Growthpoint Properties Australia continues momentum into FY26

Growthpoint Properties Australia (**Growthpoint**) is pleased to provide a market update, including its performance for the three months to 30 September 2025 (1Q26).¹

Growthpoint CEO and Managing Director, Ross Lees said, “We have continued the focused execution of our strategy, delivering clear results aligned to our strategic pillars.”

- **Delivered portfolio performance** driving resilient direct portfolio weighted average lease expiry (WALE) of 5.6 years and high occupancy of 94%
 - Office leasing of 16,094 sqm (3.4% of office portfolio income) increased occupancy to 93%² and maintained WALE of 5.5 years
 - Industrial leasing of 34,345 sqm (8.3% of industrial portfolio income) maintained occupancy at 98% and WALE at 5.8 years
- **Growth** of the Growthpoint Australia Logistics Partnership with a contract exchanged for the purchase of a \$24 million industrial asset in Bundamba, Queensland³
- **Sustainability** focus saw Growthpoint’s GRESB score maintained at 85
- **Funds from operations (FFO) guidance** for the twelve months to 30 June 2026 (FY26) maintained at 22.8 – 23.6 cents per security (cps)⁴
- **FY26 distribution guidance maintained** at 18.4 cps⁴

Mr Lees said, “It has been a strong start to the year, and we are pleased to have already completed significant leasing across the portfolio. This reflects solid demand and our customer focus.

“As at 31 October 2025 we have an additional 13,490 sqm of office space and 41,808 sqm of industrial space under terms, bringing pro-forma occupancy to 94% and 99% respectively. This reflects more office leasing by area than we completed across the entirety of the FY25 year.

“Following the leasing success in our industrial portfolio, we now have less than 3.5% remaining to expire in FY26. Our strategy of growing with like-minded partners is delivering results, as 95% of industrial leasing completed or agreed has been to existing portfolio tenants, including those expanding into new geographies.

“We have also continued to grow new funds and build on key partnerships, with the expansion of the Growthpoint Australia Logistics Partnership through the acquisition of a high-quality industrial facility in Bundamba, Queensland.”
