Jindalee Lithium Limited (ASX: **JLL**, OTCQX: **JNDAF**) (**Company**) is pleased to advise that it has received firm commitments to raise a total of approximately \$8 million (before expenses) through the issue of fully paid ordinary shares in the capital of the Company (**Shares**) at an issue price of \$0.55 per Share, under a private placement to sophisticated, professional and institutional investors (**Initial Placement**).

In addition to the Initial Placement mentioned above, the Company intends to issue up to a further \$120,000 worth of Shares (on the same terms as the Initial Placement) to the Company's directors (or their Associated Entities), who require Shareholder approval under ASX Listing Rules 7.1 or 10.11 (**Conditional Placement**).

Participants in the Initial Placement and Conditional Placement (together, the **Placement**) will also receive one (1) option to acquire one (1) Share each for every one (1) Share issued under the Placement (**Attaching Options**), for nil additional consideration, with an exercise price of \$0.825 (being a 50% premium to the issue price of Shares under the Placement) and an expiry date of 30 November 2028.

The issue of new Shares under the Initial Placement will utilise 8,276,939 Shares in accordance with the Company's placement capacity under ASX Listing Rule 7.1A and 6,050,323 Shares in accordance with ASX Listing Rule 7.1.

Shareholder approval for the issue of Attaching Options under the Initial Placement and the Shares and Attaching Options to be issued pursuant to the Conditional Placement will be sought at a general meeting of Shareholders to be convened in the coming weeks.

Commenting on the Placement, Ian Rodger, the Company's Managing Director and CEO, said "We are very pleased with the strong support for this Placement and to welcome a number of new Australian and US investors to the register, reflecting growing confidence in Jindalee and the strategic importance of McDermit to US critical mineral supply.

The funds raised will enable the Company to progress drilling to increase geological confidence and provide further samples for metallurgical testwork, while also providing working capital to advance the proposed SPAC transaction.

In addition, the Placement will allow us to repurchase the remaining Mercer convertible note, simplifying and strengthening our balance sheet, and we thank Mercer for their support.”

Settlement of the Initial Placement is expected to occur on or before 23 October 2025.

In addition to the Placement, the Company advises that it will offer eligible shareholders, being those Shareholders whose registered address is recorded as being in Australia or New Zealand (**Eligible Shareholders**), the opportunity to apply for up to \$30,000 worth of new Shares pursuant to a Share Purchase Plan (**SPP**), at the same issue price as the Placement, targeting to raise up to \$1 million. Eligible Shareholders who apply for and are issued Shares under the SPP (**Participants**) will also be eligible to subscribe for one (1) Attaching Option for every one (1) Share issued pursuant to the SPP (**SPP Options**) on the same terms as the Placement.

The key dates for the SPP are set out below, with further details to be contained in the SPP Offer Booklet, which is expected to be dispatched to eligible shareholders in the coming week.

MST Financial Services Pty Limited ACN 617 475 180 (AFSL 500577) (**MST Financial**) and GBA Capital Pty Ltd (ACN 643 039 123) (**GBA**) acted as Joint Lead Managers to the Placement.

Use of Funds

Funds raised under the Placement and SPP (after expenses) will be applied to advance the McDermit Lithium Project, including exploration drilling and permitting, repurchase of the balance of the convertible securities held by Mercer Street Global Opportunity Fund II. LP and other funds managed by US-based C/M Capital Partners, LP, costs to advance the previously announced US special purpose acquisition company transaction¹ and general working capital purposes.
