About Kaiser Reef Limited (ASX: KAU)

Kaiser Reef is a profitable, ASX listed, gold producer and exploration company with assets in the Eastern States of Australia. In **Tasmania**, Kaiser owns and operates the **Henty Gold Mine**, with underground operations, a 300,000tpa processing plant and associated exploration tenements. In **Victoria**, Kaiser owns, operates and is actively exploring the **Maldon Gold Project**. The Project includes multiple historical underground mines, including the **Union Hill Gold Mine** that is fully permitted and on care and maintenance, and a currently operating 200,000tpa processing plant. Kaiser also owns the **A1 Gold Mine** in Victoria, which is currently being transitioned to care and maintenance.

Future Performance

This announcement may contain certain forward-looking statements and opinions. Forward-looking statements, including projections, forecasts and estimates, are provided as a general guide only and should not be relied on as an indication or guarantee of future performance and involve known and unknown risks, uncertainties, assumptions, contingencies and other important factors, many of which are outside the control of the Company and which are subject to change without notice and could cause the actual results, performance or achievements of the Company to be materially different from the future results, performance or achievements expressed or implied by such statements. Past performance is not necessarily a guide to future performance, and no representation or warranty is made as to the likelihood of achievement or reasonableness of any forward-looking statements or other forecast. Nothing contained in this announcement, nor any information made available to you is, or shall be relied upon as, a promise, representation, warranty or guarantee as to the past, present or the future. Please note that the restart study referred to in this announcement involves certain risks and uncertainties. The future performance of the Company, including its ability to implement proposals coming out of the restart study, will be influenced by a range of factors, many of which are largely beyond the control of the Company and the Directors.
