record Date.
- (g) Where the issue of New Snow Lake Shares to which a Scheme Shareholder (other than an Ineligible Foreign Holder or an Electing Selling Scheme Shareholder) would otherwise be entitled under this Scheme would result in a breach of applicable law:
- (i) Snow Lake will issue the maximum possible number of New Snow Lake Shares as Scheme Consideration to the Scheme Shareholder without giving rise to such a breach; and
 - (ii) any further New Snow Lake Shares to which that Scheme Shareholder is entitled as Scheme Consideration, but the issue of which to the Scheme Shareholder would give rise to such a breach of applicable law (**Ineligible Scheme Consideration**), will instead be issued to the Sale Agent and dealt with under the preceding provisions in this clause 5.2, as if:
 - (A) references to an Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable) also included that Scheme Shareholder; and
 - (B) references in the preceding provisions of that clause to that person's New Snow Lake Shares that would otherwise have been issued to that person were limited to the Ineligible Scheme Consideration.

5.3 Changes to Snow Lake's issued capital

If after the date of the Scheme Implementation Deed:

- (a) Snow Lake converts all or any of the Snow Lake Shares into a larger or smaller number of shares but the New Snow Lake Shares are not issued in time to be consolidated or split by that conversion (as applicable), then the number of New Snow Lake Shares to be issued to each Scheme Shareholder or the Sale Agent (as applicable) shall be adjusted so that the number of New Snow Lake Shares to be received by each Scheme Shareholder or the Sale Agent (as applicable) reflects the number they would have received if the New Snow Lake Shares had been consolidated or split by that conversion; and
- (b) Snow Lake makes a Bonus Issue to holders of Snow Lake Shares but the New Snow Lake Shares are not issued in time to participate in that Bonus Issue, then the number of New Snow Lake Shares issued to each Scheme Shareholder or the Sale Agent (as applicable) shall be increased by the number of additional Snow Lake Shares which the relevant Scheme Shareholder or the Sale Agent (as applicable) would have received under the Bonus Issue if the New Snow Lake Shares had carried an entitlement to participate in the Bonus Issue.

5.4 Status of New Snow Lake Shares

Subject to this Scheme becoming Effective, Snow Lake must:

- For personal use only
- (a) issue the New Snow Lake Shares required to be issued by it under this Scheme on terms such that each New Snow Lake Share will:
 - (i) rank equally in all respects with all other Snow Lake Shares on issue at the first Business Day after the Implementation Date; and
 - (ii) be entitled to participate in and receive any dividends or distribution of capital paid and any other entitlements accruing in respect of Snow Lake Shares on and from the first Business Day after the Implementation Date;
 - (b) procure that the New Snow Lake Shares issued as Scheme Consideration will be approved for listing and trading on Nasdaq with effect from the first Business Day after the Effective Date; and
 - (c) ensure that each New Snow Lake Share is duly and validly issued in accordance with all applicable law and Snow Lake's constituent documents, fully paid and non-assessable and free from any Encumbrance, do not constitute "restricted securities" under the U.S. Securities Act of 1933 if held by a non-affiliate of Snow Lake and are issued without restrictive legends under such Act.

5.5 Joint holders

In the case of Scheme Shares held in joint names:

- (a) the New Snow Lake Shares to be issued under this Scheme must be issued to and registered in the names of the joint holders;
- (b) any cheque sent under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of GUE, the holder whose name appears first in the GUE Share Register as at the Record Date or to the joint holders; and
- (c) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of GUE, the holder whose name appears first in the GUE Share Register as at the Record Date or to the joint holders.

5.6 Fractional entitlements

Where the calculation of the aggregate Scheme Consideration to be provided to a Scheme Shareholder (other than an Ineligible Foreign Shareholder or an Electing Selling Scheme Shareholder (as applicable)) would result in the Scheme Shareholder becoming entitled to a part of a New Snow Lake Share, the entitlement of that Scheme Shareholder will be rounded as follows:

- (a) if the fractional entitlement is less than 0.5, it will be rounded down to the nearest whole number of New Snow Lake Shares; and
- (b) if the fractional entitlement is equal to or more than 0.5, it will be rounded up to the nearest whole number of New Snow Lake Shares.

5.7 Share splitting

If Snow Lake and GUE are of the opinion (acting reasonably) that two or more Scheme Shareholders (each of which holds a number of Scheme Shares that results in a fractional entitlement to Scheme Consideration) have, before the Record Date, been party to a shareholding splitting or division in an attempt to obtain an advantage by reference to the rounding, then Snow Lake and GUE must consult in good faith to determine whether such matters have arisen and if agreement is reached between Snow Lake and GUE following such consultation, Snow Lake may give notice to those Scheme Shareholders:

- (a) setting out the names and Registered Addresses of all of them;

- (b) stating that opinion; and
- (c) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice has been given then solely for the purpose of calculating entitlements to Scheme Consideration pursuant to the Scheme:

- (d) the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of this Scheme and the Deed Poll, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and Registered Addresses are set out in the notice will, for the purposes of this Scheme and the Deed Poll, be taken to hold no Scheme Shares; and
- (e) Snow Lake, in complying with the other provisions of this Scheme and the Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of this Scheme and the Deed Poll.

5.8 Unclaimed monies

- (a) A cheque issued under this clause 5 may be cancelled if the cheque:
 - (i) is returned to GUE or Snow Lake (as applicable); or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of one year commencing on the Implementation Date, on request in writing (which request may not be made until the date which is at least 10 Business Days after the Implementation Date) from a Scheme Shareholder, GUE or Snow Lake (as applicable) must reissue or procure the reissuance of a cheque that was previously cancelled under clause 5.8(a).
- (c) The *Unclaimed Money Act 1990 (WA)* will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 6 of the *Unclaimed Money Act 1990 (WA)*).

5.9 Orders of a court or Government Agency

If written notice is given to GUE (or the GUE Registry) or Snow Lake (or the Snow Lake Registry) of an order or direction made by a court of competent jurisdiction or by another Government Agency that:

- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be provided to that Scheme Shareholder in accordance with this clause 5, then Snow Lake must procure that provision of that consideration is made in accordance with that order or direction; or
- (b) prevents Snow Lake from providing consideration to any particular Scheme Shareholder in accordance with this clause 5, or the payment or issuance of such consideration is otherwise prohibited by applicable law, GUE or Snow Lake shall be entitled (as applicable):
 - (i) where the relevant Scheme Shareholder is an Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable), to retain an amount, in Australian currency, equal to the relevant Scheme Shareholder's portion of any Sale Proceeds; and/or

- (ii) not to issue, or to issue to a trustee or nominee, such number of New Snow Lake Shares as that Scheme Shareholder would otherwise be entitled to under clause 5.1,

until such time as provision of the Scheme Consideration in accordance with this clause 5 is permitted by that (or another) order or direction or otherwise by applicable law. To the extent that amounts or New Snow Lake Shares are so retained or withheld in accordance with this clause 5.9(b), such retained or withheld amounts or New Snow Lake Shares will be treated for all purposes under this Scheme as having been paid or issued to the person in respect of which such retention and withholding was made, provided that such retained or withheld amounts or New Snow Lake Shares are actually remitted or issued as required by this clause 5.9(b).

6. Dealings in Scheme Shares

6.1 Recognition of dealings

- (a) To establish the identity of the Scheme Shareholders, dealings in Scheme Shares and other alterations to the GUE Share Register will only be recognised if:
- (i) in the case of dealings of the type to be effected using CHESSE, the transferee is registered in the GUE Share Register as the holder of the relevant Scheme Shares on or before the Record Date; and
 - (ii) in all other cases, registrable transmission applications or transfers in respect of those dealings, or valid requests in respect of other alterations, are received on or before the Record Date at the place where the GUE Share Register is kept,

and, for the purpose of establishing the persons who are Scheme Shareholders, GUE must not accept for registration, nor recognise for any purpose (except a transfer to Snow Lake pursuant to this Scheme and any subsequent transfer by Snow Lake or its successors in title), any transmission application or transfer or other request (in each case) received after the Record Date, or received by the Record Date but not in registrable or actionable form, as appropriate.

- (b) GUE must register any registrable transmission applications or transfers of the Scheme Shares of the kind referred to in clause 6.1(a)(ii) by the Record Date provided that, for the avoidance of doubt, nothing in this clause 6.1(b) requires GUE to register a transfer that would result in a GUE Shareholder holding a parcel of GUE Shares that is less than a Marketable Parcel.

6.2 Dealings after Record Date

If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or purport or agree to dispose of any Scheme Shares or any interest in them on or after the Record Date otherwise than pursuant to this Scheme, and any attempt to do so will be void and have no effect and GUE shall be entitled to disregard any such disposal.

As soon as possible after the Record Date, and in any event by 5.00pm on the second Business Day after the Record Date, GUE will ensure that details of the names, Registered Addresses and holdings of GUE Shares for each Scheme Shareholder as shown in the GUE Share Register on the Record Date are available to Snow Lake in the form Snow Lake reasonably requires.

 - (e) acknowledges and agrees that this Scheme binds GUE and all Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or vote against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of GUE.

8.3 Warranties

- (a) Each Scheme Shareholder is taken to have warranted to GUE and Snow Lake on the Implementation Date that:
 - (i) all of their Scheme Shares (including all rights and entitlements attaching to them as at the Implementation Date) which are transferred to Snow Lake under this Scheme will, at the date of transfer, be fully paid and free from all Encumbrances; and

- (b) Immediately upon the provision of the aggregate amount of the Scheme Consideration to the Scheme Shareholders in the manner contemplated by clause 5, on and from the Implementation Date and until GUE registers Snow Lake as the holder of all Scheme Shares in the GUE Share Register, each Scheme Shareholder, without the need for any further act by that Scheme Shareholder:
 - (i) is deemed to have appointed Snow Lake as attorney and agent, and directs Snow Lake in each such capacity, solely to appoint any director, officer,

secretary or agent of Snow Lake as sole proxy and, where applicable or appropriate, corporate representative of that Scheme Shareholder to attend GUE shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in the name of that Scheme Shareholder and sign any GUE shareholders' resolution;

- (iii) must take all other actions in the capacity as registered holder of those Scheme Shares as Snow Lake reasonably directs; and
- (iv) acknowledges and agrees that in exercising the powers conferred under clause 8.4(b)(i), Snow Lake and any director, officer, secretary or agent of Snow Lake may act in the best interests of Snow Lake as the intended registered holder of the Scheme Shares.

- (a) whether dividends are to be paid by cheque or into a specific account;

and GUE accepts each such appointment and, as attorney and agent of each Scheme Optionholder, may sub-delegate its functions, authorities or powers under this clause 7.4 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

- (b) Immediately upon the provision of the aggregate amount of the Option Scheme Consideration to the Scheme Optionholders in the manner contemplated by clause 5, on and from the Implementation Date and until all Scheme Options are cancelled and extinguished, each Scheme Optionholder, without the need for any further act by that Scheme Optionholder:
- (i) is deemed to have appointed Snow Lake as attorney and agent, and directs Snow Lake in each such capacity, solely to appoint any director, officer, secretary or agent of Snow Lake as sole proxy and, where applicable or appropriate, corporate representative of that Scheme Optionholder to attend GUE optionholders' meetings, exercise the votes attaching to the Scheme Options (if any) registered in the name of that Scheme Optionholder and sign any GUE optionholders' resolution;

Schedule 2 Snow Lake Scheme Warrant Terms and Conditions

Each Snow Lake Scheme Warrant issued as Option Scheme Consideration in accordance with this Option Scheme and the Option Scheme Deed Poll will:

- (a) have an exercise price calculated as follows:

$$A = \frac{B}{C} \times D$$

where:

A is the exercise price in US\$;

B is the exercise price (in A\$) of a Scheme Option;

C is the number which is equal to that number of New Snow Lake Shares (including any fraction of a New Snow Lake Share) to be issued as the Scheme Consideration in consideration for one Scheme Share pursuant to the Share Scheme; and

D is the average A\$ to US\$ exchange rate as posted by the Reserve Bank of Australia for the 10 Business Days included in the Scheme VWAP;

- (b) have an option for the holder of that Snow Lake Scheme Warrant to exercise it on a cashless basis, by setting off the exercise price against the number of Snow Lake Shares issuable upon such exercise (**Cashless Exercise**). If a holder elects a Cashless Exercise for a number of Snow Lake Scheme Warrants, such holder will only be issued that number of Snow Lake Shares (rounded down to the nearest whole number) as is equal in value to the difference between the total exercise price otherwise payable for the Snow Lake Scheme Warrants being exercised and the then market value of the Snow Lake Shares at the time of exercise calculated in accordance with the following formula:

$$S = O \times [(MSP - EP)/MSP]$$

Where:

S = Number of Snow Lake Shares to be issued on cashless exercise of the Snow Lake Scheme Warrants

O = Number of Snow Lake Shares issuable upon the Scheme Warrants being exercised (inclusive of the Snow Lake Shares surrendered in payment of the aggregate exercise price)

MSP = The value of a Snow Lake Share calculated using the volume weighted average price of Snow Lake Shares traded on Nasdaq during the 10 Business Day period immediately prior to (and excluding) the date of the notice of exercise

EP = Exercise Price (pursuant to (a) above)

If the difference between the total exercise price otherwise payable for the Snow Lake Shares on the Snow Lake Scheme Warrants being exercised and the then market value of the Snow Lake Shares at the time of exercise (calculated in accordance with the formula above) is zero or negative, then a holder will not be entitled to elect a Cashless Exercise. The Snow Lake board may also make available a Cashless Exercise pursuant to which the exercise price is paid through an irrevocable commitment by a broker to pay over such amount from a sale of the Snow Lake Shares the holder is entitled to receive upon exercise;

- (c) not vest, and not be exercisable, until the date that is 6 months immediately after its date of issuance under the Option Scheme;

- (d) upon vesting, be exercisable on or before 14 May 2027; and
- (e) otherwise be on the same terms as the Scheme Option it replaces, with necessary changes required under applicable law or due to Snow Lake being the issuer in place of GUE.

4.2 Transfer of Scheme Shares

Subject to this Scheme becoming Effective, on the Implementation Date:

- (a) subject to the provision of the Scheme Consideration in the manner contemplated by clause 5, the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, must be transferred to Snow Lake, without the need for any further act by any Scheme Shareholder (other than acts performed by GUE or its directors, officers and secretaries as attorney and agent for Scheme Shareholders under clause 8.4), by:
 - (i) GUE delivering to Snow Lake a duly completed Scheme Transfer, executed on behalf of the Scheme Shareholders by GUE, for registration; and
 - (ii) Snow Lake duly executing the Scheme Transfer as transferee, attending to the stamping of the Scheme Transfer (if required) and delivering it to GUE for registration; and
- (b) immediately after receipt of the Scheme Transfer in accordance with clause 4.2(a)(ii) (but subject to the stamping of the Scheme Transfer if required), GUE will procure

that Snow Lake's name is entered in the GUE Share Register as the holder of all the Scheme Shares transferred to Snow Lake in accordance with this Scheme.

- (b) Immediately upon the provision of the Scheme Consideration on the Implementation Date following the Scheme becoming Effective, Snow Lake will be beneficially entitled to the Scheme Shares transferred to it under this Scheme pending the entry of Snow Lake's name in the GUE Share Register as the holder of the Scheme Shares.

4.4 Entitlement to Scheme Consideration

On the Implementation Date, in consideration for the transfer of the Scheme Shares to Snow Lake, each Scheme Shareholder will be entitled to receive the Scheme Consideration in respect of each of their Scheme Shares held by them on the Record Date in accordance with clause 5 of this Scheme.

5. Scheme Consideration

5.1 Provision of Scheme Consideration

Subject to the remainder of this clause 5, in relation to the Scheme Consideration, Snow Lake must:

- (a) on or before the Implementation Date, issue to each Scheme Shareholder who is not an Ineligible Foreign Holder or an Electing Selling Scheme Shareholder such number of New Snow Lake Shares as that Scheme Shareholder is entitled to receive and procure that the name and address of each Scheme Shareholder is entered in the Snow Lake Share Register in respect of those New Snow Lake Shares; and
- (b) procure that on or before the Implementation Date, a share certificate or holding statement (or equivalent document evidencing title), as applicable, is sent to the Registered Address of each Scheme Shareholder representing the number of New Snow Lake Shares issued to the Scheme Shareholder pursuant to this Scheme.

5.2 Ineligible Foreign Holders and Electing Selling Scheme Shareholder

- (a) Snow Lake will allow the Selling Scheme Shareholders to elect, by providing notice in writing to GUE on or before the Record Date, to be treated as an Electing Selling Scheme Shareholder for the purposes of this clause 5.2.
- (b) Snow Lake will be under no obligation under this Scheme or the Deed Poll to issue, and will not issue, any New Snow Lake Shares to any Ineligible Foreign Holder or Electing Selling Scheme Shareholder, and instead, unless Snow Lake and GUE otherwise agree, Snow Lake must:
 - (i) appoint a Sale Agent acceptable to GUE (acting reasonably) at least two weeks prior to the Scheme Meeting (and if required by ASIC, such nominee is to be approved by ASIC);
 - (ii) on or before the Implementation Date, issue to the Sale Agent the New Snow Lake Shares to which each Ineligible Foreign Holder and each Electing Selling Scheme Shareholder (as applicable) would otherwise have been entitled under this Scheme and the Deed Poll (which in each case shall

include any fraction of a New Snow Lake Share arising from the calculation and disregarding the operation of clauses 5.6 and 5.7);

- (iii) as soon as reasonably practicable and in any event not more than 20 Business Days after the Implementation Date, procure that the Sale Agent:
- (A) sells on Nasdaq all of the New Snow Lake Shares issued to the Sale Agent in accordance with this clause 5.2 in such manner, at such price and on such other terms as the Sale Agent determines in good faith; and
 - (B) remits to Snow Lake the total proceeds of those sales after deduction of any applicable fees, foreign exchange, stamp duty, brokerage and other selling costs, Taxes and charges of the Sale Agent reasonably incurred in connection with the sale of such New Snow Lake Shares (**Sale Proceeds**); and
- (iv) promptly after the last remittance in accordance with clause 5.2(b)(iii)(B), pay to each Ineligible Foreign Holder and each Electing Selling Scheme Shareholder the amount 'A' calculated in accordance with the following formula and rounded down to the nearest cent:

$$A = \left(\frac{B}{C}\right) \times D$$

where:

- A** = the amount in Australian currency which is to be paid to the relevant Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable);
 - B** = the number of New Snow Lake Shares that would otherwise have been issued to that Ineligible Foreign Holder or Electing Selling Scheme Shareholder had they not been an Ineligible Foreign Holder or Electing Selling Scheme Shareholder and which were issued to the Sale Agent;
 - C** = the total number of New Snow Lake Shares which would otherwise have been issued to all Ineligible Foreign Holders and Electing Selling Scheme Shareholders (in aggregate) and which were issued to the Sale Agent; and
 - D** = the Sale Proceeds.
- (c) For the purpose of this clause 5.2, each Ineligible Foreign Holder and each Electing Selling Scheme Shareholder appoints Snow Lake as its agent to receive on its behalf any financial services guide or other notices (including any updates to those documents) that the Sale Agent is required to provide to each Ineligible Foreign Holder and each Electing Selling Scheme Shareholder under the Corporations Act.
- (d) None of Snow Lake, GUE or the Sale Agent gives any assurance as to the price that will be achieved for the sale of New Snow Lake Shares described in clause 5.2(b)(iii)(A).
- (e) Payment of the amount calculated in accordance with clause 5.2(b)(iv) to an Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable) satisfies in full the Ineligible Foreign Holder's or Electing Selling Scheme Shareholder's (as applicable) entitlement to Scheme Consideration.
- (f) Unless otherwise directed by the Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable) before the Record Date, the amounts referred to in

clause 5.2(b)(iv) must be paid by Snow Lake to each Ineligible Foreign Holder and Electing Selling Scheme Shareholder (as applicable):

- (i) by electronic transfer to a bank account nominated by the Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable); or
 - (ii) by sending a cheque drawn on an Australian bank in Australian currency to the Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable) by pre-paid ordinary post (or, if the address of the Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable) in the GUE Share Register is outside Australia, by pre-paid airmail post) to their address recorded in the GUE Share Register as at 5.00pm on the Record Date.
- (g) Where the issue of New Snow Lake Shares to which a Scheme Shareholder (other than an Ineligible Foreign Holder or an Electing Selling Scheme Shareholder) would otherwise be entitled under this Scheme would result in a breach of applicable law:
- (i) Snow Lake will issue the maximum possible number of New Snow Lake Shares as Scheme Consideration to the Scheme Shareholder without giving rise to such a breach; and
 - (ii) any further New Snow Lake Shares to which that Scheme Shareholder is entitled as Scheme Consideration, but the issue of which to the Scheme Shareholder would give rise to such a breach of applicable law (**Ineligible Scheme Consideration**), will instead be issued to the Sale Agent and dealt with under the preceding provisions in this clause 5.2, as if:
 - (A) references to an Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable) also included that Scheme Shareholder; and
 - (B) references in the preceding provisions of that clause to that person's New Snow Lake Shares that would otherwise have been issued to that person were limited to the Ineligible Scheme Consideration.

5.3 Changes to Snow Lake's issued capital

If after the date of the Scheme Implementation Deed:

- (a) Snow Lake converts all or any of the Snow Lake Shares into a larger or smaller number of shares but the New Snow Lake Shares are not issued in time to be consolidated or split by that conversion (as applicable), then the number of New Snow Lake Shares to be issued to each Scheme Shareholder or the Sale Agent (as applicable) shall be adjusted so that the number of New Snow Lake Shares to be received by each Scheme Shareholder or the Sale Agent (as applicable) reflects the number they would have received if the New Snow Lake Shares had been consolidated or split by that conversion; and
- (b) Snow Lake makes a Bonus Issue to holders of Snow Lake Shares but the New Snow Lake Shares are not issued in time to participate in that Bonus Issue, then the number of New Snow Lake Shares issued to each Scheme Shareholder or the Sale Agent (as applicable) shall be increased by the number of additional Snow Lake Shares which the relevant Scheme Shareholder or the Sale Agent (as applicable) would have received under the Bonus Issue if the New Snow Lake Shares had carried an entitlement to participate in the Bonus Issue.

5.4 Status of New Snow Lake Shares

Subject to this Scheme becoming Effective, Snow Lake must:

- For personal use only
- (a) issue the New Snow Lake Shares required to be issued by it under this Scheme on terms such that each New Snow Lake Share will:
 - (i) rank equally in all respects with all other Snow Lake Shares on issue at the first Business Day after the Implementation Date; and
 - (ii) be entitled to participate in and receive any dividends or distribution of capital paid and any other entitlements accruing in respect of Snow Lake Shares on and from the first Business Day after the Implementation Date;
 - (b) procure that the New Snow Lake Shares issued as Scheme Consideration will be approved for listing and trading on Nasdaq with effect from the first Business Day after the Effective Date; and
 - (c) ensure that each New Snow Lake Share is duly and validly issued in accordance with all applicable law and Snow Lake's constituent documents, fully paid and non-assessable and free from any Encumbrance, do not constitute "restricted securities" under the U.S. Securities Act of 1933 if held by a non-affiliate of Snow Lake and are issued without restrictive legends under such Act.

5.5 Joint holders

In the case of Scheme Shares held in joint names:

- (a) the New Snow Lake Shares to be issued under this Scheme must be issued to and registered in the names of the joint holders;
- (b) any cheque sent under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of GUE, the holder whose name appears first in the GUE Share Register as at the Record Date or to the joint holders; and
- (c) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of GUE, the holder whose name appears first in the GUE Share Register as at the Record Date or to the joint holders.

5.6 Fractional entitlements

Where the calculation of the aggregate Scheme Consideration to be provided to a Scheme Shareholder (other than an Ineligible Foreign Shareholder or an Electing Selling Scheme Shareholder (as applicable)) would result in the Scheme Shareholder becoming entitled to a part of a New Snow Lake Share, the entitlement of that Scheme Shareholder will be rounded as follows:

- (a) if the fractional entitlement is less than 0.5, it will be rounded down to the nearest whole number of New Snow Lake Shares; and
- (b) if the fractional entitlement is equal to or more than 0.5, it will be rounded up to the nearest whole number of New Snow Lake Shares.

5.7 Share splitting

If Snow Lake and GUE are of the opinion (acting reasonably) that two or more Scheme Shareholders (each of which holds a number of Scheme Shares that results in a fractional entitlement to Scheme Consideration) have, before the Record Date, been party to a shareholding splitting or division in an attempt to obtain an advantage by reference to the rounding, then Snow Lake and GUE must consult in good faith to determine whether such matters have arisen and if agreement is reached between Snow Lake and GUE following such consultation, Snow Lake may give notice to those Scheme Shareholders:

- (a) setting out the names and Registered Addresses of all of them;

- (b) stating that opinion; and
- (c) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice has been given then solely for the purpose of calculating entitlements to Scheme Consideration pursuant to the Scheme:

- (d) the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of this Scheme and the Deed Poll, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and Registered Addresses are set out in the notice will, for the purposes of this Scheme and the Deed Poll, be taken to hold no Scheme Shares; and
- (e) Snow Lake, in complying with the other provisions of this Scheme and the Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of this Scheme and the Deed Poll.

5.8 Unclaimed monies

- (a) A cheque issued under this clause 5 may be cancelled if the cheque:
 - (i) is returned to GUE or Snow Lake (as applicable); or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.

- (c) The *Unclaimed Money Act 1990 (WA)* will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 6 of the *Unclaimed Money Act 1990 (WA)*).

5.9 Orders of a court or Government Agency

If written notice is given to GUE (or the GUE Registry) or Snow Lake (or the Snow Lake Registry) of an order or direction made by a court of competent jurisdiction or by another Government Agency that:

- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be provided to that Scheme Shareholder in accordance with this clause 5, then Snow Lake must procure that provision of that consideration is made in accordance with that order or direction; or
- (b) prevents Snow Lake from providing consideration to any particular Scheme Shareholder in accordance with this clause 5, or the payment or issuance of such consideration is otherwise prohibited by applicable law, GUE or Snow Lake shall be entitled (as applicable):
 - (i) where the relevant Scheme Shareholder is an Ineligible Foreign Holder or Electing Selling Scheme Shareholder (as applicable), to retain an amount, in Australian currency, equal to the relevant Scheme Shareholder's portion of any Sale Proceeds; and/or

- (ii) not to issue, or to issue to a trustee or nominee, such number of New Snow Lake Shares as that Scheme Shareholder would otherwise be entitled to under clause 5.1,

until such time as provision of the Scheme Consideration in accordance with this clause 5 is permitted by that (or another) order or direction or otherwise by applicable law. To the extent that amounts or New Snow Lake Shares are so retained or withheld in accordance with this clause 5.9(b), such retained or withheld amounts or New Snow Lake Shares will be treated for all purposes under this Scheme as having been paid or issued to the person in respect of which such retention and withholding was made, provided that such retained or withheld amounts or New Snow Lake Shares are actually remitted or issued as required by this clause 5.9(b).

6. Dealings in Scheme Shares

6.1 Recognition of dealings

- (a) To establish the identity of the Scheme Shareholders, dealings in Scheme Shares and other alterations to the GUE Share Register will only be recognised if:
- (i) in the case of dealings of the type to be effected using CHESSE, the transferee is registered in the GUE Share Register as the holder of the relevant Scheme Shares on or before the Record Date; and
 - (ii) in all other cases, registrable transmission applications or transfers in respect of those dealings, or valid requests in respect of other alterations, are received on or before the Record Date at the place where the GUE Share Register is kept,

and, for the purpose of establishing the persons who are Scheme Shareholders, GUE must not accept for registration, nor recognise for any purpose (except a transfer to Snow Lake pursuant to this Scheme and any subsequent transfer by Snow Lake or its successors in title), any transmission application or transfer or other request (in each case) received after the Record Date, or received by the Record Date but not in registrable or actionable form, as appropriate.

- (b) GUE must register any registrable transmission applications or transfers of the Scheme Shares of the kind referred to in clause 6.1(a)(ii) by the Record Date provided that, for the avoidance of doubt, nothing in this clause 6.1(b) requires GUE to register a transfer that would result in a GUE Shareholder holding a parcel of GUE Shares that is less than a Marketable Parcel.

6.2 Dealings after Record Date

If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or purport or agree to dispose of any Scheme Shares or any interest in them on or after the Record Date otherwise than pursuant to this Scheme, and any attempt to do so will be void and have no effect and GUE shall be entitled to disregard any such disposal.

6.3 Maintenance of GUE Share Register

For the purpose of determining entitlements to the Scheme Consideration, GUE must maintain the GUE Share Register in accordance with the provisions of this clause 6 until the Scheme Consideration has been provided to all Scheme Shareholders and the GUE Share Register in this form will solely determine entitlements to the Scheme Consideration.

6.4 Holding statements and GUE Share Register entries

Following the Record Date, all statements of holding for Scheme Shares (other than statements of holding in favour of Snow Lake) will cease to have effect as documents of title in respect of those Scheme Shares and each entry on the GUE Share Register in respect of Scheme Shares current at that date (other than entries on the GUE Share Register in respect of Snow Lake) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Scheme Shares relating to that entry.

6.5 Availability of GUE Share Register

As soon as possible after the Record Date, and in any event by 5.00pm on the second Business Day after the Record Date, GUE will ensure that details of the names, Registered Addresses and holdings of GUE Shares for each Scheme Shareholder as shown in the GUE Share Register on the Record Date are available to Snow Lake in the form Snow Lake reasonably requires.

7. Quotation of GUE Shares

- (a) After the Court makes the orders under section 411(4)(b) of the Corporations Act approving the Scheme, GUE will apply to request that ASX suspend trading on the ASX in GUE Shares with effect from the close of trading on the Effective Date.
- (b) On a date after the Implementation Date to be determined by Snow Lake, GUE will apply:
 - (i) for termination of the official quotation of GUE Shares on the ASX; and
 - (ii) to have itself removed from the official list of the ASX.

8. Additional Scheme Provisions

8.1 Consent to amendments

If the Court proposes to approve this Scheme subject to any amendments or conditions under section 411(6) of the Corporations Act:

- (e) acknowledges and agrees that this Scheme binds GUE and all Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or vote against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of GUE.

8.3 Warranties

- (a) Each Scheme Shareholder is taken to have warranted to GUE and Snow Lake on the Implementation Date that:
- (i) all of their Scheme Shares (including all rights and entitlements attaching to them as at the Implementation Date) which are transferred to Snow Lake under this Scheme will, at the date of transfer, be fully paid and free from all Encumbrances; and

8.4 Appointment of attorneys

- (a) Each Scheme Shareholder, without the need for any further act:
- (i) on the Effective Date, irrevocably appoints GUE and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of enforcing the Deed Poll against Snow Lake, and GUE undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against Snow Lake on behalf of and as agent and attorney for each Scheme Shareholder; and
 - (ii) on the Implementation Date, appoints GUE and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of executing any document or doing or taking any other act necessary, desirable or expedient to give effect to this Scheme and the transactions contemplated by it, including (without limitation) executing the Scheme Transfer,

and GUE accepts each such appointment and, as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this clause 8.4 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

- (b) Immediately upon the provision of the aggregate amount of the Scheme Consideration to the Scheme Shareholders in the manner contemplated by clause 5, on and from the Implementation Date and until GUE registers Snow Lake as the holder of all Scheme Shares in the GUE Share Register, each Scheme Shareholder, without the need for any further act by that Scheme Shareholder:
- (i) is deemed to have appointed Snow Lake as attorney and agent, and directs Snow Lake in each such capacity, solely to appoint any director, officer,

secretary or agent of Snow Lake as sole proxy and, where applicable or appropriate, corporate representative of that Scheme Shareholder to attend GUE shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in the name of that Scheme Shareholder and sign any GUE shareholders' resolution;

- (ii) undertakes not to attend any GUE shareholders' meeting or exercise the votes attaching to the Scheme Shares registered in the name of that Scheme Shareholder or sign any GUE shareholders' resolutions, whether in person, by proxy or corporate representative (other than pursuant to clause 8.4(b)(i));
- (iii) must take all other actions in the capacity as registered holder of those Scheme Shares as Snow Lake reasonably directs; and
- (iv) acknowledges and agrees that in exercising the powers conferred under clause 8.4(b)(i), Snow Lake and any director, officer, secretary or agent of Snow Lake may act in the best interests of Snow Lake as the intended registered holder of the Scheme Shares.

8.5 Consent for necessary or incidental acts

Each of the Scheme Shareholders consents to GUE doing all things necessary or incidental to, or to give effect to, the implementation of this Scheme, whether on behalf of Scheme Shareholders, GUE or otherwise.

8.6 Instructions and elections

- (a) whether dividends are to be paid by cheque or into a specific account;
- (b) payments of dividends on GUE Shares; and
- (c) notices or other communications from GUE (including by email),

will be deemed from the time of issue of the Scheme Consideration on the Implementation Date (except to the extent determined otherwise by Snow Lake in its sole discretion), by reason of this Scheme, to be made by the Scheme Shareholder to Snow Lake and to be a binding instruction, notification or election to, and accepted by, Snow Lake in respect of the New Snow Lake Shares issued to the Scheme Shareholder until that instruction, notification or election is revoked or amended in writing addressed to the Snow Lake Registry.

9.3 Notices and other documents sent by post

- (a) If a notice, transfer, transmission, application, direction or other communication referred to in this Scheme is sent by post to GUE, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time at which it is actually received at GUE's registered office or at the office of the GUE Registry.
- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by a GUE Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting, this Scheme or the proceedings of the Scheme Meeting.

9.4 No liability when acting in good faith

To the extent that amounts or Snow Lake Scheme Warrants are so retained or withheld in accordance with this clause 5.5(b), such retained or withheld amounts or Snow Lake Scheme Warrants will be treated for all purposes under this Option Scheme as having been paid or issued to the person in respect of which such retention and withholding was made, provided that such retained or withheld amounts or Snow Lake Scheme Warrants are actually remitted or issued as required by this clause 5.5(b).

Schedule 2 Snow Lake Scheme Warrant Terms and Conditions

Each Snow Lake Scheme Warrant issued as Option Scheme Consideration in accordance with this Option Scheme and the Option Scheme Deed Poll will:

- (a) have an exercise price calculated as follows:

$$A = \frac{B}{C} \times D$$

where:

A is the exercise price in US\$;

B is the exercise price (in A\$) of a Scheme Option;

C is the number which is equal to that number of New Snow Lake Shares (including any fraction of a New Snow Lake Share) to be issued as the Scheme Consideration in consideration for one Scheme Share pursuant to the Share Scheme; and

D is the average A\$ to US\$ exchange rate as posted by the Reserve Bank of Australia for the 10 Business Days included in the Scheme VWAP;

- (b) have an option for the holder of that Snow Lake Scheme Warrant to exercise it on a cashless basis, by setting off the exercise price against the number of Snow Lake Shares issuable upon such exercise (**Cashless Exercise**). If a holder elects a Cashless Exercise for a number of Snow Lake Scheme Warrants, such holder will only be issued that number of Snow Lake Shares (rounded down to the nearest whole number) as is equal in value to the difference between the total exercise price otherwise payable for the Snow Lake Scheme Warrants being exercised and the then market value of the Snow Lake Shares at the time of exercise calculated in accordance with the following formula:

$$S = O \times [(MSP - EP)/MSP]$$

Where:

S = Number of Snow Lake Shares to be issued on cashless exercise of the Snow Lake Scheme Warrants

O = Number of Snow Lake Shares issuable upon the Scheme Warrants being exercised (inclusive of the Snow Lake Shares surrendered in payment of the aggregate exercise price)

MSP = The value of a Snow Lake Share calculated using the volume weighted average price of Snow Lake Shares traded on Nasdaq during the 10 Business Day period immediately prior to (and excluding) the date of the notice of exercise

EP = Exercise Price (pursuant to (a) above)

If the difference between the total exercise price otherwise payable for the Snow Lake Shares on the Snow Lake Scheme Warrants being exercised and the then market value of the Snow Lake Shares at the time of exercise (calculated in accordance with the formula above) is zero or negative, then a holder will not be entitled to elect a Cashless Exercise. The Snow Lake board may also make available a Cashless Exercise pursuant to which the exercise price is paid through an irrevocable commitment by a broker to pay over such amount from a sale of the Snow Lake Shares the holder is entitled to receive upon exercise;

- (c) not vest, and not be exercisable, until the date that is 6 months immediately after its date of issuance under the Option Scheme;

For personal use only

- (d) upon vesting, be exercisable on or before 14 May 2027; and
