Manuka to undertake A\$15 million Capital Raising Strong investor support to accelerate production at the Wonawinta Silver Mine and exploration drilling at the Mt Boppy Gold Mine

Highlights

- Firm commitments received for A\$15 million capital raise, to be applied towards accelerating Manuka's 100% owned silver and gold assets located in the Cobar Basin, New South Wales.
- Use of funds includes:
 - Capital expenditure to restart production at the Company's 100% owned Wonawinta Silver Mine within the next 6 months;
 - Exploration drilling at the shallow and highly prospective Pipeline Ridge gold deposit located 15km south of Mt Boppy.

Manuka is pleased to announce it has received firm commitments from institutional investors for A\$15 million worth of new Manuka shares (each, a **New Share**) via a Share Placement ("**Placement**") to accelerate its Cobar Basin strategy including silver production at the Company's Wonawinta Silver Mine ("**Wonawinta**") and exploration drilling at the Mt Boppy Gold Mine and Pipeline Ridge gold deposit.

Dennis Karp, Manuka's Executive Chairman, commented:

"We are delighted to announce this significant capital raising for the Company that has been completed on the back of investor enthusiasm for both the silver and gold markets and our positioning as the only production ready silver mine in Australia.

The funds received will allow us to commence the proposed upgrades to the existing 1Mtpa Wonawinta processing plant and progress towards silver and gold production and the generation of free cash flow in the first half of 2026.

Furthermore, the opportunity to undertake exploration drilling at Mt Boppy and Pipeline Ridge over the coming months provides a potential near term catalyst for high impact results to support the Company's broader Cobar Basin ambitions.

With firm commitments for this capital raising received, a clear path toward near term production, and continued strength in the gold and silver markets, it is an exciting time to be a Manuka shareholder."

Use of Placement Proceeds

The proceeds of the Placement are proposed to be used as follows:

Table 1: Use of Placement Proceeds
