Letter from the Chairman

Dear Shareholder,

I am pleased to write to you at a pivotal point in Podium's journey, with the recent unveiling of our new Concentrator flowsheet (**Concentrator**) marking a major metallurgical breakthrough for Parks Reef.¹ The development of the groundbreaking Concentrator marks a significant advancement for the Company, with the potential to unlock the value of the Parks Reef PGM Project and establish further strategic growth opportunities across the various mineralised zones within Parks Reef.

The successful completion of our capital raise will provide funding to advance to an exciting new phase of project development, as we scale up operations to pilot plant testing and accelerate the development of Parks Reef.

This year, Podium has delivered several transformational initiatives that have materially strengthened our strategic position and added momentum to the business. These include the successful acquisition of the Range Well Nickel Project, joining the esteemed World Platinum Investment Council as its first Australian PGM member, and establishing a new mineral resource estimate for the substantial Copper-Gold Zone located above our existing PGM Zone.² Together with the development of the Concentrator, these initiatives collectively position Podium to embark on a compelling new phase of growth and value creation.

Our innovative and groundbreaking Concentrator has demonstrated outstanding results in laboratory-scale testing, achieving approximately 80% 3E recovery and yielding two high-grade PGM concentrates. These concentrates collectively deliver a notional combined grade of 82g/t 3E, representing an impressive 50-fold upgrade ratio and underscoring the step-change nature of our breakthrough.

The \$12 million raised through the Placement and the Entitlement Offer will enable Podium to execute a comprehensive pilot plant test work program on the Concentrator flowsheet. This critical next step in the Project will allow us to validate the flowsheet at a larger scale, optimise operating conditions, and assess flowsheet performance across feed materials sourced through a targeted diamond drilling program at Parks Reef. Pilot-scale testing is essential to de-risk the Project, providing the opportunity to confirm the repeatability and robustness of the Concentrator and generate operating and product data to accelerate our path to feasibility studies.

In addition, a portion of the funds raised will be allocated to laboratory-scale test work across Parks Reef's other mineralised zones, as well as update the mineral resource estimate for the Range Well Nickel Project. Our broader program will also include selective deeper drilling to enhance our understanding of resource continuity beneath the existing Parks Reef Resource, and will support ongoing corporate and strategic business development initiatives aimed at reinforcing Podium's development trajectory.

This capital raising comes at a time of tightening market conditions across the PGM sector. The sector is experiencing resilient demand and constrained supply, reflected in the recent rebound in metal prices. Significantly, the price of platinum has recently attained its highest level in more than ten years. The key PGMs are now in their third consecutive year of supply deficits – a trend expected by industry commentators to continue, supporting a positive outlook for prices and reinforcing the strategic importance of our Parks Reef development initiatives.

On behalf of the Board, I would like to thank our loyal shareholders for their continued support and belief in our vision. As we look ahead, the next stage of the Parks Reef Project will see Podium build on the momentum generated by our recent achievements, supported by favourable market dynamics and an

expanding suite of strategic opportunities. We remain energised by the opportunities that lie ahead and are committed to advancing our Project, delivering on our strategy, and creating enduring value for our shareholders, employees, and partners.

Capital Raising

On 1 October 2025, the Company announced:

- (a) that it had received commitments to raise approximately \$5.0 million (before costs) via a placement through the issue of 78,125,000 new fully paid ordinary shares (**Placement Shares**) at an issue price of 6.4 cents per Placement Share (**Placement**); and
- (b) a pro-rata non-renounceable entitlement offer to raise approximately \$7.0 million (before costs) through the issue of approximately ~109.7 million new fully paid ordinary shares in the Company (**New Shares**) at the same issue price as the Placement (**Entitlement Offer**).

Under the Entitlement Offer, Eligible Shareholders are entitled to acquire 1 New Share for every 8 existing Shares held on the record date, being 5.00pm (AWST) on Tuesday, 7 October 2025 (**Record Date**). New Shares issued under the Entitlement Offer will rank equally with existing Shares. The Placement Shares were issued on Tuesday, 7 October 2025, being the Record Date for the Entitlement Offer, and will therefore carry an Entitlement to participate in the Entitlement Offer.

The Entitlement Offer is fully underwritten by Leeuwin Wealth to provide funding certainty, and both Leeuwin Wealth and Cumulus Wealth have been appointed as Joint Lead Managers to the Placement and Entitlement Offer.

Funds received from the Placement and Entitlement Offer will be used principally to continue the advancement of Podium's 100% owned Parks Reef PGM Project. For further details, refer to section 1.6.

Offer Booklet

The Offer Booklet contains information about the Entitlement Offer. I encourage you to read this Offer Booklet carefully before making your investment decision, and if required, consult with your stockbroker, solicitor, accountant or other independent professional advisor.

On behalf of the Board, I invite you to consider this opportunity and thank you for your continued support and interest in the business. We are excited about the opportunities to advance the performance of our metallurgical circuit, as we continue to develop Australia's premier PGM Project.

Yours sincerely

Rodney Baxter
Executive Chairman

With this Offer Booklet you will also find your Entitlement and Acceptance Form which details your Entitlement and provides instructions on how to participate in the Entitlement Offer.

1 Details of the Entitlement Offer

1.1 Overview of the Entitlement Offer

Under the Entitlement Offer, the Company is offering Eligible Shareholders the opportunity to subscribe for one (1) New Share for every eight (8) existing Shares held at the Record Date, at the Issue Price of 6.4 cents per New Share (together, the **Entitlement Offer** or **Offer**). Based on the capital structure of the Company as at the Record Date, (and assuming no Shares other than the Placement Shares are issued prior to the Record Date, including on exercise or conversion of convertible securities on issue) approximately 109.7 million New Shares may be issued under the Entitlement Offer to raise up to approximately \$7.0 million.

The Entitlement Offer is fully underwritten by Leeuwin Wealth Pty Ltd (**Underwriter**) pursuant to the terms of an underwriting agreement with the Underwriter, a summary of which is set out in Section 1.15.

Where fractions arise in the calculation of an Entitlement, they have been rounded to the nearest whole number of New Shares.

1.2 Eligible Shareholders

This Offer Booklet contains an offer of New Shares to Eligible Shareholders. Eligible Shareholders are those holders of Shares who:

- (a) are registered as a holder of Shares on the Record Date;
- (b) have an address on the register in Australia, New Zealand, or, subject to the restrictions set out in section 4.2(c), the United Kingdom;
- (c) are not in the United States and are not acting for the account or benefit of a person in the United States to the extent such persons hold Shares for the account or benefit of persons in the United States; and
- (d) are otherwise eligible under all applicable securities laws to receive an offer under the Entitlement Offer without any requirement for a prospectus or offer document to be lodged or registered.

Shareholders that are not Eligible Shareholders are Ineligible Shareholders. The Company has determined (having regard to ASX Listing Rule 7.7.1(a)) that it is unreasonable to extend to Ineligible Shareholders the opportunity to participate in the Entitlement Offer because of the small number of such Shareholders, the number and value of Shares that they hold and the cost of complying with the applicable regulations in jurisdictions outside Australia, New Zealand, or the United Kingdom.

The Entitlements of Eligible Shareholders who also hold options to acquire Shares will be calculated on the basis of the number of Shares they hold on the Record Date, disregarding any Options which have not been exercised before that time.

1.3 Shortfall Offer

Any Entitlement not taken up pursuant to the Entitlement Offer will form the Shortfall Offer. The issue price for each Share to be issued under the Shortfall Offer shall be 6.4 cents being the price at which Shares have been offered under the Entitlement Offer.

If you do not wish to take up any part of your Entitlement you are not required to take any action. That part of your Entitlement not taken up will form part of the Shortfall Offer and potentially be allocated to other Eligible Shareholders as part of the Shortfall Offer or other investors in accordance with the Underwriting Agreement. The Shortfall Offer will only be available where there is a Shortfall between applications received from Eligible Shareholders and the number of New Shares proposed to be issued under the Entitlement Offer.

Eligible Shareholders who wish to subscribe for Shortfall Shares above their Entitlement are invited to apply under the Shortfall Offer by following the instructions in section 2.3.

Allocation of the Shortfall Shares will be at the absolute discretion of the Board in conjunction with the Underwriter and will otherwise be subject to the terms of the Underwriting Agreement, details of which are set out in section 1.15.

If the Entitlement Offer is oversubscribed (by take up of Entitlements and applications for Shortfall Shares by Eligible Shareholders accepted by the Board), scale-back for successful Shortfall applications will be applied at the absolute discretion of the Board in conjunction with the Underwriter.

In determining whether to accept an application for Shortfall Shares (in whole or in part), or in determining scale-backs, the Board and Underwriter may take into account a number of factors, including but not limited to the size of an applicant's shareholding, the extent to which an applicant has sold or bought additional Shares after the Record Date and the date on which the application was made.

There is no guarantee that Eligible Shareholders will receive Shortfall Shares.

Where an application for Shortfall Shares is accepted (in whole or in part), unless otherwise agreed between the Company and the Underwriter, the Board intends to allocate any Shortfall Shares under the Shortfall Offer according to the following priority:

- (a) firstly, to successful Eligible Shareholder Shortfall Share applicants, subject to the allocation not resulting in an Eligible Shareholder's voting power in the Company increasing from 19.99% or below to more than 19.99%, or from a starting point that is above 20% and below 90% in breach of section 606 of the Corporations Act; and
- (b) secondly, following the allocation in paragraph (a), there remains any Shortfall Shares, those Shortfall Shares will then be allocated to the Underwriter in accordance with the Underwriting Agreement.

No Securities will be issued to an applicant if the issue of Securities would contravene the takeover prohibition in section 606 of the Corporations Act. Similarly, no Securities will be issued via the Shortfall Offer to any related parties of the Company.

In the event an application for Shortfall Shares is scaled back, excess Application Money received by the Company will be refunded, without interest, following allotment.

1.4 Ranking of New Shares

New Shares issued under the Entitlement Offer will rank equally with existing Shares.

1.5 Effect of the Entitlement Offer on capital structure

(a) Capital structure

The proposed capital structure of the Company following the issue of the New Shares in connection with the Entitlement Offer will be as follows (subject to rounding of Entitlements):

1.6 Use of funds

Funds raised from the Placement and Entitlement Offer will be used principally to continue the advancement of Podium's 100% owned Parks Reef PGM Project. More specifically, the Company intends to apply the proceeds received as follows:

- \$1.92 million: diamond drilling campaign targeting the sulphide ore of the PGM Zone, to provide metallurgical sample for the pilot plant test work program;
- \$3.32 million: concentrator pilot plant construction and test work on bulk sulphide feed for scale-up and process verification and optimisation, generating operational and product data for development models and downstream engagement;³
- \$0.6 million: development modelling to accelerate feasibility studies;
- \$0.7 million: laboratory-scale test work programs targeting to unlock process pathways for other mineralised zones at Parks Reef;
- \$2.12 million: deeper exploratory resource drilling (~5 diamond holes) to depths of 300m – 350m, for information continuity below existing JORC MRE. Aeromagnetic and down-hole trials for resource orientation;

The above is a statement of current intentions as of the date of this Offer Booklet. As with any budget, intervening events (including exploration and test work success or failure) and changes in circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way funds are applied on this basis.

³ Refer to ASX Announcement dated 1 October 2025, titled 'Game-changing concentrator – metallurgical milestone'.

The Underwriter and the Company may appoint sub-underwriters to sub-underwrite the Entitlement Offer. Cumulus Wealth is acting as a sub-underwriter, sub-underwriting approximately \$3,125,000 of the Entitlement Offer.

The Underwriting Agreement otherwise contains provisions considered standard for an agreement of its nature (including representations and warranties and confidentiality provisions). The termination events and indemnity are summarised below:

1.16 Control

The Underwriter is presently not a Shareholder and is not a related party of the Company for the purposes of the Corporations Act. The issue of Shares under the Underwriting Agreement to the Underwriter may increase its interest in the Company and dilute the Shareholding of other Shareholders to the extent they elect not to participate in the Entitlement Offer or are ineligible to participate in the Entitlement Offer.

In accordance with the terms of the Underwriting Agreement, the Underwriter may appoint sub-underwriters to sub-underwrite the Entitlement Offer, and will ensure that no person (including the Underwriter or any sub-underwriter) will acquire a holding of Shares of, or increase their holding, to an amount in excess of 19.99% of all the Shares on issue on completion of the Entitlement Offer.

The Company does not consider that the issue of New Shares under the Entitlement Offer will have a material impact on control of the Company.

1.17 Potential dilution of non-participating Shareholders

In addition to potential control impacts set out in Section 1.16, Shareholders should note that if they do not participate in the Entitlement Offer, their holdings are likely to be diluted by approximately 11.1% (as compared to their holdings and number of Shares on issue as at the Record Date). For illustrative purposes, the table below shows how the dilution may impact the holdings of Shareholders:

Holder	Holding as at Record Date	% at Record Date	Entitlements under the Offer	Holdings if Offer not taken up	% post Offer
Shareholder 1	100,000,000	11.40	12,500,000	100,000,000	10.13
Shareholder 2	15,000,000	1.71	1,875,000	15,000,000	1.52
Shareholder 3	10,000,000	1.14	1,250,000	10,000,000	1.01
Shareholder 4	5,000,000	0.57	625,000	5,000,000	0.51
Shareholder 5	1,000,000	0.11	125,000	1,000,000	0.10
Shareholder 6	500,000	0.06	62,500	500,000	0.05
Shareholder 7	50,000	0.01	6,250	50,000	0.01

No immediate dilution will occur as a result of the issue of the Corporate Advisor Options. However subsequent exercise of any or all of the Corporate Advisor Options (or any other Options) will result in dilution. Assuming the New Shares are issued under the Entitlement Offer and the additional Corporate Advisor Options are issued and exercised into Shares, Shareholders who do not participate in the Entitlement Offer are likely to be diluted by an aggregate of approximately 12.9% (as compared to their holdings and number of Shares on issue as at the Record Date).

2 How to participate

2.1 General

Before taking any action, you should carefully read this Offer Booklet and the other publicly available information about the Company on our website (www.podiumminerals.com) and consider the risk factors set out in the Appendix of the Investor Presentation.

The number of New Shares to which Eligible Shareholders are entitled is shown on the Entitlement and Acceptance Form, which can be accessed from the Offer Website www.computersharecas.com.au/pod. If you are an Eligible Shareholder you may:

- (a) take up your Entitlement in full or in part (refer to section 2.2);
- (b) take up your Entitlement in full and also apply for Shortfall Shares (refer to sections 2.2 and 2.3); or
- (c) allow your Entitlement to lapse (refer to section 2.6).

2.2 If you wish to accept your Entitlement in full or in part

Pay by BPAY®

If you are paying for your New Shares by BPAY®, please refer to your personalised instructions on your Entitlement and Acceptance Form, which can be accessed from the Offer Website www.computersharecas.com.au/pod. Please note that should you choose to pay by BPAY®:

- (a) you do not need to complete or return the Entitlement and Acceptance Form but are taken to have made the declarations on that personalised Entitlement and Acceptance Form;
- (b) amounts received by the Company in excess of the Issue Price multiplied by your Entitlement (**Excess Amount**) may be treated as an application to apply for as many Shortfall Shares as your Excess Amount will pay for in full; and
- (c) if you do not pay for your full Entitlement, you are deemed to have taken up your Entitlement in respect of such whole number of New Shares as is covered in full by your Application Money.

When completing your BPAY® payment, please make sure to use the specific Biller Code and unique reference number provided on your personalised Entitlement and Acceptance Form. If you receive more than one personalised Entitlement and Acceptance Form (i.e. where you have multiple holdings), please only use the reference number specific to the Entitlement on that form. If you inadvertently use the same reference number for more than one of your Entitlements, you will be deemed to have applied only for New Shares on the Entitlement to which the reference number applies.

You should be aware that your own financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration when making payment. It is your responsibility to ensure that funds submitted through BPAY® are received by **5.00pm (AWST) on the Closing Date**.

Excess Application Money that is not sufficient to subscribe for a number of New Shares or Shortfall Shares multiplied by the Issue Price will be refunded to you except where that amount is less than \$2.00, in which case it will be retained by the Company. The method by which you receive the refund will be at the discretion of the Company. No interest will be paid to Eligible Shareholders on any Application Money received or refunded.

Payment via BPAY is encouraged.

Payment of Electronic Funds Transfer (EFT) for non-Australian bank transfers

For Eligible Shareholders whose holdings are registered overseas, pay your Application Money via Electronic Funds Transfer (EFT) by following the instructions on the Offer Website www.computersharecas.com.au/pod.

Please note that should you choose to pay by EFT:

- (a) you do not need to complete or return the Entitlement and Acceptance Form but are taken to have made the declarations on that personalised Entitlement and Acceptance Form;
- (b) amounts received by the Company in excess of the Issue Price multiplied by your Entitlement (**Excess Amount**) may be treated as an application to apply for as many Shortfall Shares as your Excess Amount will pay for in full; and
- (c) if you do not pay for your full Entitlement, you are deemed to have taken up your Entitlement in respect of such whole number of New Shares as is covered in full by your Application Money.

Please note that your bank and the receiving bank may apply fees or charges to any transfer and any conversion to Australian dollars from a foreign currency will impact the amount of Australian dollars received by the Company. You should instruct your bank to elect 'remitter to bear charges'.

When completing your EFT, please make sure to use the unique reference number provided to you via email.

You should be aware that your own financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration when making payment. It is your responsibility to ensure that funds submitted through EFT are received by **5.00pm (AWST) on the Closing Date**.

Excess Application Money that is not sufficient to subscribe for a number of New Shares or Shortfall Shares multiplied by the Issue Price will be refunded to you except where that amount would not otherwise cover the costs to the Company of refunding such excess Application Money, in which case it will be retained by the Company. The method by which you receive the refund will be at the discretion of the Company. No interest will be paid to Eligible Shareholders on any Application Money received or refunded.

2.3 Applying for Shortfall Shares

Eligible Shareholders may also apply for Shortfall Shares, being New Shares in excess of their Entitlement, in connection with the Shortfall Offer (refer to section 1.3), by following the instructions on the Entitlement and Acceptance Form, which can be accessed from the Offer Website www.computersharecas.com.au/pod. Please note that Shortfall Shares will only be allocated to Eligible Shareholders if and to the extent that the Board determines to do so, in its absolute discretion having regard to circumstances as at the time of the close of the Entitlement Offer. Any Shortfall Shares will be limited to the extent there are sufficient New Shares from Eligible Shareholders who do not take up their full Entitlements or from New Shares that would have been offered to Ineligible Shareholders if they had been entitled to participate in the Entitlement Offer.

If you apply for Shortfall Shares beyond your Entitlement you are deemed to have accepted your Entitlement in full. You should note that the allocation of Shortfall Shares is at the absolute discretion of the Board in conjunction with the Underwriter as per the allocation policy set out in section 1.3. Accordingly, your application for Shortfall Shares may be scaled-back or rejected.

The Board, in conjunction with the Underwriter, may scale-back any application for Shortfall Shares in its absolute discretion, but will not scale-back any Entitlement. Decisions in respect of scale-back will be made in accordance with the guidance in *ASIC Report 605 Allocations in equity raising transactions*.

In the event of a scale-back, the difference between the Application Money received, and the number of New Shares allocated to you multiplied by the Issue Price, will be refunded by the Company, without interest, following allotment.

The Company's decision on the number of Shortfall Shares to be allocated to you will be final.

2.4 Acceptance of the Entitlement Offer

 - (h) declare that you were the registered holder(s) at the Record Date of the Shares indicated on the Entitlement and Acceptance Form as being held by you on the Record Date;
 - (i) acknowledge that the information contained in this booklet is not investment advice or a recommendation that New Shares are suitable for you, given your investment objectives, financial situation or particular needs, and that the Offer Booklet is not a prospectus, does not contain all of the information that you may require in order to assess an investment in the Company and is given in the context of the Company's past and ongoing continuous disclosure announcements to ASX;
 - (j) acknowledge the statement of risks in the Investor Presentation, and that investments in the Company are subject to risks;
 - (k) represent and warrant that the law of any place does not prohibit you from being given this Offer Booklet or making an application for New Shares; and
 - (l) represent and warrant that you are an Eligible Shareholder and have read and understood this booklet and the Entitlement and Acceptance Form and that you acknowledge the matters, and make the warranties and representations and agreements contained in this Offer Booklet and the Entitlement and Acceptance Form.

2.6 If you do not wish to accept all or any part of your Entitlement

To the extent you do not accept all or any part of your Entitlement, it will lapse. Any New Shares that you would have otherwise been entitled to under the Entitlement Offer (or New Shares that relate to the portion of your Entitlement that has not been accepted) may be issued pursuant to the Shortfall Offer.

Entitlements are non-renounceable and will not be tradeable on ASX or otherwise transferable. Shareholders who do not take up their Entitlements in full will not receive any value in respect of

the Entitlements they do not take up, and their percentage shareholding in the Company will be reduced following the issue of New Shares.

3 Risk factors

The Directors consider that the summary of risks set out in the Investor Presentation, which is not exhaustive, represents some of the major risk factors which potential investors need to be aware of in evaluating the Company's business and risks of investing in the Company. Potential investors should carefully consider those risk factors in addition to the other information presented in this Offer Booklet.

4 Important information for Shareholders

4.1 No prospectus or product disclosure statement and not investment advice

The Entitlement Offer complies with the requirements of section 708AA of the Corporations Act as modified by *ASIC Corporations (Non-Traditional Rights Issues) Instrument 2016/84*. Accordingly, neither this Offer Booklet nor the Entitlement and Acceptance Form are required to be lodged or registered with ASIC.

Neither this Offer Booklet nor the Entitlement and Acceptance Form are investment advice and do not take into account your investment objectives, financial situation, tax position and particular needs. Before deciding whether to apply for New Shares, you should consider whether they are a suitable investment for you in light of your personal circumstances (including financial and taxation issues) and seek professional guidance before deciding whether to invest.

4.2 Shareholders outside Australia

(a) General restrictions

This Offer Booklet and accompanying Entitlement and Acceptance Form do not constitute an offer of New Shares in any jurisdiction in which, or to any person to whom, it would not be lawful to make such an offer. In particular, this Offer Booklet may not be distributed to any person, and the New Shares may not be offered or sold, in any country outside Australia except to the extent permitted below.

The distribution of this Offer Booklet in jurisdictions outside Australia, New Zealand and the United Kingdom may be restricted by law and therefore persons who come into possession of this Offer Booklet outside Australia, New Zealand and the United Kingdom should seek advice on and observe any such restrictions. A failure to comply with these restrictions may constitute a violation of applicable securities laws.

It is the responsibility of any applicant to ensure compliance with any laws of the country relevant to their application. Return of a duly completed Entitlement and Acceptance Form and/or payment of Application Money will be taken by the Company to constitute a representation that there has been no breach of such laws and that the applicant is physically present in Australia, New Zealand and the United Kingdom as relevant.

(b) New Zealand

The New Shares are not being offered to the public within New Zealand other than to existing shareholders of the Company with registered addresses in New Zealand to whom the offer of these securities is being made in reliance on the Financial Markets Conduct (Incidental Offers) Exemption Notice 2021.

This document has been prepared in compliance with Australian law and has not been registered, filed with or approved by any New Zealand regulatory authority under the Financial Markets Conduct Act 2013. This document is not a product disclosure statement under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

(c) **United Kingdom**

Neither this Offer Booklet nor any other document relating to the Entitlement Offer has been delivered for approval to the Financial Conduct Authority in the United Kingdom and no prospectus (within the meaning of section 85 of the Financial Services and Markets Act 2000, as amended (**FSMA**)) has been published or is intended to be published in respect of the New Shares. The Shares may not be offered or sold in the United Kingdom by means of this Offer Booklet or any other document, except in circumstances that do not require the publication of a prospectus under section 86(1) of the FSMA. This Offer Booklet is issued on a confidential basis in the United Kingdom to “qualified investors” within the meaning of Article 2(e) of the UK Prospectus Regulation. This document may not be distributed or reproduced, in whole or in part, nor may its contents be disclosed by recipients, to any other person in the United Kingdom. Any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received in connection with the issue or sale of the New Shares has only been communicated or caused to be communicated and will only be communicated or caused to be communicated in the United Kingdom in circumstances in which section 21(1) of the FSMA does not apply to the Company.

In the United Kingdom, this document is being distributed only to, and is directed at, persons (i) who have professional experience in matters relating to investments falling within Article 19(5) (investment professionals) of the Financial Services and Markets Act 2000 (Financial Promotions) Order 2005 (**FPO**), (ii) who fall within the categories of persons referred to in Article 49(2)(a) to (d) (high net worth companies, unincorporated associations, etc.) of the FPO or (iii) to whom it may otherwise be lawfully communicated (**relevant persons**). The investment to which this document relates is available only to relevant persons. Any person who is not a relevant person should not act or rely on this document.

4.3 Ineligible Shareholders

The Company is not extending the Entitlement Offer to Ineligible Shareholders having regard to the cost of complying with legal and regulatory requirements in many foreign jurisdictions where Ineligible Shareholders have their registered address, the number of Ineligible Shareholders and the number and value of New Shares which could be offered to Ineligible Shareholders.

Where this Offer Booklet has been despatched to Ineligible Shareholders, it is provided for information purposes only.

In limited circumstances the Company may elect to treat as Eligible Shareholders certain Shareholders who would otherwise be Ineligible Shareholders, provided the Company is satisfied that it is not precluded from lawfully issuing New Shares to such Shareholders either unconditionally or after compliance with conditions which the Board in its sole discretion regards as acceptable and not unduly onerous.

4.4 Notice to nominees and custodians

The Company is not required to determine whether or not any registered holder is acting as a nominee or the identity or residence of any beneficial owners of securities. Where any nominee or custodian is acting on behalf a foreign person, that holder, in dealing with its beneficiary, will need to assess whether indirect participation by the beneficiary in the Entitlement Offer is compatible with applicable foreign laws. Nominees and custodians may not distribute any part of this Offer Booklet in the United States or in any other country outside of Australia, New Zealand and the United Kingdom except, with the consent of the Company, to beneficial shareholders resident in certain other countries where the Company may determine it is lawful and practical to make the Entitlement Offer.

4.5 Continuous disclosure

The Company is a "disclosing entity" under the Corporations Act and is subject to regular reporting and disclosure obligations under the Corporations Act and the ASX Listing Rules, including the preparation of annual reports and half-yearly reports.

The Company is required to notify the ASX of information about specific events and matters as they arise for the purposes of the ASX making that information available to the respective stock markets conducted by the ASX. In particular, the Company has an obligation under the ASX Listing Rules (subject to certain exceptions) to notify the ASX immediately of any information which it is or becomes aware which a reasonable person would expect to have a material effect on the price value of its Shares. That information is available to the public from the ASX.

4.6 Taxation consequences

The taxation consequences of any investment in New Shares will depend upon your particular circumstances. Potential investors must make their own enquiries concerning the taxation consequences of an investment in the Company. Applicants should consult their tax adviser for advice applicable to their individual needs and circumstances.

4.7 Privacy

If you complete an Entitlement and Acceptance Form and apply for New Shares, you will be providing personal information to the Company, its agents, contractors and third-party service providers. The Company, its agents, contractors and third-party service providers will collect, hold and use that information to assess your acceptance, carry out administration of your shareholding, service your needs as a Shareholder and facilitate corporate communications.

The information may also be used from time to time and disclosed to persons inspecting the register, bidders for your securities in the context of takeovers, regulatory bodies, including the Australian Taxation Office, print service providers, mail houses and the Share Registry.

Failure to provide the required personal information may mean that your acceptance is not able to be processed efficiently, if at all.

You may request access to your personal information held by (or on behalf of) the Company and by the Share Registry. You can request access to, or the updating of, your personal information by telephoning or writing to the Company or the Share Registry using the details shown in the Corporate Directory.

The collection, maintenance and disclosure of certain personal information is governed by legislation including the *Privacy Act 1988* (Cth) and the Corporations Act.
