

ASX Announcement

**RIO TINTO TO EXTEND ITS EXISTING CONTRACT WITH MLG FOR AN
ADDITIONAL 3 MONTHS**

Key Highlights:

- Extension of existing contract with Rio Tinto at the Western Turner Syncline Mine to March 2026.
- Scope of works to remain unchanged.
- Initial contract term of the contract was for up to 12 months, with a volume movement of 1.6m tonnes. This volume movement is now expected to be achieved by December 2025

MLG Oz Limited (ASX: MLG) (**MLG or the Company**) is pleased to announce that it has received an extension to its existing contract with Rio Tinto (ASX: RIO) (**RIO**), for the provision of bulk haulage and site services in support of ongoing activities at the Western Turner Syncline Mine in the Pilbara region of Western Australia.

The contract encompasses the provision of off-road bulk ore haulage services, material loading, rock breaking, unloading, stockpile management and road maintenance services.

The original contract revenue is still expected to be approximately \$20 million. This extension will provide additional revenues of approximately \$5.0m through to March 2026.

Acting Chief Executive Officer, Mark Hatfield, said: "We are very pleased to be able to extend our relationship with Rio Tinto for a further three months, which is a positive reflection of the successful commencement and delivery of our services."

Authorised for release by the Board of Directors.

About MLG Oz Limited

MLG Oz Limited (ASX: MLG) is a Kalgoorlie-based integrated mining services and resource asset management company, founded by Managing Director Murray Leahy. MLG delivers tailored solutions to mining operations, primarily focused on supporting its clients' ore processing facilities across gold, iron ore and other base metals in Western Australia and the Northern Territory.

MLG offers a comprehensive range of services under an integrated business model, often within a single contractual framework. These include Civil & Construction, Crushing & Screening, Bulk Haulage & Site Services, and the supply of Open Pit Mining & Construction Materials from MLG's strategically located regional quarries.

The Company's key capabilities include build, own, and operate models, contract crushing and screening services, as well as crusher feed and material management.

Services extend to include construction, road maintenance, rehabilitation work, vehicle maintenance, and machinery and labour hire. MLG's dedicated facility at the Esperance Port supports its end-to-end bulk commodity export logistics services.
