Perth WA 6000

CHAIRMAN'S LETTER

20 October 2025

Dear Shareholders,

The success of Euroz Hartleys Group Limited is largely dependent on our ability to attract, retain and reward highly motivated and capable individuals. The nature of our business means we are reliant on our employees' ability to generate revenue and returns for our Shareholders.

The key element of our retention and remuneration strategy that underpins the strength of our business is the Euroz Hartleys Group Limited Performance Rights Plan (**Plan**). A performance rights plan was first introduced in 2014 and has functioned effectively to incentivise our key employees and allowed them to accumulate meaningful equity in the Company over time. This has strengthened the connection and balance between employee performance and shareholder returns.

At the AGM, the Company is seeking Shareholder approval to renew the Plan which was last approved by Shareholders on 17 November 2022. The Plan retains the vesting period in line with ATO limits with a maximum vesting period of up to 15 years. This is highly beneficial to Shareholders in that it further serves to extend the longevity of our staff.

The Plan is a tax effective structure that allows the Company to convert a portion of an employee's pre-tax dollar bonus into ordinary shares in the Company. Whilst the Company has the flexibility to issue new equity if required, the intention is for the Euroz Hartleys Employee Share Trust to continue to buy these Shares on market over the course of a particular financial year in proportion with the ongoing profitability of the business.

The Board believes that this unique structure has provided a balance between shareholders' interests and rewarding and retaining the most important asset of our business – our staff.

The notice of meeting also includes customary resolutions regarding the re-election of directors at the AGM. The Company received a nomination for election as a director, from a well known self-proclaimed shareholder activist. This nomination was unsolicited and is not endorsed by the Board. Your directors recommend that you vote against Resolution 10 for the reasons set out in the Explanatory Statement.

We look forward to your attendance at the Meeting, and importantly, your ongoing support for the Company's important remuneration initiative at the AGM on 24 November 2025.

Yours sincerely

Andrew McKenzie
Executive Chairman

Short Explanation: The Company's current Constitution (which includes the proportional takeover provisions set out in clause 37) was adopted on 17 November 2022. The proportional takeover provisions in the Constitution apply for three years from the date of adoption, unless renewed. Resolution 9 is a special resolution which will enable the Company to renew clause 37 (proportional takeover provisions) for a period of three years from the date of Shareholder approval. EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.eurozhartleys.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3.2 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Ms Romero will be re-elected to the Board as an independent Director. If Resolution 3 is passed, Mr McKenzie will be re-elected to the Board as an executive Director.

If Resolution 2 is not passed, Ms Romero will not continue in her role as an independent Director. If Resolution 3 is not passed, Mr McKenzie will not continue in his role as an executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 4 – APPROVAL TO ISSUE SECURITIES UNDER PERFORMANCE RIGHTS PLAN

4.1 General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of 600 Performance Rights under the employee incentive scheme titled "Performance Rights Plan" (**Plan**).

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Performance Rights under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

4.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

4.3 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Performance Rights to eligible participants under the Plan (up to the maximum number of Performance Rights stated in

Section 4.4) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Performance Rights under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Performance Rights under the Plan to eligible participants, but any issues of Performance Rights will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Performance Rights.

5. RESOLUTIONS 5 AND 6 – ISSUE OF PERFORMANCE RIGHTS TO RELATED PARTIES

5.1 General

The Company has agreed, subject to obtaining Shareholder approval for the Company to adopt the Plan (the subject of Resolution 4), to issue three (3) Performance Rights each to Andrew McKenzie and Tim Bunney (or their nominees) (**Related Parties**) pursuant to the Plan and on the terms and conditions set out below.

The purpose of the issue of the Performance Rights to the Related Parties (or their nominees) is to further motivate and incentivise Directors within a specified period by optimising and aligning performance with the interests of Shareholders. The Board considers the issue of the Performance Rights to be a cost-effective reward for the Company to make to appropriately incentivise the continued performance of the Related Parties and is consistent with the strategic goals and targets of the Company.

5.2 Overview of Euroz's existing remuneration process

The Company operates as the parent company for Euroz Hartleys Limited (**Euroz Hartleys**). Profits and revenue generated by Euroz Hartleys are paid by way of dividend to the Company. The Company also receives income from direct investments.

Depending on arrangements made and the roles undertaken, the employees (including executive directors) of the Company and Euroz Hartleys are largely remunerated by base salary plus either commission earned (**Commission**) or discretionary bonus (**Discretionary Bonus**) or bonuses payable from the Profit Share Bonus Pool (**Profit Share Bonus Payments**). The non-executive directors of the Company are not eligible to participate in the Plan.

The Profit Share Bonus Pool is a share of the pre-tax profit of Euroz Hartleys that is distributed amongst certain executive directors and other employees of Euroz Hartleys through Profit Share Bonus Payments.

Employees who work in the Private Wealth Division of Euroz as investment advisers are largely remunerated through Commission on top of a base salary. Employees who work in the Institutional, Corporate Finance and Research areas of Euroz are remunerated by base salary and Profit Share Bonus Payments. Employees who work in the administration areas of Euroz are remunerated by base salary and Discretionary Bonus. Employees who work as investment advisers are largely remunerated through Commission on top of a base salary.

The Profit Share Bonus Payments are payments out of the Profit Share Bonus Pool. The Euroz Hartleys Limited Executive Remuneration Committee in conjunction with the Company's Remuneration Committee determines the allocation and distribution of the Profit Share Bonus Pool at the end of every half and full financial year based on the following informal criteria:

- (a) ability to perform individual tasks within the relevant department;
- (b) ability to add value and innovate beyond the job standard specifications;
- (c) development of new and existing client relationships;
- (d) ability to interact with other relevant departments as part of a larger team approach;
- (e) adherence to company policies and procedures as well as Compliance track record;
- (f) relevant industry salary benchmarking; and
- (g) general requirements to attract and retain staff.

The executive directors of Euroz Hartleys Limited, except those remunerated by Commission or forming part of the Administration Division are remunerated with a base salary and participation in the Profit Share Bonus Pool through Profit Share Bonus Payments.

5.3 Operation of the Plan

Timeline of events

- (a) Eligible Participants are offered the opportunity to participate in the Plan in or around late November for the December half and late May for the June half of each Relevant Financial Year. Where an Eligible Participant elects to participate in the Plan, they will then receive their bonuses as a combination of cash and equity in the Company as described below. Where an Eligible Participant opts not to participate in the Plan, then they will receive any bonus as 100% cash (less appropriate tax). For the avoidance of doubt, if Resolutions 4, 5 and 6 are approved, the Related Parties may not opt out of the Plan and will receive any bonus as a combination of cash and equity in the Company.
- (b) Notifications are made to Eligible Participants to participate in the Plan at the start of the financial year under which employees are paid 75% of any Profit Share Bonus Payments/Commission/Discretionary Bonus earned in cash, and are invited to apply for a Performance Right (in early/mid-December) to receive the remaining 25% of any Profit Share Bonus Payments/Commission/Discretionary Bonus earned in Shares.
- (c) Performance will be assessed against criteria set as part of the current Profit Share Bonus Payments/Commission/Discretionary Bonus process (for avoidance of doubt, no additional or separate key performance criteria are required for the

Plan – the Plan simply provides for payouts to be made in a combination of cash and equity).

- (d) Performance outcomes will be determined and finalised by approximately mid-June. Vesting notices will be issued informing participants of the vesting outcomes of their Performance Right. Upon vesting, vested Performance Rights will be automatically exercised and participants will be issued/transferred the requisite number of Shares. Performance Rights that do not vest will lapse.
- (e) Shares will be issued/transferred subject to a service condition so that vesting of the Shares occurs on the 3rd anniversary of the issue of the Shares unless in the case of death or total and permanent disability (**Service Condition**). Shares will be forfeited where the Service Condition is not met. Note that any Shares issued/transferred will be held via an employee share trust (**Euroz Hartleys Employee Share Trust**) for ease of administration. Participants will be entitled to dividends upon being issued/transferred the Shares.
- (f) Subject to satisfaction of the Service Condition, vesting notices will be issued informing participants of the vesting outcomes of their Shares. Shares that do not vest will be forfeited.
- (g) Vested Shares will also remain subject to a disposal restriction. The disposal restriction will lift at the earlier of approximately the 14th anniversary plus one (1) day of the issue of the Shares (being the first business day of the new financial year following the elapsed period of 14 years and 1 day from the date of allotment or issue of the Shares) in respect of the Performance Rights or cessation of employment (under circumstances where Shares are not forfeited) (**Disposal Restriction**).
- (h) Provided the employee has continued employment, the Disposal Restriction is lifted.

Worked example of the operation of the Plan

- (a) Employee A has opted to participate in the Plan and receives a bonus of \$60,000 for a 12-month period. For any bonus earned, Employee A will be paid 75% in cash (i.e. up to \$45,000) and have a Right to receive 25% in Shares (i.e. up to \$15,000).
- (b) Bonuses will be subject to performance assessed against criteria over a 12-month period.
- (c) Performance outcomes are determined and finalised by mid-June. Assuming that the criteria are met, this will result in Employee A earning a bonus worth \$60,000 – 75% is paid in cash (i.e. \$45,000) and the balance is settled in Shares (i.e. \$15,000).
- (d) The number of Shares to be issued to Employee A will be calculated as: \$15,000 / 30-day VWAP preceding 31 May, rounded down to the nearest whole number.
- (e) Assuming that the 30-day VWAP preceding 31 May is \$1.50 – a vesting notice is issued and Employee A's vested Performance Right is automatically exercised resulting in Employee A being issued/transferred 10,000 Shares (i.e. \$15,000 / \$1.50). Employee A is entitled to dividends on the Shares issued.
- (f) Employee A's Shares will be held via the Euroz Hartleys Employee Share Trust for ease of administration, and will remain subject to the Service Condition so that the Shares will not vest until the 3rd anniversary of the issue date of the Shares, unless in the case of death or total and permanent disability.
- (g) Provided Employee A satisfies the Service Condition, a vesting notice is issued and Employee A's Shares will vest.
- (h) Vested Shares remain subject to the Disposal Restriction. The Disposal Restriction will lift at the earlier of 14 years plus one (1) day from the issue date of the Shares or cessation of employment (under circumstances where Shares are not forfeited).

- (i) Provided Employee A has continued employment, the Disposal Restriction will lift on the 14th anniversary plus one (1) day of the of issue date of the Shares (for example, Shares issued on 30 June 2026 will have the Disposal Restriction lifted on 1 July 2040).

5.4 Issue of Performance Rights and Vesting of Shares

To implement the participation of the Directors in the Plan, it is proposed that the Related Parties will be issued three (3) Performance Rights, one (1) in respect of each of the financial years ending 30 June 2026, 2027 and 2028 (each a **Relevant Financial Year**). They will be Formulaic Performance Rights, as defined in Section 4.4.

Accordingly, subject to Resolutions 5 and 6 being passed, the Performance Rights will be issued to each Related Party as follows:

- (a) one (1) in June 2026 for the Relevant Financial Year ending 30 June 2026;
- (b) one (1) in June 2027 for the Relevant Financial Year ending 30 June 2027; and
- (c) one (1) in June 2028 for the Relevant Financial Year ending 30 June 2028.

The Performance Rights will vest into Shares subject to satisfactory performance assessed against performance criteria during the Relevant Financial Year.

The vesting outcomes will be determined by approximately 20 June in each Relevant Financial Year and vesting notices issued. Upon vesting the Performance Rights will be automatically exercised into Shares.

As the Performance Rights will be Formulaic Performance Rights they will entitle each Related Party to a specified number of Shares calculated by the following formula:

$$\text{Shares upon Exercise of the Performance Right} = \frac{25\% \times \text{Profit Share Bonus Payment (Plan Dollar Value)}}{\text{VWAP}}$$

Where:

Profit Share Bonus Payment means the payment to be received by the Related Parties out of the Profit Share Bonus Pool for the Relevant Financial Year, as determined by the Company's Remuneration Committee.

VWAP means the 30-day VWAP preceding the calculation date as specified in the offer for the Relevant Financial Year.

Accordingly, the Plan Dollar Value and consequently the Shares that the Related Parties will be entitled to upon the vesting of the Performance Rights will depend on the Profit Share Bonus Pool for that Relevant Financial Year, the VWAP and the Profit Share Bonus Payment received by each Related Party.

For example, if the Profit Share Bonus Payment for each Related Party for a Relevant Financial Year is \$500,000, then the Plan Dollar Value would be \$125,000. Assuming that the VWAP is \$0.96 (being the current Share price of Euroz Shares) then each Related Party would be entitled to 130,208 Shares.

The table below sets out further theoretical examples based on different variables for the Profit Share Bonus Payments and VWAP based on the maximum individual actual Profit Share Bonus Payment received for the previous financial year, being \$1,250,000.

		PROFIT SHARE BONUS PAYMENT FOR THE RELEVANT FINANCIAL YEAR			
			\$625,000 (50% decrease in Profit Share Bonus Payment)	\$1,250,000 (Profit Share Bonus Payment received for Financial Year 2024/25)	\$1,875,000 (50% increase in Profit Share Bonus Payment)
VWAP	\$0.96 (Current Share Price)	Plan Dollar Value	\$156,250	\$312,500	\$468,750
		Shares	162,760	325,520	488,281
	\$0.48 (50% decrease in Current Share Price)	Plan Dollar Value	\$156,250	\$312,500	\$468,750
		Shares	325,520	651,041	976,562
	\$1.44 (50% increase in Current Share Price)	Plan Dollar Value	\$156,250	\$312,500	\$468,750
		Shares	108,506	217,013	325,520

Therefore, assuming a 50% decrease in the current Share price and a 50% increase in the Profit Share Bonus Payments, the maximum would be 976,562 Shares for each Related Party for each Relevant Financial Year.

5.5 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Performance Rights constitutes giving a financial benefit and the Related Parties are related parties of the Company by virtue of being Directors.

The Directors (other than the Related Parties) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Performance Rights, reached as part of the remuneration package for the Related Parties, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

5.6 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

5.7 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issues of the Performance Rights to the Related Parties under the Performance Rights Plan within 3 years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issues. If the Company is unable to proceed with the issues, it will be required to pay the equivalent of the incentives in cash, thus reducing the cash reserves of the Company.

6. RESOLUTIONS 7 AND 8 – ISSUE OF LONG TERM INCENTIVE PERFORMANCE RIGHTS TO RELATED PARTIES

6.1 General

The Company has agreed, subject to obtaining Shareholder approval of Resolution 4, to issue three (3) long term incentive Performance Rights to Andrew McKenzie and Tim Bunney (or their nominees) pursuant to the Plan and on the terms and conditions set out below (**LTI Performance Rights**). Each of the LTI Performance Rights will be Discretionary Performance Rights, as defined in Section 4.4.

The purpose of the proposed issue is to provide long-term incentives to the Related Parties (and/or their nominees) on terms and conditions that are consistent with the strategic goals and targets of the Company and aligned with the interests of Shareholders.

Unless and until the LTI Performance Rights vest, the LTI Performance Rights do not convey the full benefits of Share ownership (such as dividend and voting rights). The Company is of the view that the LTI Performance Rights will provide a means to further motivate and reward the Related Parties for achieving specified performance milestones and/or continuing their employment with the Company within a specified period. The LTI Performance Rights differ from the other Performance Rights in that they provide a true long term incentive to the Related Parties, in contrast to the Performance Rights which require the Related Parties to sacrifice a portion of any bonus to be paid in equity.

6.2 Overview of the LTI Performance Rights

- (a) It is proposed that, subject to Resolution 4 being approved by Shareholders, the Related Parties (or their nominees) will each be issued the following LTI Performance Rights:
 - (i) one (1) LTI Performance Right in or around December 2025 which relates to the performance during the financial year ending 30 June 2026;
 - (ii) one (1) LTI Performance Right in or around December 2026 which relates to the performance during the financial year ending 30 June 2027; and
 - (iii) one (1) LTI Performance Right in or around December 2027 which relates to the performance during the financial year ending 30 June 2028.
- (b) If an LTI Performance Right vests, a vesting notice will be given by the Company to the holder of the LTI Performance Right.
- (c) Upon vesting, a LTI Performance Right will automatically be exercised and the Related Parties (or their nominees) will be issued/transferred a number of Shares (**LTI Shares**). The number of LTI Shares that the Related Parties (or their nominees) will receive will be determined by the Company's Remuneration Committee (excluding the Related Parties) in its absolute discretion having regard to the Related Parties' performance over the relevant performance period and the profitability of the Group during that period. Under ASX Listing Rule 10.16(b), Shareholder approval is not required for the issue of rights to acquire securities to a director or their associates under an employee equity incentive scheme, where the securities to be acquired in satisfaction of the rights are required to be purchased by or on behalf of directors or their associates on market. Whilst it is the Board's intention that any LTI Shares that may be awarded to the Related Parties will be purchased on market which would minimise dilution to Shareholders, the Board considers it appropriate that Shareholder approval be sought for the issue of the LTI Performance Rights. Where a sufficient number of Shares are unable to be purchased on market to satisfy the vesting of the LTI Performance Rights into LTI Shares, then the Board may consider the issue of new Shares to the Related Parties, subject to Shareholder approval of Resolution 4 and Resolutions 7 and 8. The Board notes that since the inception of the Plan in 2014, no new Shares have been issued to satisfy the vesting of Performance Rights to any employee or Director.
- (d) Any LTI Shares issued or transferred to the Related Parties (or their nominees) will be subject to a 3 year service-related vesting condition. Accordingly, vesting of the relevant LTI Shares will occur on the 3 year anniversary of the issue/transfer of

the LTI Shares to the Related Parties (or their nominees) unless they die or suffer a total and permanent disability (**LTI Service Condition**). A vesting notice will be issued to the Related Parties (or their nominees) to confirm the vesting outcome.

- (e) LTI Shares will be forfeited where the LTI Service Condition is not met. Note that the Company may require that any LTI Shares issued or transferred to the Related Parties (or their nominees) may be held via the Euroz Hartleys Employee Share Trust for ease of administration. The Related Parties (or their nominees) will be entitled to any dividends while they hold the LTI Shares (whether directly held or through the Euroz Hartleys Employee Share Trust).
- (f) Unvested and vested LTI Shares will remain subject to a disposal restriction. The disposal restriction will lift at the earlier of the 14th anniversary plus one (1) day of the issue/transfer of the LTI Shares in respect of the LTI Performance Right or cessation of employment (under circumstances where Shares are not forfeited) (**Disposal Restriction**).
- (g) Provided the employee has continued employment, the Disposal Restriction is lifted (for example, Shares issued on 30 June 2026 will have the Disposal Restriction lifted on 1 July 2040).

6.3 Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out in Section 5.5.

The issue of the LTI Performance Rights constitutes giving a financial benefit and the Related Parties are each a related party of the Company by virtue of being Directors.

The Directors (other than the Related Parties) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the LTI Performance Rights, reached as part of the remuneration package for the Related Parties, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

6.4 Listing Rule 10.14

A summary of Listing Rule 10.14 is set out in Section 5.6.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

6.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issues of the LTI Performance Rights to the Related Parties under the Performance Rights Plan within 3 years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issues. If the Company is unable to proceed with the issues, it may be required to pay the equivalent of the incentives in cash, thus reducing the cash reserves of the Company.

7. RESOLUTION 9 – RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS IN THE CONSTITUTION

7.1 General

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.

In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).

The Company's current constitution (which includes the proportional takeover provisions set out in clause 37) was adopted on 17 November 2022. Accordingly, the proportional takeover provisions in the Constitution apply until 17 November 2025 unless sooner omitted or renewed.

Resolution 9 is a special resolution which will enable the Company to modify its Constitution by renewing clause 37 for a period of three years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of clause 37.

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to three years on each occasion.

A copy of the Constitution was released to ASX on 17 November 2022 and is available to download from the Company's ASX announcements platform.

7.2 Technical information required by section 648G(5) of the Corporations Act

<p>Overview</p>	<p>A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.</p> <p>Pursuant to section 648G of the Corporations Act, the Company has included in the Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.</p> <p>This clause of the Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.</p>
<p>Effect of proposed proportional takeover provisions</p>	<p>Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.</p>
<p>Reasons for proportional takeover provisions</p>	<p>A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.</p>
<p>Knowledge of any acquisition proposals</p>	<p>As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.</p>
<p>Potential advantages and disadvantages of proportional takeover provisions</p>	<p>The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.</p> <p>The potential advantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed; (b) assisting in preventing Shareholders from being locked in as a minority;

(c)	increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
(d)	each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.
	The potential disadvantages of the proportional takeover provisions for Shareholders include:
(a)	proportional takeover bids may be discouraged;
(b)	lost opportunity to sell a portion of their Shares at a premium; and
(c)	the likelihood of a proportional takeover bid succeeding may be reduced.
Recommendation of the Board	The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.

8. RESOLUTION 10 – ELECTION OF EXTERNAL NOMINEE STEPHEN MAYNE AS A DIRECTOR – NOT BOARD ENDORSED

The Directors recommend that Shareholders vote AGAINST this Resolution.

Mr Stephen Mayne, a non-Board endorsed candidate, has nominated himself for election as a director of the Company.

The nomination was unsolicited and is not endorsed by the Board. It is well known that as a self-described activist investor, Mr Mayne has routinely nominated himself, unsuccessfully, to act as a director on many listed company boards historically.

Mr Mayne, in his nomination advised the following information on his biography – this information has not been verified by the Company.

“Stephen Mayne, 56. BCom (Melb). GAICD. Stephen is a Walkley Award-winning business journalist and Australia’s best known retail shareholder advocate. He was the founder of www.crikey.com.au, publishes the corporate governance website www.maynereport.com, writes regular columns for The Intelligent Investor and co-hosts The Money Café podcast with Alan Kohler. His governance experience includes 8 years as a City of Manningham councillor in Melbourne’s eastern suburbs, a 4 year term (2012-2016) as a City of Melbourne councillor where he chaired the Finance and Governance committee, 5 years on the Australian Shareholders’ Association board and asking questions at more than 1100 ASX listed company AGMs since 1998.”

In his nomination, Mr Mayne raised concerns about the Company holding physical only shareholder meetings, the Board having a non-independent executive chair and the Company managing sophisticated and institutional placements for listed companies without a share purchase plan offering for retail shareholder participation.

The Board has assessed Mr Mayne’s nomination including his stated skills and experience in the context of the current composition of the Board and against the skills matrix in the Company’s Corporate Governance Statement.

Based on the information available, in the Board’s view:

- (a) Mr Mayne’s skills and experience are not complementary to the current Board and he does not hold the necessary experience to perform as an effective

director on the board of the Company which operates a complex, regulated financial services business;

- (b) Mr Mayne would not add to the effectiveness of the Board; and
- (c) it is not in the best interests of the Company and its shareholders that Mr Mayne be elected as a non-executive director.

Accordingly, the Board has determined to not support his nomination. The Board also considers that Mr Mayne's concerns are not justified.

The Directors recommend that Shareholders vote against Resolution 10.

- (c) **Offer of Performance Rights:** Performance Rights may be granted under the Plan to Eligible Participants from time to time in the absolute discretion of the Directors.
- (d) **Number of Rights Offered:** The number of Performance Rights that will be offered to an Eligible Participant pursuant to an Offer is entirely within the discretion of the Directors. Each Performance Right will, upon vesting, entitle the holder to:

 - (iii) a number of Shares to be determined by the Board in its absolute discretion (**Discretionary Performance Right**).
