## 3. Resolution 1 - Adoption of Remuneration Report

### 3.1 Background

In accordance with subsection 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified management and non-executive Directors.

In accordance with subsection 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

Shareholders will have the opportunity to remove the whole Board except the Managing Director if the Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings.

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the

second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of approval of the applicable Directors' Report will cease to hold office and may stand for re-election.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, a Resolution will not be relevant for this Annual General Meeting.

Please note, if the Remuneration Report receives a Strike at this Meeting and a second Strike is received at the 2026 annual general meeting, this may result in the re-election of the Board.

The Chairperson will allow a reasonable opportunity for Shareholders as a whole to ask about or make comments on the Remuneration Report.

Resolution 1 is an ordinary resolution.

### **3.2 Recommendation**

The Chairperson intends to exercise all available proxies in favour of Resolution 1.

If the Chairperson is appointed as your proxy and you have not specified the way the Chairperson is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairperson with an express authorisation for the Chairperson to vote the proxy in accordance with the Chairperson's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company.

The Board recommends that Shareholders vote in favour of Resolution 1.

---

## **4. Resolution 2 - Re-election of Director – Mr Patrick Maingard**

### **4.1 Background**

Clause 6.1(f)(i)(A) of the Constitution requires that one third of Directors (excluding the Managing Director and rounded down to the nearest whole number) must retire at each annual general meeting of the Company and will be eligible for re-election. The Company currently has 4 Directors (excluding the Managing Director) and, therefore, one Director must retire under Clause 6.1(f).

Mr Patrick Maingard, who was last re-elected as a Director at the 2022 AGM, will retire pursuant to Clause 6.1(f) and, being eligible, seeks re-election as a Director.

A brief CV of Mr Maingard is included in the Directors' Report.

The Board considers that Mr Maingard is an independent Director.

### **4.2 Recommendation**

Resolution 2 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 2.

The Board (excluding Mr Maingard) recommends that Shareholders vote in favour of Resolution 2.

---

## 5. Resolution 3 – Approval of Incentive Awards Plan

### 5.1 Background

The Company has adopted an incentive awards plan called the “Incentive Awards Plan” (**Plan**) under which the Company can issue Equity Securities in the form of Shares, Options and Performance Rights (together, **Awards**) to attract, motivate and retain key officers, employees and consultants of the Company by providing them with the opportunity to acquire Equity Securities that allow them to participate in the future growth of the Company.

The Plan was last approved by Shareholders for the purposes of ASX Listing Rule 7.2 2 (Exception 13(b)) on 23 November 2023. This approval expires after three (3) years unless renewed.

Resolution 3 seeks Shareholder approval of the Plan, and the issue of Equity Securities under it, in accordance with ASX Listing Rule 7.2 (Exception 13(b)) such that the issue of Awards under it, up to the maximum number referred to below, will not reduce the Company’s 15% placement capacity under ASX Listing Rule 7.1 for a period of 3 years from the date the resolution is passed.

### 5.2 Listing Rule 7.2 (Exception 13(b))

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.2 (Exception 13(b)) provides that issue of Equity Securities under an employee incentive scheme within period of 3 years from the date on which shareholders approve the issue of Equity Securities under the scheme is an exception to Listing Rule 7.1.

In accordance with the requirements Listing Rule 7.2 (Exception 13(b)), the following information is provided in relation to the proposed approval of the Plan and the issue of Equity Securities under it:

- (a) a summary of the terms of the Plan is provided in Schedule 2;
- (b) a total of 171,359,001 Equity Securities have previously been issued under the Plan since the Plan was last approved on 23 November 2023;
- (c) the maximum number of Awards proposed to be issued under the Plan following Shareholder approval is 166,666,666 on a pre-Consolidation basis, being 5,555,556 on a post Consolidation basis. This maximum is 4.38% of the Shares on issue as at the date of this Notice; and
- (d) a voting exclusion statement is included in this Notice for Resolution 3.

If Resolution 3 is passed, the Company will be able to issue Awards under the Plan, up to the maximum number stated above, to eligible participants over a period of 3 years from the date the resolution is passed without using any of the Company’s 15% placement capacity under Listing Rule 7.1.

If Resolution 3 is not passed, the Company will still be able to proceed with the issue of Awards under the Plan to eligible participants but any issue will reduce the Company’s 15% placement capacity under Listing Rule 7.1 for the 12 month period

following the issue of the Awards unless the issue falls within another exception to Listing Rule 7.1 such as under Listing Rule 10.14.

For the avoidance of doubt, the Company will need separate Shareholder approval under Listing Rule 10.14 in respect of any future issue of Awards under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained. For this reason, the Company is also seeking approval under Resolutions 4 to 8 for the issue of Performance Rights to Directors pursuant to the Plan for the purposes of Listing Rule 10.14.

### 5.3 Termination benefits

#### Overview

Resolution 3 also seeks Shareholder approval, in accordance with section 200E of the Corporations Act and ASX Listing Rule 10.19, to permit the Company to give certain termination benefits under the Plan for a period of up to 3 years from the date the Resolution is passed.

#### Sections 200B and 200E of the Corporations Act

Section 200B of the Corporations Act prohibits benefits being given to a person in connection with a person's (the **Retiree's**) retirement from an office or position of employment with the Company or any of its Related Bodies Corporate where:

- (a) the office or position is a "managerial or executive office" (as defined in the Corporations Act); or
- (b) the Retiree held such an office at any time in the three years prior to their retirement,

unless Shareholders approve the benefit under section 200E of the Corporations Act or an exemption applies. Sections 200F and 200G of the Corporations Act provide exemptions for certain benefits provided they fall below certain limits – in general terms up to a maximum of 1 year's annual base salary (**Benefit Caps**).

The term "benefit" has a wide meaning under the Corporations Act and may include benefits that arise, upon a person ceasing to hold office or employment, as a result of the waiver or acceleration, either automatically or in the Board's discretion, of vesting conditions or disposal restrictions applying to Awards issued under the Plan.

Shareholders are being asked to approve any such benefits that may arise in these circumstances.

The value of such benefits that may be given under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of benefit being given and the number of Awards to which the benefit relates. The following additional factors may also affect the benefit's value:

- (a) the portion of any relevant performance periods that have elapsed and the extent to which any vesting conditions have been satisfied at the time of the Retiree ceasing to hold the office or position of employment;
- (b) the circumstances and reasons for the Retiree ceasing to hold the office or position of employment;

- (c) the time elapsed since the relevant Awards were granted relative to the date any vesting condition or disposal restriction would otherwise have been satisfied or lapsed.

### **Listing Rule 10.19**

Listing Rule 10.19 provides that, without Shareholder approval, a company must ensure that no officer of the Company or any of its child entities (**Officer**) will, or may be, entitled to “termination benefits” if the value of those benefits and the terminations benefits that are or may be payable to all Officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

“Termination benefits” are payments, property and advantages that are receivable on termination of employment, engagement or office, except those from any superannuation or provident funds and those required by law to be made.

As noted above, benefits that may be given in accordance with the Plan, upon a person ceasing to hold office or employment, include benefits arising from the waiver or acceleration, either automatically or in the Board’s discretion, of vesting conditions or disposal restrictions applying to Awards issued under the Plan. These may constitute termination benefits for the purposes of Listing Rule 10.19.

Depending on the value of these termination benefits, and the equity interests of the Company at the time such benefits may crystallise, it is uncertain if the value of the termination benefits, when aggregated with any other termination benefits other Officers may become entitled to, would exceed the 5% threshold provided for in Listing Rule 10.19. Shareholder approval is therefore being sought under the Listing Rules.

### **Summary**

The Company is therefore seeking Shareholder approval in advance:

- (a) under section 200E of the Corporations Act for any benefits given under the Plan in connection with any Retiree ceasing office or employment; and
- (b) under ASX Listing Rule 10.19 for any termination benefits given under the Plan to Officers.

This approval only applies to termination benefits provided under the Plan within the period of 3 years from the date the Resolution is passed.

If Resolution 3 is passed, the value of these benefits will be disregarded when determining the Benefit Caps under Sections 200F and 200G of the Corporations Act, and the cap on termination benefits under ASX Listing Rule 10.19.

If Resolution 3 is not passed, the value of these benefits will be included when determining the Benefit Caps under Sections 200F and 200G of the Corporations Act and the cap on termination benefits under ASX Listing Rule 10.19.

Resolution 3 is an ordinary resolution.

## **5.4 Board recommendation**

All the Directors decline to make a recommendation in relation to Resolution 3 due to their potential personal interests in the outcome of the Resolution.

## 6. Resolutions 4 - 7 Issue of Performance Rights to Directors

### 6.1 Background

Under the Company's Employee Equity Incentive Plan, the Company may issue Shares, Options or Performance Rights.

It is proposed that, subject to Shareholder approval, a total of 44,583,33 Performance Rights on a pre-Consolidation basis (being 1,486,11 Performance Rights on a post Consolidation basis) (**Related Party Performance Rights**) be issued to Ms Louise Bower, Mr Patrick Maingard, Mr Chris Radin, and Mr Michael (or their nominees) (each a **Related Party** and together the **Related Parties**).

Subject to the Plan, these Related Party Performance Rights, and any Shares issued as a result of the conversion of the Related Party Performance Rights, will only vest to the specified Director on the attainment of predefined vesting conditions as detailed in Schedule 3.

Resolutions 4 - 7 seek Shareholder approval for the grant of the Related Party Performance Rights to the Related Parties.

### 6.2 Related Party Transaction

Under the Corporations Act, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

The grant of the Related Party Performance Rights to the Related Parties, under the Plan, unless an exception applies, requires the Company to obtain Shareholder approval because this constitutes giving a financial benefit and, as the Related Parties are Directors, they are related parties of the Company.

It is the view of Directors that the exceptions set out in sections 210 to 216 of the Corporations Act do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of the Performance Rights to the Related Parties in accordance with section 208 of the Corporations Act.

### 6.3 ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a company must not permit any of the following persons to acquire securities under an employee incentive scheme without the approval of holders of ordinary securities of the acquisition:

- (a) a director of the company;
- (b) an associate of a director; or

- (c) a person whose relationship with the company or a person referred to in (a) or (b) above is, in ASX's opinion, such that approval should be obtained.

If Resolutions 4 - 7 are passed, the Related Party Performance Rights will be issued to the Related Parties, who are Directors of the Company, or their nominees. Therefore, the Company requires Shareholder approval in accordance with ASX Listing Rule 10.14 to issue the Related Party Performance Rights to the Related Parties (or their nominees).

If a Resolution is not passed, the Company will not be able to grant the Related Party Performance Rights the subject of that Resolution and will need to assess whether alternative incentives are to be offered to the relevant Related Party.

#### 6.4 Shareholder Approval (Chapter 2E of the Corporations Act and Listing Rule 10.14)

Pursuant to and in accordance with the requirements of Section 219 of the Corporations Act and ASX Listing Rule 10.15, the following information is provided in relation to the proposed grant of Related Party Performance Rights:

- (a) the Related Parties are related parties by virtue of being Directors of the Company and so fall under Listing Rule 10.14.1. If the Related Party Performance Rights are granted to a nominee of a Related Party, the nominee will be an Associate of the Related Party and fall under Listing Rule 10.14.2;
- (b) a total of 44,583,333 Performance Rights (on a pre-Consolidation and post Consolidation basis) (being the nature of the financial benefit being provided) are proposed to be granted to the Related Parties (or their nominees) as follows:

This is in addition to the Related Party Performance Rights proposed to be granted under Resolutions 4 - 7;

- (d) the Related Parties have previously been issued the following under the Plan (on a pre-Consolidation basis):

- (i) Ms Louise Bower (and her associates) have previously been issued 9,166,667 Performance Rights under the Plan at a nil acquisition cost;
- (ii) Mr Patrick Maingard (and his associates) have previously been issued 9,166,667 Performance Rights under the Plan at a nil acquisition cost;
- (iii) Mr Chris Radin (and his associates) have previously been issued 9,166,667 Performance Rights under the Plan; and
- (iv) Mr Michael Shelby (and his associates) have previously been issued 63,636,667 Performance Rights under the Plan at a nil acquisition cost;

- (e) the Related Party Performance Rights are subject to the vesting conditions and other material terms set out in Schedule 3 and are otherwise subject to the terms and conditions of the Plan, which are summarised in Schedule 2;

- (f) the Company wishes to grant Related Party Performance Rights to the Related Parties as they are a cost effective mechanism to incentivise the Related Parties and are simpler to administer than the grant of Shares that would need to be cancelled if the vesting conditions are not satisfied or waived;
- (g) the Related Party Performance Rights proposed to be issued to the Related Parties have been valued internally by the Company on the basis that each Performance Right has a value equal to a Share, being \$0.006 based on the closing Share price on 6 October 2025. The valuation assumes all vesting conditions are fully met. To the extent vesting conditions are not met and Performance Rights lapse, the total value of the Performance Rights granted will be less than the amounts in the table below;

- (h) the Related Party Performance Rights will be granted to the Related Parties (or their nominee) no later than 3 years after the date of the Annual General Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Related Party Performance Rights will be issued on one date;
- (i) the Related Party Performance Rights will be granted for nil cash consideration, accordingly no funds will be raised;
- (j) a summary of the Plan, which applies to the Related Party Performance Rights, is set out in Schedule 2;
- (k) no loan has or will be provided to the Related Parties in relation to the issue or subsequent exercise of the Related Party Performance Rights;
- (l) details of any securities issued under the Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14;
- (m) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after Resolutions 4-8 are approved and who were not named in this Notice of Meeting will not participate until approval is obtained under that rule;

- (n) as at the date of this Notice of Meeting, the Related Parties have the following relevant interest in the following Company securities (on a pre-Consolidation basis) (excluding Performance Rights proposed to be granted under this Notice of Meeting):

Related Party	Shares (pre-Consolidation)	Performance Rights (pre-Consolidation)
Ms Louise Bower <sup>1</sup>	3,917,143	9,166,667
Mr Patrick Maingard <sup>22</sup>	26,825,304	6,666,667
Mr Chris Radin <sup>3</sup>	0	9,166,667

- (o) if all of the Performance Rights are granted under Resolutions 4-6 to the Related Parties and are exercised, a total of 44,583,333 Shares (on a pre-Consolidation basis) would be allotted and issued. This will increase the number of Shares on issue from 3,806,890,974 to 3,851,474,307 (on a pre-Consolidation basis) (assuming that no other Options or Performance Rights are exercised and no other Shares issued) with the effect that the shareholding of existing Shareholders would be diluted by 1.2%;
- (p) the trading history of the Shares on ASX in the 12 months before the date of this Notice of General Meeting is set out below:

	Price	Date
<b>Highest</b>	\$0.007	14 Aug 2025
<b>Lowest</b>	\$0.004	22 May 2025
<b>Last</b>	\$0.005	14 Oct 2025

- (q) the Board acknowledges the issue of Performance Rights to the Related Parties who are non-executive Directors is contrary to the guidelines to Recommendation 8.2 of The Corporate Governance Principles and Recommendations (4th Edition) as published by The ASX Corporate Governance Council. However, the Board considers the issue of Performance Rights to those Related Parties is reasonable in the

circumstances having regard to the size and level of operations of the Company, its cash reserves and importance to the Company of attracting and retaining non-executive Directors in a manner which does not unduly impact on the Company's cash resources;

- (r) the primary purpose of the grant of Performance Rights to the Related Parties is to provide a performance linked incentive component in the overall remuneration package for each Related Party to motivate and reward the performance of the Related Party in their respective roles as Directors and to assist the Company in retaining their services and expertise in a manner which does not unduly impact on the cash reserves of the Company; and
- (s) the Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights upon the terms proposed. The vesting performance criteria attached to the Performance Rights aims to ensure that significant value is created prior to the Performance Rights vesting to the Related Parties.

## **6.5 Directors' recommendations**

Each of Ms Louise Bower, Mr Patrick Maingard, Mr Chris Radin and Mr Michael Shelby declines to make a recommendation to Shareholders in relation to the Resolution relating to the issue of Performance Rights to themselves (or their nominee) due to their material personal interest in the outcome of the Resolution on the basis that they are to be granted Performance Rights in the Company should the Resolution be passed.

However, in respect of the Resolutions dealing with the issue of the Performance Rights to each of the other Directors, each of Ms Louise Bower, Mr Patrick Maingard, Mr Chris Radin and Mr Michael Shelby recommends that Shareholders vote in favour of Resolutions 4-7 for the following reasons:

- (a) the issue of Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
- (b) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights upon the terms proposed.

In forming their various recommendations, each Director considered the qualifications and experience of each other Related Party, the current market price of Shares, the current market practices when determining the number of Performance Rights to be issued as well as the expiry date, vesting conditions and other material terms of those Performance Rights.

Except as specified above, no other Director has a personal interest or other interest in the outcome of Resolutions 4-7.

The Board is not aware of any information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 4-7.

## **7. Resolution 8 – Approval of 10% Placement Facility**

### **7.1 General**

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 provides that a company may, without shareholder approval, issue or agree to issue that number of Equity Securities that total up to 15% of the number of fully paid, ordinary securities on issue 12 months before the issue or agreement to issue.

ASX Listing Rule 7.1A provides that, in addition to the 15% placement capacity permitted without prior shareholder approval under ASX Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under ASX Listing Rule 7.1A may issue or agree to issue, during the period the approval is valid, a number of quoted Equity Securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period as adjusted in accordance with the formula in ASX Listing Rule 7.1 (**10% Placement Facility**).

An eligible entity is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less (excluding restricted securities and securities quoted on a deferred settlement basis). The Company is an eligible entity.

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company has one class of quoted equity securities on issue, being ordinary shares (ASX Code: BPP).

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue quoted Equity Securities under the 10% Placement Facility available under ASX Listing Rule 7.1A. The maximum number of quoted Equity Securities that may be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If Resolution 8 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without further Shareholder approval.

If Resolution 8 is not passed, the Company will not be able to access the additional 10% capacity to issue quoted Equity Securities without Shareholder approval available under ASX Listing Rule 7.1A, and will remain subject to the 15% limit on issuing (or agreeing to issue) Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

Resolution 8 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

### **7.2 Description of Listing Rule 7.1A and information required by Listing Rule 7.3A**

#### **(a) 10% Placement Period**

If Shareholders approve Resolution 8, the Company's ability to issue quoted Equity Securities under the 10% Placement Facility will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of the Meeting;

- (ii) the time and date of the Company's next annual general meeting;
- (iii) the time and date of the approval by Shareholders of a transaction under ASX Listing Rules 11.1.1 or 11.2,

(the **10% Placement Period**).

**(b) Minimum Issue Price**

The issue price of quoted Equity Securities issued under Listing Rule 7.1A must be a cash consideration per Equity Security of not less than 75% of the volume weighted average market price (**VWAP**) of Equity Securities in the same class calculated over the 15 Trading Days on which trades in the class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

**(c) Purpose of Funds Raised**

Funds raised from the issue of quoted Equity Securities under the 10% Placement Facility are intended to be used towards working capital, purchases of specialised equipment required for rental purposes, the acquisition of new assets and investments and corporate and administration costs.

**(d) Economic and Voting Dilution Risk**

If Resolution 8 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Capacity, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Convertible Securities, only if the Convertible Securities are exercised). There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice (on a pre-Consolidation basis).

The table also shows:

- (i) two examples where variable "A" has increased by 50% and 100% and the voting dilution impact of such an increase. Variable "A" is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro

rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price (on a pre-Consolidation basis).

Share Capital (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.003 (50% decrease in Share price)	\$0.006 (Current Share Price)	\$0.012 (100% increase in Share price)
3,806,890,974 (Current Shares pre-Consolidation)	Number of Shares	380,689,097		
	Funds raised	\$1,142,067	\$2,284,135	\$4,568,269
5,710,336,461 (50% increase in Shares)	Number of Shares	571,033,646		
	Funds raised	\$1,713,101	\$3,426,202	\$6,852,404
7,613,781,948 (100% increase in Shares)	Number of Shares	761,378,195		
	Funds raised	\$2,284,135	\$4,568,269	\$9,136,538

The table has been prepared on the following assumptions.

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No Options or Performance Rights (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused by their own shareholding depending on the specific circumstances.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vii) The current issue price is \$0.006 being the closing price of the Shares on the ASX on 6 October 2025.

- (viii) The Company will only issue the Equity Securities during the 10% Placement Period.

**(e) Allocation Policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.

The identity of the recipients of Equity Securities will be determined on a case-by-case basis having regard to the factors set out in the Company's allocation policy, including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

## **8. Resolution 9 – Consolidation of Capital**

### **8.1 Background**

Resolution 9 seeks Shareholder approval for the purposes of section 254 of the Corporations Act and all other purposes to consolidate the Company's issued capital on a 30 to 1 basis, with fractional entitlements rounded up to the nearest whole number (**Consolidation**).

## 8.2 Legal requirements

Section 254H of the Corporations Act provides that a company may, by resolution passed in a general meeting, convert all or any of its shares into a larger or smaller number.

ASX Listing Rule 7.20 provides that where an entity proposed to reorganise its capital, it must tell shareholders:

- (a) the effect of the proposal on the number of securities and the amount paid (if any) on the securities;
- (b) the proposed treatment of any fractional entitlements; and
- (c) the proposed treatment of any convertible securities on issue.

ASX Listing Rule 7.21 provides that a listed entity which has convertible securities (except options) on issue may reorganise its capital if, in respect of the convertible securities, the number of its convertible securities or the conversion price, or both, is reorganised so that the holder of the convertible securities will not receive a benefit that holders of ordinary securities do not receive. This rule does not prevent a rounding up of the number of securities to be received on conversion if the rounding up is approved at the security holders meeting which approves the reorganisation.

Listing Rule 7.22.1 requires that where a listed entity with options undertakes a consolidation of its capital, the number of its options must be consolidated in the same ratio as the ordinary capital and the exercise price must be amended in the inverse proportion to that ratio.

## 8.3 Effect of the Consolidation

The Consolidation will reduce the number of existing Securities on issue. For example, a Shareholder currently holding 30,000 Shares, will, as a result of the Consolidation, hold 1,000 Shares and a Performance Rights holder currently holding 3,000 Performance Rights will, as a result of the Consolidation, hold 100 Performance Rights.

The Company's balance sheet and tax position will remain unaltered as a result of the Consolidation.

The Consolidation will not result in any changes to the substantive rights and obligations of existing Security Holders. As a result of the large number of Shares currently on issue, the purpose of the Consolidation is to reorganise the Company's share capital which, in turn, will provide a higher price per Share.

## 8.4 Fractional entitlements

Not all Security Holders will hold that number of Securities (as the case may be) which can be evenly divided by 30. Where a fractional entitlement occurs, the Company will round that fraction up to the nearest whole Security.

## 8.5 Taxation

It is not considered that any taxation implications will exist for Security Holders who are Australian residents arising from the Consolidation. However, Security holders are advised to seek their own tax advice on the effect of the Consolidation and the Company does not accept any responsibility for the individual taxation implications arising from the Consolidation.

## 8.6 Holding statements

From the date of the Consolidation, all holding statements for Securities will cease to have any effect, except as evidence of entitlement to a certain number of Securities on a post-Consolidation basis.

After the Consolidation becomes effective, the Company will arrange for new holding statements for Securities to be issued to holders of those Securities.

It is the responsibility of each Security Holder to check the number of Securities held prior to disposal or exercise (as the case may be).

## 8.7 Effect on capital structure

The effect which the Consolidation will have on the Company's capital structure is set out in the tables below.

**SCHEDULE 3 – RELATED PARTY PERFORMANCE RIGHTS VESTING CONDITIONS**

**Class I Performance Rights**

The Class I Performance Rights are subject to a vesting condition that the Company (on a consolidated basis) maintains a TRIFR of below 2.6 for the financial year ending 30 June 2026.

A TRIFR of 2.6 has been chosen as the Company considers it to be 50% better than the industry average. As at the date of this Notice of Meeting, the Company has a TRIFR of 0 which it intends to maintain.

The Board will determine whether this vesting condition has been met by 30 September 2026, with the Class I Performance Rights lapsing if the vesting condition is not met.

Subject to the above vesting condition being met, 50% of the Class I Performance Rights will vest on 30 June 2027 and 50% will vest on 30 June 2028 provided that, unless the Board resolves otherwise, if a Related Party ceases to be a Director after the Board has determined that the Class I Performance Rights are capable of vesting but before vesting occurs, a proportion of the Class I Performance Rights will vest, being:

- (a) in respect of the Class I Performance Rights that would otherwise vest on 30 June 2027, a proportion equal to the proportion of the period 30 June 2026 to 30 June 2027 that has elapsed; and
- (b) in respect of the Class I Performance Rights that would otherwise vest on 30 June 2028, a proportion equal to the proportion of the period 30 June 2026 to 30 June 2028 that has elapsed.

The Class I Performance Rights that vest will expire 4 years from issue.

**Class J Performance Rights**

The Class J Performance Rights are subject to a vesting condition that the Company (on a consolidated basis) achieves earnings per share (EPS) growth of at least 250% for the financial year ending 30 June 2026 based on audited accounts as follows.

Target EPS growth*	Stretch EPS growth	% to Vest at Target Performance	% to Vest at Stretch Performance
250%	320%	75%	100%

\* If less than 250% EPS growth is achieved, none of the Class J Performance Rights will vest. Straight-line vesting applies to performance between target and stretch. The Board may, acting reasonably, adjust the Vesting Condition to take into account any significant non-cash items (for example impairment losses), acquisitions or divestments, revenue received in the form of government grants, rebates or other payments, and one-off events/non-recurring items where appropriate.

The Board will determine by 30 September 2026 whether and to what extent this Vesting Condition has been met and the number of Class J Performance Rights that are capable of vesting, with the remaining Class J Performance Rights lapsing.

To the extent any Class J Performance Rights are determined to be capable of vesting, 50% will vest on 30 June 2027 and 50% will vest on 30 June 2028 provided that, unless the Board resolves otherwise, if a Related Party ceases to be a Director after the Board has determined

the Class J Performance Rights that are capable of vesting but before vesting occurs, a proportion of the Class J Performance Rights that are capable of vesting will vest, being:

- (a) in respect of the Class J Performance Rights that would otherwise vest on 30 June 2027, a proportion equal to the proportion of the period 30 June 2026 to 30 June 2027 that has elapsed; and
- (b) in respect of the Class J Performance Rights that would otherwise vest on 30 June 2028, a proportion equal to the proportion of the period 30 June 2026 to 30 June 2028 that has elapsed.

The Class J Performance Rights that vest will expire 4 years from issue.

### **All Classes of Performance Right**

Class I and J Performance Rights will automatically vest on a Change of Control on a pro rata basis reflecting performance against the vesting conditions to the date of the Change of Control, as determined by the Board (comprising the Directors immediately prior to the Change of Control) acting reasonably.

Class I and J Performance Rights do not:

- (a) entitle the holder to vote on resolutions at a general meeting of shareholders of the Company except as otherwise required by law or where the resolution is to amend the rights attaching to the Performance Rights;
- (b) confer any right to a return of capital, whether in a winding up, or upon a return of capital or otherwise;
- (c) confer any right to participate in surplus profit or assets of the Company upon a winding up of the Company; or
- (d) confer an entitlement to participate in or receive any dividend.
