## Request for trading halt

**Superior Resources Limited (ASX: SPQ) (Company)** refers to the issue of fully paid ordinary shares on 15 October 2025 (**15 October Shares**) on exercise of options (**SPQOA**) issued under the Company's placement completed on 10 April 2025.

Due to an administrative oversight, the Company did not issue a cleansing notice under section 708A of the Corporations Act for the 15 October Shares and as a result, by reason of section 707, they cannot be offered for sale without disclosure.

The Company is urgently seeking orders from the Supreme Court of Western Australia for orders enabling the on-sale of these shares and to validate sales to-date, and expects an application to be made to the Court today and a hearing shortly thereafter. In the meantime and in accordance with ASX Listing Rule 17.1, the Company requests a trading halt in its securities effective immediately. The Company provides the following information in relation to its request:

- The trading halt is requested until an announcement is made to the market regarding an update on the Company's application for orders under the Corporations Act.
- The Company requests that the trading halt remain in place until the earlier of the opening of trading on Wednesday, 12 November 2025 and when the Company makes an announcement to the market regarding the subject matter outlined above.
- The Company is not aware of any reason why the trading halt should not be granted or any other information necessary to inform the market about the trading halt.

Persons who have any queries in relation to the 15 October Shares should contact the Company.

This announcement is authorised for release by the board of Superior Resources Limited.
