MEDIA RELEASE

Mayne Pharma Group Limited – Panel Conducts Proceedings and Makes Interim Orders

The Panel has decided to conduct proceedings and made interim orders¹ in response to an application dated 6 November 2025 by Mayne Pharma Group Limited (**Mayne**) in relation to its own affairs (see [TP25/93](#)).

In summary, the interim orders amend the definition of End Date in the Scheme Implementation Deed dated 20 February 2025 between Mayne and Cosette Pharmaceuticals, Inc. (**Cosette**) and related Scheme and Deed Poll to be 24 November 2025 (or such other date as may be agreed in writing between Mayne and Cosette) and restrain Cosette from taking any steps to terminate the Scheme Implementation Deed under clauses 3.7 or 15.1(a)(ii) without the Panel’s prior consent, on the basis that the End Date has lapsed.

In the circumstances, the Panel considers that the interim orders are necessary to maintain the status quo.

The interim orders have effect until the earliest of further order of the Panel, determination of the proceedings or 2 months from the date of the interim orders.

The form of the interim orders is attached.

¹ BACKGROUND: An interim order is designed to maintain the status quo until the Panel can consider the application in detail. It may be made by the President (or Acting President) or a sitting Panel. Often a sitting Panel has not been appointed at the stage of considering the making of an interim order. An interim order does not indicate that the Panel has decided to conduct proceedings or necessarily indicate the merits of an application for a declaration of unacceptable circumstances.
