Explanatory statement

This Explanatory Statement has been prepared for the information of Shareholders of the Company in relation to the business to be conducted at the Company's 2025 AGM.

The purpose of the Explanatory Statement is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote on the Resolutions. The Directors recommend that Shareholders read this Explanatory Statement before determining whether or not to support the Resolutions.

The Notice of Meeting contains only ordinary resolutions. An ordinary resolution requires a simple majority of votes cast by Shareholders entitled to vote on the resolution in order for that resolution to pass. This includes voting via proxies.

Capitalised terms used in this Explanatory Statement have the meaning given to them in the Glossary.

Questions and Comments

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the Company's Annual Report and reports of the Directors' and Auditor for the year ended 30 June 2025.

The Chairperson will give Shareholders a reasonable opportunity to ask questions about or comment on the management of the Company and the reports included as part of the Company's Annual Report.

The Chairperson will also give Shareholders a reasonable opportunity to ask the Auditor questions relevant to:

- the conduct of the audit;
- the preparation and content of the Independent Audit Report;
- the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the Auditor in relation to the conduct of the audit.

Shareholders who would like to submit a written question, including to the Company's Auditor, should send questions to the Company Secretary at au.governance@Praemium.com. All qualifying questions will be addressed at the AGM. Please note that all questions must be received at least five business days before the AGM, that is by no later than Wednesday, 19 November 2025.

Unless the Company's Share Registry has been notified otherwise, Shareholders will not be sent a hard copy of the Annual Report. All Shareholders can download the Annual Report, which contains the Financial Statements for the year ended 30 June 2025, from the Company's website at <https://www.praemium.com/au/about-us/shareholders/financial-reports/>.

Resolution 1 – Remuneration Report

Section 250R(2) of the Corporations Act requires Shareholders to vote on an advisory resolution that the Remuneration Report be adopted.

The Remuneration Report details the remuneration policies for Praemium Limited and each of its subsidiaries and reports the remuneration arrangements for Directors and Key Management Personnel (identified for the purposes of the Accounting Standards). The Remuneration Report is included in the Company's 2025 Annual Report.

The vote on Resolution 1 is advisory only and does not bind the Directors or the Company. The Board will however, consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Under the Corporations Act, if holders of 25% or more of Shares present and eligible to vote at the Meeting vote against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on a further resolution (**Spill Resolution**) that another meeting be held within 90 days, at which meeting, all of the Company's Directors (other than any Managing Director) must go up for re-election.

Shareholders will recall that at the 2024 AGM, holders of more than 75% of the Shares present and eligible to vote approved the 'Remuneration Report Resolution' and therefore, there will be no requirement for a Spill Resolution at this AGM.

The Chairperson will give Shareholders a reasonable opportunity to ask questions about or make comments on the Remuneration Report.

Special voting restrictions apply in relation to this Resolution (see Other Information below).

Recommendation

As Resolution 1 relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with the spirit of section 250R(4) of the Corporations Act, makes no recommendation regarding Resolution 1.

Resolution 2 – Re-election of Director – Barry Lewin

Under Resolution 2, Barry Lewin is required to retire by rotation, and being eligible, seeks re-election as a Director at the AGM for the purposes of clauses 9.1(d) and 9.1(e) of the Constitution, Listing Rule 14.4 and for all other purposes.

Barry Lewin was appointed as Non-Executive Chairman on 12 May 2017.

Clause 9.1(e) of the Constitution provides that no director who is not the managing director may hold office without re-election beyond the third AGM following the meeting at which the director was last elected or re-elected. Listing Rule 14.4 provides, among other matters, that a director (other than a managing director) may not hold office for more than three years or beyond the third AGM following their appointment (whichever is longer) without submitting for re-election. Clause 9.1(d) of the Constitution provides that at each AGM at least one director must retire from office (excluding any managing director), but such director is eligible for re-election. Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each AGM.

Barry is the founder of SLM Corporate, a financial consulting firm specialising in transaction advice, valuation services, remuneration consulting and native title compensation.

Barry has significant experience advising public and private companies in transaction structuring, debt and equity issues, mergers, acquisitions, business sales and public floats.

Prior to establishing SLM in 1999, Barry spent twelve years as in-house counsel to leading Australian public companies, including diversified international resource company North Limited, managing their legal and commercial Australian and international interests.

Barry was Non-Executive Chairman of ASX-listed Elmo Software Limited until February 2023 and ASX-listed QuickFee Ltd until November 2022. He has previous experience as a Director of ASX-listed companies Senetas Corporation Limited (1999-2001) and Sunrise Energy Metals Limited (formerly Clean TeQ Holdings Limited) (2007-2011). Barry has degrees in Commerce and Law and holds an MBA from Swinburne University, Melbourne.

The Board considers that Barry Lewin is an independent Director. Specifically, the Board is not aware of any interest, position or relationship that might influence, or might reasonably be perceived to influence, Barry Lewin's capacity to bring independent judgement to bear on issues before the Board or otherwise act in the best interests of the Company as a whole.

If Resolution 2 is passed by Shareholders, Barry Lewin will be re-elected as a non-executive Director, until such time as he ceases to be a Director in accordance with the Constitution, the Corporations Act or the Listing Rules. If Resolution 2 is not passed, Barry Lewin will not be re-elected as a Director, and will cease to be a Director at the AGM.

Recommendation

The Directors, with Mr Lewin abstaining given his personal interest in the outcome of Resolution 2, recommend that Shareholders vote in **FAVOUR** of Resolution 2.

Resolution 3 – Issue of performance rights to Chief Executive Officer (Mr Anthony Wamsteker)

Background

The Praemium Directors and Employee Benefits Plan (**Plan**), is designed to attract, motivate, and retain key executives and employees and to align the interests of those executives and employees with the interests of Shareholders by matching rewards with the performance of the Company. The Plan was last approved at the Company's 2023 annual general meeting.

Under the Plan, eligible participants are invited to receive performance rights or other securities in the Company which are generally subject to performance-based vesting conditions. The number of performance rights allocated to each participant is set by the Board based on individual circumstances and performance.

The Board is responsible for administering the Plan in accordance with the Praemium Directors and Employee Benefits Plan Rules (**Plan Rules**) and the terms and conditions of the specific grants to participants in the Plan. The operation of the Plan is subject to compliance with the Listing Rules, Corporations Act and other applicable laws.

The Company is proposing to issue a maximum of 237,097 performance rights to Mr Wamsteker.

Each performance right will entitle Mr Wamsteker, or his nominee, to receive, upon vesting and exercise, one fully paid ordinary share in the Company at no cost, subject to satisfaction of the applicable conditions and performance hurdles (or waiver of such conditions and performance hurdles at the discretion of the Board).

The Board believes that part of Mr Wamsteker's remuneration should be performance-based and at risk and should involve equity interests in the Company. This approach is consistent with best practice in executive remuneration and corporate governance. In addition, the Company has chosen to issue Performance Rights to Mr Wamsteker for the following reasons:

- to focus on the long-term outcomes required by the Board;
- to align the rewards of Mr Wamsteker with Shareholders' interests by payment in equity; and
- provide an incentive to satisfy performance hurdles over a period which are measured on Shareholder value and provide a counterbalance for any tendency to focus on short term outcomes.

Historically the Company has awarded performance rights to key executives once every three years (for a performance period of three years). The Board considers that this approach is lumpy, inflexible and has a number of other disadvantages, including the potential for senior executive flight risk where significant 3-year incentives are unlikely to be met, and a distorted accounting treatment. Accordingly, for FY26, and subsequently, the Company has decided to amend its LTI program to move to a system of annual LTI grants, but at a significantly lower level than occurred as part of the former triennial grant process. The performance period for these annual grants will remain at 3 years as has always been the case.

Shareholder approval

Shareholder approval for the issue of the Performance Rights to Mr Wamsteker is sought for all purposes under the Corporations Act and the Listing Rules, including in particular, sections 200B and 200E of the Corporations Act and Listing Rule 10.14.

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate if it is approved by Shareholders in accordance with section 200E or an exemption applies. Section 200B of the Corporations Act applies to managerial or executive officers of the Company or any of its subsidiaries, which includes Mr Wamsteker. The term 'benefit' has a wide operation and, in effect, includes the automatic or accelerated vesting of the Performance Rights under the rules of the Plan Rules.

It is proposed, therefore, that this resolution will also approve, under section 200E of the Corporations Act, any 'termination benefit' that may be provided to Mr Wamsteker under the Plan Rules in relation to the performance rights to be granted to him, in addition to any other termination benefits that may be provided to Mr Wamsteker under the Corporations Act. The termination benefit that may be given under the Plan Rules is the early vesting of the performance rights (and the receipt of Shares upon exercise of the performance rights) if Mr Wamsteker ceases employment with the Company due to death, disability, bona fide redundancy or other reason with the approval of the Board.

The value of such benefits cannot presently be ascertained but matters, events and circumstances that will, or are likely to, affect the calculation of that value include:

- the number of performance rights held by Mr Wamsteker prior to cessation of employment;
- the number of performance rights that vest (which could be all of the performance rights held by Mr Wamsteker). The Board's decision as to the number of performance rights that vest will depend on, among other things, the circumstances of Mr Wamsteker's cessation of employment (for example, whether due to death, disability, redundancy or other reasons approved by the Board), the Board's assessment of Mr Wamsteker's performance in the period up to cessation of employment, the degree to which the performance conditions have been met at the relevant time, and the duration of Mr Wamsteker's employment; and
- the market price of Shares on ASX at the time the performance rights vest.

The number of performance rights that could vest upon Mr Wamsteker ceasing employment, where the Board determines to permit performance rights to vest, will not exceed the maximum number of performance rights held by Mr Wamsteker.

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- a director of the company (Listing Rule 10.14.1);
- an associate of a director of the company (Listing Rule 10.14.2); or
- a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 to Listing Rule 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders, unless it obtains the approval of its shareholders.

The proposed issue of the performance rights falls within Listing Rule 10.14.1 (as Mr Wamsteker is a Director and a person described in LR 10.14.1) and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14.

If approval from Shareholders is obtained in accordance with Listing Rule 10.14, the Company will be able to issue the performance rights within three years after the date of the Meeting.

If Resolution 3 is not passed by Shareholders, then the performance rights will not be issued and the Board would consider alternate long-term incentive remuneration arrangements for the CEO which may include a cash award and may be subject to the same terms and vesting conditions as for the performance rights.

Further, if Resolution 3 is approved for the purposes of Listing Rule 10.14, pursuant to Listing Rule 7.2 (Exception 14) a grant of performance rights or an issue of Shares (upon the vesting and exercise of those performance rights) will not reduce the Company's 15% placement capacity under Listing Rule 7.1 and separate approval of Resolution 3 is not required under Listing Rule 7.1. In addition, approval under Listing Rule 10.14 is an exception to the prohibition on a company issuing shares to related parties without member approval under Listing Rule 10.11.

Resolution 3 is an ordinary resolution, requiring it to be passed by a simple majority of votes cast by the Shareholders entitled to vote on it.

Information required by Listing rule 10.15

The performance rights will be granted to Mr Wamsteker, the Company's CEO. No other Directors are entitled to participate in the issue of securities under this approval.

Remuneration details

Mr Wamsteker receives fixed remuneration and variable remuneration via short-term and long-term incentive arrangements. The details of Mr Wamsteker's current remuneration package is set out below.

Base Salary	\$740,000 (inclusive of superannuation) with effect from 1 October 2025.
Short-Term Incentive	Mr Wamsteker is entitled to receive an STI equal to up to 50% of his base salary, subject to satisfying prescribed milestones. At the date of this notice, the milestones for FY26 are currently under discussion, and will be a combination of EBITDA, Revenue Growth, Net Funds Flow, Customer Satisfaction, Employee Engagement and one of more strategic objectives.
Long-Term Incentive	237,097 performance rights (as proposed by Resolution 3 and assuming Resolution 3 is passed)

Further information regarding Mr Wamsteker's total remuneration package is set out in the Remuneration Report.

Mr Wamsteker has previously been granted 3,200,000 performance rights under the Plan for nil cash consideration.

1,200,000 of these performance rights have since lapsed as the relevant performance conditions were not satisfied.

Key terms of grant

The performance rights are issued on the terms set out in this Explanatory Statement and on the terms as summarised in Annexure A. A full copy of the Plan Rules is available upon request from the Company Secretary.

The key terms of the grant of the performance rights proposed to be made to Mr Wamsteker under the Plan are set out below.

Table 1

Instrument	Quantum	Performance Period	Vesting Date (subject to achievement or waiver of Performance Conditions)
Tranche 1 Performance Rights (LTI)	203,018	1 October 2025 – 30 September 2028	30 September 2028
Tranche 2 Performance Rights (LTI)	34,079	1 October 2025 – 30 September 2028	30 September 2028

Maximum number of performance rights

The maximum number of performance rights to be acquired by Mr Wamsteker if shareholder approval is provided at the Meeting is set out in Table 1 above.

The Company has had the performance rights valued independently by SLM Corporate, who have advised that the performance rights have an estimated fair value of \$0.5103 per performance right. SLM Corporate used the Geometric Brownian Motion model and Monte Carlo Simulation to determine the fair value of the performance rights. Key inputs, but not limited to, are summarised below:

- share price of \$0.760;
- risk-free rate of 3.548%;
- volatility factor of 53.24%; and
- vesting period of 3 years.

The quantum of performance rights to be issued to Mr Wamsteker, covering the three-year Performance Period ending 30 September 2028, has been determined with reference to the formulae below.

Tranche 1 performance rights

The dollar value (face value) of the Tranche 1 performance rights to Mr Wamsteker is \$103,600 (being ~14% of his base annual salary of annual remuneration for the year ending 30 June 2026).

$$\text{No. of Tranche 1 performance rights} = \left[\frac{(\$103,600)}{\$0.5103^*} \right]$$

* In calculating the number of performance rights to be issued the Board considered that a price of \$0.5103 was appropriate (being the value calculated by SLM Corporate using the methodology described above).

Tranche 2 performance rights

The dollar value (face value) of the Tranche 2 performance rights to Mr Wamsteker is \$25,900 (being ~3% of his fixed annual remuneration for the year ending 30 June 2026).

$$\text{No. of Tranche 2 performance rights} = \left[\frac{(\$25,900)}{\$0.76^*} \right]$$

** In calculating the number of performance rights to be issued the Board considered that a price of \$0.76 was appropriate (being the closing price of the Company's shares on 30 September 2025).*

For both Tranche 1 and Tranche 2 performance rights, the actual value that Mr Wamsteker will receive from this grant cannot be determined until the end of the measurement period above and will depend on the extent to which the performance conditions are achieved, and the Company's share price at the time of vesting.

The grant value was set by the Board having regard to Mr Wamsteker's overall remuneration package, the nature of his position, the purpose of the LTI component in the Company's remuneration strategy and the director's assessment regarding current market practice.

The performance rights will be accounted for using the principles set out in the Australian Accounting Standards Board AASB 2, Share-Based Payment.

Date of Grant

If Shareholder approval is obtained, the performance rights will be granted and issued as soon as practicable following the Meeting and in any event within 3 years after the date of the Meeting.

Price of performance rights

The performance rights will be issued at no cost to Mr Wamsteker. Once the performance conditions are met (or waived) and if the performance rights vest there will be no exercise price payable upon the exercise/conversion of the performance rights into Shares.

No loan will be provided by the Company in relation to the grant of the relevant performance rights (including the Shares issued on the vesting and exercise of those performance rights) to Mr Wamsteker.

Vesting Conditions

It is only if the relevant service and/or performance conditions (described below) are met that the performance rights will vest and can be exercised into Shares,

At the end of the Performance Period, the performance conditions will be measured to determine the proposed number of Performance Rights that will vest.

The link between achievement of the various performance conditions set by the Board and the percentage of the Performance Rights which vest pursuant to the relevant performance condition during the Performance Period is detailed below.

Performance /vesting hurdles relating to the performance rights

Tranche 1 performance rights

Up to 100% of the Tranche 1 performance rights (being 203,018 performance rights) will only vest subject to achievement of:

- ☒ A relative TSR performance condition (**Relative TSR Condition**); and
- ☒ The Service Condition. The Service Condition requires that Mr Wamsteker remain employed by the Company until the vesting date (i.e. at the end of the performance period)

Relative TSR Condition

The Company's Total Shareholder Return (**TSR**) will be compared with the TSR for each entity in the S&P ASX 300 accumulation index, narrowed to Diversified Financials in Financial Services (excluding Banks and Insurance) and Software & Services in Technology (excluding Technology Hardware & Equipment and Semiconductors) categories (comparable entities) as at the grant date (**Comparator Group**). The TSR of the

Company and the Comparator Group is measured as a compound annual rate of return measured by the change in share price plus dividends paid over the performance period.

TSR measures the growth in the price of shares (modified to account for capital adjustments where appropriate) together with the value of the dividends over the performance period, assuming that all those dividends (ignoring franking credits) are re-invested into new shares.

The Relative TSR Condition requires growth in the Company's TSR to be at or above the median of the TSR of companies in the Comparator Group over the 3-year performance period.

In determining the change in the Company's share price, the value of shares on the start date and the end date of the performance period will be based on the one-month VWAP up to and including the relevant date. The VWAP on the end date of the performance period will be adjusted to take account of any stock splits or consolidations that may occur during the performance period.

The measurement of TSR and comparison to entities in the Comparator Group will be conducted by an independent expert.

At the end of the relevant measurement period, the TSR performance condition will be measured to determine the proposed number of performance rights that will vest. Vesting conditions may also be waived at the discretion of the Board.

The link between achievement of the performance conditions set by the Board and the percentage of the performance rights which vest pursuant to the relevant performance condition during the measurement period is represented in the following table:

Performance against the relevant condition(s)	Quantum of performance rights subject to performance conditions that vest (%)
The Company's TSR performance relative to the Comparator Group is at or below the 50 th percentile at the end of the 3-year LTI cycle, that being 30 September 2028	NIL
The Company's TSR performance relative to the Comparator Group is between the 50 th percentile and 75 th percentile at the end of the 3-year LTI cycle, that being 30 September 2028	50% plus progressive vesting on a straight-line pro rata basis
The Company's TSR performance relative to the Comparator Group is at or above the 75 th percentile at the end of the 3-year LTI cycle, that being 30 September 2028	100%

Tranche 2 performance rights

Up to 100% of the Tranche 2 performance rights (34,079 performance rights) will vest subject to achievement of:

- ☒ Achievement of strategic non-financial hurdles set by the Board (**Strategic Condition**); and
- ☒ The Service Condition. The Service Condition requires that Mr Wamsteker remain employed by the Company until the vesting date (i.e. at the end of the performance period).

Strategic Condition

The Board sets various longer term strategic non-financial measures as part of Mr Wamsteker's KPIs under his employment arrangements with the Company. At the end of the performance period the Board will assess Mr Wamsteker's performance against these targets in determining whether any or all of the Tranche 2 performance rights vest.

The link between achievement of the performance conditions set by the Board and the percentage of the Tranche 2 performance rights which vest pursuant to the relevant performance condition during the measurement period is represented in the following table:

Performance against the relevant condition(s)	Quantum of Tranche 2 performance rights subject to performance conditions that vest (%)
Various strategic non-financial measures set by the Board as part of Mr Wamsteker's KPIs under his employment arrangements	Up to 100% as assessed by the Board (with pro rata vesting for partial achievement of KPIs)

Change of control

In the event of a change of control any unvested performance rights will vest only to the extent the performance criteria in respect of the performance rights are satisfied as at the date of the change of control event. For this purpose, any service-related conditions will be taken to be satisfied as of the same date. The Board will not otherwise accelerate or waive vesting conditions for any performance rights on a change of control event.

Malus and clawback criteria

Malus and clawback criteria will apply to any shares or rights awarded as part of Mr Wamsteker's LTI opportunity under the Plan. Malus criteria enable the Board in its absolute discretion and subject to compliance with the law, to determine that deferred incentives should be adjusted downwards (including to zero). Clawback criteria enable the Board to recover cash, deferred incentives or shares that have vested and have been received. In exercising its discretion, the Board will consider whether applying malus or clawback is desirable to protect the Company's financial soundness or to respond to unforeseen circumstances.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" to "related parties" by a public company. For the purposes of Chapter 2E, Mr Wamsteker, being a Director, is a "related party" of the Company and the grant of the performance rights (including any Shares issued on the vesting and exercise of those performance rights) will constitute the giving of "financial benefits".

The Board (other than Mr Wamsteker) considers that the grant of the performance rights (including the allocation of Shares on the vesting and exercise of those performance rights) to Mr Wamsteker is an appropriate and reasonable component of his remuneration, and that the financial benefit represented by the grant of the performance rights (including the allocation of Shares on the vesting and exercise of those performance rights) falls within the "reasonable remuneration" exception in section 211 of the Corporations Act. For this reason, the Company is not seeking Shareholder approval of Resolution 3 for the purposes of Chapter 2E of the Corporations Act.

Other information

Details of any securities (being, performance rights and Shares upon the vesting and exercise of performance rights) issued under the Plan will be published in each annual report relating to a period in which the securities have been issued, along with a statement that approval for the issue of those securities was obtained under Listing Rule 10.14.

Any additional persons who become entitled to participate in the Plan after Resolution 3 is approved and who were not named in this Notice, will not participate until Shareholder approval is obtained under Listing Rule 10.14.

Recommendation

The Directors, with Mr Wamsteker abstaining given his personal interest in the outcome of Resolution 3, recommend that Shareholders vote in **FAVOUR** of Resolution 3.

Other information

Entitlement to attend and vote

In accordance with Reg 7.11.37 of the *Corporations Regulations 2001 (Cth)*, the Board has determined that persons who are registered holders of Shares in the Company as at 7:00 pm (AEDT) on Monday, 24 November 2025 will be entitled to attend and vote at the AGM.

If more than one joint holder of Shares is present at the AGM (whether personally, by proxy, or by attorney, or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register of Shareholders will be counted.

Voting restrictions

Special voting restrictions in relation to Resolution 1

The Company will disregard any votes cast on Resolution 1 by or on behalf of any of the Company's Key Management Personnel, details of whose remuneration are included in the Remuneration Report, and any "Closely Related Party" (as that term is defined in the Corporations Act) of such Key Management Personnel (**Restricted Voter**).

However, the Company need not disregard a vote on Resolution 1 if the vote is not cast on behalf of the Restricted Voter and either:

- (a) the Restricted Voter (who may include the Chair) is appointed as a proxy in writing that specifies the way the proxy is to vote on the resolution (i.e. a directed proxy);
- (b) the Restricted Voter is the Chairperson of the Meeting and the appointment of the Chairperson of the Meeting as proxy does not specify the way the proxy is to vote on the resolution and expressly authorises the Chairperson to exercise the proxy even though the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel; or
- (c) the Restricted Voter is acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided that:
 - i. the beneficiary provides written confirmation to the Restricted Voter that they are not excluded from voting and are not an Associate of a person excluded from voting, on the resolution; and
 - ii. the Restricted Voter votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting Prohibition Statement:

A person appointed as a proxy must not vote on the basis of that appointment, on Resolution 1 if:

- (a) the proxy is a Restricted Voter; and
- (b) the appointment does not specify the way the proxy is to vote on Resolution 1.

Accordingly, if you have appointed the Chairperson (either directly or by default) as your proxy and you have not directed him how to vote, you are authorising the Chairperson to exercise the proxy in respect of Resolution 1 notwithstanding that the Chairperson or Key Management Personnel may benefit.

The Chairperson intends to vote all available proxies in favour of Resolution 1.

Special voting restrictions in relation to Resolution 3

In accordance with the ASX Listing Rules (and having regard to the voting restrictions in section 200E(2A) of the Corporations Act as it applies to Resolution 3), the Company will disregard any votes cast on Resolution 3:

- (a) by or on behalf of by or on behalf of any person referred to in Listing Rule 10.14.1, 10.14.2 or 10.14.3 (including Mr Wamsteker) or any of their associates, regardless of the capacity in which the vote is cast; or
- (b) as a proxy by a person who is a member of the Company's Key Management Personnel at the date of Meeting or their Closely Related Parties.

However, the Company need not disregard a vote on Resolution 3 if it is cast by:

- (a) a person as proxy or attorney for a person who is entitled to vote on Resolution 3, in accordance with the directions given to the proxy or attorney to vote on Resolution 3 in that way on the proxy form;

- (b) the Chairperson of the Meeting as proxy for a person who is entitled to vote on Resolution 3, in accordance with a direction on the proxy form to vote as the Chairman of the Meeting decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary, provided the following conditions are met:
- i. the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on Resolution 3; and
 - ii. the holder votes on Resolution 3 in accordance with the directions given by the beneficiary to the holder to vote in that way.

The Chairperson intends to vote all available proxies in favour of Resolution 3.

Proxies

In accordance with section 249L(d) of the Corporations Act, a member who is entitled to attend and vote at the AGM may appoint a proxy. A proxy can be either an individual or a body corporate. Should you appoint a body corporate as your proxy, that body corporate will need to ensure that it:

- appoints an individual as its corporate representative to exercise its powers at meetings, in accordance with section 250D of the Corporations Act; and
- provides satisfactory evidence of the appointment of its corporate representative prior to commencement of the AGM.

If satisfactory evidence of appointment as corporate representative is not received before the meeting, then the body corporate (through its representative) will not be permitted to act as your proxy.

If a Shareholder is entitled to cast two or more votes the Shareholder may appoint two proxies and may specify the percentage of votes each proxy is appointed to exercise. If the proxy appointments do not specify the proportion of the member's voting rights that each proxy may exercise, each proxy may exercise half of the member's votes.

If you appoint someone other than the Chairperson of the Meeting as your proxy and give them voting instructions, the Corporations Act provides that the Chairperson of the Meeting must cast those proxy votes on your behalf if your nominated proxy does not do so.

A proxy need not be a Shareholder.

The Proxy Form (and, if the appointment is signed by the appointer's attorney, the authority under which it was signed or a certified copy of the authority) must be received by the Company's Share Registry, MUFG Corporate Markets, by 10:30 am (AEDT) on Monday, 24 November 2025.

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote by marking either "For" "Against" or "Abstain" for that item of business. If you sign the enclosed Proxy Form and do not mark Box A or Box B, you will have appointed the Chairperson of the Meeting as your proxy.
