14 October 2025

SRG Global Enters Agreement to Acquire TAMS, a Market Leader in Marine Infrastructure Services

SRG Global Ltd (“**SRG Global**” or the “**Company**”) (ASX: SRG) is pleased to announce that it has entered into a binding agreement to acquire 100% of the issued shares in Total AMS Pty Ltd and its subsidiaries (“**TAMS**”) for \$85 million on a cash-free, debt-free basis and normal level of working capital (the “**Acquisition**”).

Highlights

- SRG Global to acquire 100% of TAMS, a leading end-to-end diversified marine infrastructure services partner with a 25+ year history and full self-perform capability
- The Acquisition implies an FY26 EBITDA multiple 2.7x, EBIT multiple of 3.2x and is expected to be circa 25% EPS(A) accretive to FY26 earnings (pre synergies)
- TAMS is an expert in design, engineering, construction, maintenance and remediation services, through long-term relationships with key owners and users of critical port and marine infrastructure
- Market leading national marine infrastructure position / strategic geographic footprint with exposure to attractive growth markets including Resources, Energy, Transport, Water & Defence
- SRG Global intends to fund the \$85m Acquisition via a combination of:
 - \$57.3 million in of existing cash and available debt facilities;
 - \$27.7 million of SRG Global shares issued to Vendors (13,948,705 SRG shares at \$1.99 per share based on 30-day VWAP to 8 October 2025, and escrowed for two years)
 - A two-year earn-out opportunity (payable each year in cash) as follows:
 - 100% of TAMS annual EBITDA above \$30m and below \$40m
 - 50% of TAMS annual EBITDA above \$40m
- The Acquisition is highly strategic, with TAMS’ market leading position in marine infrastructure services, with established partnerships with resources, energy and government clients, complementing SRG Global’s current end-to-end full asset life cycle capability and experience
- The combined group brings together two highly complementary businesses that provide significant cross selling opportunities with existing and new clients
- Highly regarded management team backed by 500+ highly skilled technical specialists
- The Acquisition further embeds SRG Global’s transition to a business with a profile of 80%+ recurring, annuity earnings, and comes with \$600m of Work in Hand and a \$3b+ opportunity pipeline

ASX ANNOUNCEMENT

Overview of TAMS

TAMS is a leading partner in the marine infrastructure sector, providing full-lifecycle asset services to port authorities, resources, energy, and logistics clients under long-term, collaborative services agreements.

TAMS is complementary to SRG Global's current end-to-end, self-perform capability and has been operating for more than 25 years with a workforce of 500+ people.

TAMS is expected to deliver proforma FY26 revenue of \$200 million, EBITDA of \$35 million and EBIT of \$30 million (based on a full twelve months).

Strategic Rationale

TAMS adds a highly complementary capability to SRG Global's existing business with a sole-source, end-to-end marine infrastructure service offering. The acquisition is consistent with SRG Global's strategy of driving step-change growth in recurring earnings underpinned by long-term collaborative maintenance and asset lifecycle agreements.

TAMS has \$600 million Work in Hand across the critical growth markets of ports, resources, energy, transport, water and defence.

Strategic Highlights

- Establishes SRG as a leading provider of marine infrastructure services spanning design, construction, remediation and ongoing maintenance
- Diversifies SRG's client base with long-term contracts across a diverse range of sectors
- High-quality management team with proven operational delivery and strong client relationships
- Enhances annuity / recurring revenue profile with multi-year marine infrastructure and maintenance agreements
- \$600 million Work in Hand, with a \$3 billion opportunity pipeline supporting sustained growth

TAMS ACQUISITION

Highly Complementary Core Capabilities

TAMS' core capabilities are **highly complementary** with SRG Global's service offering in delivering **critical infrastructure services** to the marine industry and its associated users (government, resources, energy, defence and water).

Maintenance Solutions

Marine Access Services

Subsea Services

Engineering Construction

Specialist Fleet

Financial Highlights

- Acquisition price of \$85 million implies an FY26 EBITDA multiple of 2.7x, EBIT multiple of 3.2x and results in pro forma FY26 EPS accretion of 25% prior to any synergies and cross-selling opportunities
- TAMS operates a capital-light business model (capex circa 2% to 3% of revenue) and generates strong operating cash flow
- Further embeds SRG Global's strategic transformation towards annuity / recurring earnings, with the Group's post-acquisition profile materially enhanced by marine infrastructure services

ASX ANNOUNCEMENT

Commenting on the acquisition, SRG Global Managing Director, David Macgeorge, said:

"I am pleased to announce the transformational acquisition of TAMS, who is a market leader in the marine infrastructure services sectors. TAMS is a leading end-to-end delivery partner with unparalleled self-perform capability through long-term relationships with resources, energy and government clients. TAMS is complementary to SRG Global's service offering in key growth markets and geographic locations; and will further enhance our strong track record of cross-selling our end-to-end services.

"TAMS is a significant and highly attractive acquisition with FY26 pro forma EPS accretion of circa 25% pre any synergies or cross selling opportunities and brings a capital light investment profile; and more than \$600 million Work in Hand with a \$3 billion Opportunity Pipeline.

"TAMS comes with a high-quality management team and workforce with a proven track record of delivering for clients through long-term, collaborative marine infrastructure and asset lifecycle services agreements and further embeds our transformation to a business with a profile of 80% annuity / recurring earnings in line with SRG Global's long-term strategy.

"We acknowledge the expertise and professionalism of TAMS's people and the significant amount of work undertaken to grow the business into the market leader it is today. We are delighted to welcome the TAMS team to the SRG Global family and look forward to the exciting future that lies ahead for the combined business."

TAMS ACQUISITION

SUMMARY OF TAMS ACQUISITION

Transformational Acquisition
of market leading specialist marine infrastructure services provider

Clear Strategic Fit
with complementary self-perform delivery capability

Market Leadership
in highly attractive growth segments for critical infrastructure services

Competitive Advantage
with geographic footprint of critically located shore-bases

Diversifies & Enhances
