COMMITMENTS RECEIVED FOR A\$475 MILLION PLACEMENT

29/10/2025

- **Successful completion of institutional placement to raise A\$475 million**
- **Placement bookbuild received strong demand from high quality investor groups, providing a further endorsement of the Company's Nolans Project**

Arafura Rare Earths Limited (ASX: ARU) (Arafura or the Company) is pleased to provide an update on the status of the capital raising announced to the ASX on 28 October 2025.

The Company has received commitments to raise ~A\$475 million (before costs) via a two-tranche institutional placement of approximately 1,696.4 million new fully paid ordinary shares (**New Shares**) at an offer price of A\$0.28 per New Share (**Placement**).

Tranche one of the Placement will raise ~A\$123.4 million (before costs) and tranche two of the Placement, which is subject to shareholder approval, is expected to raise ~A\$351.6 million (before costs).

The Placement was well supported by new and existing high-quality institutional investors, including Arafura's largest shareholder, Hancock Prospecting Pty Ltd (**Hancock**), which has committed to ~A\$125 million (~446.4 million New Shares) in the Placement. Following completion of the Placement, Hancock will hold an interest in the Company of ~15.7%¹.

Arafura will resume trading on the ASX from market open today, 29 October 2025, with settlement under tranche one of the Placement expected to occur on 3 November 2025. Settlement of tranche two of the Placement is expected to occur on 11 December 2025, subject to shareholder approval being obtained. The Company will shortly despatch a notice of meeting to convene an extraordinary general meeting of shareholders expected to be held on 5 December 2025 (**EGM**).

In addition to the Placement, and as announced on 28 October 2025, the Company is also undertaking a share purchase plan (**SPP**) targeting to raise approximately A\$50 million (with the ability to accept oversubscriptions of up to A\$20 million) at the same offer price as the Placement (of A\$0.28 per New Share).

Further details regarding the SPP will be contained in a prospectus that will be prepared and lodged with ASIC (and released to ASX) in due course (**Prospectus**). The offer and issue of New Shares under the SPP will be subject to shareholder approval for the purposes of ASX Listing Rule 7.1, and that approval will be sought at the EGM.

Arafura's Managing Director and CEO Darryl Cuzzubbo said: "The strength of demand received for this capital raising has definitively validated the importance of Arafura's role in a diversified global supply chain. We have progressively delivered a funding solution that will support a final investment decision announcement early next year and see us commence construction of what will be an iconic project for Australia of global significance".

¹ Post completion of tranche two of the placement & before any New Shares are issued under the SPP.
