1 Why you should accept Suzerain's Offer

The Offer provides significant benefits to you as an EAT Shareholder. The key reasons why you should accept the Offer are as follows:

- 1 The Offer is unanimously recommended by the IBC in the absence of a Superior Proposal and subject to an Independent Expert concluding (and continuing to conclude) that the Offer is fair and reasonable.**
- 2 The Offer delivers a significant premium to EAT's recent and historical trading price.**
- 3 The Offer is all cash consideration. As such you have the opportunity to realise value for your EAT Shares with the certainty of 100% cash.**
- 4 No competing offer has emerged for your EAT Shares and Suzerain considers the likelihood of a competing proposal emerging is low.**
- 5 The price of EAT Shares may fall if the Offer lapses.**
- 6 There may be a reduction in liquidity of the EAT Shares if Suzerain further increases its interest in EAT thereby reducing the free float of EAT Shares.**
- 7 If you do not accept the Offer and Suzerain further increases its interest in EAT, you risk becoming a minority shareholder in an entity controlled by Suzerain (and EAT may be delisted from ASX provided certain conditions are met).**
- 8 There are no stamp duty or brokerage fees in accepting the Offer.**

1.1 Board support for the Offer

- (a) The EAT IBC has unanimously recommended that you accept the Offer and have indicated their intention to do so for the EAT Shares that they own or control, unless a Superior Proposal emerges and subject to an Independent Expert concluding (and continuing to conclude) that the Offer is fair and reasonable
- (b) Each member of the EAT IBC who has a Relevant Interest in EAT Shares (which, as at the date of this Bidder's Statement, represents approximately 1% of the EAT Shares on issue in aggregate) has informed the EAT Board that they intend to accept the Offer in respect of those Shares in the absence of a Superior Proposal and subject to an Independent Expert concluding (and continuing to conclude) that the Offer is fair and reasonable.

1.2 The Offer represents a significant premium to recent and historical trading price

- (a) The Offer Price of \$0.022 cash for each EAT Share represents a significant premium over the recent and historical market price of EAT Shares. The Offer Price implies a total equity value for EAT of circa \$28.79 million.
- (b) The Offer Price represents a premium of:
 - (i) 1,000% to \$0.002, being the closing price of EAT Shares on 14 October 2025, the last trading day prior to the Announcement Date;
 - (ii) 1,000% to the 30-day VWAP of EAT Shares up to and including 14 October 2025, being the last trading day prior to the Announcement Date;
 - (iii) 624% to the 90-day VWAP of EAT Shares days up to and including 14 October 2025, being the last trading day prior to the Announcement Date;

- (iv) 450% to being the two-year VWAP of EAT Shares up to and including 14 October 2025, being the last trading day prior to the Announcement Date; and
- (v) 0% to \$0.022, being the closing price of EAT Shares on 27 October 2025, being the last trading day prior to the date this Bidder's Statement was lodged with ASIC.

1.3 **100% cash consideration: certain value for EAT Shares**

The Offer by Suzerain to acquire EAT Shares is for 100% cash consideration. This gives EAT Shareholders certainty about the value of the consideration being offered.

1.4 **No competing offer has emerged**

- (a) As at the date of this Bidder's Statement, Suzerain is not aware of any other party intending to make a competing proposal to acquire EAT Shares and there is no certainty that any such offer will materialise or that any such offer would be superior to the Offer.
- (b) Suzerain considers it a low likelihood that an alternative bidder will make a competing proposal for EAT. At the date of this Bidder's Statement, Suzerain held 65.85% of the EAT Shares on issue. Such a holding would commonly be considered a blocking stake as it prevents a potential acquirer from obtaining 100% ownership of EAT without Suzerain's support.

1.5 **The EAT Share price may fall if the Offer lapses**

- (a) For the 52-week period prior to the Announcement Date, the EAT Share price traded between \$0.002 and \$0.008, closing at \$0.002 on 14 October 2025, the last trading day prior to the Announcement Date. The EAT Share price traded between \$0.021 and \$0.022 and closed at \$0.022 on 27 October 2025, being the last trading day prior to the date this Bidder's Statement was lodged with ASIC.
- (b) While there are many factors that might influence the market price of EAT Shares, there is a risk that the EAT Share price may fall, at least in the short term, if the Offer does not proceed and no alternative offer is made for EAT at or above the Offer Price.

1.6 **Potential reduction in liquidity**

At the date of this Bidder's Statement, Suzerain held 65.85% of the EAT Shares on issue. Subject to acceptances, during or following close of the Offer, if Suzerain, together with its Associates, increases its interest in EAT, but Suzerain is not entitled to or otherwise does not proceed to compulsorily acquire the remaining EAT Shares in accordance with Part 6A.1 of the Corporations Act and:

- (a) EAT continues to be listed on the ASX following the Offer; and
- (b) you continue to hold EAT Shares,

there may be reduced liquidity in EAT Shares due to the decrease in the number of EAT Shares available for trading. This may make it difficult for you to sell your EAT Shares outside of the Offer and could cause the price of EAT Shares to fall.

1.7 **Risk of minority position and delisting of EAT**

- (a) If Suzerain increases its interest in EAT and increases its voting power in EAT, but Suzerain is not entitled to or otherwise does not compulsorily acquire the remaining EAT Shares in accordance with Part 6A.1 of the Corporations Act, those EAT Shareholders who have not accepted the Offer will become minority shareholders with less influence over the future direction of EAT.

- (b) In addition, if Suzerain has a Relevant Interest in at least 75% of the EAT Shares, it may apply for removal of EAT from the Official List of the ASX. If EAT is removed from the Official List of the ASX, EAT Shares will be unable to be bought or sold on the ASX and any remaining EAT Shareholders will become minority shareholders in an unlisted entity.
- (c) Please refer to section 6 of this Bidder's Statement for further details regarding Suzerain's intentions in relation to EAT.

1.8 No stamp duty or brokerage fees in accepting the Offer

- (a) You will not be obliged to pay stamp duty if you accept the Offer.
- (b) If your EAT Shares are registered in an Issuer Sponsored Holding in your name and you deliver them directly to Suzerain, you will not incur any brokerage in connection with your acceptance of the Offer.
- (c) If your EAT Shares are registered in a CHESS Holding, or if you are a beneficial owner whose EAT Shares are registered in the name of a Broker, bank, custodian or other nominee, you should ask your Controlling Participant (usually your Broker) or that nominee whether it will charge any transaction fees or service charges in connection with acceptance of the Offer.

-----------------------------------	-------------------------------------	--

- (c) As at the date of this Bidder's Statement, Australia Fintech Pty Ltd ACN 656 107 532 as trustee of the Australian Fintech Trust (**AFT**) is the registered holder of 59,524,369 EAT Shares and is also wholly-owned by Dean Palmer and Laura Palmer, Mr Palmer's spouse. Dean Palmer is the sole director of the corporate trustee of AFT. Accordingly, AFT is regarded as an Associate of Suzerain, as it acts in concert with Suzerain in relation to the affairs of EAT.
- (d) AFT was established on or about 26 May 2020 as an entity intended to hold EAT Shares, originally acquired by or on behalf of Suzerain, for the benefit of Dean Palmer and Jeremy Thorpe (a former Director) in connection with their remuneration as nominee directors of Suzerain. AFT intends to transfer 52,170,068 EAT Shares to Suzerain for \$156,510.20 (approximately \$0.003 per EAT Share) with the remaining 7,354,301 Shares to be transferred to Dean Palmer and Laura Palmer as trustees for Palmer Family Trust. 6 Suzerain's intentions

6.1 Introduction and important note

- (a) This section sets out Suzerain's current intentions for:
 - (i) the continuation of the business of EAT;
 - (ii) any major changes to be made to the business of EAT, including any redeployment of the fixed assets of EAT; and
 - (iii) the future employment of the present employees of EAT.
- (b) Suzerain's current intentions for EAT have been formed following a review of facts, information and circumstances about EAT that were either publicly available at the date of this Bidder's Statement or provided by EAT during the course of limited due diligence enquiries. That review by EAT did not provide Suzerain with sufficient facts, information and circumstances necessary to finally determine its intentions for EAT. As such, statements set out in this section are statements of current intention only which may change as new information becomes available or circumstances change.
- (c) Following the close of the Offer, it is Suzerain's intention to ensure that there is a continued and ongoing review of the operations, assets, structure and employees of EAT as has been the case over the past few years.

6.2 **Intentions upon acquisition of 90 percent or more of EAT Shares**

Sections 6.3 to 6.9 below sets out Suzerain's current intentions if it acquires 90 percent or more of the EAT Shares and is entitled to proceed to compulsory acquisition of the outstanding EAT Shares.

6.3 **Compulsory acquisition**

- (a) If it becomes entitled to do so, Suzerain may, in its discretion, elect to compulsorily acquire any outstanding EAT Shares under section 661B Corporations Act.
- (b) In those circumstances, Suzerain is also entitled to acquire EAT Shares issued after the Offer closes but before the compulsory acquisition notice is given (under section 661A(4)(b) Corporations Act).

6.4 **Amend EAT's constitution**

Suzerain intends to amend the constitution of EAT to reflect its status as a wholly-owned Subsidiary of Suzerain and will seek to convert from a public company to a proprietary company.

6.5 **ASX listing**

If Suzerain elects to compulsorily acquire any outstanding EAT Shares under section 661B Corporations Act and after the conclusion of the compulsory acquisition process, Suzerain may procure that EAT be removed from the official list of ASX (or ASX may require such removal).

6.6 **Directors**

Suzerain intends to retain all the members of the EAT Board and the members of the boards of directors of EAT's Subsidiaries.

6.7 **Operations and strategic review**

- (a) It is Suzerain's intention to ensure that there is a continued and ongoing review of the operations, assets, structure and employees of EAT. It is anticipated that these continued and ongoing reviews will pay particular attention to:
 - (i) review of the core revenue drivers of the business and new business opportunities to maximise revenues;
 - (ii) potential synergies and cost savings, including overheads, board expenses, insurances, professional advisory fees and other synergistic operational costs made possible via a privatised corporate structure;
 - (iii) EAT's current financing arrangements and future funding requirements to determine the optimal capital structure. EAT's need for additional capital, either in the form of debt or equity will be assessed, including Suzerain's ability to provide EAT with such capital; and
 - (iv) EAT's asset portfolio and other business interests with the view to add value/expedite development and growth opportunities which includes exploring strategic opportunities to create synergies through potential acquisitions.
- (b) Only upon completion of the detailed review, and in light of all material facts and circumstances will Suzerain finally determine its intentions for EAT and will take the action as it considers desirable to achieve optimum revenue growth and synergies.

6.8 Business integration

Suzerain intends to retain EAT's corporate head office functions such as the company secretarial, financial management and information technology functions and continue to trade under current arrangements. It is noted, however, that some functions of EAT's head office may no longer be necessary if EAT is removed from the official list of ASX following the conclusion of the Offer.

6.9 Employees

- (a) It is Suzerain's intention to retain the management personnel of EAT in roles appropriate to their skills, expertise, performance and strategic fit.
- (b) Suzerain intends to continue the employment of EAT's present employees in accordance with their current terms of employment, assuming those terms of employment are standard and commercially reasonable.

6.10 Dividend policy

Suzerain's view on the payment of dividends by EAT may be different to those of the current EAT Board, which may result in their increase or decrease. No determination has been made by Suzerain at this time regarding EAT's dividend and capital management policies after the conclusion of the Offer.

6.11 Intentions upon acquisition of between 50 percent and 90 percent of EAT Shares

Sections 6.11 to 6.20 set out Suzerain's current intentions if Suzerain does not become entitled to compulsorily acquire all outstanding EAT Shares and, consequently, EAT continues to be controlled by Suzerain but is not a wholly-owned Subsidiary of Suzerain.

6.12 Compulsory acquisition

If Suzerain does not become entitled to compulsorily acquire EAT Shares under section 661B Corporations Act, it may nevertheless become entitled to exercise the general compulsory acquisition power under part 6A.2 Corporations Act in the future. Suzerain may elect to exercise that power over the EAT Shares if it becomes entitled to do so.

6.13 ASX listing

- (a) Suzerain may seek to have EAT removed from the official list of ASX. ASX guidance indicates that ASX would approve an application for EAT to be removed from the official list of ASX without the need for shareholder approval if:
 - (i) at the end of the Offer, Suzerain owns or control at least 75% of the EAT Shares and the Offer has remained open for at least two weeks after Suzerain has attained ownership or control of at least 75% of the EAT Shares; and
 - (ii) the number of EAT Shareholders (other than Suzerain and its Associates) having holdings with a value of at least \$500 is fewer than 150.
- (b) In addition, ASX guidance indicates that ASX would approve an application for EAT to be removed from the official list of ASX with EAT Shareholder approval and, where such removal is sought later than 12 months after the close of the Offer, Suzerain and its Associates would be entitled to vote on the resolution approving the removal.

6.14 Intentions generally (including about matters at section 6.2 above)

If, following the close of the Offer, EAT becomes a controlled entity but not a wholly owned Subsidiary of Suzerain, it is the present intention of Suzerain to procure that the new Suzerain

Board implements the objectives and goals outlined in section 6.2 to the extent possible and appropriate.

6.15 **Limitations on intentions**

- (a) To the extent that EAT is not a wholly owned Subsidiary of Suzerain and there are minority shareholders of EAT, Suzerain intends to ensure that the EAT Board will act at all times in accordance with their fiduciary duties and that all requisite shareholder approvals and other legal requirements are complied with in pursuing any of the intentions outlined above.
- (b) The requirement to have regard to those fiduciary duties in the context of a partly owned company and the possible requirements of minority shareholder approval may prevent the particular objective being achieved.

6.16 **Operations and strategic review**

Should Suzerain acquire control of EAT, Suzerain intends to ensure that there is a continued and ongoing review of the operations, assets, structure and employees of EAT as has been the case over the past few years as outlined above in Section 6.7. However, as a result of EAT not being a wholly-owned Subsidiary of Suzerain, Suzerain's ability to implement changes to EAT's operations will be limited and it is unlikely that the full potential benefits will be realised.

6.17 **Employees**

- (a) It is Suzerain's intention to retain the management personnel of EAT in roles appropriate to their skills, expertise, performance and strategic fit.
- (b) Suzerain intends to continue the employment of EAT's present employees in accordance with their current terms of employment, assuming those terms of employment are standard and commercially reasonable.

6.18 **Dividend policy**

The payment of a dividend by EAT would be at the discretion of the EAT Board and will be a function of a number of factors, including (but not limited to) the general business and financial conditions, the operating results and capital expenditure requirements of EAT, future funding requirements (including potential acquisition opportunities), capital management initiatives, taxation considerations (including the level of franking credits available), any contractual, legal or regulatory restrictions on the payment of dividends by EAT, and any other factors the EAT Board may consider relevant.

6.19 **Intentions generally**

Except for the changes and intentions set out in this section 6 and elsewhere in this Bidder's Statement, Suzerain intends, based on the information presently known to it:

- (a) to continue the business of EAT in substantially the same manner as it is presently being conducted;
- (b) not to make any major changes to the business of EAT or the deployment of EAT's assets; and
- (c) to continue the employment of the vast majority of EAT employees.

6.20 Limitations on intentions

- (a) The intentions and statements of future conduct set out in this Section 6 must be read as being subject to:
 - (i) EAT's constitution, the law (including the Corporations Act) and the Listing Rules, including in relation to related party transactions and conflicts of interest. These requirements may, in some circumstances, require the approval of minority EAT Shareholders in order to implement a particular transaction;
 - (ii) the outcome of reviews referred to in this Section 6; and
 - (iii) the legal obligation of the EAT Directors at the time, including any candidates for the EAT Board nominated by Suzerain, to act in good faith in the best interests of EAT and for proper purposes and to have regard to the interests of all EAT Shareholders.
- (b) To the extent that EAT is not a wholly-owned Subsidiary of Suzerain and there are minority EAT Shareholders, Suzerain intends to ensure that the candidates for the EAT Board nominated by Suzerain act, at all times, in accordance with their fiduciary duties and that all requisite shareholder approvals and other legal requirements are complied with in pursuing any of the intentions outlined above.
- (c) The requirement to have regard to those fiduciary duties in the context of a partly owned company and the possible requirements of minority shareholder approval may prevent the particular objective being achieved.

7 Sources of Offer Price

7.1 Total cash consideration

- (a) Suzerain's offer is a 100% cash offer and the Offer Price is \$0.022 per EAT Share.
- (b) The maximum amount of cash that Suzerain would be required to pay under the Offer for all EAT Shares currently on issue (excluding the EAT Shares already owned by Suzerain as at the date of this Bidder's Statement, being 861,845,725 EAT Shares), is approximately \$9,832,686.38.

Suzerain's funding arrangements

- (a) Suzerain will source the necessary funds to be made available to Suzerain to pay the Offer Price (and costs associated with the Offer) from Skybound, being a licensed investment manager of the Skybound Capital Partners PCC (Fund in respect of The Prism Income Fund and The Prism Dividend Fund. For context, Suzerain is a special-purpose investment vehicle within the Fund structure (indirectly owned by investors in the Fund).
- (b) Suzerain has received a letter of comfort from Skybound. This letter confirms that having regard to a combination of available cash and funding arrangements in place (including existing facilities from The Prism Income Fund), Skybound will ensure that Suzerain has sufficient financial resources and support to meet its obligations in connection with the proposed Offer, including payment of the consideration in accordance with the terms of the Offer.

8 Tax considerations

8.1 Introduction

- (a) The following is a summary of the potential Australian income tax consequences generally applicable to an EAT Shareholder who disposes of EAT Shares under the Offer. This summary is based on the law and practice in effect on the date of this Bidder's Statement.
- (b) The following summary is not intended to be an authoritative or complete statement of the tax law applicable to the specific circumstances of every EAT Shareholder.
- (c) In particular the summary is only applicable to EAT Shareholders that are Australian residents for income tax purposes and hold their EAT Shares on capital account for income tax purposes. This summary does not apply to EAT Shareholders that hold their EAT Shares in the course of a business of trading or dealing in securities. The summary does not apply to EAT Shareholders who acquired their EAT Shares as part of an employee share scheme operated by EAT.
- (d) All EAT Shareholders are advised to seek independent professional advice about their particular circumstances and non-resident EAT Shareholders should seek their own advice on the Australian and foreign taxation consequences of any sale of their EAT Shares.

8.2 CGT consequences on the disposal of EAT Shares

- (a) An EAT Shareholder that accepts the Offer and whose EAT Shares are subsequently transferred to Suzerain, is taken to have disposed of their EAT Shares for Australian CGT purposes. EAT Shareholders make a capital gain equal to the amount by which the Offer consideration exceeds the cost base that the EAT Shareholder has for the EAT Shares. Subject to the availability of the CGT discount (see below) and any losses available to be offset against the capital gain, this amount is included in the EAT Shareholder's taxable income.
- (b) An EAT Shareholder will alternatively make a capital loss equal to the amount by which the reduced cost base of the EAT Shares exceeds the Offer consideration. A capital loss may be used to offset a capital gain made in the same income year or be carried forward to offset a capital gain made in a future income year, subject to the satisfaction of certain loss recoupment tests applicable to companies and trusts.

8.3 Cost base of EAT Shares generally

The cost base of EAT Shares would generally be equal to the amount the relevant EAT Shareholder paid to acquire the EAT Shares which includes certain incidental costs of the acquisition (such as brokerage).

8.4 CGT discount

- (a) Any EAT Shareholder who is an individual, the trustee of a trust or a complying superannuation entity may be entitled to claim the CGT discount in calculating any capital gain provided that:
 - (i) the EAT Shares were acquired at least 12 months before disposal to Suzerain;
 - (ii) the EAT Shareholder did not choose to index the cost base of their EAT Shares; and
 - (iii) the CGT discount is applied to the capital gain after any available capital losses are first offset against that capital gain.

- (b) The CGT discount allows an EAT Shareholder who is an individual or the trustee of a trust to discount the capital gain by 50 percent and include 50 percent of the capital gain in the taxable income of that individual or trust.
- (c) An EAT Shareholder that is a complying superannuation entity may discount the capital gain by 33⅓ percent and include 66⅔ percent of the capital gain in the taxable income of that complying superannuation entity.
- (d) The CGT discount is not available to an EAT Shareholder that is a company.

8.5 Stamp duty and GST

EAT Shareholders who dispose of their EAT Shares under the Offer are not expected to incur any Australian stamp duty or be subject to GST on that disposal.

8.6 Obtain your own taxation advice

- (a) Do not rely on the comments or the statements contained in this Bidder's Statement as advice about your own affairs. The taxation laws are complex and there could be implications in addition to those generally described in this Bidder's Statement.
- (b) Accordingly, consult your own tax advisers for advice applicable to your individual needs and circumstances. To the extent permitted by law, Suzerain does not accept any responsibility for tax implications for individual EAT Shareholders.
- (c) Suzerain is not a registered tax agent under the *Tax Agent Services Act 2009* (Cth) and cannot provide tax advice to specific EAT Shareholders. EAT Shareholders should obtain tax advice from a registered tax agent on the consequences of accepting the Offer.

9 Pre-Bid Agreement

9.1 Pre-Bid Agreement

- (a) On 15 October 2025, Suzerain and EAT entered into an Implementation Deed for the proposed takeover bid by Suzerain for all the EAT Shares.
- (b) The key terms of the Implementation Deed are set out further below.
- (c) The Implementation Deed is attached to EAT's announcement of the Offer lodged with ASX on the Announcement Date.

9.2 EAT IBC recommendation

The EAT IBC recommend that EAT Shareholders accept the Offer, unless there is a Superior Proposal and subject to an Independent Expert concluding (and continuing to conclude) that the Offer is fair and reasonable.

9.3 Exclusivity and other limitations

- (a) EAT has agreed not to:
- (i) solicit, invite, facilitate, encourage or initiate any enquiries, negotiations or discussions with a view to obtaining an approach, expression of interest, offer or proposal from any person for a Competing Proposal (no shop condition);
 - (ii) permit due diligence on itself or its Subsidiaries (no due diligence condition) in respect of a Competing Proposal; or

- (iii) participate in any negotiations or discussions about a Competing Proposal or respond to a Competing Proposal (no talk condition).
- (b) EAT can enter into discussions or negotiations in response to a possible Competing Proposal, if EAT, having received advice from EAT's legal adviser, considers that failing to respond to the proposal would be contrary to the fiduciary or statutory duties of the EAT Directors or otherwise be unlawful.

9.4 **Loan Funded Share Plans**

- (a) In respect of the Loan Funded Share Plan, the Implementation Deed requires EAT to:
 - (i) take all actions necessary between the date of the Implementation Deed and the end of the Offer Period to ensure that any LFS Securities which have not already vested in accordance with their terms of issue vest in accordance with their terms; and
 - (ii) procure that each holder of LFS Securities repays to EAT in full any loan advanced to them:
 - (A) upon the latter of vesting of the relevant LFS Securities and receipt of the consideration for the disposal of the LFS Securities under the Offer; and
 - (B) otherwise in accordance with the terms of the Loan Funded Share Scheme.
- (b) No LTI's will form part of the Offer.

Bid Conditions

The Offer is subject to customary conditions precedent including, but not limited to, Suzerain obtaining a relevant interest in at least 90% (by number) of all EAT Shares, and the holders of at least 75% (by number) of EAT shares not held by Suzerain and its Associates, having accepted the Offer before the end of the Offer period. Full details of the remaining conditions are set out in Schedule 2 of this Bidder's Statement.

9.5 **Exertion fee**

An aggregate payment will be made by EAT to Charles Romito, an EAT Director and member of the IBC, up to \$25,000 (inclusive of any applicable GST) as a special exertion fee for the additional work undertaken in connection with the Offer.

9.6 **Break Fee and Reverse Break Fee**

A break fee in the amount of \$40,000 may be payable by EAT to Suzerain or a reverse break fee in the amount of \$100,000 payable by Suzerain to EAT may apply in certain circumstances set out in the Implementation Deed.

- (c) As required by Class Order 13/521, Suzerain will make available a copy of the documents containing these statements (or relevant extracts from these documents), free of charge to EAT Shareholders who request them before the end of the Offer Period. 6 Conditions of the Offer

Conditions

6.1 This Offer and the contract that results from acceptance of this Offer are subject to fulfilment of the Defeating Conditions.

Nature of conditions

- 6.2 Each of the Defeating Conditions set out in each paragraph and subparagraph of Schedule 2:
- (a) constitutes and will be construed as a separate, several and distinct condition;
 - (b) is a condition subsequent; and
 - (c) until the expiration of the Offer Period will be for the benefit of Suzerain alone and may be relied upon only by Suzerain.

Conditions apply to multiple events

- 6.3 Where an event occurs that would mean at the time the event occurs a Defeating Condition would not be satisfied, each Defeating Condition affected by that event becomes two separate conditions on identical terms except that:
- (a) one of them relates solely to that event; and
 - (b) the other specifically excludes that event.
- 6.4 Suzerain may declare the Offer free under clause 6.5 from either of those conditions without declaring it free from the other and may do so at different times. This clause may apply any number of times to a Defeating Condition (including a condition arising from a previous operation of this clause).

Effect of breach or non-fulfilment

- 6.5 The breach or non-fulfilment of any of the Defeating Conditions does not prevent a contract arising to acquire your EAT Shares resulting from your acceptance of this Offer. If at the end of the Offer Period, in respect of any Defeating Condition:
- (a) Suzerain has not declared the Offers (and they have not become) free from that Defeating Condition; or
 - (b) that Defeating Condition has not been satisfied,

all contracts resulting from the acceptance of the Offers and all acceptances that have not resulted in binding contracts are void. In that case, Suzerain will return the Acceptance Form together with all documents to the address shown in the Acceptance Form.

Suzerain may decide Offer is free from all or any of the Defeating Conditions

- 6.6 Suzerain may at any time at its sole discretion but in compliance with section 650F and section 630(1) Corporations Act, declare the Offers free from all or any of the Defeating Conditions by written notice to EAT not later than seven days before the end of the Offer Period.

Date for giving notice on status of Defeating Conditions

- 6.7 The date for giving a notice on the status of the Defeating Conditions as required by section 630(1) Corporations Act is the date seven days before the end of the Offer Period, subject to variation under section 630(2) Corporations Act if the Offer Period is extended.

Effect of acceptance

- 6.8 Once you have accepted this Offer, you will be unable to revoke your acceptance and the contract resulting from your acceptance will be binding on you, unless:
- (a) by the end of the Offer Period, the Defeating Conditions have not all been satisfied or waived in which case, this Offer will automatically terminate; and

- (b) the circumstances set out in section 650E Corporations Act apply.

6.9 By signing and returning the Acceptance Form, you will be deemed to have:

- (a) irrevocably accepted this Offer (and each variation of this Offer) in respect of all your EAT Shares despite any difference between that number and the number of EAT Shares shown in the Acceptance Form;
- (b) irrevocably authorised Suzerain to alter the Acceptance Form on your behalf by:
 - (i) inserting correct details of your EAT Shares;
 - (ii) filling in any blanks remaining on the Acceptance Form; and
 - (iii) rectifying any errors in, and omissions from, the Acceptance Form,as may be necessary to make the Acceptance Form a valid acceptance of this Offer and to enable registration of the transfer of your EAT Shares to Suzerain;
- (c) represented and warranted to Suzerain, as a condition of the contract resulting from your acceptance of the Offer, that at the time of acceptance and at the time of transfer to Suzerain:
 - (i) you have paid to EAT all amounts which are due for payment for your EAT Shares;
 - (ii) all of your EAT Shares are fully paid and free from all mortgages, charges, liens and other encumbrances of any nature; and
 - (iii) you have full power and capacity to sell and transfer those EAT Shares;
- (d) granted to Suzerain and each of its directors power of attorney to sign any document or do any thing on your behalf necessary to cause EAT to issue a replacement share certificate for those EAT Shares;
- (e) agreed to:
 - (i) do anything necessary to ratify any act taken or purported to be taken by Suzerain or any of its directors under the power of attorney granted by clause 6.9(d) of this Schedule 1; and
 - (ii) indemnify Suzerain and each of its directors in respect of that act;
- (f) on this Offer or any takeover contract becoming unconditional, until the earlier of the withdrawal of your acceptance under section 650E Corporations Act or the end of the Offer Period, irrevocably appointed Suzerain or any nominee of Suzerain as your attorney to exercise all your powers and rights attaching to your EAT Shares including (without limitation) to requisition, convene, attend and vote at all general meetings of EAT or appoint a proxy or proxies to attend and vote on your behalf at that meeting, where the passing or defeat of any resolution before the meeting might adversely affect the likelihood of the Offer being successful and to do so in a way which would prevent that effect arising;
- (g) on this Offer or any takeover contract becoming unconditional, irrevocably appointed Suzerain or any nominee of Suzerain as your attorney to exercise all your powers and rights attaching to your EAT Shares including (without limitation):
 - (i) to requisition, convene, attend and vote at all general meetings of EAT or appoint a proxy or proxies to attend and vote on your behalf at that meeting; and

- (ii) sign all documents and resolutions relating to your EAT Shares, and generally to exercise all powers and rights which you may have as a EAT Shareholder and perform actions as may be appropriate to vest good title in your EAT Shares in Suzerain;
- (h) agreed that in exercising the powers conferred by the power of attorney in clause 6.9(f) of this Schedule 1, Suzerain is entitled to act in the interests of Suzerain;
- (i) agreed not to attend or vote in person at any general meeting of EAT or to exercise or purport to exercise any of the powers conferred on Suzerain or its nominee in clause 6.9(f) of this Schedule 1; and
- (j) if your EAT Shares are in a CHESS Holding and you sign and return the Acceptance Form, irrevocably authorised Suzerain:
- (i) to instruct your Controlling Participant to initiate acceptance of this Offer for your EAT Shares under the ASX Settlement Operating Rules; and
 - (ii) to give any other instructions in relation to your EAT Shares to your Controlling Participant on your behalf under the sponsorship agreement between you and that Controlling Participant.

Withdrawal

- 6.10 Suzerain may withdraw unaccepted Offers at any time with the written consent of ASIC and subject to the conditions (if any) specified in that consent.

Variation

- 6.11 Suzerain may vary this Offer in accordance with the Corporations Act.

- 7.1 During the Offer Period:
- (a) any person who is able to give good title to a parcel of EAT Shares may accept (if they have not already accepted an offer in the form of this Offer) as if an offer on terms identical with this Offer has been made to that person; and
