**Perpetual Credit Income Trust (ASX:PCI) – Early close to Shortfall Offer**

Perpetual Trust Services Limited ACN 000 142 049 (**Responsible Entity**), the responsible entity of the Perpetual Credit Income Trust ARSN 626 053 496 (ASX:PCI) (**PCI**) is pleased to announce the early closure of the Shortfall Offer<sup>1</sup> (in relation to the Entitlement Offer announced by PCI on 10 November 2025) following strong investor demand.

The early closure of the Shortfall Offer will not otherwise impact the Entitlement Offer timetable. The Entitlement Offer is currently scheduled to open on Tuesday, 18 November 2025 and close on Thursday, 27 November 2025. New units in PCI (**New Units**) not subscribed for under the Entitlement Offer may be allocated to Eligible Unitholders under the Top-up Facility. Any New Units not subscribed for under the Entitlement Offer and Top-up Facility may be allocated to certain Wholesale Investors who have been invited to apply for New Units under the Shortfall Offer.

Portfolio Manager of PCI, Greg Stock, said: “We are pleased to have received strong initial demand for the capital raising, leading us to close the Shortfall Offer earlier than anticipated. This demand demonstrates our belief for the need for investors to have quality credit capabilities such as PCI, in their portfolios. We have proven over a number of time periods that we can provide a source of income to PCI’s unitholders, in excess of the RBA cash rate and we believe this makes PCI an attractive investment proposition.”

To the extent that there is excess demand under the Top-Up Facility or Shortfall Offer, the Responsible Entity and the investment manager of PCI, Perpetual Investment Management Limited ACN 000 866 535, will determine the appropriate allocation of securities in consultation with the Joint Lead Managers (each acting reasonably), including by applying a pro rata scale-back mechanism.
