Update – 30 Year Mining Permit Granted for BOGP

Santana Minerals Limited (“Santana” or “Company”) is pleased to announce that New Zealand Petroleum & Minerals (NZPAM), a part of the Ministry of Business, Innovation & Employment, has formally granted the Mining Permit for the Bendigo-Ophir Gold Project (BOGP) in Central Otago, New Zealand for a period of thirty years.

This is pleasing as correspondence with NZPAM had indicated a 25-year period was likely during the application process.

End.

This announcement has been authorised for release by the Board.
