ASX Announcement
ETHERSTACK PLC
("Etherstack" or the "Company")

Etherstack awarded Australian Defence project

Etherstack is pleased to announce that its subsidiary Etherstack Pty Ltd has been awarded a A\$2.5m defence contract with the Commonwealth of Australia in the field of advanced defence communications.

Management expects the contract revenues to be fully recognised prior to 31 December 2026.

Anna Squires, Director of Defence, says "This contract cements \$15 million dollars of defence communications business between Etherstack and the Australian Commonwealth since 2021. Etherstack is proud to be a sovereign SME partner to the Australian defence communications community."

The Company will provide further details at a later date.

The Company will provide the market updated guidance during the course of the week commencing 10th November 2025 in relation to the impact of this and other recent awards on FY2025 and FY2026 revenues.
