HIGHLIGHTS

- Share Purchase Plan (SPP) for Eligible Shareholders to close as per previously notified timetable¹
- Payment for applications must be received before 5:00pm (AEDT) on Thursday, 6 November 2025¹

Barton Gold Holdings Limited (ASX:BGD, OTCQB:BGDFF, FRA:BGD3) (**Barton** or **Company**) reminds Eligible Shareholders that the SPP opened on 23 October 2025 is scheduled to close on Thursday, 6 November 2025. The SPP follows a placement to North American institutional shareholders, led by Franklin Templeton.¹

The issue price of the SPP Shares is \$1.25 per share (the same price as the Placement), which represents a:

- **Discount of 3.8%** to Barton's last traded price of \$1.30 before the Placement announcement;
- **Premium of 7.6%** to Barton's 1 month (20 trading day) VWAP of \$1.16 on the same day; and
- **Premium of 9.2%** to Barton's last traded price of \$1.145 on 21 October 2025, before settlement.

The SPP offers eligible shareholders in Australia and New Zealand the opportunity to apply for up to A\$30,000 worth of new shares (**SPP Shares**), without incurring brokerage or transaction costs.

The SPP will close at 5:00pm (AEDT) on Thursday, 6 November 2025 as scheduled. No extension of time for applications will be granted. Therefore, Barton encourages Eligible Shareholders who wish to participate in the SPP to act promptly in submitting their applications.

To apply for SPP Shares, you must make payment directly by BPAY using the unique reference number shown on your personalised application form. Payment must be received before the close of the SPP. Therefore please take into account BPAY® processing times.

Please refer to the Letter to Eligible Shareholders and SPP Booklet published on the Australian Securities Exchange (ASX) platform for further details on how to apply, including how to obtain a copy of your personalised application form online.²

The information relating to historic Exploration Results and Mineral Resources in this announcement is extracted from the Company's Prospectus dated 14 May 2021 or as otherwise noted, available from the Company's website at www.bartongold.com.au or on the ASX website www.asx.com.au. The Company confirms that it is not aware of any new information or data that materially affects the Exploration Results and Mineral Resource information included in previous announcements and, in the case of estimates of Mineral Resources, that all material assumptions and technical parameters underpinning the estimates, and any production targets and forecast financial information derived from the production targets, continue to apply and have not materially changed. In accordance with ASX Listing Rule 5.19.2, the Company further confirms that the material assumptions underpinning any production targets and the forecast financial information derived therefrom continue to apply and have not materially changed. The Company confirms that the form and context in which the applicable Competent Persons' findings are presented have not been materially modified from the previous announcements.

Cautionary Statement Regarding Forward-Looking Information

This document may contain forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "believe", "plan", "expect", "target" and "intend" and statements that an event or result "may", "will", "should", "would", "could", or "might" occur or be achieved and other similar expressions. Forward-looking information is subject to business, legal and economic risks and uncertainties and other factors that could cause actual results to differ materially from those contained in forward-looking statements. Such factors include, among other things, risks relating to property interests, the global economic climate, commodity prices, sovereign and legal risks, and environmental risks. Forward-looking statements are based upon estimates and opinions at the date the statements are made. Barton undertakes no obligation to update these forward-looking statements for events or circumstances that occur subsequent to such dates or to update or keep current any of the information contained herein. Any estimates or projections as to events that may occur in the future (including projections of revenue, expense, net income and performance) are based upon the best judgment of Barton from information available as of the date of this document. There is no guarantee that any of these estimates or projections will be achieved. Actual results will vary from the projections and such variations may be material. Nothing contained herein is, or shall be relied upon as, a promise or representation as to the past or future. Any reliance placed by the reader on this document, or on any forward-looking statement contained in or referred to in this document will be solely at the readers own risk, and readers are cautioned not to place undue reliance on forward-looking statements due to the inherent uncertainty thereof.
