EXPLANATORY MEMORANDUM

Introduction

This Explanatory Memorandum has been prepared for the information of shareholders of Jumbo Interactive Limited (**Company** or **Jumbo**) in relation to the business to be conducted at the Company's Annual General Meeting (**AGM**) to be held on Tuesday 11 November 2025 commencing at 11.30am (Brisbane time) at The Depot, Milton Green, 135 Coronation Drive, Milton QLD 4064.

The purpose of this Explanatory Memorandum is to provide shareholders with information that is reasonably required by shareholders to decide how to vote upon the resolutions.

Subject to the abstentions noted below, the Directors unanimously recommend shareholders vote in favour of all resolutions. The Chair of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Resolutions 1, 3, and 4, are ordinary resolutions, which require a simple majority of votes cast by shareholders present and entitled to vote on the resolution. Resolution 2, relating to the Remuneration Report, is advisory and does not bind the Directors or the Company. Resolution 5 is to be voted on as a special resolution. For a special resolution to be passed, at least 75% of the votes cast by Shareholders present and entitled to vote on the resolution must be in favour of the resolution.

Resolution 1. Re-Election of Director – Giovanni Rizzo

Giovanni Rizzo was appointed as an independent non-executive Director and Chair of the Audit & Risk Management Committee in January 2019 and was first elected to the Board at the 2019 AGM. In accordance with Rule 40.1(a) of the Constitution, Mr Rizzo retires from office at the conclusion of the AGM and is eligible for re-election as a Director of the Company. If shareholders do not approve the election of Mr Rizzo, then he will cease to be a Director at the conclusion of the Meeting.

The Board considered whether Mr Rizzo had any interest, position or relationship that may interfere with his independence as a Director, having regard to the relevant factors as set out in the ASX Corporate Governance Council's Principles & Recommendations (4th edition). The Board considers that Mr Rizzo (if re-elected), will continue to be an independent Director.

Mr Rizzo is a member of the People and Culture Committee and Chair of the Audit and Risk Management Committee.

Mr Rizzo is a Chartered Accountant and has over 20 years' experience working in various management and consulting roles for large listed lottery, gaming, and fintech businesses in Australia, South Africa and Canada. He is currently the General Manager, Investor Relations at TechnologyOne Limited (**ASX: TNE**) and was previously General Manager of Corporate Advisory at Tyro Payments Limited (**ASX:TYR**) overseeing the Legal, Company Secretarial, Financial Advisory and Investor Relations divisions from October 2020 to January 2024. Mr Rizzo also previously held the position of Head of Investor Relations at Tatts Group Limited prior to their merger with Tabcorp Holdings Limited in 2017.

Mr Rizzo is a member of The Institute of Chartered Accountants in Australia and New Zealand

The Board supports the re-election of Mr Giovanni Rizzo as he contributes to and leads the Board through his significant experience in finance and regulatory compliance as well as his various roles in the lottery and gaming industry.

Recommendation

For the reasons set out above, the Directors, with Mr Giovanni Rizzo abstaining, unanimously recommend shareholders vote in favour of Resolution 1.

Notice of Annual General Meeting

Resolution 2. Remuneration Report

Section 250R(2) of the Corporations Act 2001 (Cth) (the **Act**) requires that the section of the Directors' Report dealing with the remuneration of directors and key management personnel (**KMP**) of the Company (**Remuneration Report**) be put to the non-binding vote of shareholders for adoption. The vote on this resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into account in setting remuneration policy for future years.

Shareholders can view the full Remuneration Report in the Annual Report which is available on Jumbo's website at (<https://www.jumbointeractive.com/investors/annual-reports/>).

Following consideration of the Remuneration Report, the Chair of the Meeting will give shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company, as described in the Remuneration Report, the Directors unanimously recommend that shareholders vote in favour of Resolution 2.

Resolution 3. Issue of STI Director Rights to Mike Veverka

Background

The Company is seeking approval from the shareholders for the proposed grant of rights (**STI Director Rights**) to Mr Mike Veverka, Managing Director, CEO and Founder. Further details of the STI Director Rights are set out below. The rights are proposed to be issued as the short-term incentive component of Mr Veverka's remuneration for the financial year ended 30 June 2025 under the Company's Remuneration Framework.

The Board-implemented Company Remuneration Framework is detailed in the Remuneration Report and includes short-term incentives (**STIs**) with a maximum value of 25% of total remuneration opportunity.

Two hurdle groups are used to determine the achievement of total STI opportunity:

- The first hurdle (which represents 75% of total STI opportunity) is tied to expanding Jumbo's business beyond the Australian Lottobloc games (e.g. Powerball and OzLotto). This included driving performance in our international businesses, charity and SaaS operations, as well as progressing our newly established proprietary games and programs. In addition, growth measures incorporated targets for Underlying NPATA and increasing the number of active players across the Group. This incentive is referred to as the **Growth STI**.
- The second hurdle (representing the remaining 25% of the total STI opportunity) is focused on strengthening our organisational foundations through people and culture initiatives. Measures included increasing gender diversity, particularly the representation of women in STEM roles, achieving Great Place to Work certification across all regions, and maintaining low voluntary attrition of high potential employees. The incentive is referred to as the **Sustainability STI**.

Reflecting overall Company performance and the outcomes achieved against these hurdles, the Board approved payment of 41.5% of the maximum STI opportunity for eligible participants.

Short-term awards made to executives comprise two elements:

- 50% of the total STI is payable as a cash incentive as per the normal incentive payment cycle; and
- the remaining 50% of the total STI is payable as restricted rights to shares payable on the achievement of a 2-year time-based hurdle and subject to formal claw back provisions.

If shareholders approve Resolution 3, the Company will be able to proceed with the issue of STI Director Rights to Mike Veverka on the terms and conditions as set out in this Notice.

Notice of Annual General Meeting

If shareholders do not approve Resolution 3, the proposed issue of STI Director Rights to Mr Veverka will not proceed. The Board would need to consider alternative remuneration arrangements. However, to ensure Jumbo can attract and retain the right talent and align Mr Veverka's interests with those of shareholders, the Board considers it is important for Jumbo to offer incentives to its directors and executives that are in line with market practice.

Resolution 3, if passed, will provide approval for this purpose in relation to both the STI Director Rights and any Shares issued on vesting of those rights. If approval is given under Listing Rule 10.11, approval is not required under ASX Listing Rule 7.1, in accordance with Exception 14 in ASX Listing Rule 7.2.

Recommendation

The Directors consider that the award of securities to Mike Veverka is an appropriate incentive in the best interests of the Company and therefore recommend (with Mr Veverka abstaining from making a recommendation) that shareholders vote in favour of Resolution 3.

Resolution 4. Issue of LTI Options to Mike Veverka

Background

Following a comprehensive review of Jumbo's executive remuneration approach, the Board approved a refreshed Remuneration Framework to apply from FY26. The revised framework is designed to strengthen alignment between executive outcomes and shareholder value creation, reflect evolving market expectations, and embed greater clarity, consistency, and discipline across all reward components.

The LTI structure has evolved from a 100% performance rights model to a more flexible and performance-leveraged design that allows executives to tailor their LTI mix. Participants can elect to receive their LTI award as a combination of performance rights and premium-priced options, in 25% increments, subject to Board approval. This means that LTI awards can range from 100% performance rights to a blended mix including up to 100% premium-priced options. This flexibility allows individuals to select the instrument mix that best aligns with their individual risk profile and personal circumstances.

Regardless of the mix, all LTI awards are subject to the same vesting conditions, promoting fairness and simplicity in plan administration and evaluation. In addition to the vesting conditions, options carry a 30%

Notice of Annual General Meeting

premium to the 5-day VWAP at allocation date, meaning they only deliver value if Jumbo's share price appreciates materially and sustainably above grant levels.

The Company is seeking approval from the shareholders for the proposed grant of options (**LTI Options**) to Mr Mike Veverka, Managing Director, CEO and Founder. Mr Veverka has elected to receive his LTI award as 100% LTI Director Options. Further details of the LTI Options are set out below. The options are proposed to be issued as the long-term incentive component of Mr Veverka's remuneration for the financial year ending 30 June 2026 under the Company's Remuneration Framework

The purpose of the proposed grant of LTI Options is to:

- assist in the motivation, retention and reward of Mr Veverka, essential to the continued growth and development of the Company; and
- align the interests of Mr Veverka more closely with those of shareholders by providing an opportunity for Mr Veverka to receive an equity interest in the Company and to share in any future growth in value of the Company.

ASX Listing Rule 10.11 requires shareholder approval for the issue of securities to a related party. Mr Veverka is a related party as he is a Managing Director, CEO and Founder. Accordingly, shareholder approval for the issue of the LTI Options is sought in accordance with ASX Listing Rule 10.11.

If shareholders approve Resolution 4, the Company will be able to proceed with the issue of LTI Options to Mike Veverka on the terms and conditions as set out in this Notice.

If shareholders do not approve Resolution 4, the proposed issue of LTI Options to Mr Veverka will not proceed. The Board would need to consider alternative remuneration arrangements. However, to ensure Jumbo can attract and retain the right talent and align Mr Veverka's interests with those of shareholders, the Board considers it is important for Jumbo to offer incentives to its directors and executives that are in line with market practice.

Recommendation

The Directors consider that the award of securities to Mike Veverka is an appropriate incentive in the best interests of the Company and therefore recommend (with Mr Veverka abstaining from making a recommendation) that shareholders vote in favour of Resolution 4.

Resolution 5. Renewal of Proportional Takeover Provisions

Background

Rule 77 of the Company's Constitution (set out in Attachment A) contains provisions dealing with proportional takeover bids for the Company's shares that are made in accordance with the Act. The current Constitution was approved by shareholders on 15 November 2010.

Under section 648G of the Act, the proportional takeover provisions must be renewed every 3 years, or they will cease to have effect. These provisions were most recently renewed on 10 November 2022. The Company is now seeking to again renew the proportional takeover approval provisions in its Constitution.

Notice of Annual General Meeting

If Resolution 5 is approved, the current provisions will have effect for a further 3 years from the date the Resolution is passed.

The Directors consider that the inclusion of the proportional takeover provisions in the Constitution is in the interests of shareholders.

In accordance with the Act, the Company provides the following information to shareholders when considering the inclusion of the proportional takeover approval provisions of the Company's constitution.

What is a proportional takeover bid?

In a proportional takeover bid, the bidder offers to buy a proportion only of each shareholder's shares in the target company.

Why are the proportional takeover provisions required?

The Directors consider that shareholders should continue to have the opportunity to approve any proportional takeover bid for the Company.

A proportional takeover bid means that control of a company may pass without its shareholders having the chance to sell all of their shares to the bidder. Shareholders, therefore, may be exposed to the risk of being left as a minority of the Company and the bidder taking control of the Company without paying an adequate premium for gaining control.

The Directors also consider that the proportional takeover provisions may avoid shareholders feeling pressured to accept a proportional takeover bid even if they do not want it to succeed.

In order to deal with this possibility, the Act permits a company, in certain circumstances to provide in its constitution that if a proportional takeover bid is made for shares in the company, shareholders must decide whether to accept or reject the proportional takeover bid.

The benefit of the provision is that shareholders are able to decide collectively whether the proportional takeover bid is acceptable in principle and it may ensure that any proportional takeover bid is appropriately priced.

If the proportional takeover bid does proceed, individual shareholders can then make a separate decision as to whether they wish to accept the offer for their shares.

What is the effect of the proportional takeover provisions?

If the proportional takeover provisions are renewed and a proportional takeover bid is made, the Directors will be required to seek the approval of shareholders for that proportional takeover bid not less than 15 days before the last day of the bid period. The vote is decided on a simple majority.

Each shareholder who, as at the end of the day on which the first offer under the proportional takeover bid was made, held bid class securities, is entitled to vote, but the bidder and its associates are not allowed to vote (and if they do vote, their votes must not be counted).

If the resolution is not passed, transfers which would have resulted from the acceptance of a proportional takeover bid will not be registered and the proportional takeover bid will be taken to have been withdrawn. Any contracts formed by acceptances will be rescinded. If the resolution is approved (or taken to have been approved), the transfers must be registered provided they comply with the Act and the Constitution.

The proportional takeover bid will be taken to have been approved if the resolution is not considered within the 14-day deadline specified in the Act. However, the Directors will breach the Act if they fail to ensure the resolution is considered.

The proportional takeover provisions do not apply to full takeover bids and will only apply for a period of three years commencing on the day Resolution 5 is passed unless again renewed by a special resolution of the Company's shareholders.

Potential advantages and disadvantages

Notice of Annual General Meeting

While the renewal of rule 77 will allow the Directors to ascertain shareholders' views on a proportional takeover bid, the Directors consider that the proportional takeover provisions have no potential advantages or disadvantages to the Directors who remain free to make a recommendation on whether a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for shareholders include:

- that shareholders (other than the bidder and its associates) have an opportunity to consider a proportional takeover bid which may assist in ensuring that the proportional takeover bid is attractive to a majority of shareholders;
- the provisions may discourage the making of a proportional takeover bid which may be considered to be opportunistic and may prevent control of the Company passing without the payment of an appropriate control premium;
- the provisions may assist shareholders avoid being locked into a minority interest in the Company;
- the provisions may increase shareholders' bargaining power and may assist in ensuring that any proportional takeover bid is appropriately priced; and
- knowing the view of the majority of shareholders may assist each individual shareholder assess the likely outcome of the proportional takeover bid and whether to accept or reject that bid.

The potential disadvantages of the proportional takeover provisions for shareholders include:

- they may discourage proportional takeover bids and may reduce any speculative element in the market price of the Company's shares arising from a proportional takeover bid being made;
- shareholders may lose an opportunity of selling some of their shares at a premium;
- they may reduce the likelihood of a proportional takeover bid being successful; and
- the renewal of rule 77 may also be considered an additional restriction on the ability of shareholders to deal freely with their shares.

Review of advantages and disadvantages

There have been no full or proportional takeover bids for the Company while the proportional takeover provisions have been in operation. Accordingly, there is no example against which the advantages or disadvantages of the proportional takeover provisions may be assessed. However, the Directors believe that the potential advantages of the proportional takeover provisions operating for the next three years outweigh the possible disadvantages.

No present acquisition proposals

As at the date this Notice of Meeting was prepared, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Recommendation

The Directors unanimously recommend that shareholders vote in favour of Resolution 5.
