**Sydney, 7 November 2025** - Wisr Limited (**ASX: WZR**) ("**Wisr**", or the "**Company**") is pleased to announce an equity capital raise of up to \$11.4M, an upgrade to its FY26 guidance, and the entry into a non-binding Term Sheet to refinance the Company's corporate debt facility on a materially lower interest margin. These capital management initiatives will be EPS accretive for Wisr shareholders.

### Capital raise highlights

- Capital raise of up to \$11.4M through a combination of a Placement and Share Purchase Plan ("**SPP**") at \$0.031 per share
- Strongly supported \$9.4M institutional Placement to sophisticated and professional investors under ASX Listing Rules 7.1 and 7.1A
- Following the Placement, Wisr will offer eligible shareholders the opportunity to participate in a non-underwritten SPP to raise up to \$2.0M, offering eligible existing shareholders the opportunity to participate on the same terms as the Placement
- Proceeds to be applied primarily to repay \$7.5M of the Company's corporate debt facility, reducing the drawn balance from \$35.0M to \$27.5M, and provide additional working capital and liquidity to support loan origination growth and product development initiatives

### FY26 guidance upgrade

As a result of the capital raise and impending refinancing of the Company's corporate debt facility, Wisr is upgrading its FY26 guidance and expects to achieve Cash NPAT profitability in H2FY26.

Wisr also reaffirms its current guidance for FY26:

- Loan origination growth: 40%+ (FY25: \$422m)
- Revenue Growth: 15%+ (FY25: \$91.6m)
- Cost-to-income ratio improvement: <29% (FY25: 31%)

### Execution of non-binding Term Sheet for refinance of corporate debt facility

WISR is also pleased to announce that it has executed a non-binding Term Sheet with an Australia-based institutional private credit fund to refinance the Company's existing corporate debt facility. The refinancing (once completed) will replace the existing facility and result in a material reduction in the Company's interest margin on the corporate debt facility. The facility limit will remain \$50.0M and the tenor three years. Completion of the refinancing is not guaranteed and remains subject to the execution of market-standard long-form documentation. A further announcement will be made upon execution of the final agreement.

### Leadership Commentary

Mr Andrew Goodwin, WISR's Chief Executive Officer, said, "This capital raise is a strategically important step that supports the next phase of WISR's growth towards scale and profitability. *As a result of the capital raise and impending refinancing of our corporate debt facility, we are pleased to upgrade our FY26 guidance, with Cash NPAT profitability expected in H2FY26,"* concluded Mr Goodwin.
