Dear Elizabeth,

REQUEST FOR TRADING HALT

In accordance with Listing Rule 17.1 Eagle Mountain Mining Limited ("Eagle Mountain, the Company") requests that an immediate trading halt be placed on its securities pending the release of announcement(s) in relation to a significant transaction providing an option to re-acquire the Oracle Ridge Mine and separately a capital raising.

The Company expects the trading halt will be required for a period not exceeding the commencement of trading on 7 November 2025, in accordance with ASX Listing Rule 17.1.1 and ASX Operating Rule 16.4.2, and that an announcement will likely be made within that timeframe.

Eagle is not aware of any reason why the trading halt should not be granted, nor of any other information relevant to this request.

Should you require any further clarification please do not hesitate to contact the undersigned.

Yours sincerely
