September 2025 Quarterly Activities and Cash Flow Report

Corella Resources Ltd (ASX:CR9) (**Corella** or the **Company**) provides a summary of activities and attached Appendix 5B for the quarter ended 30 September 2025 (**Quarter**).

Operational Update

The Company has consulted with geologists who have relevant experience to consider the next steps to be undertaken with the Tampu Project and other tenements, including whether further exploration will be conducted in the area. A report received after the end of the quarter has identified areas on which the Company will focus, and in order to conserve costs, areas which may be relinquished without impacting the core exploration areas.

The Company is also keeping its options open to engage in potential new or alternative projects which the Board considers would enhance shareholder value.
