A proxy need not be a Shareholder of the Company. A body corporate appointed as a Shareholder's proxy may appoint a representative to exercise any of the powers the body may exercise as a proxy at the Meeting. The representative should bring to the Meeting evidence of his or her appointment, including any authority under which the appointment is signed, unless it has previously been given to the Company.

Subject to the specific proxy provisions applying to Items 2 (see the Explanatory Memorandum):

- If a Shareholder has not directed their proxy how to vote, the proxy may vote as the proxy determines; and
- If a Shareholder appoints the Chair of the Meeting as proxy and does not direct the Chair how to vote on an item of business, the Chair will vote in accordance with his voting intention as stated in this Notice of Meeting.

Submitting your Proxy Form

To be valid, a Proxy Form must be received by the Company in the manner set out in this Notice.

The Chair's decision on the validity of a vote cast by a proxy or vote cast in person, is conclusive and the Company reserves the right to declare invalid any Proxy Form not received in this manner.

Explanatory Memorandum

This Explanatory Memorandum has been prepared for the information of Shareholders of the Company in relation to the business to be conducted at the Company's AGM to be held at 10.00am AEDT on Monday, 24 November 2025.

The purpose of this Explanatory Memorandum is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote on the resolutions.

Subject to the abstentions noted below in respect of each resolution, the Board recommends that Shareholders vote in favour of all resolutions. The Chair of the Meeting intends to vote all available undirected proxies in favour of each resolution.

The resolutions in Items 3 and 4 are ordinary resolutions, which require a simple majority of votes cast by Shareholders entitled to vote on the resolution. The resolution in Item 2 relating to the Remuneration Report, is advisory and does not bind the Directors or the Company.

Item 1 – Financial statements and reports

As required by section 317 of the Corporations Act the Financial Report, Directors' Report and Auditor's Report of the Company for the most recent financial year will be presented at the Meeting. The Financial Report contains the financial statements of Pro Medicus Limited.

There is no requirement for a formal resolution on this Item.

The Chair of the Meeting will allow a reasonable opportunity at the Meeting for Shareholders to ask questions about or make comments on the management of the Company, and to ask questions about, or make comments on, the Remuneration Report. Shareholders will also be given a reasonable opportunity at the Meeting to ask the Company's auditor, Ernst & Young (EY), questions about the Auditor's Report, the conduct of its audit of the Company's Financial Report for the financial year ended 30 June 2025, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in its preparation of the financial statements and the independence of EY in relation to the conduct of the audit.

Shareholders may submit written questions to the Company in relation to the above matters and the way to do this is outlined earlier in this Notice.

Item 2 – Remuneration Report

The Company has prepared a Remuneration Report for consideration and adoption by Shareholders. The Remuneration Report on pages 30-42 of the Company's Annual Report for the year ended 30 June 2025 sets out the remuneration policies of the Company and reports on the remuneration arrangements and outcomes for KMP, including the directors and executives of the Company. The 2025 Annual Report is available at www.promed.com.au/investors/annual-reports.

As provided by section 250R (3) of the Corporations Act, the resolution on this item of business is advisory only and does not bind the Board or the Company. The Board will consider the outcome of the vote and comments from Shareholders when considering the Company's remuneration policies.

Board recommendation

The Board recommends that Shareholders vote **FOR** the resolution in Item 2.

For personal use only

Voting Exclusion

The Company will disregard any votes cast on Item 2 by, or on behalf of

- (a) any member or a former member of the KMP whose remuneration details are disclosed in the Company Remuneration Report; or
- (b) a Closely Related Party of such a KMP,

unless the vote is cast by a person as proxy for a person entitled to vote in accordance with a direction on the Proxy Form.

This restriction on voting undirected proxies does not apply to the Chair of the Meeting acting as proxy for a person entitled to vote on Item 2 because the Company's proxy appointment expressly authorised the Chair of the Meeting to exercise undirected proxies, even though the Item is connected with the remuneration of a member of the Company's KMP.

What this means for Shareholders: If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, please ensure that you direct them how to vote on the proposed resolution in Item 2. If you intend to appoint the Chair of the Meeting as your proxy, you can direct him how to vote by marking the boxes for Item 2 (for example, if you wish to vote for, against or abstain from voting), or you can choose not to mark any of the boxes for Item 2 and give the Chair your express authority to vote your undirected proxy (in which case the Chair will vote in favour of this item of business).

Item 3 – Re-election of directors

In accordance with the Company's Constitution and the Listing Rules, an election of Directors must be held at each annual general meeting.

The Constitution states that one-third of all Directors (excluding the Managing Director and Directors appointed during the year by the Board) must retire at every annual general meeting and are eligible to stand for re-election. The Directors to retire pursuant to the Constitution are the Directors (other than the Managing Director) who have held office the longest since being appointed or last being elected. In the case where Directors were elected on the same day, the Directors to retire are determined by agreement between the Directors, or a ballot. Further, ASX Listing Rule 14.4 states that a director must not hold office without re-election past the third annual general meeting following the director's appointment or three years, whichever is longer.

Mr Anthony Glenning, and Dr Sam Hupert are due for re-election by rotation having last been elected by Shareholders on 21 November 2022.

The election of each of the candidates must be considered and voted on as a separate resolution. Details of the candidates are outlined below.

Item 3.1: Re-election of Mr Anthony Glenning

Mr Glenning was appointed to the board on 01 May 2016. He is currently a member of the Audit and Risk Management Committee and a member of the People and Culture Committee.

Mr Glenning is a fund adviser to Skalata Ventures, investing in early-stage companies to help them scale and grow into significant and sustainable businesses. He is a Director of Austco Healthcare Limited (ASX:AHC) since September 2018, an international provider of healthcare communication and clinical workflow management solutions.

Mr Glenning is also a Director of Iress Limited (ASX:IRE) since October 2022, a technology company providing software to the financial services industry.

Mr Glenning has previously been an Investment Director at Starfish Ventures and was the founder and CEO of Tonic Systems and a founding Non-Executive Director of Cameron Systems. He has also held senior software engineering positions at Google and Sun Microsystems Inc.

Mr Glenning holds bachelor's degree in computer science and electrical engineering from University of Melbourne and holds a master's degree in electrical engineering from Stanford University California.

The Company confirms that Mr Glenning has no known interest, position or relationship that will influence or be reasonably perceived to influence his capacity to bring an independent judgement to bear on issues before the board and to act in the best interests of the Company as a whole rather than in the interests of an individual shareholder or other party.

Accordingly, having had regard to the ASX Corporate Governance Principles and Recommendations (fourth edition) (**ASX Principles**), the Board considers Mr Glenning to be an independent director.

For personal use only

Board recommendation

The Board (with Mr Glenning abstaining) supports the election of Mr Anthony Glenning and recommends that Shareholders vote **FOR** Mr Glenning's re-election as a Director of the Company for the reasons, outlined above.

Item 3.2: Re-election of Dr Sam Hupert

Co-founder of Pro Medicus Limited in 1983, Dr Sam Hupert is a Monash University Medical School graduate who commenced General Practice in 1980. Realising the significant potential for computers in medicine he left general practice in late 1984 to devote himself full time to managing the Group.

Dr Hupert served as CEO from the time he co-founded the company until October 2007 at which time he stepped down to become an executive director. Dr Hupert resumed full time CEO activities in October of 2010.

Prior to submitting himself for re-election, Dr Hupert confirmed that he would continue to have sufficient time to properly fulfil his Director duties for the Company.

Accordingly, having had regard to the ASX Corporate Governance Principles and Recommendations (fourth edition) (**ASX Principles**), the Board considers Dr Hupert be a non-independent executive director.

Board recommendation

The Board (with Dr Hupert abstaining) supports the election of Dr Sam Hupert and recommends that Shareholders vote **FOR** Dr Hupert's re-election as an Executive Director of the Company for the reasons, outlined above.

Item 4: Non-Executive Director Remuneration

Resolution 4 set out in the Notice of Meeting seeks shareholder approval to increase the maximum total aggregate remuneration of Non-Executive Directors paid within any year under the Company's constitution and ASX Listing Rule 10.17. Listing rule 10.17 states that an entity must not increase the total aggregate amount of directors' fees payable to all its non-executive directors without the approval of holders of its ordinary securities.

The original approval determined at the Annual General Meeting held on 25 November 2020 was for up to a maximum aggregate remuneration of Non-Executive Directors of \$1,000,000. Since the date of that approval, the Company has increased the number of Non-Executive Directors and increased the amount paid to each Director. Approval for an increase in the maximum aggregate remuneration of Non-Executive Directors is sought to allow scope to increase the number of Directors as the Company continues to grow and to adjust individual remuneration in line with market benchmarks.

Accordingly, the Board seeks shareholder approval to increase the maximum aggregate remuneration of Non-Executive Directors to \$2,000,000, an increase of \$1,000,000.

If resolution 4 is passed, the total amount of directors' fees potentially payable to all the company's non-executive directors will be increased to a maximum of \$2,000,000. If resolution 4 is not passed, the total amount of directors' fees payable to all the company's non-executive directors will remain at a maximum of \$1,000,000.

Board recommendation

The Board of Directors recommend voting in favour of Resolution 4.

Chair's voting intention

The Chair of the Meeting intends to vote all available undirected proxies **FOR the resolutions in Items 2, 3.1, 3.2 and 4.**

HOW TO COMPLETE THIS SHAREHOLDER PROXY FORM

YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

APPOINTMENT OF PROXY

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name and email address of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company.

DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Form, including where the Resolution is connected directly or indirectly with the remuneration of KMP.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.
