Reece Successfully Completes \$365 Million Off-Market Share Buy-Back

Reece Limited (“Reece”) today announces the successful completion of its off-market share buy-back process, first announced on Monday, 22 September 2025¹.

In aggregate, Reece received applications from Eligible Shareholders of 28.1 million shares. Reece has determined to set the final Buy-back Price at \$13.00, and accept all shares tendered into the buy-back, with no scale-back applied. This results in 28.1 million shares being repurchased, representing 4.3% of issued share capital, for a total value of \$365 million.

Peter Wilson, Chairman & CEO said: “We are pleased with the successful outcome of the buy-back and have accepted all applications in full, with tender demand exceeding our target of \$250 million.

“This will enable us to return excess capital to shareholders while maintaining a strong balance sheet and conservative leverage ratio. We also retain the flexibility to fund future growth as outlined in our capital management priorities.”

Outcomes

The outcomes of the buy-back are summarised below:

Number of shares bought back	28,097,753
Percentage of issued share capital bought back	4.3%
Size of buy-back	A\$365,270,789
Buy-back Price	A\$13.00
Scale back (above Priority Allocation of 350 Shares)	N/A
Total number of shares on issue after buy-back	617,886,428

The Shares bought back will subsequently be cancelled by Reece.

¹ Unless otherwise defined, capitalised words in this release have the meaning given to them in the Off-market buy-back booklet dated 22 September 2025.

Scale back of Applications

Due to the number of Applications received, no scale back of Applications was required. Therefore, Shareholders who tendered their shares at or below \$13.00, or as a Final Price Application, have had the total number of those shares bought back and cancelled.

Taxation

The buy-back will be treated as an off-market buy-back for Australian income tax purposes. The Buy-back Price received by shareholders whose shares were bought back is your consideration for each share sold into the buy-back. **No part of the Buy-back Price you receive will be taken to be a dividend for income tax purposes as Reece is a listed public company under Australian income tax law.** No franking credits are attached to the Buy-back Price and shareholders cannot claim a franking offset in their tax returns in regard to the Buy-back Price. These outcomes reflect a change to the income tax law for listed public companies and applied from 25 October 2022.

Please refer to Section 2 of the Off-market buy-back booklet dated 22 September 2025 for further information on the Australian income tax implications of participating in the buy-back.

Payments

Payments for shares bought back under the buy-back will commence on 24 October 2025 via direct credit and buy-back statements will be made available online or sent to shareholders from this date.
