ASX Announcement

31 October 2025

QUARTERLY ACTIVITIES REPORT FOR THE PERIOD ENDED 30 SEPTEMBER 2025

The Star Entertainment Group Limited (ASX: SGR) (**The Star**, the **Group** or the **Company**) today released its unaudited quarterly activities report for the first quarter ended 30 September 2025 as set out below. This announcement should be read in conjunction with the Unaudited Appendix 4C – Quarterly Cash Flow Report also released to the ASX today.

SUMMARY

- Q1 FY26 revenue of \$284 million (up 5% compared to Q4 FY25) and Q1 FY26 EBITDA loss of \$13 million (before significant items), compared to an EBITDA loss of \$27 million for Q4 FY25. EBITDA results throughout this announcement are stated before significant items, which will be disclosed separately in the Group's FY26 half year results announcement.
- The result for the period reflects stabilised trading in Sydney (although trading levels remain at historical lows), seasonally stronger volumes on the Gold Coast, and a higher operator fee for The Star Brisbane. Operating conditions remain challenging due to the impact of mandatory carded play and cash limits in NSW and stricter regulatory requirements across all properties.
- On 12 August 2025, The Star entered into binding long form documentation with Chow Tai Fook Enterprises Limited and Far East Consortium International Limited (the **Joint Venture Partners** or **JVPs**) to exit the Destination Brisbane Consortium Integrated Resort joint venture (**DBC**), dispose of its interest in the Festival Car park joint venture, dispose of the Treasury Hotel and Car Park and consolidate its Gold Coast position (**JVP Transaction**). The terms of the JVP Transaction were released to the ASX on 12 August 2025. Completion of the JVP Transaction remains subject to several condition precedents.
- As announced to the ASX in April 2025, The Star entered into a strategic investment in the form of a multi-tranche convertible note and subordinated debt instrument for a principal value of \$300 million (**Strategic Investment**) with Bally's Corporation (**Bally's**) and Investment Holdings Pty Ltd (**Investment Holdings**). Following the receipt of shareholder approval in June 2025, The Star received a total of \$233 million by 30 June 2025. The remaining \$67 million was received from Bally's in October 2025. Completing the Strategic Investment remains subject to outstanding regulatory approvals.
- The Group's senior lenders agreed to provide covenant waivers for 30 September 2025. To the extent future required waivers are not available, including for 31 December 2025, the Group will need to execute a refinancing of the existing senior lender facility within the available timeframes to avoid a default.
- The Group's ability to successfully execute its ongoing capital management strategy in the timeframe required will be impacted by the quantum and timing of the AUSTRAC judgment which remains outstanding.

- The Group's ability to continue as a going concern remains dependent on the outcome of numerous material uncertainties (including those noted above), some of which are interdependent and outside The Star's control. The full list of relevant matters were set out in Note G of the Group's FY25 financial statements released on 30 September 2025.
- The Group had available cash at 30 September 2025 of \$168 million¹.

The Star Sydney

- Revenue was in line with the previous quarter, reflecting growth in hospitality revenue offset by a decline in gaming revenue.
- Since 19 October 2024 (being the date that mandatory carded play and \$5,000 daily cash limits was fully implemented across the entire gaming floor), average daily revenue has declined 18% to 30 September 2025, compared to the 4 week average daily revenue prior to 19 August 2024 (first stage of reform implementation).

The Star Gold Coast

- Revenue and EBITDA increased compared to the prior quarter, reflecting seasonally stronger volumes across both gaming and hospitality segments.
- Gaming revenue grew by 8% compared to Q4 FY25 with growth reported in both table games and electronic gaming machines. Similarly, hospitality revenue grew by 11%.

The Star Brisbane

- The financial results for The Star Brisbane are reported by DBC (Joint Venture 50% owned by The Star), which is subject to an agreement signed on 12 August 2025 with the Joint Venture Partners under which The Star will exit its interest in DBC. The Group is the operator of The Star Brisbane under a Casino Management Agreement (**CMA**) with DBC and recognises the operator fee as revenue and allocated corporate costs as the associated expense. Operator fee revenue for the quarter was \$14 million, and the EBITDA loss was \$9 million. The operator fee for the quarter reflects the \$5 million monthly fixed fee following the signing of the JVP Transaction agreement in August 2025.
- Property earnings for The Star Brisbane are recognised as a share of profit/loss from investment in associates and are not included in The Star's EBITDA.
- *Property performance:*

- Treasury Brisbane Casino's earnings have been replaced by The Star Brisbane operator fee in the Group's consolidated revenue and EBITDA.
- Treasury hotel and carpark continue to operate with a small revenue contribution and is breakeven at the EBITDA level for the last quarter.

The long form documents were entered into following the termination of the Heads of Agreement (**HoA**) between the JVPs and The Star on 7 July 2025. Due to the termination of the HoA, The Star was required to pay the JVPs \$10 million. Shortly after signing of the long form documents on 12 August 2025 the full \$10 million was repaid to The Star. On 30 September 2025, The Star prepaid \$61 million of the existing Senior Facility Agreement (**SFA**) debt facility utilising the full amount of the Disposal Proceeds Account (**DPA**) balance on that date. The DPA represented proceeds from the sale of the Treasury Brisbane Casino building during H1 FY25 plus capitalised interest.
- The SFA lenders agreed to waive the covenants for the SFA loans for 30 September 2025. These waivers contained a number of conditions. On 2 October 2025, The Star deposited \$30 million into the DPA account as per the agreed terms of the covenant waivers.
