

30 October 2025

QUARTERLY ACTIVITIES REPORT

For Period Ended 30 September 2025

September 2025 – Quarter's Activities

- Company continues to focus its efforts on existing Australian based assets.
- Following a comprehensive review of the Company's existing 100% owned Australian assets, C29 will initially drill test two promising targets at its Samsons Tank Copper project in the Lachlan fold belt of NSW.
- The Company is also focused on assessing new acquisition opportunities across the globe with a view to expanding and diversifying the Company's exploration portfolio and delivering value to shareholders.

C29 Metals Limited (**ASX:C29**) ("**C29**", or the "**Company**"), an Australian exploration company, provides the following overview of activities for the period ending 30 September 2025 (the "**Quarter**", the "**Reporting Period**") to accompany the Appendix 5b.

During the Quarter, the company continued its comprehensive geological review of its Australian based assets.

Post quarter end, on 22 October 2025, the Company announced that following the geological review, the Samsons Tank Copper project in the Lachlan Fold Belt of NSW ranked as the number one (1) priority exploration target from the Company's project portfolio. C29 will initially drill test two promising targets at its Samsons Tank Copper project in the Lachlan fold belt of NSW.

Post quarter end, on 22 October 2025, the Company announced following the geological review of its 100% owned Mayfield Copper & Gold project located in Qld the Company determined that the project does not warrant further exploration expenditure. The Company will commence the relinquishment of the project tenements to the Queensland Department of Natural Resources and Mines, Manufacturing and Regional and Rural Development.

The Company also focused on assessing new acquisition opportunities across the globe with a view to expanding and diversifying the Company's exploration portfolio and delivering value to shareholders.

Commenting on the Quarter, C29 Metals Managing Director, Shannon Green, stated: *"This Quarter the Company focussed its efforts on its Australian based assets and continued the search for new acquisition opportunities across the globe. We look forward to drill testing the two identified targets at Samsons Tank and growing and diversifying the Company with a future acquisition"*

Corporate

As at 30 September 2025, the Company held cash on hand of \$653,000.

Administration and corporate costs expenditure, as disclosed on the 5b Cashflow Statement, is broken down as follows:

Expenditure	Sept Qtr \$'000

8.8 If item 8.7 is less than 2 quarters, please provide answers to the following questions:	
8.8.1 Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?	
Answer: No, during the quarter the company had costs associated with the winding up of operations in Kazakhstan, these costs are not expected to continue.	
8.8.2 Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?	
Answer: Yes, the Company has budgeted for a capital raise in the current Quarter, the Company regularly engages with the market and there is no information to suggest that it would not be successful.	

Mining exploration entity or oil and gas exploration entity quarterly cash flow report

8.8.3 Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: Yes, the Company anticipates a reduction in ongoing spend as the operations in Kazakhstan are wound up, additionally the Company has the ability to raise funds via a capital raise.

Note: where item 8.7 is less than 2 quarters, all of questions 8.8.1, 8.8.2 and 8.8.3 above must be answered.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
